Dashing Mr. Snow Insomniac Press

New York Times and USA Today bestselling author Jaci Burton's "must-read" (Fresh Fiction) Play-By-Play series now arouses the sexy holiday spirit as a passionate young couple discovers the boundless rewards of pleasure. All Elizabeth and Gavin Riley want for Christmas is a baby. Despite over a year of trying, conception hasn't been successful. But for a high-achiever like Elizabeth, she must succeed at everything. That means making the very most of every opportunity with her husband. And when it comes to nonstop sex Gavin's not really complaining. Exhausted, maybe... Unfortunately, this holiday season they're not exactly given a lot of private time. Elizabeth is hosting the holiday, Gavin's sister is getting married, and the house is wall-to-wall with family. For Elizabeth and Gavin the nights may be chilly, but the urge is still hot. And they're not about to let any distraction get in the way of their necessary pleasures during a holiday game that yields so

many unexpected surprises. This all-new Play-By-Play novella includes a preview of Jaci Burton's upcoming novels *Melting the Ice* and *Hope Flames*.

Heston's Fantastical Feasts Penguin

Once upon a time there was a Chef called Heston who opened a small restaurant called the Fat Duck. At first, he served only simple French classics but gradually, as is the way of things, the Chef's curiosity got the better of him and he began thinking up more unusual dishes, such as Snail Porridge and Chocolate Wine. There was even talk of a meringue that made diners snort plumes of vapour, like a dragon. Word spread and reached the ears of the Executives who ran a television channel, and they summoned the Chef to their glass fortress. 'We command you to create six Fantastical Feasts', they said. 'These must be based on history, but you may draw on fairytales and legends.'

Black Ties and Lullabies Penguin

The breakthrough million-copy international bestseller about how to befriend your inner child to find happiness "Compassionate, clear-eyed, and insightful . . . The Child in You is like your own personal therapist that you can carry around with you." --Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone* Nominated for Malcolm Gladwell, Susan Cain, Adam Grant, and Daniel H. Pink's Next Big Idea Club We all want to be loved and to feel safe to express who we really are. But over time we grow estranged from what brings us our purest happiness--because everyday traumas, unyielding societal expectations, and the judgment of our parents and peers submerge our true self beneath layers of behaviors rooted in fear and shame and mistrust. In *The Child in You*, psychologist Stefanie Stahl guides you, step-by-step, through her therapeutic method that has helped millions to peel away these layers and reconnect with their inner child--both the shadow child, representing our deepest insecurities and the part of our self-esteem that is injured and unstable, and the sun child, representing our greatest joys and the part of our self-esteem that remains positive and intact. The many examples and exercises in this book will help you discover your shadow child and sun child, identify which of the shadow child's dozen self-protection strategies are at work in you, and put into practice the

array of proven self-reflection strategies to overcome negative influences and beliefs. Because it's never too late to have a happy childhood, or to bring your authentic self out from the shadows so you can embody your radiant individuality. A
