What are the greatest matches and rivalries of the WrestleMania Era? It has never sat particularly well with long-time pro wrestling columnist and podcaster, "The Doc" Chad Matthews, the blanket statement that pro wrestling greatness is completely up to each individual, period, end of sentence. In fact, he strongly disagrees, having long posited that professional wrestling is reasonably objectifiable, like modern college football rankings in the Playoff Era. In America's gridiron pastime, the college game relies on a select few, organized into a committee, to choose the best four teams worthy of competing for the championship each season. Though the decisions are also considered subjective, the Playoff committee rankings are reasonably objective too. It is not as if Alabama is picked because their crimson jerseys are pretty or USC is chosen because the President of the United States has an affinity for Los Angeles. There are basic criterion used to evaluate the resumes of each viable candidate. Breaking down wrestling's greatest is no different. Utilizing something he calls "objective subjectivism" - a euphemism that acknowledges pro wrestling as obviously somewhat subjective but petitions for acknowledgment of pro wrestling also being inescapably capable of objectification (like Hollywood and College Football) - Matthews has mined the annals of WWE and NWA/WCW lore to discover the specific traits that define the greatest matches and rivalries and, having pinpointed these elements, has found a logical way to separate the truly great from the very good, to compare the totality of stories like Daniel Bryan vs. The Authority or Stone Cold vs. Vince McMahon to overall rivalries like Triple H vs. The Rock or Edge vs. Undertaker to iconic matches like Steamboat vs. Savage or Angle vs. Michaels in order to construct the ultimate historical countdown.

Throughout the years, there may have been equally charismatic performers, comparable athletes, and even better interviews, but none were blessed with the same combination of talents to manage to stay on top for over three decades. To wrestling fans, the Nature Boy is a platinum-blond deity, a sixteen-time world champion who accurately boasted that he could have a five-star match with a broom. No matter how limited the opponent, Flair had the skill and determination to bounce all over the mat, transforming his rival into a star. When the camera light went on, "Slick Ric" could convince viewers that, if they missed an upcoming match, a momentous life experience would pass them by. Flair's opponents were challenged with this simple taunt: "To be the man, you have to beat the man." Away from the arena, Richard Morgan Fliehr spent years struggling with his own concept of what it meant to be a man. He suffered periods of crushing self-doubt, marital strife and—in a profession where there was room for only one Ric Flair—broken friendships. Ric Flair: To Be the Man, cowritten with Keith Elliot Greenberg, chronicles the anguish and exhilaration of Flair's life and career—in painfully honest detail. In addition to his own words, Flair's story is enriched by anecdotes from ring greats like Superstar Billy Graham, Ricky "The Dragon" Steamboat, Harley Race, Sgt. Slaughter, David Crockett, Arn Anderson, Bobby "The Brain" Heenan, "Mean" Gene Okerlund, Shawn Michaels, Triple H, Undertaker and Brock Lesnar. To Be the Man traces the rise of one of wrestling's most enduring superstars to the pinnacle of the sports entertainment universe, and is a must-read for every wrestling fan.

Re-live the most breathtaking, unbelievable wrestling action ever as WWE's superstars and divas recount their greatest matches of all time—featuring eight pages of full-color photographs.

Remember the time Goldust ran over "Rowdy" Roddy Piper in his gold Cadillac? How about when Randy Orton battled Mick Foley with a barbed-wire bat named "Barbie"? When you ask a WWE Superstar what his favorite match is, you might be surprised by his answer. But that's the thing about a phrase like "favorite match." It's not about the greatest match in their careers or the time they won their first title. It's about the moments that stand out and make them smile. Sometimes, it's the same smile they had when they left the ring, face full of blood and sweat, to the roars of thousands. Sometimes, it's the smile they tried so hard to hide when anything and everything seemed to go so wrong that even the ring announcer was accidentally injured in their struggle. And sometimes, it's the smile only the showmen themselves share with each other as brothers in battle with one goal in mind: doing whatever it takes to put on the best show possible, even if it means landing on a few thousand thumbtacks along the way. These are their stories, straight from the Superstars who performed some of the most memorable matches in WWE history. These are the most unexpected, the most brutal,

the most hilarious, and the most unforgettable moments of their careers—captured in their own words.

Undertaker Triumph Books

World Wrestling Entertainment fans think they know "The Heartbreak Kid." He's "The Showstopper" who pushes his high-flying abilities to the limit in the squared circle, on ladders, and in steel cages. He's the company's first "Grand Slam" champion. And of course, he's forever the guy who conspired with WWE Chairman Vince McMahon to screw Bret "Hitman" Hart out of the WWE Championship in Montreal at Survivor Series on November 9, 1997. But that's the side "HBK" has allowed you to see...until now. Heartbreak & Triumph: The Shawn Michaels Story introduces us to Michael Shawn Hickenbottom, the youngest of four children whose "really conservative upbringing" made him shy and "afraid that people wouldn't like me if I showed who I really was." But upon discovering Southwest Championship Wrestling (SWCW) on TV one Saturday night, the preteen

Hickenbottom realized instantly what he wanted to become, and later would convince his father—a colonel in the U.S. Air Force—to let him pursue his dream. From there, Hickenbottom fully recounts the events that led to "Shawn Michaels's" tutelage under Mexican wrestler Jose Lothario; working matches at Mid-South Wrestling under the guidance of Terry Taylor and the Rock 'n' Roll Express's Robert Gibson & Ricky Morton; flying high with Marty Jannetty as "The Midnight Rockers" in the American Wrestling Association (AWA); and how a barroom confrontation in Buffalo almost prevented the tandem from ever joining the World Wrestling Federation. While reliving the crippling back injury that forced him to retire in his prime, Michaels credits the new loves in his life—his second wife Rebecca, his children, and his newfound faith—with giving him the strength to kick his habit, recover physically, and make a jubilant return to the ring at SummerSlam

2002. Now back on top and doing what he enjoys most, the WWE Superstar regards Heartbreak & Triumph as the perfect means "to review my life, and attempt to figure out how I became the person I am."
