podcast comes the
thrilling story of the
Marquis de Lafayette's

lifelong quest to
defend the principles of
liberty and equality A
NEW YORK TIMES
BESTSELLER A #1 ABA
INDEPENDENT
BOOKSTORE
BESTSELLER Few in
history can match the
revolutionary career of
the Marquis de
Lafayette. Over fifty
incredible years at the
heart of the Age of
Revolution, he fought

courageously on both sides of the Atlantic. He was a soldier, statesman, idealist, philanthropist, and abolitionist. As a teenager, Lafayette ran away from France to join the American Revolution. Returning home a national hero, he helped launch the French Revolution, eventually spending five years locked in dungeon prisons. After his release, Lafayette sparred with Napoleon, joined an underground conspiracy to overthrow King Louis XVIII, and became an international symbol of liberty. Finally, as a revered elder statesman, he was instrumental in the overthrow of the Bourbon Dynasty in the Revolution of 1830. From enthusiastic youth to world-weary

old age, from the pinnacle of glory to the depths of despair, Lafayette never stopped fighting for the rights of all mankind. His remarkable life is the story of where we come from, and an inspiration to defend the ideals he held dear. The Plot to Change America Da Capo Press This Treasury of Powerful Wisdom Principles Will Inspire You To Overcome Mediocrity And Pursue Excellence In Every Area of Your Life. Discover The Keys To Breaking Old Patterns / Unlock Your God-Given Potential / Stop Taking Journeys Into Yesterday / Decisions Create Destinies / Failure Is Not Fatal. A 31 Chapter Daily Devotional. **Finding God's Life for My Will** Routledge Iron Mike collects the

best writing on the tumultuous fifteen-year career of the most reviled and idolized athlete in the world, Michael Gerard Tyson. Since becoming, at age nineteen, the youngest heavyweight champion in history, Tyson's dramatic rise, fall, and continuing struggle has provoked more passionate writing, both in and out of the sports pages, than that of any other boxer since Muhammad Ali. Iron Mike is about more than boxing. Like no other athlete, Mike Tyson is at the nexus of America's cultural anxieties about race, class, masculinity, violence, and celebrity; like no other athlete his story of high drama and low comedy inspires writers to wrestle with these themes, with Tyson

often no more than the occasion for the writer's own preoccupations. And Tyson has provided many such occasions: his rise to the Undisputed World Heavyweight Championship at age twenty-one; his rocky marriage to Robin Givens; his controversial conviction for the rape of Desiree Washington; his return to boxing and reclamation of the WBC and WBA belts; his biting of Evander Holyfield. Iron Mike is a kaleidoscopic portrait of a man who, for better and worse, is one of the most recognizable, popular, and defining icons of our time. The book includes selections from Joyce Carol Oates, Pete Hamill, Jose Torres, Pete Dexter,

Phil Berger, Christopher Hitchens, Robert Lipsyte, Dave Anderson, Jonathan Yardley, Richard Rodriguez, Katherine Dunn, Budd Schulberg, William Plummer, David Remnick, Keith Botsworth, and others. *It's Your Ship* Penguin Group

Immerse yourself in the art and making of Aquaman, the movie chronicling Arthur Curry's path to a future reign as King of the Seven Seas. The Art and Making of Aquaman takes readers behind the scenes of the highly anticipated 2018 Warner Bros. Pictures film based on the popular DC character. Featuring previously unseen photographs and breathtaking concept art, this book is a must-have for any

fan. Witness the epic journey of Aquaman, a Super Hero who struggles to accept his heritage as undersea royalty in his first solo film. Follow along with the production team as these skilled artists create a unique undersea world for the big screen. Exclusive interviews highlight a comprehensive narrative that flows through this stunning collection of concept sketches, storyboards, set and costume photography, and effects imagery, giving readers an unparalleled look at the making of the film. Directed by James Wan, Aquaman features an all-star cast, with Jason Momoa, Amber Heard, Willem Dafoe, Patrick Wilson, Dolph Lundgren, Ludi Lin,

Yahya Abdul-Mateen II,
Temuera Morrison and
Nicole Kidman.

Mike Nichols

WaterBrook

The creator of the award-winning podcast series *The History of Rome and Revolutions* brings to life the bloody battles, political machinations, and human drama that set the stage for the fall of the Roman Republic. The Roman Republic was one of the most remarkable achievements in the history of civilization. Beginning as a small city-state in central Italy, Rome gradually expanded into a wider world filled with petty tyrants, barbarian chieftains, and despotic kings. Through the centuries, Rome's model of cooperative and participatory

government remained remarkably durable and unmatched in the history of the ancient world. In 146 BC, Rome finally emerged as the strongest power in the Mediterranean. But the very success of the Republic proved to be its undoing. The republican system was unable to cope with the vast empire Rome now ruled: rising economic inequality disrupted traditional ways of life, endemic social and ethnic prejudice led to clashes over citizenship and voting rights, and rampant corruption and ruthless ambition sparked violent political clashes that cracked the once indestructible foundations of the Republic. *Chronicling the years 146-78 BC, The Storm Before the Storm* dives headlong

into the first generation to face this treacherous new political environment. Abandoning the ancient principles of their forbearers, men like Marius, Sulla, and the Gracchi brothers set dangerous new precedents that would start the Republic on the road to destruction and provide a stark warning about what can happen to a civilization that has lost its way.

The Book of Drugs Da Capo Press
Jazz Improvisation Using Simple Melodic Embellishment teaches fundamental concepts of jazz improvisation, highlighting the development of performance skills through embellishment techniques. Written with the college-level course in mind, this

introductory textbook is both practical and comprehensive, ideal for the aspiring improviser, focused not on scales and chords but melodic embellishment. It assumes some basic theoretical knowledge and level of musicianship while introducing multiple techniques, mindful that improvisation is a learned skill as dependent on hard work and organized practice as it is on innate talent. This jargon-free textbook can be used in both self-guided study and as a course book, fortified by an array of interactive exercises and activities: musical examples performance exercises written assignments practice grids resources for advanced study and

more! Nearly all musical exercises--presented throughout the text in concert pitch and transposed in the appendices for E-flat, B-flat, and bass clef instruments--are accompanied by backing audio tracks, available for download via the Routledge catalog page along with supplemental instructor resources such as a sample syllabus, PDFs of common transpositions, and tutorials for gear set-ups. With music-making at its core, *Jazz Improvisation Using Simple Melodic Embellishment* implores readers to grab their instruments and play, providing musicians with the simple melodic tools they need to "jazz it up."

The lead singer, songwriter, and guitarist for award-winning contemporary Christian band Tenth Avenue North shows readers that by seeking God first and focusing on serving Him, we can live daily in His will. "Perhaps God isn't giving me the plan because He wants to be the plan." This was the aha moment for Mike Donehey after years of wrestling with his obsession to know God's specific plans for his life. He came to the realization that waiting for absolute certainty from God before making decisions may seem uberspiritual, but it can lead to a life of intense stress, paralyzing fear, and crushing regret--just

the opposite of the freedom granted to those living a Christ-filled life. "This is my story...how I gave up begging to know God's will and began to ask His life to come and change my will." With his signature humor and relentless hunger for God, Mike will show you that discovering the Father's purpose and plan for our lives is not the shell game that we all too often make it out to be. If you're unsure what to do next, take heart and accept the ultimate invitation: learn to see God as the plan, not simply the formula to the plan.

The Making Of A
Champion MIRA

The George Floyd riots that have precipitated great changes throughout American society were not

spontaneous events. Americans did not suddenly rise up in righteous anger, take to the streets, and demand not just that police departments be defunded but that all the structures, institutions, and systems of the United States—all supposedly racist—be overhauled. The 12,000 or so demonstrations and 633 related riots that followed Floyd's death took organizational muscle. The movement's grip on institutions from the classroom to the ballpark required ideological commitment. That muscle and commitment were provided by the various Black Lives Matter organizations. This book examines who the BLM leaders

are, delving into their backgrounds and exposing their agendas—something the media has so far refused to do. These people are shown to be avowed Marxists who say they want to dismantle our way of life. Along with their fellow activists, they make savvy use of social media to spread their message and organize marches, sit-ins, statue tumbings, and riots. In 2020 they seized upon the video showing George Floyd’s suffering as a pretext to unleash a nationwide insurgency. Certainly, no person of good will could object to the proposition that “black lives matter” as much as any other human life. But Americans need to understand how their laudable moral concern

is being exploited for purposes that a great many of them would not approve.

The 30 Rock Book

Penguin

“Raw, powerful and disturbing—a head-spinning take on Mr. Tyson’s life.”—Wall Street Journal
 Philosopher, Broadway headliner, fighter, felon—Mike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all time—and the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior.

Yet—even after hitting rock bottom—the man who once admitted being addicted “to everything” fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, *Undisputed Truth* is the singular journey of an inspiring American original. Vinyl Mike Majlak A young woman who had been raised in Boston marries a member of the Northwest Mounted Police and goes with him to live in the Canadian wilderness. *Mrs. Mike* Grand Central Publishing The hilarious true story of the making of the cult classic hit show *30 Rock* It’s hard to remember a time when

Tina Fey wasn’t a star, but back in the early 2000s, she was an SNL writer who was far from a household name. It’s even harder to remember when Fey’s sitcom *30 Rock* was tanking, but it was—it premiered in the fall of 2006, and by November, the *New York Times* wrote that *30 Rock* was “perilously close to a flop.” But despite all expectations (including those of some of the cast and crew), Tina Fey’s eccentric buddy comedy lasted 138 episodes, spanning seven seasons. It resurrected the career of Alec Baldwin, survived an extended absence by Tracy Morgan, and permeated the culture—its breakneck pacing, oddball characters, and

extremely rich joke writing are deeply beloved by millions of fans. Through more than fifty original interviews with cast, crew, critics, and more, culture writer Mike Roe brings to life the history of the gloriously goofy show that became an all-time classic. The *30 Rock Book* has everything in it, from tales of the amazing music still stuck in our heads, to the iconic bit characters that make the show, to all the love and drama of the backstage crew . . . and the creative failures and successes along the way. So grab your night cheese and muffin tops, cuddle up with your slanket against your Japanese body pillow, and settle in for the story of one of the funniest shows

in television history. Digital Film-making Revised Edition Hay House, Inc
 A National Book Critics Circle finalist • One of People's top 10 books of 2021 • An instant New York Times bestseller • Named a best book of the year by NPR and Time A magnificent biography of one of the most protean creative forces in American entertainment history, a life of dazzling highs and vertiginous plunges—some of the worst largely unknown until now—by the acclaimed author of *Pictures at a Revolution* and *Five Came Back* Mike Nichols burst onto the scene as a wunderkind: while still in his twenties, he was half of a hit improv duo with Elaine May that

was the talk of the country. Next he directed four consecutive hit plays, won back-to-back Tonys, ushered in a new era of Hollywood moviemaking with *Who's Afraid of Virginia Woolf?*, and followed it with *The Graduate*, which won him an Oscar and became the third-highest-grossing movie ever. At thirty-five, he lived in a three-story Central Park West penthouse, drove a Rolls-Royce, collected Arabian horses, and counted Jacqueline Kennedy, Elizabeth Taylor, Leonard Bernstein, and Richard Avedon as friends. Where he arrived is even more astonishing given where he had begun: born Igor Peschkowsky to a Jewish couple in Berlin in 1931, he was

sent along with his younger brother to America on a ship in 1939. The young immigrant boy caught very few breaks. He was bullied and ostracized--an allergic reaction had rendered him permanently hairless--and his father died when he was just twelve, leaving his mother alone and overwhelmed. The gulf between these two sets of facts explains a great deal about Nichols's transformation from lonely outsider to the center of more than one cultural universe--the acute powers of observation that first made him famous; the nourishment he drew from his creative partnerships, most enduringly with May; his unquenchable drive; his hunger for

security and status; and the depressions and self-medications that brought him to terrible lows. It would take decades for him to come to grips with his demons. In an incomparable portrait that follows Nichols from Berlin to New York to Chicago to Hollywood, Mark Harris explores, with brilliantly vivid detail and insight, the life, work, struggle, and passion of an artist and man in constant motion. Among the 250 people Harris interviewed: Elaine May, Meryl Streep, Stephen Sondheim, Robert Redford, Glenn Close, Tom Hanks, Candice Bergen, Emma Thompson, Annette Bening, Natalie Portman, Julia Roberts, Lorne Michaels, and Gloria Steinem. Mark

Harris gives an intimate and evenhanded accounting of success and failure alike; the portrait is not always flattering, but its ultimate impact is to present the full story of one of the most richly interesting, complicated, and consequential figures the worlds of theater and motion pictures have ever seen. It is a triumph of the biographer's art.

Blood Done Sign My

Name Faber & Faber
MAKING MICHAEL delves deep inside the career of one of the most successful, enigmatic and controversial entertainers of all time: Michael Jackson. Side-stepping sensationalism, journalist Mike Smallcombe enters

unchartered territory as he takes you behind the scenes to reveal the real Jackson, a man few people ever got to know. Interviewing over sixty of Jackson's associates including managers, lawyers, music executives, producers, musicians and engineers - many of whom are speaking about their experiences publicly for the first time - he provides exclusive access to one of the biggest-selling recording artists in history. Featuring a foreword by Matt Forger, one of Jackson's longest serving and most loyal collaborators, MAKING MICHAEL takes readers into the studio with the King of Pop, charting the creation of record-breaking albums including Thriller, Bad,

Dangerous and HIStory and the twists and turns that occurred along the way. Untold stories, revelations and secrets finally see the light of day as Jackson's career outside the studio is also examined. Smallcombe remains objective and doesn't shy away from exploring Jackson's ruthless traits, his addictions, his fall outs, the relentless pursuit of perfectionism, the financial chaos and those shocking final weeks. MIKE SMALLCOMBE is a British journalist living and working in the UK. www.makingmichael.co.uk Twitter: @mikesmallcombe1 *making of Mike Oldfield's Tubular Bells* Gallery Books The "riveting"* true story of the fiery

summer of 1970, which would forever transform the town of Oxford, North Carolina—a classic portrait of the fight for civil rights in the tradition of *To Kill a Mockingbird* *Chicago Tribune On May 11, 1970, Henry Marrow, a twenty-three-year-old black veteran, walked into a crossroads store owned by Robert Teel and came out running. Teel and two of his sons chased and beat Marrow, then killed him in public as he pleaded for his life. Like many small Southern towns, Oxford had barely been touched by the civil rights movement. But in the wake of the killing, young African Americans took to the streets. While lawyers battled in the courthouse, the Klan raged in the shadows

and black Vietnam veterans torched the town's tobacco warehouses. Tyson's father, the pastor of Oxford's all-white Methodist church, urged the town to come to terms with its bloody racial history. In the end, however, the Tyson family was forced to move away. Tim Tyson's gripping narrative brings gritty blues truth and soaring gospel vision to a shocking episode of our history. FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD "If you want to read only one book to understand the uniquely American struggle for racial equality and the swirls of emotion around it, this is it."—Milwaukee Journal Sentinel "Blood Done Sign My Name is a most important book

and one of the most powerful meditations on race in America that I have ever read."—Cleveland Plain Dealer "Pulses with vital paradox . . . It's a detached dissertation, a damning dark-night-of-the-white-soul, and a ripping yarn, all united by Tyson's powerful voice, a brainy, booming Bubba profundo."—Entertainment Weekly "Engaging and frequently stunning."—San Diego Union-Tribune

The Storm Before the Storm University of Arkansas Press
The Plot to Change America exposes the myths that help identity politics perpetuate itself. This book reveals what has really happened, explains why it is urgent to change

course, and offers a strategy to do so. Though we should not fool ourselves into thinking that it will be easy to eliminate identity politics, we should not overthink it, either. Identity politics relies on the creation of groups and then on giving people incentives to adhere to them. If we eliminate group making and the enticements, we can get rid of identity politics. The first myth that this book exposes is that identity politics is a grassroots movement, when from the beginning it has been, and continues to be, an elite project. For too long, we have lived with the fairy tale that America has organically grown into a nation gripped by victimhood and identitarian division;

that it is all the result of legitimate demands by minorities for recognition or restitutions for past wrongs. The second myth is that identity politics is a response to the demographic change this country has undergone since immigration laws were radically changed in 1965. Another myth we are told is that to fight these changes is as depraved as it is futile, since by 2040, America will be a minority-majority country, anyway. This book helps to explain that none of these things are necessarily true.

Iron Ambition Ten Speed Press

In this indispensable guide to digital film-making, leading filmmaker Mike Figgis offers the reader a step-by-step tutorial in

how to use digital technology so as to get the best from it. Mike Figgis, with experience from films such as *Miss Julie* and *Leaving Las Vegas* - for which he received two Oscar nominations - is an authoritative and insightful guide through the details of film-making. He outlines the equipment and its uses, and provides an authoritative guide to the shooting process - from working with actors to lighting, framing, and camera movement. He further dispenses wisdom on the editing process and the use of sound and music, all the while establishing a sound aesthetic basis for the digital format. This handbook is essential whether your goal is to make no-budget

movies, or simply to put your video camera to more use than just holidays and weddings.

FantasticLand

Perfection Learning

“A lively and inspiring guidebook for anyone who wants to make the jump from normal to extraordinary.” —Tony Robbins, #1 New York Times bestselling author of *Unshakeable* and *MONEY: Master the Game* An inspirational book that lays out the “Jump Curve”—four steps to wholeheartedly pursuing the career of your dreams—through experiences from a variety of people who have jumped and never looked back When Mike Lewis was twenty-four and working in a prestigious corporate job, he eagerly wanted to leave and pursue his

dream of becoming a professional squash player. But he had questions: When is the right time to move from work that is comfortable to a career you have only dared to dream of? How have other people made such a jump? What did they feel when making that jump—and afterward? Mike sought guidance from others who had “jumped,” and the responses he got—from a banker who started a brewery, a publicist who became a Bishop, a garbage collector who became a furniture designer, and on and on—were so clear-eyed and inspiring that Mike wanted to share what he had learned with others who might be helped by those stories. First, though, he started playing

squash professionally. The right book at the right time, *When to Jump* offers more than forty heartening stories (from the founder of Bonobos, the author of *The Big Short*, the designer of the Lyft logo, the Humans of New York creator, and many more) and takeaways that will inspire, instruct, and reassure, including the ingenious four-phase Jump Curve.

eBook Partnership
Play the funniest game of hide and seek ever with Fergus, a bear who's very, very bad at hiding. The hilarious illustrator of *I Don't Want to Be a Frog* brings picture book fans a super-silly, interactive story that will have children giggling from start to finish. Follow huge,

loveable Fergus and see all the many ways in which he is TERRIBLE at playing hide-and-seek, such as standing behind a VERY tiny tree ("Found you, Fergus! That was too easy!") or trying to camouflage in a giant crowd of bunnies and squirrels ("Try bears, Fergus. Bears!"). But wait! The game isn't over yet! The last two pages fold out into a giant panoramic look-and-find scene, where Fergus is well and truly hidden, and young readers can have fun looking for him and lots of other details in the the crowd. There are hours and hours of play value in this adorable book. Children will want to come back to it again and again. ★

A SUPER funny, SUPER
fast-paced, SUPER
debut! Can knowing
the most superhero
trivia in the whole
school be considered a
superpower? If so,
Vincent Wu is
invincible. If not (and
let's face it, it's "not"),
then Vincent and his
pals Max and George
don't get any props for
being the leaders (and,
well, sole members) of
the (unofficial) Captain
Stupendous Fan Club.
But what happens
when the Captain is
hurt in an incident
involving BOTH

Professor Mayhem and
his giant indestructible
robot AND

(mortifyingly) Polly
Winnicott-Lee, the girl
Vincent totally has a
crush on? The entire
city is in danger,
Vincent's parents and
his friends aren't safe,
the art teacher has
disappeared, and
talking to Polly is
REALLY, REALLY
AWKWARD. Only
Vincent Wu has what it
takes to save the
Captain, overcome
Professor Mayhem,
rally his friends, and
figure out what to say
to Polly. But will
anyone take him
seriously? Seriously.
Anyone?? Find out in
this action-packed
super comedy debut.
Here and Now and
Then Crown
Examining a series of
El Niño-induced
droughts and the

famines that they spawned around the globe in the last third of the 19th century, Mike Davis discloses the intimate, baleful relationship between imperial arrogance and natural incident that combined to produce some of the worst tragedies in human history. *Late Victorian Holocausts* focuses on three zones of drought and subsequent famine: India, Northern China; and Northeastern Brazil. All were affected by the same global climatic factors that caused massive crop failures,

and all experienced brutal famines that decimated local populations. But the effects of drought were magnified in each case because of singularly destructive policies promulgated by different ruling elites. Davis argues that the seeds of underdevelopment in what later became known as the Third World were sown in this era of High Imperialism, as the price for capitalist modernization was paid in the currency of millions of peasants' lives.
