Celebrating the Lectionary® is a supplementary catechetical resource that helps you bring the richness of the Lectionary and the liturgical year into your catechetical program. It can be used in Catholic school programs, during the process of preparing children for Christian initiation, or as a supplement to a traditional basal text for Catholic school or parish religious education programs. It has been changed from a school year annual to now follow the pattern of the Lectionary. It includes sessions for every Sunday of the liturgical year (Advent, Christmas Time, Lent, Easter Time, and Ordinary Time), sessions for each day of the Sacred Paschal Triduum, and sessions for holydays, solemnities, and feasts so that you can use it in a variety of catechetical settings. Each session is easily adapted to your specific needs and time constraints, with sessions designed so that you can lead class discussions and activities with minimal preparation and make use of the resources you have on hand. Each session includes: - Background information for the catechists - Ways to connect the children's lives with the liturgical year - Full text of the day's Gospel reading and an age-appropriate guided reflection - Gospel-related activities - A take-home page for the families to do during the week

Learn how to sit, stay, and roll over with this fully illustrated, "delightful" guide to yoga starring man's best friend (Shutterbug magazine). Inspired by a friend's mastiff who would imitate his

master's morning yoga routine, photographer Dan Borris created Yoga Dogs, a full-color collection of forty-five different dogs and puppies doing human yoga poses. Don't worry: No animals were harmed during the making of these images; their extreme flexibility is the result of clever digital trickery. The curious, humorous, and distinctly original pictures are paired with useful information about the poses, as well as some funny canine meditations. "A fresh and highly entertaining visual treat." Yoga Dogs is perfect for any yogi of the two or four-legged variety (Shutterbug magazine).

A supportive guide that gives busy moms permission to care for themselves, from a popular parenting blogger with one million Facebook followers "Would you rather have a perfect mom, or a happy one?" This is the question that popular parenting blogger Rebecca Eanes couldn't get out of her head. So she asked her school-age son, who didn't miss a beat in responding: "A happy one." Thus began a journey of reflection and repair work, as Rebecca asked herself an even harder question: How can I rediscover everyday joy amid the chaos of schedules, homework, and housework--not to mention the guilt, comparisons, loneliness, fear, and overwhelm? In other words, how can I become a happy mom again? In this relatable guide, Rebecca walks readers through the process of getting back to happy, for your own sake as well as your family's. Going beyond the usual advice about finding balance, embracing gratitude, and not sweating the small stuff, her hard-won advice is written by a busy mom in the trenches. Topics include: * Letting go of perfection (or anything close to it) * Making peace with the past--including the pain of disappointment, loss, and the roads not taken * Tuning in to your own wants and needs--and tuning out the comparisons, "shoulds," and noise of social media * Finding magic in the mess * Choosing joy over fear and worry * Creating healthy boundaries so that everyone in your life can thrive (including you!) Filled with fresh insights, simple strategies, and aha moments, this is that rare book you'll want to read, share, and return to for a booster shot of confidence, connection, and joy.
