The Owens sisters confront the challenges of life and love in this bewitching novel from the New York Times bestselling author of *The Rules of Magic*, *Magic Lessons*, and *The Book of Magic*. For more than two hundred years, the Owens women have been blamed for everything that has gone wrong in their Massachusetts town. Gillian and Sally have endured that fate as well: as children, the sisters were forever outsiders, taunted, talked about, pointed at. Their elderly aunts almost seemed to encourage the whispers of witchery, with their musty house and their exotic concoctions and their crowd of black cats. But all Gillian and Sally wanted was to escape. One will do so by marrying, the other by running away. But the bonds they share will bring them back—almost as if by magic...

magician's work. Exploring the ways in which human psychology plays into the methods of conjuring rather than focusing on the individual tricks alone, this explanation of the general principles of magic includes chapters on the use of misdirection, sleight of hand, and reconstruction, provides a better understanding of this ancient art, and offers a section on psychics that warns of their deceptive magic skills.

For too long, women have been told to confine themselves—physically, socially, and emotionally. Eliza VanCort says now is the time for women to stand tall, raise their voices, and claim their space. Women fight the pressure to make themselves small in private, professional, and public spaces. Eliza VanCort, a teacher, consultant, and speaker, provides the necessary tools for women to rewrite the rules and create the stories of their choosing safely and

without apology. VanCort identifies the five key behaviors of all “Space Claiming Queens”: use your voice and posture to project confidence and power, end self-sabotage, forge connections, neutralize unsafe spaces, and unite across differences. Through personal narrative, research, and actionable strategies, VanCort provides how-tos on combatting challenges like antimentors and microaggressions and gives advice for building up your “old girls” club, asking for what you're worth, and owning your space without apology. Bold, fun, and enlightening, this book is birthed from VanCort's incredible story. Having a mother with schizophrenia forced VanCort to learn to be small and invisible at an early age, and suffering a traumatic brain injury as an adult required her to rethink communication from the ground up. Drawing on these experiences, and those of real women everywhere, VanCort empowers women to claim space for themselves and for their sisters with courage, empathy, and conviction because “when we rise together, we rise so much higher.”
