It was the biggest day of my life. I know most people say that about something joyous; a graduation, a wedding ceremony, the birth of their first child. My situation was a little different. Sure, it was my eighteenth birthday, but it was also the day that I was sold. Sold to a man with hair like a crown of gold and eyes blacker than the darkest pits of Hell. He bought me to own me, to control me, and to use me as a means to an end. I was his tool and his weapon. And through it all, somehow, I also became his salvation.

A scholar explores the history of slavery in Ancient Rome using a fictional story as a backdrop. Marcus Sidonius Falx is an average Roman citizen. Born of a relatively well-off noble family, he lives on a palatial estate in Campania, dines with senators and

generals, and, like all of his ancestors before him, owns countless slaves. Having spent most of his life managing his servants—many of them prisoners from Rome's military conquests—he decided to write a kind of owner's manual for his friends and countrymen. The result, *The Roman Guide to Slave Management*, is a sly, subversive guide to the realities of servitude in ancient Rome. Cambridge scholar Jerry Toner uses Falx, his fictional but true-to-life creation, to describe where and how to Romans bought slaves, how they could tell an obedient worker from a troublemaker, and even how the ruling class reacted to the inevitable slave revolts. Toner also adds commentary throughout, analyzing the callous words and casual brutality of Falx and his compatriots and putting it all in context for the modern reader. Written with a deep knowledge of ancient culture—and the depths of its cruelty—this is the Roman Empire as you've never seen it before. "By turns charming, haughty, and brutal . . . an ingenious device." —The New Yorker "[Toner's] history and commentary provides context for the dirty institution upon which modern civilization is built." —Publishers Weekly

Winner of the Los Angeles Times Book Prize in History: a bold and searing investigation into the role of white women in the American slave economy "Stunning."—Rebecca Onion, Slate "Makes a vital contribution to our understanding of our past and present."—Parul Sehgal, New York Times "Bracingly revisionist. . . [A] startling corrective."—Nicholas Guyatt, New York Review of Books Bridging women's history, the history of the South, and African American history, this book makes a bold argument about the role of white women in American slavery. Historian Stephanie

E. Jones-Rogers draws on a variety of sources to show that slave-owning women were sophisticated economic actors who directly engaged in and benefited from the South's slave market. Because women typically inherited more slaves than land, enslaved people were often their primary source of wealth. Not only did white women often refuse to cede ownership of their slaves to their husbands, they employed management techniques that were as effective and brutal as those used by slave-owning men. White women actively participated in the slave market, profited from it, and used it for economic and social empowerment. By examining the economically entangled lives of enslaved people and slave-owning women, Jones-Rogers presents a narrative that forces us to rethink the economics and social conventions of slaveholding America.

A Tribute to the New Jersey - New York Kink Community.

Devastated by the death of his love, Lynn, Nicholas turned to the community they had become part of: the kink community. He reconnected with some old friends, and through them, met some new ones. Randee was an in-your-face, self-proclaimed slut, and Cassie was an intriguing, intimidating dominatrix. To Nicholas, they were just his friends. Sometimes sex is just a distraction, but sometimes it can help to heal. For some people, sex is the only way they know how to seek or give comfort. Nicholas found an honesty and acceptance in the fetish community that he did not experience in his vanilla life. After his eye-opening relationship with Lynn, there was no going back. It was time to make new friends. What some people are saying... "I don't even know what to say." - Kevin. "I like to sit on my naked slave and paint on a canvas while he reads your books aloud to me." - Jennifer O'Neal, artist. "I'm your mother. "From Ancient Greece through the many dynasties of China to current practices of non-monogamy, people have openly engaged in multiple intimate relationships. Not until the late 20th century, however, was a word coined that encapsulated the practice, as well as its philosophies, edicts and ethics: polyamory (poly = many + amore = love). For Franklin Veaux, who has been polyamorous for his entire adult life, the emerging framework and subsequent vocabulary for his lifestyle was a light in the dark. Candidly sharing his experiences and thoughts online catapulted his website [morethantwo.com](http://morethantwo.com), among the first dedicated to the poly lifestyle, to one of the top-ranking on the subject. In recent years, as more people have discovered polyamory as a legitimate and desirable option for how they conduct their relationships, Franklin and one of his partners, Eve Rickert, saw that there was a growing need for a comprehensive guide to the lifestyle. More Than Two is that guide. This wide-ranging resource explores the often-complex world of living polyamorously: the nuances (no, this isn't swinging), the relationship options (do you suit a V, an N, an open network?), the myths (don't count on wild orgies and endless sex but don't rule them out either!) and the expectations (communication, transparency and trust are paramount). More Than Two is entirely without judgment and peppered with a good dose of humor. In it the authors share not only their hard-won philosophies about polyamory, but also their hurts and embarrassments. Living poly is not always an easy road, and they hope that by reading this book, you'll avoid some of the mistakes they've made along the way. Challenging the notion of what society considers a healthy and successful relationship, they offer up personal stories from their own lives as well as of those in the wider poly world, emphasizing that this lifestyle choice isn't for the noncommittal. Polyamory is all about the relationships and the individuals participating. Charting a Relationship Bill of Rights, the authors underscore the importance of engaging in ethical polyamory and guide readers through the thorny issues of jealousy and insecurity with the aim of encouraging readers to work consistently and conscientiously on both their relationships and themselves. And no, they're not trying to convert you: they know that polyamory isn't for everyone. Veaux and Rickert simply provide those who might be embarking on this lifestyle or those

who have always known they are poly with a set of tools and many questions to help them make informed decisions and set them on a path to enjoying multiple happy, strong, enriching relationships."--Amazon.com.

Here are thirty-five brief, short-story fantasies that treat femdom castration as a highly-erotic, seductive and fetishistic activity. Emphasis is on the female-dominant/male-submissive relationship and not on the gory details of the climactic act itself. The mode of the domination is purely assertive, as if it were a woman's simple, basic prerogative. No violence, gore or harsh verbal abuse is used. These little vignettes take place in a contemporary world where this kind of radical emasculation is deliciously rare and exotic but at the same time perfectly acceptable. The general settings are: suburbia, a clinic or a farm. I know how disappointing it is when you get false hopes up that a work of erotic fiction will be featuring one's favorite fetishistic details. So, in particular, the reader should be warned that no penectomy or full-blown feminization takes place. The cover art is by Sorenutz and is taken from a commission I paid him to draw. After the death of her husband, Margaret Davids inherited her rich husband's properties and businesses. She became a wealthy woman and joined the league of high-value women in the city. She has everything she wants in abundance, except for one thing; pleasure. The Highway Women's Club catered to her pleasure

amongst other things, but it just wasn't enough to meet her unique needs. She wanted a slave that would please her in offering degrading services, but just couldn't bring herself to opening her arms and her home to a total stranger. Someday, she got a distress call and saw the opportunity inherent in it. This story is about how a kinky old woman breaks her favourite darling years ago into her slave. Excerpt: He made it to Aunt Margaret's house in no time. He couldn't believe the house the address led him to. It was a luxurious white mansion covering his view. He doubted if that was indeed her house, and if it was, how was she able to afford such an estate. It was obvious he was expected. He was jolted out of his awe-struck surprise trance with the sudden appearance of Aunt Margaret, her arms wide open, beckoning for a hug, and a sweet voice saying to him, "Welcome, little Daniel!" He ran into her arms and hugged her tightly. She pressed him into her body and he was baptized into her smell. "Only that you ain't so little again, you are now a grown man!" "Well, yes, but I will always be your little Daniel!" "Aww, you are still as cute as you used to be. I'm glad that didn't change. Come here baby boy, you are home now." She clipped her left hands around his waist and walked him into the house. "This is a Mansion! You live in a mansion, Aunt Margaret?" He couldn't hide how amazed he was, but he was very happy seeing her in such an estate, it meant she very much has the power to turn his life around. Ps: This story contains feminization, fart slavery, human toilet slavery and other humiliating and degrading plots.

"Are you nervous?" Olivia inquired. "It sounds like you are nervous." "Yes," Aaron admitted. "Hmmm," she purred, pleased with his reaction. "Spread your legs a bit farther apart." She pressed the tip of the riding crop against his inner thigh and held it there. "Are you nervous now?" He swallowed hard. "Y-yes," he stammered. She laughed, and with a satisfied smile on her face, she slid the riding crop slowly upward. "Now. I believe that I told you that I was going to whip you. Do you recall that?" "Yes, I do." "Right. I assume that when you thought about it, you pictured it in your mind. You imagined it." "Yes, I did." "And so for the past couple of days it has been in your mind." "Yes," he replied, his fear becoming more apparent with every passing moment. "And when you were getting ready this evening, to come here? When you were taking a shower, shaving, strapping the harness on, getting dressed, you were thinking about it, weren't you? You were anticipating it." "Yes," he replied. "Good. I find anticipation to be quite ... delicious. And I so love the thought of you making yourself as attractive as possible, and coming here just so that you might present yourself to me to be whipped. Olivia is going to enjoy having her way with Aaron, a man who wandered into her life, unsuspecting, and unprepared. She begins by giving him a cute nickname, "dickboy," which is just the start of her process of re-making his entire identity. By the time she is done, he will fully appreciate her authority to do with him as she pleases.

Recollections of Slavery By A Runaway Slave The True Story of Sugar House, Charleston, South Carolina The Slave Torture House A Slave Narrative Serialized in The Emancipator in 1838 .....and then carried me to the Sugar House in Charleston. As soon as we got there they made me strip off all my clothes, and searched me to see if I had anything hid. They found nothing but a knife. After that they drove me into the yard where I staid till night. As soon

as master's father, Mordecai Cohen, heard that I was caught, he sent word to his son, and the next morning master came. He said "well, you staid in the woods as long as you could, now which will you do,--stay here, or go home?" I told him I did'nt know. Then he said if I would not go home willingly I might stay there two or three months. He said "Mr. Wolf, give this fellow fifty lashes and put him on the tread mill. I'm going North, and shall not be back till July, and you may keep him till that time." When they had got me fixed in the rope good, and the cap on my face, they called Mr. Jim Wolf, and told him they had me ready. He came and stood till they had done whipping me. One drew me up tight by the rope and the other whipped, and Wolf felt of my skin to tell when it was tight enough. They whipped till he stamped. Then they rubbed brine in, and put on my old clothes which were torn into rags while I was in the swamp, and put me into a cell. The cells are little narrow rooms about five feet wide, with a little hole up high to let in air. I was kept in the cell till next day, when they put me on the tread mill, and kept me there three days, and then back in the cell for three days. And then I was whipped and put on the tread mill again, and they did so with me for a fortnight, just as Cohen had directed. He told them to whip me twice a week till they had given me two hundred lashes. My back, when they went to whip me, would be full of scabs, and they whipped them off till I bled so that my clothes were all wet. Many a night I have laid up there in the Sugar House and scratched them off by the handful.

There was a little girl, named Margaret, that one day did not work to suit the overseer, and he lashed her with his cow-skin. She was about seven years old. As soon as he had gone she ran away to go to her mother, who was at work on the turnpike road, digging ditches and filling up ruts made by the wagons. She had to go through a swamp, and tried to cross the creek in the middle of the swamp, the way she saw her mother go every night. It had rained a great deal for several days, and the creek was 15 or 16 feet wide, and deep enough for horses to swim it. When night came she did not come back, and her mother had not seen her. The overseer cared very little about it, for she was only a child and not worth a great deal. Her mother and the rest of the hands hunted after her that night with pine torches, and the next night after they had done work, and every night for a week, and two Sundays all day. They would not let us hunt in the day time any other day. Her mother mourned a good deal about her, when she was in the camp among the people, but dared not let the overseer know it, because he would whip her. In about two weeks the water had dried up a good deal, and then a white man came in and said that "somebody's little nigger was dead down in the brook." We thought it must be Margaret, and afterwards went down and found her. She had fallen from the log-bridge into the water. Something had eat all her flesh off, and the only way we knew her was by her dress.
