The thrilling conclusion to the Hollow Dolls duology continues Simone's story as she sets out with her friends to stop the body walker once and for all. Simone is still reeling from learning the truth about her mother, Maeve. But she knows she has to stop her before she finds

what she's looking for and ends up hurting her friends in the process. When Simone stumbles across an old legend about a handful of folks with rare and powerful talents who fled to a secret island haven, she wonders if the soul summoner Maeve seeks could be there. So she and Sebastian set off to find it, hoping to get to there before Maeve does. But as Simone and her traveling party draw closer to the island, it becomes clearer that Maeve will stop at nothing

to get what she wants. And if her evil isn't stopped, it could mean terrible consequences for everyone Simone loves. With the gripping feel of a new classic, the Hollow Dolls duology will enthrall middle school readers who love fantasy, magic, and danger. Perfect for 5th grade and above. Praise for Hollow Dolls: "Connolly... introduces new characters and a gripping plot with a twist—all sure to captivate readers."—Booklist "[An] entertaining start to a new series...Simone's

attempt to unravel the secrets of her past is relatable."—Publishers Weekly "This fantasy covers a lot of ground—suspense, friendship, bravery, family, and magic. Plot twists will surprise even readers paying close attention...A recommended purchase."—School Library Journal  
*Island of the Blue Dolphins* Simon & Schuster Books for Young Readers  
It's "The X Files" meets "Ancient Aliens" with a Latino twist. Many

Americans do not know that a whole other world exists right across their southern border. This book examines the magic, the mysteries and the miracles of Mexico and covers such topics as ancient mysteries, myths and legends, religious curiosities, bizarre history, legendary creatures and otherworldly phenomena  
**Haunted Key West**  
Yearling  
In this sweet and brightly illustrated picture book, Amy Wu must craft a dragon unlike any other to share with her class at

school in this unforgettable follow-up to Amy Wu and the Perfect Bao. Amy loves craft time at school. But when her teacher asks everyone to make their own dragon, Amy feels stuck. Her first dragon has a long, wingless body, stag-like horns, and eagle claws, but her friends don't think it's a real dragon. Then she makes dragons like theirs, but none of them feels quite right...None of them feels like hers. After school, a story from Grandma sparks new inspiration, and Amy

rounds up her family to help her. Together, can they make Amy's perfect dragon?

**China Dolls** Simon and Schuster

Lila and Rose are going to spend the year with their grandmother, and they are not pleased. Their grandmother dresses like a hippie, she doesn't own a TV, and she runs a doll hospital. But then she begins to tell them the story of a doll named Tatiana... Long ago, Tatiana belonged to Anya, a wealthy Russian girl. When Anya's town

became dangerous, her father decided she should go to America. Anya and Tatiana were supposed to be in the first-class section of the ship with family friends, but they ended up in third class -- by themselves. What would happen once they got to Ellis Island? Would Anya and Tatiana be all alone in America? Book jacket.

Island of the Dolls

**She Dreams of Sable Island** Simon and Schuster

Critically acclaimed author Kimberley Griffiths Little spins a thrilling story of one girl's race to unravel the curse that has haunted her family for generations. When Larissa Renaud starts receiving eerie phone calls on a disconnected old phone in her family's antique shop, she knows she's in for a strange summer. A series of clues leads her to the muddy river banks, where clouds of fireflies dance among the cypress knees and cattails each evening at twilight. The fireflies are beautiful and

mysterious, and they take her on a magical journey through time, where Larissa learns secrets about her family's tragic past -- deadly, curse-ridden secrets that could harm the future of her family as she knows it. It soon becomes clear that it is up to Larissa to prevent history from repeating itself and a fatal tragedy from striking the people she loves. With her signature lyricism, Kimberley Griffiths Little weaves a thrilling tale filled with family secrets, haunting mystery, and

dangerous adventure.

**Nightmare Nation #1**  
Scholastic Inc.

“Kellie had a dragon living the paddock at the back of her house. She also had trolls, but she didn't know about them yet. The dragon hadn't been there very long and it had never spoken. It hadn't breathed fire, nor roared a scary roar. But that was because it was made from wood.” When a large tree branch dried out it looked a lot like a dragon with a long forked tail, four wriggly limbs protruding from a thick body, and a

large mouth where the branch had separated from the tree. It looked fearsome enough but when Kellie and her Dad had finished with the paint tins, it looked even scarier. Kellie called it David the Snake Dragon. In this fast-moving and exciting book for early readers, which is also designed for parents to read to their children, Kellie and Gregory discover that their favourite toys have been stolen and David comes to life. He takes the children to the Island of

Lost Dolls, a place where lost dolls used to live happily ever after, but when a wicked doll declares herself queen she make all the dolls her slaves. Kellie Gregory and David with the help of the mysterious Regina must fight to save not only their own toys but all the others too.

Island of the Dolls Quill Pen Ink Publishing  
Can dolls really become

haunted? Can demons take possession of people's playthings? According to a large number of paranormal investigators, exorcists, and demonologists, the answer is a resounding yes. Not only are such phenomena possible, they happen fairly often, with dolls being one of the most frequent targets of spirit attachment. Sometimes those spirits are benign, or at the most mischievous. But many are outright evil and dangerous. This book examines some of the

world's most famous haunted dolls. Some you may have heard about. Others will be new. All will make you reconsider the world you thought you knew. Here is some of what you'll find inside: \* Robert, the haunted doll from Key West. A lot of the information out there about him is wrong. Find out the truth behind the legend. But don't think the truth is any less terrifying. \* Annabelle, the demonic doll featured in the movies *The Conjuring* and *Annabelle*. Find out why the real Annabelle is

much, much more frightening. \* Peggy, the Internet sensation. Why you should think twice before looking at her picture. \* Find out which doll started as a hoax, turned into a terrifying reality, and is now considered one of the most "active" haunted dolls in the world. \* Discover which exotic locale and tourist attraction is a pediophobe's biggest nightmare. You won't believe such a place exists. \* Clown dolls. Need more be said? These

stories and many more are what you'll find in this collection of true accounts from the frightening yet fascinating world of haunted and demonic dolls. Reading this book will undoubtedly raise more questions than it answers, but one thing is assured: you'll never look at a doll the same again.

*The Secret Life of the Lonely Doll* Roaring Brook Press

It's 1938 and the exclusive Oriental nightclub in San Francisco's Forbidden City is holding auditions for

showgirls. In the dark, scandalous glamour of the club, three girls from very different backgrounds stumble into each other lives. All the girls have secrets. Grace, an American-born Chinese girl, has fled the Midwest and an abusive father. Helen is from a Chinese family which has deep roots in San Francisco's Chinatown. And, as both her friends know, Ruby is Japanese passing as Chinese. Then, in a heartbeat, everything changes. The Japanese attack Pearl Harbor and

paranoia, suspicion, and a shocking act of betrayal, threaten to destroy their lives.

### **The Island of Lost Dolls**

Delacorte Press

THE NEW YORK TIMES

BESTSELLER "A

mesmerizing new

historical novel" (O, The

Oprah Magazine) from

Lisa See, the bestselling

author of *The Tea Girl of*

*Hummingbird Lane*, about

female friendship and

devastating family secrets

on a small Korean island.

Mi-ja and Young-sook, two

girls living on the Korean

island of Jeju, are best

friends who come from very different backgrounds. When they are old enough, they begin working in the sea with their village's all-female diving collective, led by Young-sook's mother. As the girls take up their positions as baby divers, they know they are beginning a life of excitement and responsibility—but also danger. Despite their love for each other, Mi-ja and Young-sook find it impossible to ignore their differences. The Island of Sea Women takes place

over many decades, beginning during a period of Japanese colonialism in the 1930s and 1940s, followed by World War II, the Korean War, through the era of cell phones and wet suits for the women divers. Throughout this time, the residents of Jeju find themselves caught between warring empires. Mi-ja is the daughter of a Japanese collaborator. Young-sook was born into a long line of haenyeo and will inherit her mother's position leading the divers in their village. Little do the two friends know that

forces outside their control will push their friendship to the breaking point. "This vivid...thoughtful and empathetic" novel (The New York Times Book Review) illuminates a world turned upside down, one where the women are in charge and the men take care of the children. "A wonderful ode to a truly singular group of women" (Publishers Weekly), The Island of Sea Women is a "beautiful story...about the endurance of friendship when it's pushed to its

limits, and you...will love it" (Cosmopolitan).

**Felt Wee Folk: New Adventures** Shadow Hills Publishing

In the vein of *The Boy in the Striped Pajamas* and *Number the Stars*, this fusion of fairy tales, folklore, and World War II history eloquently illustrates the power of love and the inherent will to survive even in the darkest of times. In the land of dolls, there is magic. In the land of humans, there is war. Everywhere there is pain. But together there is

hope. Karolina is a living doll whose king and queen have been overthrown. But when a strange wind spirits her away from the Land of the Dolls, she finds herself in Kraków, Poland, in the company of the Dollmaker, a man with an unusual power and a marked past. The Dollmaker has learned to keep to himself, but Karolina's courageous and compassionate manner lead him to smile and to even befriend a violin-playing father and his daughter—that is, once

the Dollmaker gets over the shock of realizing a doll is speaking to him. But their newfound happiness is dashed when Nazi soldiers descend upon Poland. Karolina and the Dollmaker quickly realize that their Jewish friends are in grave danger, and they are determined to help save them, no matter what the risks.

[Amy Wu and the Patchwork Dragon](#) Henry Holt and Company  
When the New York Dolls' bassist died suddenly at age 55 in 2004, he left

behind not only their timeless music--and many thousands of fans and friends--but a memoir of the Dolls' early years. This distinctive and extroverted voice of an undisciplined showman is presented with an

introduction and epilogue by his widow, Barbara. This up close and personal perspective of the band's early days and late nights--including an instance where he locks himself out of the studio

in full drag while tripping on LSD--chronicles the glorious, glamorous era of high times, high drama, and low comedy that captures the music, the style, and the life of the all-too-brief existence of the New York Dolls.
