MCKAYLA TIMOTHY

Bin Boy Feiwel & Friends

Two new gorgeous, life-changing books in one! Read the best weight loss tips ever, then enjoy the very funny story of Mary Brown and her mum as they head off on a weight loss camp with a difference...WEIGHT LOSS TIPS "Full of very clever psychology that will leave you WANTING to lose weight because you feel so much better about yourself." The Times This is the kind approach to weight loss. A book packed with stories about how other people lost weight along with small tips that lead to subtle mind changes and big success. The book stars Mary Brown - heroine of the Adorable fat Girl series of books. She's funny, gorgeous and bonkers and when the series starts, she's seriously overweight. She heads for Fat Club and slowly starts to lose weight. The novels tell the tales of the fun she has and the people she meets as she battles the pounds, but as well as having a crazy amount of fun, she also loses weight...she manages to lose a massive 40lbs!! How

on earth did she lose all that weight? Here in this mini book - for the first time - she describes the rules, stories and feelings that helped her. This is a kind approach to weight loss. It's about learning to love yourself as you shift the pounds. It worked for Mary Brown and everyone at Fat Club, and it's worked for hundreds of readers who've written in.. I hope it works for you, and I hope you enjoy it. WEIGHT LOSS CAMP "Another brilliant addition to the Adorable Fat Girl series. It made me laugh out loud and I highly recommend this book and the entire series. I can't wait for the next installment." Mary Brown heads to Portugal for a weight loss camp and discovers it's nothing like she expected. "I thought it would be Slimming World in the sunshine, but this is bloody torture," she says, after boxing, running, sand training (sand training?), star jumps and eating nothing but carrots. Mary wants to hide from the instructors and cheat the system. The trouble is, her mum is with her, and won't leave her alone for a second. Then there's the angry instructor with the deep, dark secret about why he left the army; and the mysterious woman who sneaks into their pool and does synchronised swimming every night. Who the hell is she? Why's she in their pool? And what about Yvonne - the slim, attractive lady who disappears every night after dinner. Where's she

going? And what unearthly difficulties will Mary get herself into when she decides to follow her to find out... Some of the reviews "This book works. You will lose weight and feel soooo much better about yourself." Daily Mail "A warm, tender, friendly book that helped me lose 20lbs..." Heath & Fitness magazine BOY OH BOY this really works. The tip that helped me lose weight in particular is the "CAVE MEN ONLY EAT WHEN THEIR HUNGRY" I know it sounds made but give it a go it REALLY works. Thank you so much Bernice and all your readers who shared their tips. Funny and witty like she's you and you're her. Funny and human. Read it, loved it, bought all the others! Brilliant! . Love this series! This is an added extra nook on the series, and has helped me to look at my eating habits!! love it and i can relate to it. Read it, lose it ...weight that is! absolutely love this one, it's all so true and better than any fad diet, makes you genuinely think about how your eating . 'Don't be a dustbin ' has really stuck in my mind, that and the actual feeling hungry . This should be a 5 star Book sold in its millions as the best guru book out there on weight loss! Really enjoyed this book can really relate to the stories as nd gained some great tips. Will be collecting all of these books now

Fish-tory comes to life with two more fin-tastic stories featuring our favorite zombie goldfish Frankie from New York Times-bestselling author Mo O'Hara. When Tom and his best friend Pradeep rescued Frankie the goldfish from his evil-scientist big brother's toxic gunge their new pet came back as a BIG FAT ZOMBIE GOLDFISH. Frankie is good at saving the day, but can he become a real knight in shining armor during the medieval day reenactment joust? Then, can the school survive two BIG FAT ZOMBIE GOLDFISH? Find out when Tom's evil big brother manages to clone a Jurassic Carp!

My FANGtastically Evil Vampire Pet Scholastic Inc.

I is Pig. This is my diary and I doubts you will believe any of it. In fact, if you is the kind of farmer what finds it hard to believe unbelievable stuff, you should put it down RIGHT NOW. It's all 1000% true and 10,000% BONKERS!

Get ready for some more fishy mayhem in this fourth hilarious illustrated chapter book in Mo O'Hara's New York Times bestselling series. When Tom and his best friend Pradeep rescued Frankie the goldfish from Tom's older brother's evil science experiment by zapping him back to life with a battery, they never expected Tom's pet to become a BIG FAT ZOMBIE GOLDFISH with incredible hypnotic powers...but it's helpful when they are thwarting his big brother's evil plans. Tom and Pradeep are about to find out the truth behind the ancient Egyption Curse of the Cat King, when their evil big brothers crash their overnight stay at the history museum. Dodging booby traps, avoiding evil, possibly mummified kittens...it's all in a night's work for a zombie goldfish! Then, there's something fishy going on at sports day. All the athletic kids seem to be losing their sporting abilities, while Tom's evil big brother Mark has suddenly become amazing at every single sport. Can Frankie help Pradeep and Tom to foil Mark's evil plans? Or will Mark and his pet vampire kitten, Fang, take home the gold?

Does size really matter? Two women spin a tale of comedy and new beginnings after they wake up and find themselves in a jail cell over 3000 miles away from home. Rehashing their adventure in front of a less-than-sympathetic judge, they give a laugh-out-loud and extremely detailed story of a road trip that finds them in a ton of trouble. Battling age, weight, and their own personal demons, not only do they discover the open road and a life they misplaced somewhere in their 20s, they also find themselves. From breakups and stealing cars to blurry memories of something that might have happened in New Mexico, these two women will take you on a real journey, full of fun and, well, situations that people only write about and never really do....or do they?

When Mr. and Mrs. Shineyshoes leave for the day, their dog Claude and his sock puppet sidekick, Sir Bobblysock, travel to the city for the very first time. From Alex T. Smith's hilariously illustrated early chapter book series. After arriving in the city, Claude and Sir Bobblysock go shopping, visit a museum, foil a robbery, and heal an entire hospital waiting room full of patients. What a wonderful day! Quirky, delightfully odd, and positively surreal, Alex T. Smith's beloved Claude series promises fits of giggles for readers transitioning from picture books to chapter books. Two-color illustrations throughout.

My FANGtastically Evil Vampire Pet, the epic spin-off of Mo O'Hara's New York Times bestselling My Big Fat Zombie Goldfish series features an aspiring evil scientist, paranormal pets, and plenty of hilarious summer camp shenanigans. Welcome to Camp Mwhaaa-haa-ha-a-watha! This summer is going to be epic. Epicly evil, that is. 'Cause I'm going to Evil Scientist Summer Camp! No annoying little brothers. No annoying zombie goldfish. Just me, my best friend Sanj, our notebook of evil plans, and my truly evil (and totally forbidden) vampire kitten Fang. We've got it all planned out. Okay, so maybe I didn't expect for the totally not-evil Geeky Girl to show up, or for Sanj to find a new partner to work with, but there's no way I'm going to let them ruin my summer. Evil Emperor of the Camp, here I come! Signed, The Great and Powerful Mark

A Dinosaur Ate My Sister is the first book selected in the Marcus Rashford Book Club. 'The perfect story to escape into and find adventure. Pooja is super talented and I'm a big fan!' - Marcus Rashford MBE This brilliantly illustrated, laugh-out-loud, wacky adventure through time by Pooja Puri is the perfect blend of The Hitchhiker's Guide to the Galaxy and Jurassic Park. Before you start reading, there are a few things you should know: 1. I, Esha Verma, am a genius inventor extraordinaire. 2. There is nothing I cannot invent. This includes words. 3. I did not mean to send my sister back to the Age of the Dinosaurs. That was HER OWN FAULT (Mum and Dad, if you're reading this, please take note). Esha Verma, her snotty apprentice Broccoli and his cunning pet tortoise have a dream. They are going to win the legendary Brain Trophy - the ultimate inventing prize. This year's entry: A TIME MACHINE. But the day before the competition, Esha's IGNORAMUS big sister hijacks the time machine and is lost in the Cretaceous age. With help from a new recruit for The Office of Time, Esha and Broccoli will have to face hungry dinosaurs, mysterious black holes and malfunctioning inventions to get them back in time. The Marcus Rashford Book Club is a collaboration between Marcus Rashford and Macmillan Children's Books, inspiring children to develop a love of reading and literacy as a life skill.

"This might be one of the month's, if not the year's, sweetest books — zaniest, too." —The Washington Post "A hilarious addition to the dogoir canon." —People "Perhaps the greatest love story ever told." —Refinery29 "The feel-good book the world needs." —PopSugar From one of the Internet's most original voices, a hilarious journey through the odd corners of obsessive dog ownership and the author's own infatuation with her perfect dog Peter. The author met Peter in the spring of 2017. He -- calm, puppy-eyed, with the heart of a poet and the soul of, also, a poet -- came to her first as a foster. He was unable to stay with his previously assigned foster for reasons that are none of your business, but which we will tell you were related to frequent urination. The rescue needed someone free of the sort of responsibilities that would force her to regularly leave the house for either work or socializing, and a writer was the natural choice. Thus began a love story for the ages. The Particulars of Peter is a funny exploration of the joy found in loving a dog so much it makes you feel like you're going to combust, and the author's potentially codependent relationship with her own sweet dog, Peter. Readers will follow Peter and his owner to Woofstock, "the largest outdoor festival for dogs in North America," and accompany them to lessons in Canine Freestyle, a sport where dogs perform a routine set to music, creating the illusion that they're dancing with their owners. From learning about Peter's DNA, to seeing if dogs can sense the presence of ghosts, The Particulars of Peter will give readers a smart, entertaining respite from the harsh world of humans into the funny little world of dogs. Readers will accompany this lovable duo through exciting trips, lessons, quiet moments of connection, and probably a failure or two. By fusing memoir and infotainment, The Particulars of Peter promises to refresh the perennially popular dog lit category in a scrumptiously bighearted barnstormer of a book.

An embarrassment of pandas, a galaxy of starfish, a shiver of sharks...these are all collective nouns used to describe their groups. Woop Studios, acclaimed for their work on the Harry Potter movies, has illustrated these quirky phrases, creating a series of extraordinarily beautiful art that has been collected here for the first time. The colorful introduction to animals and the alphabet is accessible for young children, while the gorgeous, whimsical art and clever wordplay make it perfect for design-savvy parents and inspired gift givers. Longer than the standard picture book, with high design and production values, this is a volume readers will want on their coffee tables in addition to their child's bookshelf.

From the internationally bestselling author of The Windfall. . . . What could go wrong at a lavish Indian wedding with your best friend and your entire family? "A witty and romantic novel perfect for all readers."—Terry McMillan NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE AND NEW YORK POST When Tina Das finds herself at a crossroads both professionally and personally, she wonders if a weeklong trip to Delhi for her cousin's lavish wedding might be just

the right kind of escape. Maybe a little time away from New York will help get her mind straight about her stalled career, her recent breakup, and her nagging suspicion that she'll never feel as at home in America as she does in India. Tina hopes this destination wedding, taking place at Delhi's poshest country club, Colebrookes, will be the perfect way to reflect and unwind. But with the entire Das family in attendance, a relaxing vacation is decidedly not in the cards. Her amicably divorced parents are each using the occasion to explore new love interests—for her mother, a white American boyfriend, for her father, an Indian widow arranged by an online matchmaker—and Tina's squarely in the middle. A former fling is unexpectedly on the guest list, a work opportunity is blurring the lines of propriety on several fronts, and her best friend Marianne's terrible penchant for international playboys is poised to cause all sorts of chaos back home. The accommodations are swanky, the alcohol is top-shelf, but this family wedding may be more drama than Tina can bear and could finally force her to make the choices she's spent much of her life avoiding. Infused with warmth and charm, Destination Wedding grapples with the nuances of family, careers, belonging, and how we find the people who make a place feel like home.

The Seriously Extraordinary Diary of Pig Square Fish

In this provocative essay collection, the author "leans into her roles as both victim and predator [with] prose that's casual and cool and often funny" (The New York Times). In six wide-ranging essays, Kathleen Hale traces some of the most treacherous fault lines in modern America—from sexual assault to Internet trolling, from environmental illness to our own animal nature. From hunting wild hogs in Florida to a standoff with an anonymous blogger, Hale takes no prisoners and fears no subject. "First I Got Pregnant. Then I Decided to Kill the Mountain Lion" recounts the month Hale spent tracking a wild cat in the Hollywood Hills while pregnant. "Prey" tells the troubling story of her sexual assault as a freshman in college. Through these and other essays, Hale wields razor-sharp wit, deep empathy, and daring honesty, even in detailing some of the most difficult moments of her life.

[Olive of Groves](#) National Geographic Books

An in-depth celebration of the romantic comedy's modern golden era and its role in our culture, tracking the genre from its heyday in the '80s and the '90s, its unfortunate decline in the 2000s, and its explosive reemergence in the age of streaming, featuring exclusive interviews with the directors, writers, and stars of the iconic films that defined the genre. No Hollywood genre has been more misunderstood—or more unfairly under-appreciated—than the romantic comedy. Funny, charming, and reliably crowd-pleasing, rom-coms were the essential backbone of the Hollywood landscape, launching the careers of many of Hollywood's most talented actors and filmmakers, such as Julia Roberts and Matthew McConaughey, and providing many of the yet limited creative opportunities women had in Hollywood. But despite—or perhaps because of—all that, the rom-com has routinely been overlooked by the Academy Awards or snobbishly dismissed by critics. In *From Hollywood with Love*, culture writer and GQ contributor Scott Meslow seeks to right this wrong, celebrating and analyzing rom-coms with the appreciative, insightful critical lens they've always deserved. Beginning with the golden era of the romantic comedy—spanning from the late '80s to the mid-'00s with the breakthrough of films such as *When Harry Met Sally*—to the rise of streaming and the long-overdue push for diversity setting the course for films such as the groundbreaking, franchise-spawning *Crazy Rich Asians*, Meslow examines the evolution of the genre through its many iterations, from its establishment of new tropes, the Austen and Shakespeare rewrites, the many love triangles, and even the occasional brave decision to do away with the happily ever after. Featuring original black-and-white sketches of iconic movie scenes and exclusive interviews with the actors and filmmakers behind our most beloved rom-coms, *From Hollywood with Love* constructs oral histories of our most celebrated romantic comedies, for an informed and entertaining look at Hollywood's beloved yet most under-appreciated genre.

The Big Fat Fit Houghton Mifflin Harcourt

A "wickedly inventive" grimdark fantasy full of non-stop bloody action, shocking plot twists, and snarky gallows humor as a mismatched team of villains gets their shot at heroic glory (SFX). When you are all out of heroes, all that's left are the villains. Black Herran was a dread demonologist, and the most ruthless general in all Essoran. She assembled the six most fearsome warriors to captain her armies: a necromancer, a vampire lord, a demigod, an orchid warleader, a pirate queen, and a twisted alchemist. Together they brought the whole continent to its knees . . . Until the day she abandoned her army, on the eve of total victory. Forty years later, she must bring her former captains back together for one final stand, in the small town of Tarnbrooke—the last bastion against a fanatical new enemy tearing through the land, intent on finishing the job Black

Herran started years before. Seven bloodthirsty monsters. One town. Their last hope.

Pig couldn't be happier. Life with the vegetarian farmers is perfect, and best of all, he has a new friend, Kitty. Kitty is a fellow vegetarian, she purrs over Pig's every move, laughing at his jokes and encouraging him to fart as much as he can. She even gave him his new diary! Of course, only Duck can see Kitty for the cunning, jealous, killing cat she is. Pig won't believe she's up to something until he's eaten the entirety of the farmers' prize crop and is halfway to the pie factory.

I Can Make You Hot! Feiwel & Friends

Kelly Killoren Bensimon has done it all when it comes to nutrition and her body: eaten too little as a model, gobbled too much of the wrong things in her twenties, and fed her body just right but not quite-satisfyingly when she was pregnant. On the eve of turning 40, Kelly knew she had to figure it out fast: how and what to eat to keep her body beautiful. An enthusiastic outdoorswoman and

involved mom, Kelly discovered that eating—really eating—is the key. *I Can Make You Hot!* collects the diet and nutrition secrets she researched and tested and still uses herself, including: --how to train yourself to never (never!) skip a meal --load up on food, real food (not bars, powders, or fake stuff) --Kelly's 7 Day Diet for maximum power at your peak energy-draining times --don't be afraid of a giant carb-y lunch --how to lose 3 to 5 pounds fast but smart --how to satisfy your cravings without sabotaging a strong, healthy body --why you should learn to love foods you've been brainwashed into fearing (such as dairy and eggs) *I Can Make You Hot!* takes you all the way to a lean, strong, realistic body with 60 recipes for Kelly's favorite dishes, from Thai Chicken Noodle Salad to Mom's Irish Soda Bread to Kelly Green Salad and Pineapple Fried Rice (and don't forget the Topsy Gummi Martini!). And the book is loaded with bonus "hot tips", from why jeans in a smaller size make you look thinner (really!) to the spicy foods that are instant metabolism boosters. *I Can Make You Hot!* is like rooming with a supermodel and going on a diet together:

Kelly wants you to be.....HOT!
