This Coven Won't Break Simon and Schuster

The End centers on five friends in Rio de Janeiro who, nearing the end of their lives, are left with memories—of parties, marriages, divorces, fixations, inhibitions, bad decisions—and the physical indignities of aging. Alvaro lives alone and spends his time going from doctor to doctor and bemoaning the evils of his ex-wife. Silvio is a junkie who can't give up the excesses of sex and drugs even in his old age. Ribeiro is an athletic beach bum enjoying a prolonged sex life thanks to Viagra. Neto is the square member of the group, a faithful husband until his last days. And Ciro is the Don Juan envied by all—but the first to die, struck down by cancer. For all of them, successful careers, personal revelations, and Zen serenity are out of the question, blocked by a seemingly insurmountable wall of frustrations. Orbiting around them are a priest questioning his vocation and a cast of complicated women, neglected and embattled by these self-involved men. Edgy and

wise, this tragicomic debut delves into taboo subjects—death, infidelity, impotence, the difficulties of marriage—with unsentimental honesty, and brings Rio and these characters to life in full color.

Lady Whistledown Strikes Back Clube de Autores

Augusto Cury asegura que nunca ha habido tantos prisioneros en las sociedades libres como ahora. En efecto: los celos nos someten a una pesada condena emocional que cargamos continuamente, y afectan a hombres y mujeres de todos ámbitos, profesiones y clases sociales. Quien dice amar al otro pero intenta cambiarlo y controlarlo, vive en un estado de desamor propio, frustración e insatisfacción que no se llenará nunca. Por eso no basta con amar sólo con la emoción: hay que amar con sanidad y con una dosis de inteligencia. Para que la relación tenga cimientos fuertes y perdure, debe proceder de una mente y corazón equilibrados. Y como afirma el autor: los celos son una enfermedad que hay que curar si perseguimos el sueño de ser nosotros mismos, amar y ser amados, y vivir libres de cadenas emotivas.

The Euthydemus Simon and Schuster

From the dark days of WWII to present-day North Carolina, this New York Times bestseller shares the lives of two couples overcoming destructive secrets -- and finding joy together. Ira Levinson is in trouble. Ninety-one years old and stranded and injured after a car crash, he struggles to retain consciousness until a blurry image materializes beside him: his beloved wife Ruth, who passed away nine years ago. Urging him to hang on, she forces him to remain alert by recounting the stories of their lifetime together - how they met, the precious paintings they collected together, the

dark days of WWII and its effect on them and their families. Ira knows that Ruth can't possibly be in the car with him, but he clings to her words and his memories, reliving the sorrows and everyday joys that defined their marriage. A few miles away, at a local bull-riding event, a Wake Forest College senior's life is about to change. Recovering from a recent break-up, Sophia Danko meets a young cowboy named Luke, who bears little resemblance to the privileged frat boys she has encountered at school. Through Luke, Sophia is introduced to a world in which the stakes of survival and success, ruin and reward -- even life and death - loom large in everyday life. As she and Luke fall in love, Sophia finds herself imagining a future far removed from her plans -- a future that Luke has the power to rewrite . . . if the secret he's keeping doesn't destroy it first. Ira and Ruth. Sophia and Luke. Two couples who have little in common, and who are separated by years and experience. Yet their lives will converge with unexpected poignancy, reminding us all that even the most difficult decisions can yield extraordinary journeys: beyond despair, beyond death, to the farthest reaches of the human heart.

One of the greatest spiritual teachers of the twentieth century will help you learn how to live in the present moment in Awareness: The Key to Living in Balance. Underlying all meditation techniques, including martial arts—and in fact underlying all great athletic performances—is a quality of being awake and present to the moment, a quality that Osho calls awareness. Once we can identify and understand what this quality of awareness is, we have the key to self-mastery in virtually every area of our lives. According to great masters like Lao Tzu or Buddha, most of us move through our lives like sleepwalkers. Never really present in what we are doing, never fully alert to our environment, and not even aware of what motivates us to do and say the things we do. At the same time, all of us have experienced moments of awareness—or awakening, to use another—in extraordinary circumstances. On the road, in a sudden and unexpected accident, time seems to stop and one is suddenly aware of every movement, every sound, every thought. Or in moments that touch us deeply—welcoming a new baby into the world for the first time, or being with someone at the moment of death. Awareness, says Osho, is the key to being self-directed, centered, and free in every aspect of our lives. In this book, Osho teaches how to live life more attentively, mindfully, and meditatively, with love, caring and consciousness. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

How to Marry a Marquis Simon and Schuster

Alberto Breccia is recognized as one of the greatest international cartoonists in the history of comics and *Mort Cinder* is considered one of his finest achievements. Created in collaboration with the Argentine writer Héctor Germán Oesterheld, best known in the U.S. for his politically incendiary sci-fi masterpiece, the Eisner Award-winning *The Eternaut*, *Mort Cinder* is a horror story with political overtones. This episodic serial, written and drawn between 1962-1964, is drawn by Breccia in moody chiaroscuro. The artist's rubbery, expressionistic faces capture every glint in the eyes of the grave robbers, sailors, and slaves that populate these stories; while the slash of stripes of prisoners' uniforms, the trapeziums of Babylon, and more create distinct and evocative milieus.

The Dreamseller: The Revolution Penguin

Winner of the Lincoln Prize Lincoln at Cooper Union explores Lincoln's most influential and widely reported pre-presidential address -- an extraordinary appeal by the western politician to the eastern elite that propelled him toward the Republican nomination for president. Delivered in New York in February 1860, the Cooper Union speech dispelled doubts about Lincoln's suitability for the presidency and reassured conservatives of his moderation while reaffirming his opposition to slavery to Republican progressives. Award-winning Lincoln scholar Harold Holzer places Lincoln

and his speech in the context of the times -- an era of racism, politicized journalism, and public oratory as entertainment -- and shows how the candidate framed the speech as an opportunity to continue his famous "debates" with his archrival Democrat Stephen A. Douglas on the question of slavery. Holzer describes the enormous risk Lincoln took by appearing in New York, where he exposed himself to the country's most critical audience and took on Republican Senator William Henry Seward of New York, the front runner, in his own backyard. Then he recounts a brilliant and innovative public relations campaign, as Lincoln took the speech "on the road" in his successful quest for the presidency.
