Open Road  
Media  
Beautiful.  
Busy. Friendly.  
Welcome to  
the

Philippines! In  
this bright,  
exciting book,  
young readers  
will travel to  
this amazing  
country  
without ever  
leaving their  
homes or  
classrooms.  
During their  
journey, they  
will learn all  
about the  
cities, food,  
holidays,  
history, and  
wildlife of the  
Philippines.  
They even  
learn how to  
speak a few  
words in  
Filipino! This  
32-page book

features controlled text with age-appropriate vocabulary and simple sentence construction. The engaging text, bold design, and stunning photos are sure to capture children's interest.

*Journey Through Hell*  
Xlibris Corporation  
Filled with warmth and humor, Somewhere in the Middle captures the simple joy found in ordinary moments and in the people

we share our lives with, shedding new light on what it truly means to find the place where you belong.

**My Story in the Philippines in First Person** Xlibris Corporation  
A darkly comic foray into the world of men and women who fake their own deaths, the consultants who help them disappear, and the private investigators who'll stop at nothing to bring them back to life. "A

delightful read for anyone tantalized by the prospect of disappearing without a trace." —Erik Larson, New York Times bestselling author of *Dead Wake*  
"Delivers all the lo-fi spy shenanigans and caught-red-handed schadenfreude you're hoping for." —NPR  
"A lively romp." —The Boston Globe  
"Grim fun." —The New York Times  
"Brilliant topic, absorbing book." —The

Seattle Times  
 “The most  
 literally  
 escapist  
 summer read  
 you could  
 hope for.”  
 —The Paris  
 Review Is it  
 still possible  
 to fake your  
 own death in  
 the twenty-  
 first century?  
 With six  
 figures of  
 student loan  
 debt,  
 Elizabeth  
 Greenwood  
 was tempted  
 to find out. So  
 off she sets on  
 a darkly comic  
 foray into the  
 world of death  
 fraud, where  
 for \$30,000 a  
 consultant can  
 make you  
 disappear—but  
 your

suspicious  
 insurance  
 company  
 might hire a  
 private  
 detective to  
 dig up your  
 coffin...only to  
 find it filled  
 with rocks.  
 Greenwood  
 tracks down a  
 British man  
 who staged a  
 kayaking  
 accident and  
 then returned  
 to live in his  
 own house  
 while all his  
 neighbors  
 thought he  
 was dead. She  
 takes a call  
 from Michael  
 Jackson (no,  
 he’s not  
 dead—or so  
 her new  
 acquaintances  
 would have  
 her believe),

stalks  
 message  
 boards for  
 people  
 contemplating  
 pseudocide,  
 and gathers  
 intel on black  
 market  
 morgues in  
 the  
 Philippines,  
 where she  
 may or may  
 not obtain  
 some  
 fraudulent  
 goodies of her  
 own. Along  
 the way, she  
 learns that  
 love is a much  
 less common  
 motive than  
 money, and  
 that making  
 your death  
 look like a  
 drowning  
 virtually  
 guarantees  
 that you’ll be

caught.  
(Disappearing while hiking, however, is a way great to go.) Playing Dead is a charmingly bizarre investigation in the vein of Jon Ronson and Mary Roach into our all-too-human desire to escape from the lives we lead, and the men and women desperate enough to give up their lives—and their families—to start again.

**Yesterdays  
in the  
Philippines**  
Tuttle

Publishing  
A glorious collection that delves deep into the inception, influences, and literary and historical underpinnings of nearly 100 of our most beloved fictional realms. Literary Wonderlands is a thoroughly researched, wonderfully written, and beautifully produced book that spans four thousand years of creative endeavor. From Spenser's The

Fairie Queene to Wells's The Time Machine to Murakami's 1Q84 it explores the timeless and captivating features of fiction's imagined worlds including the relevance of the writer's own life to the creation of the story, influential contemporary events and philosophies, and the meaning that can be extracted from the details of the work. Each piece includes a detailed overview of

the plot and a "Dramatis Personae." Literary Wonderlands is a fascinating read for lovers of literature, fantasy, and science fiction. Laura Miller is the book's general editor. Co-founder of Salon.com, where she worked as an editor and writer for 20 years, she is currently a books and culture columnist at Slate. A journalist and a critic, her work has appeared in the New

Yorker, Harper's, the Guardian, and the New York Times Book Review, where she wrote the "Last Word" column for two years. She is the author of The Magician's Book: A Skeptic's Adventures in Narnia and editor of the Salon.com Reader's Guide to Contemporary Authors. **The Philippines** Lonely Planet The sheer size of the Philippines (it has over 7,000 islands) and its

amazing diversity, with environments that range from stunning submarine coral reefs to rugged and overly-active volcanoes, with beaches, lakes, rivers and forests in between, plus lively modern cities with heritage Spanish buildings, make it a challenge for the visitor to know where to start. In *Journey Through the Philippines*, Nigel Hicks presents an ideal itinerary through 30 locations

across the country running roughly north to south. Some of the country's most famous locations are included, not only Manila and Cebu City of course, but also the island resort of Boracay, the famous rice terraces of Banaue and the mountain capital that is Baguio. Other locations are only lightly visited, places such as the beaches of Pagudpud, Baler and Siquijor, the mountain retreat of

Sagada, and the volcanoes of southern Bicol. What they all have in common is that they represent the most exciting sights that the Philippines has to offer, places that are all really worth visiting on any journey through the Philippines. *A History of the Philippines ...* Black Dog & Leventhal Journey Through the Philippines is the ultimate Philippines travel pictorial for exploring Asia's second largest

archipelago, home to some of the world's most beautiful natural landscapes. Often overlooked by travelers in Southeast Asia, the Philippines is one of the region's most exciting destinations. Through more than 250 stunning photographs, readers are taken across the breadth of the archipelago, from the chocolate hills of Bohol to the country's northernmost province of Batanes. The

geographical diversity of the country is astounding—the islands are home to spectacular white-sand beaches, bubbling volcanoes, 2000-year-old rice terraces and some of the best surfing and diving in the world. This Philippines travel pictorial captures the islands' stunningly varied natural landscapes and provides an insight into the lives of the Filipino people, their centuries-old traditions,

exuberant religious fiestas and warm hospitality. *Philippine Sanctuary* Rowman & Littlefield This beautifully photographed travel pictorial captures the people, art, architecture, food and landscapes of the Philippines. The Philippine Archipelago with its 7,100 islands is culturally diverse and unique in Southeast Asia, and renowned for the splendor of its coastal

beaches and terraced mountains. Seventy million Filipinos have been nurtured by both tropical environment and unique historical development--through 300 years of Spanish Christianization and 40 years of American modernization --and have emerged as an attractive blend of East and West, soul and style. The island country is perhaps best known for the friendliness of

its people and their natural sense of song, dance and hospitality. The archipelago is also called "Pearl of the Orient." With over 150 photographs and a detailed map, Exciting Philippines is an essential book for expats or tourists traveling to the Philippines.

**Philippines  
Travel Guide**

Penguin  
This novel was previously published under the title MY STORY IN THE PHILIPPINES IN

FIRST PERSON, which proved to be an awkward title and was rightfully criticized. So I decided to republish the story under a new, more appropriate name, TREACHEROUS JOURNEY THROUGH THE PHILIPPINES, but only after thoroughly editing the wording of the text. Because the story line was recognized as being interesting and flowing, nothing else was changed except for my

adding sketches at critical sections. My wife, Nelle, encouraged me to write a novel but passed away in 1992. She always wanted to help. The book may have suffered because she was unable to contribute her clear language. She always contended that in writing fiction, she could invent a story as interesting as one that occurred in real life. I believed her. She certainly

was an entertaining conversationalist and had a lighthearted, devilish way of concocting a yarn. The plot for **TREACHEROUS** takes you to locations actually visited by the author. However, the characters and events are fictional. Larry Bulger is not meant to be Peter Robinson. Larry Bulger jumped headlong into treacherous circumstances. Peter Robinson's nature would be to

circumvent the dangers presented by adversaries in the story. Perhaps Larry was a person Peter would like to be. The historical facts, such as Japanese General Yamashita pillaging Southeast Asia for treasure during WWII and hiding portions of the loot in the Philippines, are true but twisted somewhat for the convenience of the plot. The corruption of the Marcos regime is

based on commonly repeated rumors that were prevalent at the time. **Journey Through the Afterlife** Countries We Come from In this memoir Ricardo Burguete, a Spanish soldier who served in the Philippines from 1896-1897, describes his journey to the Philippines, his impressions of the country, and his experiences in fighting Filipino insurrectionist

s in his 1902 memoir. The account, written by a young, impressionable patriot, conveys candid characterizations of the inhabitants of the country, reflections on the causes of the insurrection, and a detailed account of the author's actions in support of continued Spanish rule. Lonely Planet Philippines Tuttle Publishing Fate has its way of letting seemingly simple things

irrevocably alter the course of people's lives. This is what Larry Bulger, the hero in Peter Robinson's new novel, *My Story in the Philippines in First Person*, discovers. At 30 years old, Larry is enjoying the rewards that his life and career in the engineering industry brought him. When he signs a contract to work overseas in the Philippines he has no idea that the decision will propel him on

his first true adventure and inextricably change his life. From the bustling urban maze work of Manila (the country's capital) to the mesmerizing Chocolate Hills of Bohol to the anxiety-ridden streets of Basilan, Larry's voyage will be riddled with excitement, new discoveries, intriguing personalities and, unexpectedly, danger. As Larry becomes immersed in the unique culture and life, he also

becomes enmeshed in perilous circumstances he never thought were possible. Soon, Larry will realize some enlightening truths about himself. Peopled by richly-drawn characters, *My Story in the Philippines in First Person* unfolds to an adventure of a lifetime and a window into an enchantingly exotic world. *The Philippines* McFarland In June 2016, Rodrigo Duterte won

the Philippine presidential election by a landslide. Infamous for his bombastic temper and un-PC wisecracks, he is waging a brutal drug war that has killed more than 12,000 people so far. Over the last nine years, British writer Tom Sykes has travelled extensively in the Philippines in order to understand the Duterte phenomenon, interviewing friends and enemies of 'The Punisher' - as he is known - in

politics, the media, the arts and civil society. Sykes witnesses anti-government demonstrations in the capital Manila and visits the provincial city of Davao, where Duterte began his crusade against crime using police and vigilante death squads. By delving into Duterte's troubled childhood of violent rebellion, Sykes discovers what motivates the man today in his pursuit of

a merciless 'war on the poor' - as Amnesty has described it - that has no end in sight. The Realm of the Punisher also examines oppressed and marginalized groups in the modern Philippines through encounters with a transgender rights campaigner, an 86-year-old former sex slave to the Japanese in the Second World War, a public artist who must work while under attack from Maoist

rebels, and slum-dwellers resisting violent eviction by a real estate company. The past is never far away from these present-day problems and Sykes' travels to festivals, cemeteries, war memorials and a tomb housing an embalmed corpse reveal the ways in which key figures in Philippine history - from José Rizal to Ferdinand Marcos - have influenced current affairs. Funny, tragic, enlightening

and uncompromising - and infused with the author's strong sense of social justice - The Realm of the Punisher is the first major travel book by a Westerner to explore Duterte's Philippines. [A Woman's Journey Through the Philippines on a Cable Ship that Linked Together the Strange Lands Seen en Route](#) Harvard University Press Full of stunning photography, this travel

pictorial and Philippines guidebook captures the soul of a tropical island nation. The Philippines: Islands of Enchantment captures all the marvels and excitement found throughout the 7000-island archipelago. Beautiful photographs by award-winning photographer George Tapan are paired with rich text by author Alfred A. Yuson to make this new paperback

edition a must for those that have traveled to this island paradise or just spend their days dreaming about going. The Philippines: Islands of Enchantment is a fascinating exploration of the islands and her people including: sun-blessed beaches and pristine rainforests centuries-old churches and tribal rituals dynamic cities and a wealth of ethic and environmental diversity

yearlong fiestas celebrated by Filipinos and more!  
Philippines  
 Andrews UK Limited  
 Captured by the Japanese on Corregidor in 1942, the author, a Navy medic, found himself aiding many of his fellow captives who had been wounded in the defense of the island. This is his story of imprisonment by the Japanese at camps in the Philippines, Japan and Manchuria. He remembers

caring for the sick and wounded at Bilibid and the brutal Cabanatuan prison camps where starvation, malnutrition, diseases and degradation were a way of life are included. Also detailed are his journey aboard the Japanese hellship Oryoku Maru that left Manila with 1,619 prisoners but arrived in Japan with fewer than 400 survivors and his liberation from a camp in

Mukden, Manchuria, by Russian troops. Patron Saints of Nothing Design Studio An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the

Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique’s Journey recounts the

unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of

strangers. As Isabel Allende writes: "This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one." Praise for Enrique's Journey "Magnificent . . . Enrique's Journey is about love. It's about family. It's about home."—The Washington Post Book World "[A] searing report from the immigration frontlines . . . as harrowing as it is

heartbreaking. "—People (four stars) "Stunning . . . As an adventure narrative alone, Enrique's Journey is a worthy read. . . Nazario's impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one."—Entertainment Weekly "Gripping and harrowing . . . a story begging to be told."—The Christian

Science Monitor “[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid.”—Newsday

*Around the World in 80 Words* London : Chapman and Hall

In *The Ikigai Journey*, authors Hector Garcia and Francesc Miralles take their international bestseller *Ikigai: the Japanese Secret to a Long and Happy Life* a step further by showing you how to find your own ikigai through practical exercises, such as employing new habits and stepping outside your comfort zone. Ikigai is the place where our passion (what we love), mission (what we hope to contribute), vocation (the gifts we have to offer the world) and profession (how our passions and talents can become a livelihood) converge, giving us a personal sense of meaning. This book helps you bring together all of these elements so that you can enjoy a balanced life. Our ikigai is very similar to change: it is a constant that transforms depending on which phase of life we are in. Our "reason for being" is not the same at 15 as it is at 70. Through three sections, this book helps you to accept and embrace that-acting as a tool to revolutionize your future by helping you to

understand the past, so you can enjoy your present.	the greatest number of centenarians-- many of whom cite their strong sense of ikigai as the basis for their happiness and longevity.	Book Club selection: An intense portrait of the Philippines in the late 1950s.
Section 1: Journey Through the Future: Tokyo (a symbol of modernity and innovation)	Unlike many "self-care" practices, which require setting aside time in an increasingly busy world, the ikigai method helps you find peace and fulfillment in your busy life.	Dogeaters follows a diverse set of characters through Manila, each exemplifying the country's sharp distinctions between social classes.
Section 2: Journey Through the Past: Kyoto (an ancient capital moored in tradition)		Celebrated novelist and playwright Jessica Hagedorn effortlessly shifts from the capital's elite to the poorest of the poor.
Section 3: Journey Through the Present: Ise (an ancient shrine that is destroyed and rebuilt every twenty years) Japan has one of the longest life spans in the world, and	<i>Playing Dead</i> Tuttle Publishing Finalist for the National Book Award and a 2015 Wall Street Journal	From the country's president and

first lady to an idealist reformer, from actors and radio DJs to prostitutes, seemingly unrelated lives become intertwined. Flavors of the Philippines Random House During World War II, the United States government and many Western democracies limited or closed themselves off entirely to Jewish refugees. By contrast, a Pacific island nation decided to keep its doors open.

Between 1938 and 1941, the Philippine Commonwealth provided safe asylum to more than 1,300 German Jews. In highlighting the efforts by Philippine president Manuel Quezon and High Commissioner Paul V. McNutt, Bonnie M. Harris offers fuller implications for our understanding of the Roosevelt administration's response to the Holocaust. This untold history is

brought to life by focusing on the incredible journey of synagogue cantor Joseph Cysner. Drawing from oral histories, memoirs, and personal papers, Harris documents Cysner's harrowing escape from the Nazis and his heroic rescue by the American-led Jewish community of the Philippines in 1939. Moving and rich in historical detail, Philippine Sanctuary reveals new insights for an

overlooked period in our recent history, and emphasizes the continued importance of humanitarian efforts to aid those being persecuted. Treacherous Journey Through the Philippines University of Chicago Press The Philippines Rediscovered is the unique, coffee-table book on the country. The theme of this book is the rediscovery of the beauty of the Philippines as seen through the eyes of a

highly acclaimed photographer, Stuart Dee. The photographer spent several months over five years traveling through every region, recording his impressions to create a more personal portrait of the country. He captures the stunning beauty of the landscape and the quiet, simple beauty of the everyday scene. It is not a documentary but a celebration. Awarded Best

Book on the Philippines by the Philippine Tourism DepartmentForeword by Former President Corazon Aquino; Introduction by Nick Joaquin, National Artist9 x 12 inches, 192 pages, with over 260 color photographsPrice: US\$50 Hardcover, US\$36 Softcover ISBN: Hardcover 0-9684027-0-4 ; Softcover 0-9684027-1-2 Colorful, insightful....beautiful!
