FARMER MALAKI

Written in Blood John Wiley & Sons
 Between Germany and Russia is a region strewn with monuments to the horrors of war, genocide and disaster – the bloodlands where the murderous regimes of Hitler and Stalin unleashed the violence that scarred the twentieth century and shaped so much of the world we know today. In September 2016 the German-Iranian writer Navid Kermani set out to discover this land and to travel along the trenches that are now re-emerging in Europe, from his home in Cologne through eastern Germany to the Baltics, and from there south to the Caucasus and to Isfahan in Iran, the home of his parents. This beautifully written travel diary, enlivened by conversations with the people Kermani meets along the way, brings to

life the tragic history of these troubled lands and shows how this history leaves its traces in the present. It will be of great interest to anyone concerned with current affairs and with the events that have shaped, and continue to shape, the world in which we live today.

 DIV Chastity Riley and her friends are held hostage in a hotel bar by twelve armed men set on revenge, in a searing, breathtakingly original new thriller from the 'Queen of Krimi'. 'Simone Buchholz writes with real authority and a pungent, noir-is sense of time and space ... a palpable hit' Independent 'Reading Buchholz is like walking on firecrackers ... a truly unique voice in crime fiction' Graeme Macrae Burnet 'If Philip Marlowe and Bernie Gunther had a literary love child, it might just explain Chastity Riley – Simone Buchholz's tough, acerbic, utterly engaging central character' William Ryan

_____ Twenty floors above the shimmering lights of the Hamburg docks, Public Prosecutor Chastity Riley is celebrating a birthday with friends in a hotel bar when twelve heavily armed men pull out guns, and take everyone hostage. Among the hostages is Konrad Hoogsmart, the hotel owner, who is being targeted by a young man whose life – and family – have been destroyed by Hoogsmart's actions. With the police looking on from outside – their colleagues' lives at stake – and Chastity on the inside, increasingly ill from an unexpected case of sepsis, the stage is set for a dramatic confrontation ... and a devastating outcome for the team ... all live streamed in a terrifying bid for revenge. Crackling with energy and populated by a cast of unforgettable characters, Hotel Cartagena is a searing, relevant thriller that will leave you breathless.

_____ Praise for the Chastity Riley series

witty book that shines a probing spotlight on society' CultureFly 'Fans of Brookmyre could do worse than checking out Simone Buchholz, a star of the German crime lit scene who has been deftly translated into English by Rachel Ward' Goethe Institute 'Stripped back in style and deadpan in voice ... a scintillating romp around the German criminal underworld and back' Doug Johnstone, Big Issue 'By turns lyrical and pithy, this adventure set in the melting pot of contemporary Hamburg has a plot and a sensibility that both owe something to mind-altering substances.
