Chronicles of England, Scotland and Ireland Crossway
 From the Mystery Writers of America Grand Master, this tale of death at the Dolphin Theatre has "wit, charm, and oodles of atmosphere" (Kirkus Reviews).

Among theater folk, "the Scottish play" is considered unlucky, so much so that tradition requires anyone who utters its proper name backstage to leave the building, spin around, spit, curse, and then request permission to re-enter. As director Peregrine Jay directs a production of Shakespeare's great work at the Dolphin Theater, misfortune does indeed abound, including some ugly practical jokes—and a grisly death for the leading man. It's up to Roderick Alleyn to find out who has blood on their hands . . . "No playwright could devise a better curtain." —Los Angeles Times "As always she writes most elegantly." —Daily Telegraph "The doyenne of traditional mystery writers." —The New York Times

This volume addresses teachers and principals, presenting a comprehensive treatment of the methods of teaching in high schools. The author assumes a familiarity on the part of his readers with the nature of the learning process, adolescence, and the psychological foundations of interests and motives as they relate to whole-hearted pupil activity. The fundamentals of both theory and practice are set forth, and an attempt has been made to outline and describe the newer types of procedure, which are being employed in different subjects in the best secondary schools. Throughout the volume the attempt has been made clearly to represent practices rather than to advocate their adoption. The reader is permitted to draw his own conclusions. The book will appeal to the type of reader who wants to be intelligent about what is going on in high-school teaching.

Macbeth: Side by Side Houghton Mifflin Harcourt

"A miracle, an instant classic." -- Slavoj Žižek, philosopher The tragedy is done, the tyrant Macbeth dead. The time is free. But for how long? As Macduff pursues dreams of national revival, smaller lives are seeding. In the ruins of Dunsinane, the Porter tries to keep his three young boys safe from the nightmare of history. In a nunnery deep in Birnam Wood, a girl attempts to forget what she lost in war. Flitting between them, a tortured clairvoyant trembles with the knowledge of what's to come. A collaboration between two of the world's most eminent Shakespeare scholars, "Macbeth, Macbeth" is a unique mix of creative fiction and literary criticism that charts a new way of doing both, sparking a whole new world from the embers of Shakespeare's original tragedy. "Macbeth, Macbeth" weaves a thread that enriches the original classic with the manic energy of *Tristram Shandy*, the grim intensity of *Crime and Punishment*, and the existential absurdity of *Waiting for Godot*. "A thrilling re-imagining of Shakespeare's darkest play." -- Lucy Bailey, theatre director "Shakespeare, I suspect, would have been delighted." -- Don Paterson, poet Beyond Criticism Editions is the reincarnation of the Beyond Criticism book series, originally published by Bloomsbury and now part of Boiler House Press' own experiments with the radical new forms that literary criticism might take in the 21st century.

1597 by King James VI of Scotland (later also James I of England) as a philosophical dissertation on contemporary necromancy and the historical relationships between the various methods of divination used from ancient black magic. This included a study on demonology and the methods demons used to bother troubled men while touching on topics such as werewolves and vampires. It was a political yet theological statement to educate a misinformed populace on the history, practices and implications of sorcery and the reasons for persecuting a witch in a Christian society under the rule of canonical law. This book is believed to be one of the main sources used by William Shakespeare in the production of Macbeth. Shakespeare attributed many quotes and rituals found within the book directly to

the Weird Sisters, yet also attributed the Scottish themes and settings referenced from the trials in which King James was involved.
