FINLEY SHYANN

Deadly Doses Houghton Mifflin Harcourt
THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES•
Everyone is talking about A Good Girl's Guide to Murder! With shades of Serial and Making a Murderer this is the story about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She

knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, Good Girl, Bad Blood! "The perfect nail-biting mystery." --Natasha Preston, #1 New York Times bestselling author

Code of Honor Delacorte Press

"Getting the job done" for one single mom takes on a whole new meaning in Finlay Donovan is Killing It. A USA Today bestseller! One of Suspense Magazine's "Best Thrillers of 2021" One of New

York Public Library's Best Books of 2021 Nominated for the Left Coast Crime 2022 Lefty Award for the Best Humorous Mystery "Finlay Donovan is irresistible!"—Janet Evanovich Finlay Donovan is killing it . . . except, she's really not. She's a stressed-out single-mom of two and struggling novelist, Finlay's life is in chaos: the new book she promised her literary agent isn't written, her ex-husband fired the nanny without telling her, and this morning she had to send her four-year-old to school with hair duct-taped to her head after an incident with scissors. When Finlay is overheard discussing the plot of her new suspense novel with her agent over lunch, she's mistaken for a contract killer, and inadvertently accepts an offer to dispose of a problem husband in order to make ends meet . . . Soon, Finlay discovers that crime in real life is a lot more difficult than its fictional counterpart, as she becomes tangled in a real-life murder investigation. Fast-paced, deliciously witty, and wholeheartedly authentic in depicting the frustrations and triumphs of motherhood in all its messiness, hilarity, and heartfelt moment, Finlay Donovan Is Killing It is the first in a brilliant new series from YA Edgar Award nominee Elle Cosimano.

White Noise Bloomsbury Publishing USA

Fanny Zindel isn't happy. On her first trip to the Holy Land, she would rather tour the home of her ancestors with her granddaughter Susan than try to talk the headstrong young girl into going back to her English boarding school for the summer session. But Fanny has promised to try. In addition, Fanny is determined to find out about her brother Albert's suspicious death in Israel some thirty years earlier. Fanny thinks it's long past time to discover if there is any truth to rumors of her

brother's great disgrace. Helping a nervous young man to get a standby seat on her flight, soon leads to a harrowing adventure involving forgery, espionage, kidnapping, the Dead Sea Scrolls, murder and action.

A is for Arsenic Delacorte Press

Kingdoms will clash. Choose your side. The incredible conclusion to New York Times bestselling author Brigid Kemmerer's Cursebreaker series. Face your fears, fight the battle. Emberfall is crumbling fast, torn between those who believe Rhen is the rightful prince and those who are eager to begin a new era under Grey, the true heir. Grey has agreed to wait two months before attacking Emberfall, and in that time, Rhen has turned away from everyone—even Harper, as she desperately tries to help him find a path to peace. Fight the battle, save the kingdom. Meanwhile, Lia Mara struggles to rule Syhl Shallow with a gentler hand than her mother. But after enjoying decades of peace once magic was driven out of their lands, some of her subjects are angry Lia Mara has an enchanted prince and a magical scriver by her side. As Grey's deadline draws nearer, Lia Mara questions if she can be the queen her country needs. As the two kingdoms come closer to conflict, loyalties are tested, love is threatened, and an old enemy resurfaces who could destroy them all, in this stunning conclusion to bestselling author Brigid Kemmerer's Cursebreaker series.

Into the Wild Houghton Mifflin Harcourt

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an

air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill” (The Telegraph). “[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted.” —Criterion

Five Days at Memorial HQN Books

FATAL DOSAGE Becoming a nurse was the realization of Anne Capute’s lifelong dream. Now she had everything she wanted—until the nightmare began at Morton General Hospital. **THE CRIME** Licensed practical nurse Anne Capute administered a fatal dose of morphine to a dying patient, Norma Leanues. Anne claimed she was following common practice at Morton General, with a verbal approval by Dr. Hillier, to administer unrestricted doses of morphine as a humane antidote to the unbearable suffering of terminal cases. **THE CHARGE** One day after the death of Mrs. Leanues, Dr. Hillier was off on a European vacation, and Anne Capute was suspended. Three days later she was advised to retain a lawyer—she would be standing trial for first degree murder. **THE TRIAL** One after another, doctors and nurses with whom Anne had worked so closely testified against her. And the most damaging prosecution witness of all was Dr. Hillier. Suddenly Anne’s life’s dream was destroyed. And as her personal life, too, began to shatter, there remained little hope of acquittal—or justice. Anne Capute: A woman on trial for her life.

One dedicated nurse battling against the vast influence of the medical establishment. Hers is a true story of courage, drama, and penetrating suspense that no reader will soon forget.

Dangerous Doses HarperCollins

With San Francisco under siege and every cop a suspect, the Women's Murder Club must risk their lives to save the city-and each other. With a beautiful baby daughter and a devoted husband, Detective Lindsay Boxer can safely say that her life has never been better. In fact (for a change), things seem to be going well for all the members of the Women's Murder Club as they gather to celebrate San Francisco Medical Examiner Claire Washburn's birthday. But the party is cut short when Lindsay is called to a gruesome crime scene, where a woman has been murdered in broad daylight. As Lindsay investigates, shocking video footage of another crime surfaces. A video so horrific that it shakes the city to its core. Their faces obscured by masks, the cold blooded criminals on the tape could be anyone-and now all of Lindsay's co-workers are suspects. As a rash of violence sweeps through San Francisco, and public fear and anger grows, Lindsay and her friends must risk their lives in the name of justice-before it's too late. With shocking twists and riveting suspense, **14TH DEADLY SIN**, proves yet again that when it comes to suspense fiction, in the words of Jeffrey Deaver: "nobody does it better" than James Patterson.

Dillweed's Revenge Del Rey

Deadly Doses

[A Deadly Education](#) Little, Brown

Part of the Howdunit series. Provides essential details about homicide and forensic medicine that writers need to create a

credible murder story.

Deadly Dose Simon and Schuster

The crime was unforgivable. The suspected murderer—unbelievable. One man’s pursuit of justice—unstoppable. The death of promising young pediatric AIDS researcher Eric Miller stunned the Raleigh, North Carolina, community, largely because of the horrific way he was killed. For months, Eric was slowly tortured as arsenic consumed his body. No one thought that Eric Miller’s wife, Ann—an attractive, demure, educated scientist—could be capable of such a horrible crime. No one except for veteran homicide investigator Chris Morgan, a man in the twilight of his career. But from the moment Morgan saw the thirty-year-old widow in the interview room at the police department, he knew he was seeing pure evil. Now, journalist Amanda Lamb details Morgan’s dogged investigation—a quest for the truth that would last four years and see another life taken before Ann Miller’s tangled web of death and deceit finally came to light.

Fatal Dosage Crossroad Press

Shortlisted for the BMA Book Awards and Macavity Awards 2016
Fourteen novels. Fourteen poisons. Just because it's fiction doesn't mean it's all made-up ...Agatha Christie revelled in the use of poison to kill off unfortunate victims in her books; indeed, she employed it more than any other murder method, with the poison itself often being a central part of the novel. Her choice of deadly substances was far from random - the characteristics of each often provide vital clues to the discovery of the murderer. With gunshots or stabbings the cause of death is obvious, but this is not the case with poisons. How is it that some compounds

prove so deadly, and in such tiny amounts?Christie's extensive chemical knowledge provides the backdrop for A is for Arsenic, in which Kathryn Harkup investigates the poisons used by the murderer in fourteen classic Agatha Christie mysteries. It looks at why certain chemicals kill, how they interact with the body, the cases that may have inspired Christie, and the feasibility of obtaining, administering and detecting these poisons, both at the time the novel was written and today. A is for Arsenic is a celebration of the use of science by the undisputed Queen of Crime.

14th Deadly Sin House of Stratus

The daughter of a judge in a New Hampshire school shooting case witnessed the events but cannot remember the last several minutes of the attack.

As Good as Dead Scholastic Inc.

Patients are being given the wrong drugs, and are dying. Dr. Tyler Matthews suspects the new computerized medical record system. He comes up against powerful corporate interests who wish to protect their profits. Now a target, Matthews finds himself trapped, with his career, his marriage, and his very life on the line.

A Taste for Poison Penguin

NEW YORK TIMES BESTSELLER • From the author of Uprooted and Spinning Silver comes the first book of the Scholomance trilogy, the story of an unwilling dark sorceress who is destined to rewrite the rules of magic. FINALIST FOR THE LODESTAR AWARD • “The dark school of magic I’ve been waiting for.”—Katherine Arden, author of the Winternight Trilogy I decided that Orion Lake needed to die after the second time he saved my life. Everyone

loves Orion Lake. Everyone else, that is. Far as I'm concerned, he can keep his flashy combat magic to himself. I'm not joining his pack of adoring fans. I don't need help surviving the Scholomance, even if they do. Forget the hordes of monsters and cursed artifacts, I'm probably the most dangerous thing in the place. Just give me a chance and I'll level mountains and kill untold millions, make myself the dark queen of the world. At least, that's what the world expects. Most of the other students in here would be delighted if Orion killed me like one more evil thing that's crawled out of the drains. Sometimes I think they want me to turn into the evil witch they assume I am. The school certainly does. But the Scholomance isn't getting what it wants from me. And neither is Orion Lake. I may not be anyone's idea of the shining hero, but I'm going to make it out of this place alive, and I'm not going to slaughter thousands to do it, either. Although I'm giving serious consideration to just one. With flawless mastery, Naomi Novik creates a school bursting with magic like you've never seen before, and a heroine for the ages—a character so sharply realized and so richly nuanced that she will live on in hearts and minds for generations to come. The magic of the Scholomance trilogy continues in *The Last Graduate* “The can't-miss fantasy of fall 2020, a brutal coming-of-power story steeped in the aesthetics of dark academia. . . . *A Deadly Education* will cement Naomi Novik's place as one of the greatest and most versatile fantasy writers of our time.”—BookPage (starred review) “A must-read . . . Novik puts a refreshingly dark, adult spin on the magical boarding school. . . . Readers will delight in the push-and-pull of El and Orion's relationship, the fantastically detailed world, the clever magic system, and the matter-of-fact diversity of the

student body.”—Publishers Weekly (starred review)

The Sentence Is Death St. Martin's Press

“A fascinating tale of poisons and poisonous deeds which both educates and entertains.” --Kathy Reichs A brilliant blend of science and crime, *A TASTE FOR POISON* reveals how eleven notorious poisons affect the body--through the murders in which they were used. As any reader of murder mysteries can tell you, poison is one of the most enduring—and popular—weapons of choice for a scheming murderer. It can be slipped into a drink, smeared onto the tip of an arrow or the handle of a door, even filtered through the air we breathe. But how exactly do these poisons work to break our bodies down, and what can we learn from the damage they inflict? In a fascinating blend of popular science, medical history, and true crime, Dr. Neil Bradbury explores this most morbidly captivating method of murder from a cellular level. Alongside real-life accounts of murderers and their crimes—some notorious, some forgotten, some still unsolved—are the equally compelling stories of the poisons involved: eleven molecules of death that work their way through the human body and, paradoxically, illuminate the way in which our bodies function. Drawn from historical records and current news headlines, *A Taste for Poison* weaves together the tales of spurned lovers, shady scientists, medical professionals and political assassins to show how the precise systems of the body can be impaired to lethal effect through the use of poison. From the deadly origins of the gin & tonic cocktail to the arsenic-laced wallpaper in Napoleon's bedroom, *A Taste for Poison* leads readers on a riveting tour of the intricate, complex systems that keep us alive—or don't.

Freak the Mighty Island Press

Drugs. Murder. Redemption. From USA Today Bestselling author, Margaret Daley, is another romantic suspense from her series Strong Women, Extraordinary Situations. When Jessie Michaels discovers a letter written to her by her deceased best friend, she is determined to find who murdered Mary Lou, at first thought to be a victim of a serial killer by the police. Jessie's questions lead to an attempt on her life. The last man she wanted to come to her aid was Josh Morgan, who had been instrumental in her brother going to prison. Together they uncover a drug ring that puts them both in danger. Will Jessie and Josh find the killer? Love? Or will one of them fall victim to a Deadly Dose?

Toxic Positivity Penguin

When Mojo Sheepshanks, a regular at Bad-Ass Bert's Biker Saloon who is in love with an undercover cop, begins seeing ghosts, she uses her strange new talent to find her true identity, despite the danger it leads to.

Finlay Donovan Is Killing It Writer's Digest Books

THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES • The final book in the A Good Girl's Guide to Murder series that reads like your favorite true crime podcast or show. By the end, you'll never think of good girls the same way again... Pip is about to head to college, but she is still haunted by the way her last investigation ended. She's used to online death threats in the wake of her viral true-crime podcast, but she can't help noticing an anonymous person who keeps asking her: Who will look for you when you're the one who disappears? Soon the threats escalate and Pip realizes that someone is following her in real life.

When she starts to find connections between her stalker and a local serial killer caught six years ago, she wonders if maybe the wrong man is behind bars. Police refuse to act, so Pip has only one choice: find the suspect herself—or be the next victim. As the deadly game plays out, Pip discovers that everything in her small town is coming full circle . . . and if she doesn't find the answers, this time she will be the one who disappears. . . And don't miss Holly Jackson's next thriller, Five Survive!

A Good Girl's Guide to Murder Penguin

Modern Poisons bridges the gap between traditional toxicology textbooks and journal articles on cutting-edge science. This accessible book explains basic principles in plain language while illuminating the most important issues in contemporary toxicology. Kolok begins by exploring age-old precepts such as the dose-response relationship and goes on to show exactly how chemicals enter the body and elicit their toxic effect. Kolok then traces toxicology's development, from studies of endocrine-disrupting chemicals in toiletries to the emerging science on prions and epigenetics. Whether studying toxicology itself, public health, or environmental science, readers will develop a core understanding of—and curiosity about—this fast-changing field. *Cause of Death* Deadly Doses Part of the Howdunit Series, Deadly Doses is written by a professional in the field. It provides the inside details that writers need to weave a credible - and salable - story. Essential buys for any serious author... Will cut research time in half! - Mystery Scene HowDunit - The Book of Poisons A gripping standalone thriller from the Sunday Times No.1 bestselling author of the Logan McRae series.
