*Racing Against History* is the stunning story of three powerful personalities who sought in 1940 to turn the tide of history. David Ben-Gurion, Vladimir Jabotinsky, and Chaim Weizmann—the leaders of the left, right, and center of Zionism—undertook separate missions that year to America, then frozen in isolationism, to seek support for a Jewish army to fight Hitler. Their efforts were at once heroic and tragic. The book presents a portrait of three historic figures and the American Jewish community—at the beginning of the most consequential decade in modern

Jewish history—and a cautionary tale about divisions within the Jewish community at a time of American isolationism. Based on previously unpublished materials, the book sheds new light on Zionism in America and the history of World War II, and it aims to stimulate discussion about the evolving relationship between Israel and American Jews, as the Jewish State approaches its 70th anniversary under the continuing threat of annihilation. A book for general readers, history buffs and academics alike, it includes 75 pages of End Notes that enable readers to pursue the stunning story in further depth.

Encounter God through the Scriptures as you are guided by the wisdom and

experience of the Blackaby family. The deepest need of every human heart is to encounter God. To meet with God, to be changed by Him, and to become more like Him as a result. For decades, the Blackaby family has dedicated their ministry to helping believers address this deepest need. Now you can learn from their insights to experience deeper encounters with God as you develop a regular routine of Bible reading and study in the *Encountering God Study Bible*. The *Encountering God Study Bible* is the crowning work of the Blackabys. Featuring their trusted approach to Bible study, explanatory notes, word studies, biblical character sketches, historical encounters with lives of exemplary faith, articles highlighting the creative nature of God, and other articles defending the faith, you

will be encouraged to see that you can encounter God in His Word—and that He wants to encounter you through it. Features include: Encounter Notes highlighting how God might choose to encounter you in His Word Articles highlighting the creative nature of God by Daniel Blackaby Articles defending the lasting truths of the faith by Mike Blackaby Rich explanatory notes explaining ideas, events, people, and places in the text to make the meaning clear Word studies, character studies, and biographical sketches of church history figures all written by members of the Blackaby family Book introductions setting the scene for each biblical book and its importance for encountering God Timeline of the biblical narrative A succinct harmony of the Gospels Chart of the prophecies fulfilled by Jesus as Messiah Reading plans Center-column reference set Full NKJV concordance Index to word studies, character studies, historical encounters, apologetic, and aesthetic articles Clear and readable NKJV Comfort Print® in a 9-point print size  
*Sons and Soldiers* Harvest House Publishers

This is a simple story designed to provoke discussion about mental health in primary school aged children. There was a common consensus for a long time that children could not become depressed, that they were somehow immune to this condition. We now know that this is false, children experience pain and sadness the same as everyone else. This book is about embracing sadness as part of the journey. Join Zion for the adventure!  
Jesus: His Story in Stone Harper Collins  
There is a blueprint hidden throughout Scripture in many stories you've read before. This blueprint reveals the heart cry of our Father to carry out His plan to bring a glorious finish to the systems of this world, and a glorious establishment of the Kingdom that will last forever. This book highlights the reality and accessibility of heaven right now. It is an invitation to the reader to begin stepping into the realms of our Father that house the supernatural power we were invited to walk in when our Messiah prayerfully declared, "on Earth as it is in heaven." This book is an invitation to unravel the mystery of God that was hidden for the ages. This book is an invitation into Zion, Here and Now.  
*Encounters on the Opposite Coast: The Dutch East India Company and the Nayaka State of Madurai in the Seventeenth Century* Destiny Image Publishers  
Why is the most important text in the Bible a psalm, more specifically, Psalm 82? Because this psalm portrays genuine

divinity as an unwavering commitment to justice, defined as attention to and provision for the most vulnerable. Furthermore, according to Psalm 82, the well-being of the human family depends on divine justice, as does peace on earth and a stable future for the planet. The Psalms historically have nurtured a form of spirituality that is person-centered and that invites people to identify with the range of emotions expressed in the Psalter's praises and laments. This is good, but the Psalms do more! Beginning with Psalm 82, this volume involves a re-reading of the traditional psalmic genres, including the enthronement psalms, royal psalms, a torah psalm, the laments, the songs of praise, the psalms of assurance, and the Songs of Zion. Such a re-reading reveals that the Psalms also nurture an activist spirituality that invites people to join God in God's work of establishing justice and peace on a creation-encompassing scale. The world depends on it!

Freud in Zion Macmillan + ORM  
New York Times bestseller. The definitive story of the Ritchie Boys, as featured on CBS's 60 Minutes. "A spellbinding account of extraordinary men at war." —USA Today  
They were young Jewish boys who escaped from Nazi-occupied Europe and resettled in America. After the United States entered the war, they returned to fight for their adopted homeland and for the families they had left behind. Their stories tell the tale of one of the U.S. Army's greatest secret weapons. These young men—known as the Ritchie Boys, after the Maryland camp where they trained—knew what the Nazis would do to them if they were captured. Yet they leapt at the opportunity to be sent in small, elite teams to join every major combat unit in Europe, where they collected key tactical intelligence on enemy strength, troop and armored movements, and defensive positions that saved American lives and helped win the war. A postwar army report found that nearly 60 percent of the credible intelligence gathered in Europe came from the Ritchie Boys. *Sons and Soldiers* draws on original interviews and extensive archival research to vividly recreate the stories of six of these men, tracing their journeys from childhood through their escapes from Europe, their feats and sacrifices during the war, and finally their desperate attempts to find their missing loved ones. *Sons and Soldiers* is an epic story of heroism, courage, and patriotism that will not soon be forgotten. "An irresistible history of the WWII Jewish refugees who returned to Europe to fight the Nazis." —Newsday

"Gripping . . . A story of courage and determination, revenge and redemption."  
—The Boston Globe

**Sacral Grooves, Limbo Gateways** BRILL  
GOD ENCOUNTERS ARE FOR EVERYONE!  
Every sincere seeker of the Lord can have God encounters! Journey with James and Michal Ann Goll as they share how they discovered a lifestyle of God encounters. You will enjoy a new depth of fellowship with God as you find yourself enjoying a new and refreshing intimacy with your Lord; an intimacy that brings the most powerful deliverance and healing in your life. You will see how God's tangible presence will: Free you from guilt Free you from bitterness and fear Heal you from pain of the past Open your heart to hear and respond to God like never before. Jim and Michal Ann Goll are seasoned prophets, recognized internationally for their work. Their exhaustive research on this topic, endlessly backed up by Scripture, is evident throughout this book. *God Encounters* is an excellent primer on how to move into deeper realms of the prophetic and supernatural as well how to reap the benefits of God encounters.  
"Come Out My People!" Orbis Books  
A profile of the Zionist poet and philosopher offers insight into his representation of 11th- and 12th-century Andalusian Spain, analyzes the religious disciplines that informed his work and traces his fateful voyage to Palestine.  
*Bringing Zion Home* FriesenPress  
Contemporary reconstructions of Luke's theology of the Way should include in a more conscientious manner the contribution of Luke's post-Easter on the road encounters (the Emmaus, Gaza, and Damascus road narratives). This book argues that Luke follows here the rules of Hellenistic mimesis (imitation), many of which are illustrated in the novels, dramas, and history treatises of his time. Filtering these rules through his own theology and literary taste, he represents, in the end, the history and the proclamation of the early church, in an attractive and challenging manner, inviting his readers to good literature and to captivating spiritual experiences.  
**Reading the Psalms Again for the First Time** BoD - Books on Demand  
Reprint of the original, first published in 1876.  
**God Encounters** University of Georgia Press  
This volume is a collection of breaking news reports from the front lines of the propaganda war against Israel, the Jews, and the infidel West. Dr. Chesler tracks the "slow motion Holocaust" that began in Israel in 2000, a holocaust that remained

invisible to most of the world, and that foreshadowed the global expansion of Islamic Jihad. Dr. Chesler documents how educated Westerners and the mainstream media distort the war against the Jews by presenting Jewish self-defense as criminal aggression and by burying or misnaming the facts. This book is a must-read addition to your library in these most frightening and challenging of times.

An Account of Some of the Principal Difficulties Encountered in its Exploration and the Results Obtained. With a Narrative of an Expedition Through the Jordan Valley and a Visit to the Samaritans Yale University Press

The Saints of Zion is a fresh look at the history and theology of The Church of Jesus Christ of Latter-day Saints. Although hundreds of books have been published on this topic, The Saints of Zion is an attempt to explain Latter-day Saint history and beliefs from their own perspective. Relying heavily on Latter-day Saint sources for exploration and explanation, the work's purpose is to present Latter-day Saint theology in such a way that Latter-day Saints would see their beliefs represented fairly and accurately. After presenting a short history and exploration of beliefs, the work turns to present an effective evangelistic methodology for reaching Latter-day Saints with the gospel of the New Testament Jesus.

Extraordinary Encounters SUNY Press

How would you handle the self-exposing, idea-dizzying, life-shifting surprises that Randy White faced when he tried to live for Jesus in Fresno, California? He tells his story, describing how the city can be fertile soil where God can mentor you, test you and shape you into the image of Jesus.

**Encountering God Through Dance**

Gefen Books

The promotion and vernacularization of Hebrew, traditionally a language of Jewish liturgy and study, was a central accomplishment of the Zionist movement in Palestine. Viewing twentieth-century history through the lens of language, author Liora Halperin questions the accepted scholarly narrative of a Zionist move away from multilingualism during the years following World War I, demonstrating how Jews in Palestine remained connected linguistically by both preference and necessity to a world outside the boundaries of the pro-Hebrew community even as it promoted Hebrew and achieved that language's dominance. The story of language encounters in Jewish Palestine is a fascinating tale of shifting power relationships, both locally and globally. Halperin's absorbing study explores how a young national community

was compelled to modify the dictates of Hebrew exclusivity as it negotiated its relationships with its Jewish population, Palestinian Arabs, the British, and others outside the margins of the national project and ultimately came to terms with the limitations of its hegemony in an interconnected world.

Zion in the Desert InterVarsity Press

This book confronts the challenge of difference for rethinking everyday multiculturalism. It proposes both a theory and practice of a critical pedagogy of popular culture through an analysis of contemporary media and film. For students and scholars committed to a critical practice for transforming the politics of representation and otherness.

*Black Zion* NYU Press

Juliette Lewis is a business executive for a small chain of clothing stores based in Las Vegas. She is hard-working, ambitious, and enjoys her work. Juliette is also a widow with ambivalent feelings about her direction in life. She takes a short hiking vacation to get some solitude and reflect on her future. There, where she least expects it, she meets a man who seems to mesh with her in every way. Some people in her life will stop at nothing to keep them apart. Ultimately, their relationship is jeopardized by the differences in their philosophies of life. Nicholas Scott lives for his stretches of intense, fascinating work—he is a research programmer for Microsoft. He also lives for the vacations between those stretches. During one of these vacations, he meets a woman whose beauty makes him catch his breath, and whose range of interests and sense of humor complement his own to a tee. Before he can even declare his interest, she disappears. After an extensive search he finds her, and vows that nothing will come between them again. However, ironically, Nicholas' own views threaten to drive Juliette away. He must find a way to reassure Juliette of his worth—in the face of a society that thinks otherwise.

*Allegories of Encounter* Harvard University Press

This book began when the author realized that, when people said they were fascinated by particular biblical passages, they were usually ones that presented dramatic encounters between people and between God and people. Such are the passages interpreted in this book. They usually set a vivid scene that heightens the dramatic nature of the encounter, and animated dialogue often directly addresses the reader. There is also animated action that is vividly striking and often sudden and unexpected. These features involve the readers themselves and may

question them about what they expect. Indeed the dramatic encounters provocatively lead to unexpected new life in the future.

**Out of Zion** Duke University Press

In reggae song after reggae song Bob Marley and other reggae singers speak of the Promised Land of Ethiopia.

Repatriation is a must they cry. The Rastafari have been travelling to Ethiopia since the movement originated in Jamaica in 1930s. They consider it the Promised Land, and repatriation is a cornerstone of their faith. Though Ethiopians see Rastafari as immigrants, the Rastafari see themselves as returning members of the Ethiopian diaspora. In *Visions of Zion*, Erin C. MacLeod offers the first in-depth investigation into how Ethiopians perceive Rastafari and Rastafarians within Ethiopia and the role this unique immigrant community plays within Ethiopian society. Rastafari are unusual among migrants, basing their movements on spiritual rather than economic choices. This volume offers those who study the movement a broader understanding of the implications of repatriation. Taking the Ethiopian perspective into account, it argues that migrant and diaspora identities are the products of negotiation, and it illuminates the implications of this negotiation for concepts of citizenship, as well as for our understandings of pan-Africanism and south-south migration. Providing a rare look at migration to a non-Western country, this volume also fills a gap in the broader immigration studies literature."

**Zion, City of Our God** Thomas Nelson

"The best introduction I know to the Jewish faith presented in the Hebrew Scripture."

—Eugene B. Borowitz, Hebrew Union

College-Jewish Institute of Religion A treasury of religious thought and

faith—places the symbolic world of the Bible in its original context. "A challenging,

exciting work in Jewish theology. Not to be missed."

—Ruth Segal Bernards, Sh'ma "A significant advance in Jewish-Christian

understanding could be made if Christians would read Sinai & Zion." —John Simpson,

Provident Book Finder "Beautifully written, theologically sensitive, and ecumenical."

—Richard J. Clifford, S.J., Weston School of Theology "It is a book which has been

longed for. It is also a very good book."

—T. R. Hobbs, Biblical Theology Bulletin "In this eminently readable work of biblical

scholarship of the highest order, Levenson enables that Bible's many voices to speak

for themselves and yet communicate a coherent religious vision." —Robert L.

Cohn, *Journal of Religion*  
FDR and the Jews Wipf and Stock Publishers

"We're seeing people that we didn't know exist," the director of FEMA acknowledged in the wake of Hurricane Katrina. *Sacral Grooves, Limbo Gateways* offers a corrective to some of America's institutionalized invisibilities by delving into the submerged networks of ritual performance, writing, intercultural history, and migration that have linked the coastal U.S. South with the Caribbean and the wider Atlantic world. This interdisciplinary study slips beneath the bar of rigid national and literary periods, embarking upon deeper—more rhythmic and embodied—signatures of time. It swings low through ecologies and symbolic orders of creolized space. And it reappraises

pluralistic modes of knowledge, kinship, and authority that have sustained vital forms of agency (such as jazz) amid abysses of racialized trauma. Drawing from Haitian Vodou and New Orleanian Voodoo and from Cuban and South Floridian Santería, as well as from Afro-Baptist (Caribbean, Geechee, and Bahamian) models of encounters with otherness, this book reemplaces deep-southern texts within the counterclockwise ring-stepping of a long Afro-Atlantic modernity. Turning to an orphan girl's West African initiation tale to follow a remarkably traveled body of feminine rites and writing (in works by Paule Marshall, Zora Neale Hurston, Lydia Cabrera,

William Faulkner, James Weldon Johnson, and LeAnne Howe, among others), Cartwright argues that only in holistic form, emergent from gulfs of cross-cultural witness, can literary and humanistic authority find legitimacy. Without such grounding, he contends, our educational institutions blind and even poison students, bringing them to "swallow lye," like the grandson of Phoenix Jackson in Eudora Welty's "A Worn Path." Here, literary study may open pathways to alternative medicines—fetched by tenacious avatars like Phoenix (or an orphan Kumba or a shell-shaking Turtle)—to remedy the lies our partial histories have made us swallow.
