 on timeless

destinations and introduces you to those you never knew existed—from the best in local dining to quirky cultural tidbits to hidden attractions, unique finds, and unusual locales. So if you've "been there, done that" one too many times, get off the main road and venture Off the Beaten Path. Rowman & Littlefield Your Travel Destination. Your Home. Your Home-To-Be. Long Island Explore

a 118-mile-long reason to love New York. Experience the best of Nassau and Suffolk Counties. Savor the beaches, the fresh seafood, the local wines. • A personal, practical perspective for travelers and residents alike • Comprehensive listings of attractions, restaurants, and accommodations • How to live & thrive in the area—from recreation to relocation • Countless

details on shopping, arts & entertainment, and children's activities *The Monocle Travel Guide to London* Harper Collins HOW FAR ARE YOU WILLING TO GO FOR LOVE? Corrado Giordano is an undersized Italian-American working as a small-time magazine editor in the New York metropolitan area who's just looking for love; but love is not looking for him. When

New York City is attacked, grizzled war veterans in Corrado's family ridicule his opinions, belittle his college education, and question his heart. Tempting fate, Corrado thrusts himself into the United States Army and deploys for hazardous duty. In the scorching heat of Afghanistan, Corrado believes everything will be alright if he can just focus all of his energy on following

orders and maintaining his sanity until he learns that- even though he's just a supply guy, in the rear with the gear- every soldier in the Army is an infantryman first. Surrounded by officers and enlisted soldiers from almost every walk of life, both the beauty and ugliness of America are revealed, but will this revelation allow Corrado to get back home and live the American Dream? *New York*

Chicago

Menasha Ridge Press
 "Your illustrated guide to the perfect West Coast road trip." —C magazine Roll down the windows, turn up the radio, and take a drive up the world's most magical coastline. It's a beautiful

and practical travel guide. An illustrated keepsake. An inspiration to get out and visit. And a celebration of the wild, lush, larger-than-life 2,000 miles that run along the edge of the West Coast through California, Oregon, Washington, and Vancouver Island, where you'll find everything from stunning vistas and alluring beaches to botanical gardens, nature trails, antiques

stores, charming villages, and a handful of great cities along the way. Created by artist and inveterate road-tripper Danielle Kroll, Pacific Coasting covers all the not-to-be-missed stops, while including maps, packing lists and playlists (yes, what to listen to as you're driving up to Hearst Castle), and specific guides like Tide Pool Etiquette and Oregon Lighthouses. The result is

the offbeat adventure of a lifetime, filled with something new to discover every hour of every day.

Long Island Wine

Country Luxe Limited Chicago Insight FlexiMap features detailed city, street and road maps clearly marked with all the sites and services of particular interest to travelers. Text and photographs offer a wealth of valuable tourist

information including "10 sights you shouldn't miss", plus information on transportation , visas, currency, important telephone numbers, emergency services, and more.

Lonely Planet Berlin Crown Sip and taste your way through Boston. Boston Food Crawls is an exciting culinary tour through this historic yet modern city. Tap into the unique vibes and flavors of neighborhood

restaurants and bars. Hit the Theater District for dinner and a show. Just in town for the weekend? Take the classy but sassy crawl through the Back Bay. Lifelong Bostonians will love the Classic Chowder Crawl (did your favorite make the list?), and everyone will find something new on the bonus rooftop crawl. Put on your walking shoes and your stretchy pants, and dig

into the Hub one dish at a time.

Chicago

Rowman & Littlefield
 What is the authentic Long Beach Island? If you were to list all that you love about this 18-mile-long New Jersey sandbar --favorite things, its rich history and lore, family attachments that may go back generations, beach, ocean and bay activities, lost youth and carefree summers, spiritual sunrises and spectacular

sunsets -- would that distill LBI to its essence? There is so much that is lasting, true and timeless about this Island. Although the experiences and feelings are different for everyone, one fact can not be denied: the emotional connection to LBI is real and deep and as permanent as a tattoo. It is a bond. All Things LBI: Faves - History - Legends - Lore celebrates this bond with observations, past and present

moments, cultural vignettes, memories and delights -- with 480 photographs and images. Loosely organized into sections like: "The Beach and All That Makes It So," "All Things Bayside," "Weather, Storms, and Shipwrecks," the book also includes natural history, town legends and landmarks, remember-when nostalgia, and the special quality of the off-season. Long-time

locals will recognize much; new visitors will be clued-in; young and old will relate. Breezy, evocative and cleverly written, inclusive not exclusive (because no one really wants to keep it to themselves), this chunky gift book captures the real Long Beach Island. All-encompassing, yet admittedly incomplete (how could it ever be complete?), the 183-page

hardcover also includes blank note pages at the end for readers to record their own favorite LBI things. As the book observes: "Those three letters.... They're loaded with meaning, longing, and emotion. They represent more than just a physical place. More than an identity. They are attached to your soul. ...Wherever you are in the world, if you know what those letters mean, they will transport

and connect you." *Long Island Our Story* Menasha Ridge Press Following a lifetime of trekking across the globe, Vivian Swift, a freelance designer who racked up 23 temporary addresses in 20 years, finally dropped her well-worn futon mattress and rucksack in a small town on the edge of the Long Island Sound. She spent the next decade quietly taking stock of her life, her

immediate surroundings, and, finally, what it means to call a place a home. The result is *When Wanderers Cease to Roam*. Filled with watercolors of beautiful local landscapes, seasonal activities, and small, overlooked pleasures of easy living, each chapter chronicles the perks of remaining at home, including recipes, hobbies, and prized possessions of the small town lifestyle. At

once gorgeously rendered and wholly original, this delightful and masterfully observed year of staying put conjures everything from youthful yearnings and romantic travels to lumpy, homemade sweaters and the gradations of March mud. **Rock and Roll Explorer Guide to New York City** Hachette UK Sip and taste your way through New York City. *New York City Food Crawls* is an

exciting culinary tour through this historic yet modern city. Discover the hidden gems and long-standing institutions of New York City neighborhoods. Each crawl is the complete recipe for a great night out, the perfect tourist day, a new way to experience your own city, or simply food porn and great stories to enjoy from home. Hit the Theater District for dinner and a show. Find the

hottest spots to hit mid-shopping spree, and take brunch to a whole new level any day of the week. Put on your walking shoes and your stretchy pants, and dig into the Big Apple one dish at a time. — Chock full of local knowledge and insider info—this book definitely isn't a run-of-the-mill list of tourist hotspots—consider New York City Food Crawls an indispensable handbook to exploring

some of this city's most beloved institutions and undiscovered-by-tour-groups gems. - FoodandWine.com
The Publishers Weekly
 Rowman & Littlefield
 New York's glacier-carved landscape features an incredible array of beautiful waterfalls. This full-color guide takes hikers to 122 of the finest publicly accessible waterfalls across the state, offering

detailed descriptions of each hike, with maps and information on distance, difficulty, elevation change, best time of year to visit, and highlights along the way. Photographers will find tips on composition, exposures, unique perspectives, lighting, and gear. Scott E. Brown is an outdoor photographer who lives in Horsham, Pennsylvania. He is the author of Pennsylvania Waterfalls

(978-0-8117-3184-3) and Pennsylvania Mountain Vistas (978-0-8117-3439-4).
