BRYSON ISABEL

Bench Bosses Simon and Schuster
For the NHL's 100th season, a fan-friendly, argument starter of a book, compiling the 100 most impactful moments in league history. From ostentatious scoring totals to unstoppable teams destined for championships, the NHL boasts a history of greatness. But as die-hard fans well know, greatness isn't the whole story. In this image-rich, licenced celebration of the NHL's past and present, veteran hockey journalist Scott Morrison mines a century of NHL hockey to find the game's 100 most important moments. From Bobby Orr's 1969-70 trophy haul, to Detroit coach Scotty Bowman's unprecedented icing of five Russians at once on the Red Wings' way to their first of several Stanley Cups, the Stastny brothers' defection, and Roger Neilson reviewing a game on VHS, these moments weren't always the photogenic peaks of athletic glory that graced the morning news, but each of them changed the game.

The Making of the October Crisis Anchor
Canada

Legendary Canadian and Hockey Hall of Fame inductee Larry Robinson takes readers rink-side in this highly anticipated and poignantly told memoir. Larry Robinson spent 20 seasons playing in the NHL -- seventeen with the Montreal Canadiens and retiring from the game after his final 3 seasons with the LA Kings. His great size gave his teams an incredible presence on the blue line and a tremendous defender in front of their net. But he was more than just big. He was agile, he could score

and he played a style that provided both offensive and defensive strengths. For his effort, Robinson was twice recognized as the NHL's top defencemen and his contribution helped the Canadiens win the Stanley Cup six times during his tenure with the team. Never afraid to drop his gloves and play a physical game, Robinson is and will forever be regarded as one of the NHL's greatest defencemen. In *The Great Defender*, Robinson relives his road to the NHL and the unexpected NHL journey that has lasted over 4 decades. He has enjoyed the good fortune of playing with greats, including Ken Dryden and Guy Lafleur to coaching the greatest of all--Wayne Gretzky. His successes as a player and coach are well-documented and in his memoir, hockey fans will now enjoy the opportunity to experience the odyssey of this legendary player as seen through his eyes, lived through his emotions, and told through his voice. Robinson's story is one of triumph and will leave readers cheering for the man fondly nicknamed "Big Bird." In the process of writing this book, bestselling sports writer Kevin Shea interviewed many of Robinson's teammates, colleagues, players and family members and spent countless hours with Larry himself to capture a fascinating picture of one of hockey's greatest careers.

Books

Montréal is filled with surprises: vine-covered alleys, unique spiral staircases, and festivals around every corner. Immerse yourself in this distinctly Québécois city with Moon Montréal. Explore the City: Navigate by neighborhood or by activity with color-coded maps, or follow one of our guided neighborhood walks See the Sights:

Stroll through Montréal's history on rue St-Paul, the city's oldest street. Take a self-guided bike tour and picnic at the Parc du Mont-Royal. Visit the beautiful Notre-Dame Basilica and enjoy an exhibit at the Montréal Fine Arts Museum before ending your day with a sunset view from one of the city's scenic lookouts

Get a Taste of the City: Enjoy fresh crêpes at the Marché Jean-Talon, countless spots to wine and dine al-fresco, beautiful farm-to-table restaurants, and poutine on nearly every menu

Bars and Nightlife: Sample Montréal's craft beer scene at rooftop bars, dance the night away to up-and-coming bands and DJs, or watch Cirque du Soleil perform in their hometown

Local Advice: Journalist and tour guide Andrea Bennett shares her love of her adopted city

Itineraries: All accessible by bus, train, or public transit, including "The Best of Montréal," "The City with Kids," and "A Taste of Montréal"

Tips for Travelers including lists of the best views, people-watching spots, romantic getaways, coffee shops, and more, plus advice for LGBTQ visitors, travelers with disabilities, and families with children

Full-Color, Helpful Photos and Detailed Maps

Maps and Tools: Moon provides background information on the history and culture of Montréal, as well as an easy-to-read foldout map to use on the go

With Moon Montréal's practical tips and local know-how, you can plan your trip your way. Exploring the area? Check out Moon Québec City or Moon Atlantic Canada.

Maurice Richard Transcontinental Books

Collect the top 100 Montreal Canadiens of all time. Whether you collect autographs, jerseys, collectibles, photos, hockey cards, or publications, this book looks at some of the best memorabilia

the hobby has to offer. We showcase 100 great players from the team's 100 years of hockey history."

The NHL Kids Can Press

Writer Sacha Jackson guides travelers to the highlights of Montréal and Québec City, from the trendy bars, restaurants, and festivals of Montréal to the original city walls and historic center of Québec City. Jackson also offers unique trip ideas like Romantic Weekend Getaways and Montréal on the Cheap. Complete with details on kayaking the Lachine canal, eating your own weight in poutine, and participating in the concerts, parades, and sleigh races of the Carnaval de Québec, Moon Montréal & Québec City gives travelers the tools they need to create a more personal and memorable experience.

The Stanley Cup McGill-Queen's Press - MQUP

Officially founded in 1819, the Montreal General Hospital is recognized as a pioneering institution in North America for the many discoveries in medical research made there and for its early association with the Faculty of Medicine at McGill University - the first medical school in Canada. Covering nearly 200 years of history, The General relates the story of the hospital from its origins and founding to the transition and aftermath of its incorporation into the McGill University Health Centre in 1997. With contributions that show the perspectives of clinicians, nurses, surgeons, professors, and administrators, chapters chronicle the history of particular departments and specializations of the hospital, including cardiology, dermatology, endocrinology, neurosurgery, plastic surgery, obstetrics, emergency medicine, pathology, and radiology, as well as nursing, administration, and governance. Among

the major turning points in the history of the hospital were the introduction of autopsy pathology by Sir William Osler, the debut of the electrocardiograph by Thomas Cotton in 1914, the discovery of a malignant tumour marker by Phil Gold and Samuel Freedman in 1965, its transformation from a community hospital serving anglophone Montreal to an internationally recognized academic centre during the 1950s and '60s, and changes in governance due to the 1970 Quebec Medicare Act. Both a collective reminiscence and an extensive institutional history, *The General* is an engaging account of one prominent hospital's development over nearly 200 years.

The Same but Different Anchor Canada From coast to coast, hockey is played, watched, loved, and detested, but it means something different in Quebec. Although much of English Canada believes that hockey is a fanatically followed social unifier in the French-speaking province, in reality it has always been politicized, divided, and troubled by religion, class, gender, and language. In *The Same but Different*, writers from inside and outside Quebec assess the game's history and culture in the province from the nineteenth century to the present. This volume surveys the past and present uses of hockey and how it has been represented in literature, drama, television, and autobiography. While the legendary Montreal Canadiens loom throughout the book's chapters, the collection also discusses Quebecers' favourite sport beyond the team's shadow. Employing a broad range of approaches including study of gender, memory, and culture, the authors examine how hockey has become a lightning rod for discussions about Québécois identity. Hockey

reveals much about Quebec and its relationship with the rest of Canada. *The Same but Different* brings new insights into the celebrated game as a site for community engagement, social conflict, and national expression.

100 Years in Blue and White Blurb Maurice Richard was the greatest hockey player of the 20th century. He was also the most popular and respected hero of French-speaking Canadians. His career paralleled the dramatic changes that occurred in Quebec after the Second World War, when the Quebecois people asserted their equality and their rights. This new biography of Richard records his incredible career as a hockey player. It traces the connections between his successes on the ice and the growing self-confidence of the French-speaking people of Quebec.

Miracle Moments in Montreal Canadiens History

Moon Travel Sport and Secessionism examines how sporting cultures reflect, inform and sometimes frustrate secessionist movements around the world. Investigating a wide range of cases, the book explores key themes including nationalism, nation building, state-region antagonisms, independence movements, identity and ethnic politics, sovereignty and autonomy processes, all through the lens of sport. Sports are uniquely positioned to shed light on secessionist politics due to their pervasiveness in society, and their ability to absorb, reflect and produce political projections. The book presents analyses of a wide range of geographical, cultural and political contexts in which sports are deployed to pursue regional independence, or greater sovereignty and autonomy, and explores the dual processes of sub-national identity construction and state sovereignty

deconstruction. The book includes fourteen cases from such diverse parts of the world as Ireland, Taiwan, Turkey, Catalonia, Biafra, Canada and the UK, among others. Offering a unique perspective on an important geopolitical issue, this book is fascinating reading for anybody with an interest in sport and politics, the sociology of sport, political science, political geography, nationalism studies or international history.

One Hundred Years of Hockey Moon Travel

Over the course of its first century, the NHL's fortunes have ebbed and flowed. It has experienced setbacks and triumphs and innumerable crises. This is the story of two perpetual struggles—the one on the ice and the one going on behind the scenes to keep the whole enterprise afloat. D'Arcy Jenish was granted unprecedented access to previously unpublished league files, including revelatory minutes of board meetings, and conducted dozens of hours of interviews with league executives, including commissioner Gary Bettman and former president John Ziegler.

100 Things Canadiens Fans Should Know and Do Before They Die University of Toronto Press

The Western Division of the Montreal General Hospital was so close to the Forum that Montréal Canadiens players could put on skate guards and walk to the hospital's emergency room. This was not a coincidence and established proximity as a priority. Dr. Douglas Kinnear supported twelve Stanley Cup winning Montréal Canadiens squads as team physician. Dr. David Mulder has been on the medical staff for over fifty years and for eight Stanley Cups. In *Hockey Doc*, these two legendary team physicians explore the dynamic doctor player relationship they came to know so

well with a look at more than fifty years of medical care provided to the hockey club. *Hockey Doc* examines how the medical program for the Montréal Canadiens has evolved over its history due to its long-standing relationship with the MGH and the Molson family. The doctors breakdown major injuries with real-life examples that every team physician needs to be aware of and share career highlights. Featuring stories about Saku Koivu, Trent McCleary, Patrick Roy, Maurice Richard, Gump Worsley, Bobby Orr, Lou Lamoriello, and journalist Red Fisher – among countless others – *Hockey Doc* shares the inside jokes between doctor and player while providing a greater commentary on the evolution of sports medicine throughout two MGH doctors' careers. For hockey fans of all ages and the Québec medical community, *Hockey Doc* shares the relationship between the injured professional athlete and the medical staff of a university medical centre and provides an inside look at the injuries and illnesses these doctors have faced over their storied careers.

Encyclopedia of Sports Management and Marketing Turtleback

When most sports fans hear the stat 3,000, they immediately turn to baseball. But for those fans whose breath comes out in frosty puffs, and who bleed ice and snow, 3,000 can only mean one thing—the glory of Montreal Canadiens hockey. The “Original One” of the “Original Six,” the Montreal Canadiens hockey team is practically synonymous with superlative: The most Stanley Cup championship victories, with 24? The Montreal Canadiens. The highest number of regular-season wins? The Montreal Canadiens. The oldest active franchise in the NHL? The Montreal Canadiens. Now the hundred-

plus years of Canadiens triumphs, tragedies, and times like no other are captured in Robert Lefebvre's *Tales from the Montreal Canadiens Locker Room*. In this unique compendium, Lefebvre brings to life both the history and the anecdotes of this incredible franchise. Stories of Maurice "Rocket" Richard's incredible skills on the ice are paired side by side with locker room yarns and off-the-ice tales of Jean Beliveau, Dickie Moore, Serge Savard, Guy Lapointe, Patrick Roy, and more. With humor, wit, and a lot of adrenaline, Robert Lefebvre has compiled a collection of Montreal Canadiens stories sure to please any hockey fan.

The Game: 30th Anniversary Edition

Black House Publishing Ltd

The first full-scale biography of a legendary and award-winning NHL goalie who transformed the game. "There are a lot of very good goalies, there are even a fair number of great goalies. But there aren't many important goalies. And Jacques Plante was an important goalie." Ken Dryden On and off the ice Jacques Plante was a true original; he was extremely talented, boastful, defiant, mysterious, and complex. Throughout his tumultuous career as a goalie, he played for Montreal, New York, St. Louis, Toronto, Boston, and Edmonton. His contributions to and impact on the game were extensive and are reflected in today's rules, equipment, and style of play. Thoroughly investigated through archival and primary research, and including interviews with figures such as Jean Béliveau, Henri Richard, Dickie Moore, and Scotty Bowman, this biography sheds light on one of the most pivotal figures in the history of hockey.

The NHL University of Toronto Press

This game wasn't about money, points, or trophies. Instead it was played for

pride, both personal and national. It was a confrontation twenty years in the making and it marked a turning point in the history of hockey. On December 31, 1975, the Montreal Canadiens, the most successful franchise in the NHL, hosted the touring Central Red Army, the dominant team in the Soviet Union. For three hours millions of people in both Canada and the Soviet Union were glued to their television sets. What transpired that evening was a game that surpassed all the hype and was subsequently referred to as "the greatest game ever played." Held at the height of the Cold War, this remarkable contest transcended sports and took on serious cultural, sociological, and political overtones. And while the final result was a 3-3 tie, no one who saw the game was left disappointed. This exhibition of skill was hockey at its finest, and it set the bar for what was to follow as the sport began its global expansion.

The Stanley Cup FENN-M&S

Did you know that the Montreal Canadiens are the oldest team in the National Hockey League (NHL)? With a legacy that stretches back for more than a century, the Montreal Canadiens are one of the world's most celebrated hockey teams. Learn more about the history and people behind the team in *Montreal Canadiens, an Inside the NHL* book.

Tales from the Montreal Canadiens Locker Room McClelland & Stewart Limited

This four-volume set introduces, on the management side, principles and procedures of economics, budgeting and finance; leadership; governance; communication; business law and ethics; and human resources practices; all in the sports context. On the marketing side this reference resource explores two

broad streams: marketing of sport and of sport-related products (promoting a particular team or selling team- and sport-related merchandise, for example), and using sports as a platform for marketing non-sports products, such as celebrity endorsements of a particular brand of watch or the corporate sponsorship of a tennis tournament. Together, these four volumes offer a comprehensive and authoritative overview of the state of sports management and marketing today, providing an invaluable print or online resource for student researchers.

Kooks and Degenerates on Ice Simon and Schuster

A beautifully designed collection of essays on war, loss and remembrance to commemorate the 100th anniversary of the writing of Canada's most famous poem. In early 1915, the death of a young friend on the battlefields of Ypres inspired Canadian soldier, field surgeon and poet John McCrae to write "In Flanders Fields." Within months of the poem's December 1915 publication in the British magazine *Punch* it became part of the collective consciousness in North America and Europe, and its extraordinary power has endured over the decades and across generations. In this anthology, Canada's finest historians, novelists and poets contemplate the evolving meaning of the poem; the man who wrote it and the World War I setting from which it emerged; its themes of valour, grief and remembrance; and the iconic image of the poppy. Among the thirteen contributors: Lieutenant-General Roméo Dallaire (ret'd) writes about the emotional meaning of the poem for war veterans; Tim Cook describes the rich and varied life of McCrae; Frances Itani revisits her time in Flanders, and mines

the acts of witnessing and remembering; Kevin Patterson offers a riveting depiction of the adrenaline-fueled work of a WWI field surgeon; Mary Janigan reveals the poem's surprisingly divisive effect during the 1917 federal election; Ken Dryden tells us how lines from the poem ended up on the wall of the Montreal Canadiens' dressing room; and Patrick Lane recalls a Remembrance Day from his childhood in a moving reflection on how war shapes us all. Gorgeously designed in full colour with archival and contemporary images, *In Flanders Fields: 100 Years* will reflect and illuminate the importance of art in how we process war and loss.

The Great Defender Knopf Canada

A fascinating history of one of the hottest wrestling territories of all time Montreal was the proving ground for some of the biggest names in wrestling, including Andre the Giant, Abdullah the Butcher, and the infamous Mad Dog Vachon; it was the site of the first midget battle ever; and made famous worldwide for the infamous Survivor Series screw job that saw Vince McMahon, the Heartbreak Kid Shawn Michaels, and Bret Hart create the "attitude" that reshaped the business. *Mad Dogs, Midgets and Screw Jobs* is the ultimate guide to Montreal's legendary place in professional wrestling history. Get the lowdown on all the major wrestlers who made their name in the territory, from Yvon Robert, the Rougeaus, and Gino Brito to edouard Carpentier. With a detailed account of the promotional war between the Rougeaus' AllStar Wrestling and the Vachons' Grand Prix, a complete history of how wrestling developed on Montreal TV, and an investigation of the murder of Dino Bravo, this book demonstrates how much of what has happened in wrestling, just may have

happened first in Montreal.

Moon Montréal PediaPress

Relive the drama and excitement of the first century of NHL hockey in Toronto. This commemorative book — featuring rare stories and photos from the Toronto Star — takes readers inside Canada's team's thrilling 13 Stanley Cups, explores the unforgettable players and coaches who have led this popular Original 6 franchise, and much more. From the inaugural season of the NHL to eight Cups during owner Conn Smythe's unprecedented reign to the 1960s dynasty and into the modern era under Brendan Shanahan and Mike Babcock, *100 Years in Blue and White* is filled with fond memories one of sports' iconic franchises. Featuring dozens of archival stories and nearly 100 rare photographs, this full-color commemorative edition is the perfect gift for any hockey fan.

Moon Québec City James Lorimer & Company

Bench Bosses celebrates the greatest NHL Coaches in the history of the game. *Bench Bosses* is filled with compelling biographical narrative, innovative analysis, historical allusion, hockey folklore, humour, heartbreak, and tragedy. By introducing a creative new

method for evaluating coaching success, professional historian and hockey columnist Matthew DiBiase settles many a debate. His hard-hitting prose and cogent analysis covers key aspects of coaching and definitively identifies the greatest offensive and defensive coaches, expounds on the best penalty-killing or power-play coaches and delves into statistics to determine the nastiest squads on the ice. His unique assessment method determines his selection of the top fifty head coaches of all time. DiBiase's in-depth hockey research delivers a powerful, gripping and informative look at the game's best of the best. This seminal book tells the story behind the story of coaching success. It removes subjectivity and bias and provides a comprehensive overview of each coach's major career achievements and the contributions each has made to the game. In the writing of this book, the author personally interviewed many of the game's best known coaches and their players to get the most accurate and complete perspective of the sport and its coaching elite. Readers will enjoy hearing from such names as Scotty Bowman, Al Arbour, Jean Beliveau, Dick Irving Jr., and more.
