Environmental Impact Statement Montlake Romance

Timmy and Chowderhead and Peg are lifeguards. They spend summers sitting in those tall chairs, smoking dope and staring at the waves, swatting insects, tormenting seagulls. Winters they work shit jobs like unloading trucks at Mickey's Deli. At night, winter and summer, they drink. Drink and get rowdy. Then there's Alex, the girl who gets away, not only from old boyfriend Timmy but also from "Rotaway"-on scholarship to a rich-kid's college in New England. One midsummer night when the four are reunited, tensions erupt in feats of daring and self-destruction during the wild, cathartic, near-sacred lifeguard ritual known as the Death Keg. Brilliantly capturing the restlessness and casual nihilism of working-class youth with no options, Jill Eisenstadt's acclaimed first novel startles in its power and originality, its depth of feeling, its bright and dark comic turns.

My Epic Spring Break (Up) Arcadia Publishing

When terrorists attacked on September 11, 2001, Lieutenant Brian Murphy rescued seven people from the World Trade Center. Even as steel girders buckled and groaned, Brian rushed back up the stairs of the North Tower in search of those in need. He died a hero, one of more than four hundred

police officers, firefighters, and other first responders who perished that fateful day. Three years later, Vietnam veteran and retired NYPD detective-sergeant Jimmy Murphy is on a mission to find the truth behind his son's death. Why was Brian in the tower that morning? Had he anticipated the attack? Suspecting a cover-up of a deeper truth, Jimmy must confront his family, friends, and old colleagues in the police department to discover what happened to Brian and who his eldest son really was. Murphy's investigation takes him from his home turf in the Irish American enclave of Rockaway Beach to Muslim Atlantic Avenue and beyond in order to find his own truth about 9/11. Dry-eyed and determined, Murphy battles barstool patriotism, the NYPD blue wall of silence, and a ticking clock—all the while haunted by his own secrets and the raw memory of his difficult relationship with his dead son. Written by author and musician Larry Kirwan, *Rockaway Blue* is a thrilling and poignant story of a family struggling to pull itself together after an unthinkable trauma.

Rockaway Beach Delacorte Press

Thirty years after *From Rockaway* ("A great first novel" --Harper's Bazaar), Jill Eisenstadt returns with a darkly funny new work of fiction that exposes a city and a family at their most vulnerable. When Sue Glassman's family needs a new home, Sue relents, after years of resisting, and agrees to convert to Judaism. In return, Sue's father-in-law, Sy, buys the family--Sue, Dan, and their two daughters--a capacious but ramshackle beachfront house in Rockaway, Queens, a world away from the Glassmans' cramped Tribeca apartment. The catch? Sy is moving in, too. And the house is haunted. On the

weekend of Sue's conversion party, ninety-year-old Rose, who (literally) got away with murder on the premises years earlier, shows up uninvited. Towing a suitcase-sized pocketbook, having escaped an assisted living facility in Forest Hills, Rose seems intent on moving back in. Enter neighbor Tim--formerly Timmy (see *From Rockaway*), a former lifeguard, former firefighter, and reformed alcoholic--who feels, for reasons even he can't explain, inordinately protective of the Glassmans. The collective nervous breakdown occasioned by Rose's return swells to operatic heights in a novel that charms and surprises on every page as it unflinchingly addresses the perils of living in a world rife with uncertainty.

"Smart, fun, fast-paced."—Helen Hoang, USA Today bestselling author, on *How to Hack a Heartbreak* You can't put a filter on reality. Bree Bozeman isn't exactly pursuing the life of her dreams. Then again, she isn't too sure what those dreams are. After dropping out of college, she's living a pretty chill life in the surf community of Pacific Beach, San Diego...if "chill" means delivering food as a GrubGetter, and if it means "uneventful". But when Bree starts a new Instagram account — @breebythesea — one of her posts gets a signal boost from none other than wildly popular self-help guru Demi DiPalma, owner of a lifestyle brand empire. Suddenly, Bree just might be a rising star in the world of Instagram influencing. Is this the direction her life has been lacking? It's not a career choice she'd ever seriously considered, but maybe it's a sign from the universe. After all, Demi's the real deal... right? Everything is lining up for Bree: life goals, career, and even a blossoming romance with the chiseled guy next door, surf star Trey Cantu. But things are about to go sideways fast, and even the perfect filter's not gonna fix it. Instagram might be free, but when your life looks flawless on camera, what's the cost?

Rockaway Rises-- and Rises Again Lee Boudreaux Books

A fun and upbeat romance about a girl who finds a cheat sheet for love. Spring break . . . heartache? For coder extraordinaire Ashley, high school is all about prepping for college. Her love life? Virtually nonexistent. She's never been on a date. Never been kissed. Never been in love. When her plans veer off course, Ashley realizes she might be missing out on her high school experience. Now that spring break is finally here, Ashley vows to have fun . . . and, for the first time, follow her heart. Starting with Walker Beech, her gorgeous, maybe-not-so-unrequited crush. But with Jason Eisler--her childhood friend turned prankster--in the picture, trouble is bound to follow. Will Ashley's epic spring break lead her to love, or will her heart crash and burn? "Smart, fun, fast-paced." --USA Today bestselling author of *The Kiss Quotient* Helen Hoang on *Kristin Rockaway's How to Hack a Heartbreak Surfing Headlong into a New Life* Vintage

Rockaway Township has been blessed with two significant natural resources: a rich deposit of magnetite iron ore and an abundance of water. Both played a major role in the history of the township. In the early 1700s, iron ore was discovered at Mount Hope and Hibernia. The area's mines provided iron ore from Colonial times to the 20th century, and products made from it contributed to the success of the Continental army during the Revolutionary War. Farms in Marcella, Lyonsville, Beach Glen, and Meriden provided agricultural products for the mining villages. In Rockaway Township, photographs tell the story of the township's rich mining history and its history as a vacation area. Vacation communities flourished into the 1950s and attracted an influx of people from various ethnic backgrounds, adding to the township's diversity. In the 1970s, the last segment of Route 80 was completed, beginning Rockaway's transformation into a flourishing suburban community.

Rockaway Harlequin

Swipe right for love. Swipe left for disaster. By day, Mel Strickland is an underemployed helpdesk tech at a startup incubator, Hatch, where she helps entitled brogrammers--"Hatchlings"--who can't even fix their own laptops, but are apparently the next wave of startup geniuses. And by night, she goes on bad dates with misbehaving dudes she's matched with on the ubiquitous dating app, Fluttr. But after one dick pic too many, Mel has had it. Using her brilliant coding skills, she designs an app of her own, one that allows users to log harrassers and abusers in online dating space. It's called JerkAlert, and it goes viral overnight. Mel is suddenly in way over her head. Worse still, her almost-boyfriend, the dreamy Alex Hernandez--the only non-douchey guy at Hatch--has no idea she's the brains behind the app. Soon, Mel is faced with a terrible choice: one that could destroy her career, love life, and friendships, or change her life forever. Kristin Rockaway is a native New Yorker and recovering corporate software engineer. After working in the IT industry for far too many years, she finally traded the city for the surf and chased her dreams out to Southern California, where she spends her days happily writing stories instead of code. When she's not working, she enjoys spending time with her husband and son, and planning her next big vacation.

Rockaway From Rockaway

A smart, modern novel about a woman trying to balance her career, her best friend, and falling in love without crashing and burning. Nicole Palmieri is married to her job. As a user experience designer at Virtuality, an artificial intelligence company in Los Angeles, Nicole is at her desk from sunrise to sunset. She doesn't have time for a social life (or a love life), but that's perfectly fine with her. Until her best friend, Parisa Shahin, announces her engagement and asks Nicole to be her maid of honor. That's when Nicole decides to meticulously schedule out the next six months of her life--from her project due dates to her dress-fitting appointments to how many hours she plans to sleep each night. If she can stick to her schedule, she'll balance everything fine. Of course, that's a really big if. And after she crosses paths with emerging restaurateur Brandon Phelps, Nicole is feeling feelings she hasn't felt in...well, ever. But scheduling time to fall in love might push even the most meticulous plans into pure chaos.

A Novel Knopf

The inspirational story of one woman learning to surf and creating a new life in gritty, eccentric Rockaway Beach Unmoored by a failed marriage and disconnected from her high-octane life in the city, Diane Cardwell finds herself staring at a small group of surfers coasting through mellow waves toward shore—and senses something shift. Rockaway is the riveting, joyful story of one woman's reinvention—beginning with Cardwell taking the A Train to Rockaway, a neglected spit of land dangling off New York City into the Atlantic Ocean. She finds a teacher, buys a tiny bungalow, and throws her not-overly-athletic self headlong into learning the inner workings and rhythms of waves and the muscle development and coordination needed to

ride them. As Cardwell begins to find her balance in the water and out, superstorm Sandy hits, sending her into the maelstrom in search of safer ground. In the aftermath, the community comes together and rebuilds, rekindling its bacchanalian spirit as a historic surfing community, one with its own quirky codes and surf culture. And Cardwell's surfing takes off as she finds a true home among her fellow passionate longboarders at the Rockaway Beach Surf Club, living out "the most joyful path through life." Rockaway is a stirring story of inner salvation sought through a challenging physical pursuit—and of learning to accept the idea of a complete reset, no matter when in life it comes.

Supreme Court Gefen Books

Lawrence grew up on the long peninsula, and though he is a professional historian, they say that Carol brought a degree of detachment and scholarship that prevented the account from being a personal memoir. They describe the transformation of the urban community in southern Queens during the decades immediately after World War II. Annotation (c)2003 Book News, Inc., Portland, OR (booknews.com).

Life, Unscheduled Arcadia Publishing

Rockaway Beach, Long Island - New York: This issue contains 250 color and black and white images of many sections of the Rockaway Peninsula -- but this is much more than just a picture book. The author presents detailed captions which provide an educational background on important historical topics pertaining to areas of interest especially regarding the continuing dilemma of beach erosion. Also included in this volume are photo essays featuring the Great Iron Pier of Rockaway Beach: a featured tribute to some of the (former) local fire houses; the Far Rockaway railway station (Depot Square) and why and how it developed into a shopping plaza during the second half of the 20th Century as well as the ultimate demise of that underutilized commercial property; the famous Elstone Hotel and grounds in the Bayswater section of Far Rockaway; the Roche's development on South Street in lower Far Rockaway; the enormous popularity of the many tent cities before they were eclipsed by summer rental bungalows; the rise and fall of Hog Island -- "once upon a time you saw it - now you don't"; some final images of Rockaway's Playland recorded almost immediately before the arrival of the demolition crews; and these are only a few of the exciting discoveries unearthed and revealed between the covers of this book. This work also includes the full report issued on March 20th, 1918 as prepared and presented by the Chief Engineer of The New York City Board of Estimate and Apportionment regarding the diminishing beaches of the Rockaway Peninsula. So, be prepared to be entertained and informed by this author's latest release in his continuing salute to the history of the Rockaways.

A Novel Columbia University Press

What we have here is a journal designed to document in photographs a few critical areas of Far Rockaway prior to several major building projects currently being financed through private speculators under New York City management's guidance and supervision in yet another attempt at gentrification. Only modestly differing in general appearance throughout the past seventy years despite a failed full-scale revitalization program in 1977, the small commercial district will now experience a somewhat delayed introduction into the 21st Century. A new and ultra-modern library facility as well as a centrally-located high-rise apartment complex -- both now underway -- will ultimately alter the landscape of this southern section of the Borough of Queens. This booklet of over 200 color photos taken during three separate visits in October of 2007 and 2008, before the drastic rezoning/restructuring, will serve as a permanent record of the Village of Far Rockaway as fondly remembered by the two authors.

Flatlands Avenue from Rockaway Parkway to Fountain Avenue, Brooklyn Underlined

A blazingly original debut novel about a group of friends and their immigrant families from Queens, New York—a tenderly observed, fiercely poetic love letter to a modern generation of brown girls. “An acute study of those tender moments of becoming, this is an ode to girlhood, inheritance, and the good trouble the body yields.”—Raven Leilani, author of *Luster* If you really want to know, we are the color of 7-Eleven root beer. The color of sand at Rockaway Beach when it blisters the bottoms of our feet. Color of soil . . . Welcome to Queens, where streets echo with languages from all over the globe, subways rumble above dollar stores, trees bloom and topple over sidewalks, and the funky scent of the Atlantic Ocean wafts in from Rockaway Beach. Within one of New York City's most vibrant and eclectic boroughs, young women of color like Nadira, Gabby, Naz, Trish, Angelique, and countless others, attempt to reconcile their immigrant backgrounds with the American culture in which they come of age. Here, they become friends for life—or so they vow. Exuberant and wild, together they roam *The City That Never Sleeps*, sing Mariah Carey at the tops of their lungs, yearn for crushes who pay them no mind—and break the hearts of those who do—all while trying to heed their mothers' commands to be obedient daughters. But as they age, their paths diverge and rifts form between them, as some choose to remain on familiar streets, while others find themselves ascending in the world, beckoned by existences foreign and seemingly at odds with their humble roots. A blazingly original debut novel told by a chorus of unforgettable voices, *Brown Girls* illustrates a collective portrait of childhood, adulthood, and beyond, and is a striking exploration of female friendship, a powerful depiction of women of color attempting to forge their place in the world today. For even as the conflicting desires of ambition and loyalty, freedom and commitment, adventure and stability risk dividing them, it is to one another—and to Queens—that the girls ultimately return.

Swell New Directions Publishing

Surfing in Far Rockaway, romantic obsession, and Moby-Dick converge in this winning and refreshing memoir Justin Hocking lands in New York hopeful but adrift—he's jobless, unexpectedly overwhelmed and disoriented by the city, struggling with anxiety and obsession, and attempting to maintain a faltering long-distance relationship. As a man whose brand of therapy has always been motion, whether in a skate park or on a snowdrift, Hocking needs an outlet for his restlessness. Then he spies his first New York surfer hauling a board to the subway, and its not long before he's a member of

the vibrant and passionate surfing community at Far Rockaway. But in the wake of a traumatic robbery incident, the dark undercurrents of his ocean-obsession pull him further and further out on his own night sea journey. With Moby-Dick as a touchstone, and interspersed with interludes on everything from the history of surfing to Scientology's naval ties to the environmental impact of the Iraq War, *The Great Floodgates of the Wonderworld* is a multifaceted and enduring modern odyssey from a memorable and whip-smart new literary voice.

Atlantic Coast of New York City from Rockaway Inlet to Norton Point. Communication from the Secretary of the Army Transmitting a Corps of Engineers Report on the Atlantic Coast of New York City from Rockaway Inlet to Norton Point, in Partial Response to Public Law 71-84 and Section 2 of Public Law 71-329. January 15, 1979. -- Referred to the Committee on Public Works and Transportation and Ordered to be Printed

Catapult Robert Rockaway's study begins with the arrival of the first Jews in Detroit, when the city was a remote frontier outpost. He chronicles the immigration of the German Jews beginning in the mid-nineteenth century, followed by the influx of Jews from Eastern Europe. His narrative concludes on the eve of World War I, by which time the community had developed its basic social structure. It had survived the turbulent years of immigration and the process of Americanization, and had succeeded in establishing several congregations, charitable organizations, and social and cultural foundations. Rockaway relates the story of Detroit's Jews to the larger context of American ethnicity and immigration. He compares the Jewish economic and social evolution with that of other Detroit ethnic groups and of other American Jewish communities. Thus, the arrival of the German Jews is presented as part of the broader wave of immigration from Germany, where Jews were suffering increasingly restrictive social and economic sanctions. Upon their arrival in Detroit, the German Jews quickly established themselves and moved into the mainstream of the city's life. Transitions for the Eastern European Jews were not as easy. They were divided among themselves due to ethnic differences, disagreements about rituals, as well as personal

idiosyncracies. In addition, class, cultural, and religious differences separated the German Jews from the Eastern Europeans. Many, victims of pogroms, arrived destitute and, consequently, put great strains on the established Jewish community as it tried to support the new immigrants. The large number of new Jewish immigrants also stirred anti-Semitic feelings in the city, making assimilation more difficult. During the period under study, Detroit's Jews suffered almost total exclusion in the social sphere, despite significant gains in the economic and civic arenas. Detroit's social elite remained almost totally Anglo-Saxon and Protestant. Nevertheless, through work and unflagging determination, they rose to solid economic status. At the same time, they maintained their identity while participating in Detroit's civic, political, and cultural life.

Taken from "Rockaway Records" of Morris County, N.J. Families, Cemetery Records, Church History, Military Records, Local History, Genealogies of Old Families, Nearly 20,000 to Date Random House

Kidnapping the bride seemed like a good idea at the time. Her fiancé stole my fortune, so I stole his woman. Tit for tat. Or tat for tit. However you want to look at it. The one thing I didn't expect? Willow Honeycutt, preschool teacher, boy band super fan, is completely crazy. And somehow she's turned the tables on me. Now, she's holding me hostage, and she won't let me go until we hit every item on her sparkly new, completely insane bucket list. And that last item? That last item might cost me more than any fortune. It very well might cost me my heart. *Rockaway Bride* is a romping fun romance between a down-on-his-luck rock star and a boy band-loving preschool teacher, complete with a road trip, handcuffs, and fun with nuns. This romantic comedy stands alone with no cheating or cliffhangers and ends with a rockin' awesome happily ever after.
