HOWARD AMIR

Hearings Moon Travel

In a compilation of thirty-three essays, the author reflects on the world of angling as he shares his observations on his quarry, great fishing spots around the world, and fishing equipment.

[Simple Fly Fishing Lulu.com](http://SimpleFlyFishing.com)

This collection of musings by well-known literary fisherman Gordon Wickstrom uses fishing as a lens through which to view and evaluate most things in life: politics, art, friendship, religion, globalization, relations between the sexes, time, seasonality, and old age.

[The Middle of the Journey DigiCat](http://TheMiddleoftheJourney.com)

Named one of The Best Cookbooks of 2021 by The New York Times "Excellent. . . . Thanks to McDade's assured guidance, those curious about this understated pantry staple will have no trouble diving in. Salty and satisfying, these recipes hit the spot." —Publishers Weekly TINNED FISH IS ONE OF THE WORLD'S GREAT INGREDIENTS: brilliantly versatile, harvested and preserved at the peak of its quality and flavor, more economical than fresh seafood will ever be, as healthy and nutrient-packed as food gets. Focusing on sustainable and easy-to-find anchovies, sardines, mackerel, shellfish, and more, here are 75 recipes that will change the way we think about and cook with tinned fish.

Whether it's creating an addictively delicious Spaghetti con le Sarde, transforming a pork roast with a mackerel-based "tonnato" sauce, elevating mac and cheese with crab, or digging into the simplest and best snack ever—anchovies, bread, and butter—cooking with tinned fish is pure magic.

The More We Get Together Broadway

Man vs Fish comprises the highlights of Freshwater Fishing Hall of Fame guide Taylor Streit's fifty years of fly-fishing. From New Mexico to Argentina we follow Streit, and his sidekick "superfly," from hooking the tail of a great marlin to getting hooked, barefoot, to the living room carpet. Reading these dramatic tales will inspire the armchair angler to thrash their way to a wild place,

don waders, and become part of the action. "Taylor has been to exciting places I'll never visit, and he has written about those places. He's caught peacock bass in Brazil. And he has witnessed people wrestling alligators. He bagged a 28-inch brown trout in Patagonia while red stags kibitzed from the background. . . . All the tales are good fun and great writing. There's some wonderful satire to boot. . . . These stories catch fish. And all of them are hefty lunkers."--John Nichols, from the Foreword

Imagining the Human Condition in Medieval Rome DK Publishing (Dorling Kindersley)

The Barefoot Fisherman teaches kids how to fish. It explains the secrets to catching more and larger fish. It also touches on things kids are interested in such as raising worms, catching grasshoppers, and trapping crawdads.

Fishing with the Presidents

 Milkweed Editions

Reel in a whopper of a book and discover the joys of this fun, and tasty, hobby that's a great way to bond with friends and family. Full color.

[Body of Water](http://BodyofWater.com) UNM Press

The only complete fishing guide to the vacationer's paradise between Gulf Shores, Alabama, and Apalachicola, Florida, this guide covers the what, where, when, and how of catching coastal fish. Also outlined are essential tackle, hidden locales, advanced techniques, regional bait and tackle shops, and the best local charters.

Fishing for Catfish

 Artisan

Modern-day fly fishing, like much in life, has become exceedingly complex, with high-tech gear, a confusing array of flies and terminal tackle, accompanied by high-priced fishing guides. This book reveals that the best way to catch trout is simply, with a rod and a fly and not much else. The wisdom in this book comes from a simpler time, when the premise was: the more you know, the less you need. It teaches the reader how to discover where the fish are, at what depth, and what they are feeding on. Then it describes the techniques needed to present a fly at that depth, make it look lifelike, and hook the fish. With chapters on wet flies, nymphs, and dry flies, its authors employ both the tenkara rod as well as regular fly fishing gear to cover all the bases. Illustrated

by renowned fish artist James Prosek, with inspiring photographs and stories throughout, Simple Fly Fishing reveals the secrets and the soul of this captivating sport.

Seasons of the Angler Penguin

Rich, vibrant and witty illustrations highlight a totally tropical collection of traditional folktales from the Caribbean, South-East Asia, and Africa.

Late in an Angler's Life

 Vintage

A poet's memoir of taking an unplanned trip to the Bahamas and meeting a fishing guide who changed his life: "A splendid book."—Jim Harrison in The New York Times Book Review Chris Dombrowski, a poet and passionate fly-fisher, had a second child on the way and an income hovering perilously close to zero when he received a miraculous email: can't go, it's all paid for, just book a flight to Miami. Thus began a journey that would eventually lead to the Bahamas and to David Pinder, a legendary bonefishing guide. Bonefish are prized for their elusiveness and their tenacity. And no one was better at hunting them than Pinder, a Bahamian whose accuracy and patience were virtuosic. He knows what the fish think, said one fisherman, before they think it. By the time Dombrowski meets him, though, Pinder has been abandoned by the industry he helped build. With cataracts from a lifetime of staring at the water and a tiny severance package after forty years of service, he watches as the world of his beloved bonefish is degraded by tourists he himself did so much to attract. But as Pinder's stories unfold, Dombrowski discovers a profound integrity and wisdom in the bonefishing guide's life. "A poet and Montana-based fly-fishing guide recounts his trip to the Bahamas, where he met an aging guide who taught him about fish and life...loosely links reflections on his experiences catching and releasing bonefish, the history and geography of the Bahamas, the construction of fishing rods, stories he has told his children, and the difference between fishing or hunting for sport and for dinner."—Kirkus Reviews "Thematically complex, finely wrought, and profoundly life-affirming."—Publishers Weekly (starred review)

Forest and Stream Patagonia

NAMED A BEST BOOK OF THE YEAR BY THE CHRISTIAN SCIENCE

MONITOR AND PASTE MAGAZINE An intimate account of life in a West African fishing village, tugged by currents ancient and modern, and dependent on an ocean that is being radically transformed. The sea is broken, fishermen say. The sea is empty. The genii have taken the fish elsewhere. For centuries, fishermen have launched their pirogues from the Senegalese port of Joal, where the fish used to be so plentiful a man could dip his hand into the grey-green ocean and pull one out as big as his thigh. But in an Atlantic decimated by overfishing and climate change, the fish are harder and harder to find. Here, Badkhen discovers, all boundaries are permeable--between land and sea, between myth and truth, even between storyteller and story. Fisherman's Blues immerses us in a community navigating a time of unprecedented environmental, economic, and cultural upheaval with resilience, ingenuity, and wonder.

Outdoor Life The Rosen Publishing Group, Inc
Set to the familiar tune of "The More We Get Together," this new addition to Barefoot Books' bestselling singalong collection features a diverse group of children who work together to make their urban neighborhood cleaner, friendlier, and safer for everyone. Sing along as the community bicycles and recycles together, volunteers at an assisted living home, participates in a letter-writing campaign and finally gathers around a potluck meal. End matter includes an age-appropriate introduction to recycling, activism, community gardens, teamwork and more, as well as actionable ways for children to get involved in their own neighborhoods.

Moon Florida Gulf Coast Routledge
For years, catfish have taken a backseat to more glamorous species like largemouth bass and walleyes. But times have changed. Today, nearly 10 million anglers wet a line hoping to do

battle with a monster cat. Learn how to catch bigger catfish than ever before. This book is a comprehensive look at the world of catfish. Beginning with the biology of catfish, Author Keith Sutton then follows with the where-to and how-to information that will lead to successful fishing. Beyond locating fish and rig & tackle techniques, there's even a section on cleaning and cooking your catfish.

The Barefoot Fisherman Atlantic Monthly Press
A wide-ranging collection of lore, photographs, and political cartoons offers a fascinating glimpse at the habits, idiosyncracies, and, ultimately, the character of our fishing presidents.

DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

[The Barefoot Fisherman's Guide to the Emerald Coast](#) Barefoot Books
Published in 1947, as the cold war was heating up, Lionel Trilling's only novel was a prophetic reckoning with the bitter ideological disputes that were to come to a head in the McCarthy era. The Middle of the Journey revolves around a political turncoat and the anger his action awakens among a group of intellectuals summering in Connecticut. The story, however, is less concerned with the rights and wrongs of left and right than with an absence of integrity at the very heart of the debate. Certainly the hero, John Laskell, staging a slow recovery from the death of his lover and a near-fatal illness of his own, comes to suspect that the

conflicts and commitments involved are little more than a distraction from the real responsibilities, and terrors, of the common world. A detailed, sometimes slyly humorous, picture of the manners and mores of the intelligentsia, as well as a work of surprising tenderness and ultimately tragic import, *The Middle of the Journey* is a novel of ideas whose quiet resonance has only grown with time. This is a deeply troubling examination of America by one of its greatest critics.

Field and Stream Christian Faith Publishing, Inc.
A young boy is embarrassed by his grandfather's old Japanese ways, but on one of their Fishing Sundays, he learns to see Grandfather in a new light.

The Old Man and the Sea Cool Springs Press
This book is the only complete fishing guide to the vacationer's paradise between Gulf Shores, Alabama and Apalachicola, Florida. What, where, when, and how to catch coastal fish are covered in detail, along with essential tackle, hidden locales, advanced techniques, a list of bait and tackle shops, best charters, and more.

Man vs Fish New York Review of Books
A compilation of twenty-five stories concerned with fishing, features works by Raymond Carver, Thomas McGuane, P.J. O'Rourke, and Rip Torn, among others.
Academy and Literature Stackpole Books
Diaries of an Obsessed Fisherman is the author's journey from childhood to manhood, taking you on the amazing detailed stories of his most memorable accomplishments and adventures and of meeting people along the way, friends and family. His angling hobby turned into an obsession. With true stories like these, it is no wonder it morphed into a lifelong passion and quest for new experiences for him to explore.
