NATIONAL BESTSELLER • From the
National Book Award-winning author of
Just Kids: a “sublime collection of true
stories ... and wild imaginings that take
us to the very heart of who Patti Smith

is” (Vanity Fair), told through the cafés
and haunts she has worked in around
the world. Patti Smith calls this
bestselling work “a roadmap to my life.”
M Train begins in the tiny Greenwich
Village café where Smith goes every
morning for black coffee, ruminates on
the world as it is and the world as it was,
and writes in her notebook. Through
prose that shifts fluidly between dreams
and reality, past and present, we travel
to Frida Kahlo’s Casa Azul in Mexico; to
the fertile moon terrain of Iceland; to a

ramshackle seaside bungalow in New York's Far Rockaway that Smith acquires just before Hurricane Sandy hits; to the West 4th Street subway station, filled with the sounds of the Velvet Underground after the death of Lou Reed; and to the graves of Genet, Plath, Rimbaud, and Mishima. Woven throughout are reflections on the writer's craft and on artistic creation. Here, too, are singular memories of Smith's life in Michigan and the irremediable loss of her husband, Fred Sonic Smith. Braiding despair with hope and consolation, illustrated with her signature Polaroids, *M Train* is a meditation on travel, detective shows, literature, and coffee. It is a powerful, deeply moving book by one of the most remarkable multiplatform artists at work today.

Give your kids their greatest chance at success *Who Do You Think You Are?* helps parents, school counselors, and administrators get teens thinking about—and interested in—their future careers. Success in college and beyond relies on thorough prior preparation; by identifying interests and passions early on, young people are better able to plan for the career they want by mapping out the academic path to support it. This book shows you how to guide teens along on this journey, and how to stick with them until they reach the goals they've set. From helping them discover just what it is they're interested in, to finding the institution that will help them

flourish and setting out a clear "plan of attack," this book provides invaluable insight from an expert in student success. No one expects every student to have a definitive life plan by high school graduation, but having some idea of direction is critical. Nearly 3.3 million students will graduate high school this year, and most will head straight to college—but just 20 percent of those who pursue an associate's degree complete within four years, and only 60 percent of those who pursue a bachelor's degree complete within six years. Even those who earn a degree may struggle to move from school to work. Those who do succeed have done so because they've planned their work and worked their plans. This book shows you how to help your child to be one of the success

stories. Map out an academic plan to support each kid's field of interest Identify the best-fit institution to get them where they want to be Balance support and independence throughout your teen's journey Help your child be prepared for college so they can succeed far beyond Adults know that success in life comes from plenty of hard work and thorough preparation—but for kids in middle and high school, that lesson is just now beginning to hit home. *Who Do You Think You Are?* helps you guide them through the transition successfully, so they can come out the other side exactly where they want to be.

Let Go of the Past--Embrace Your Second Chance You have a destiny. You may

have lost sight of it, opened a wrong door, taken a misleading path, but it's there--you haven't missed your chance! Yet it can be hard to see, hard to find, when the only things in front of you are challenging circumstances, lost opportunities, or overwhelming obstacles. But there is hope! With warmth and insight, Pat Smith shares the truths she and other women have learned on their own journeys from heartache to hope. She encourages and empowers you to recommit to the destiny God has for you in life, love, work, and faith. She also shows how to let go of what's holding you back, reinvent yourself, and rediscover your purpose and joy. There is a second chance waiting for you--it's time to celebrate your new life!

Girl Meets Boy Chosen Books

A Land Remembered has become Florida's favorite novel. Now this Student Edition in two volumes makes this rich, rugged story of the American pioneer spirit more accessible to young readers. Patrick Smith tells of three generations of the Maclveys, a Florida family battling the hardships of the frontier. The story opens in 1858, when Tobias and Emma Maclvey arrive in the Florida wilderness with their son, Zech, to start a new life, and ends in 1968 with Solomon Maclvey, who realizes that his wealth has not been worth the cost to the land.

Between is a sweeping story rich in Florida history with a cast of memorable characters who battle wild animals, rustlers, Confederate deserters, mosquitoes, starvation, hurricanes, and freezes to carve a kingdom out of the Florida swamp. In this volume, meet young Zech Maclvey, who learns to ride like the wind through the Florida scrub on Ishmael, his marshtackie horse, his dogs, Nip and Tuck, at this side. His parents, Tobias and Emma, scratch a living from the land, gathering wild cows from the swamp and herding them across the state to market. Zech learns the ways of the land from the Seminoles, with whom his life becomes entwined as he grows into manhood. Next in series >

Southern women are inundated with rules starting early—from always wearing sensible shoes to never talking about death to the dying, and certainly not relying on song lyrics for marriage therapy. Nevertheless, Katherine Snow Smith keeps doing things like falling off her high heels onto President Barack Obama, gaining dubious status as the middle school “lice mom,” and finding confirmation in the lyrics of Miranda Lambert after her twenty-four-year marriage ends. Somehow, despite never meaning to defy Southern expectations for parenting, marriage, work, and friendship, Smith has found herself doing

just that for over four decades. Luckily for everyone, the outcome of these “broken rules” is this collection of refreshing stories, filled with vulnerability, humor, and insight, sharing how she received lifelong advice from a sixth-grade correspondence with an Oscar-winning actress, convinced a terminally ill friend to write good-bye letters, and won the mother of all “don’t give up” lectures by finishing a road race last (as the pizza boxes were thrown away). Rules for the Southern Rule Breaker will resonate with every woman, southern or not, who has a tendency to wander down the hazy side roads and realizes the rewards that come from listening to the pull in one’s heart over the voice in one’s head.

In the #1 New York Times bestselling Mercy Thompson novels, the coyote shapeshifter has found her voice in the werewolf pack. But when Mercy's bond with the pack—and her mate—is broken, she'll learn what it truly means to be alone... Attacked and abducted in her home territory, Mercy finds herself in the clutches of the most powerful vampire in the world, taken as a weapon to use against alpha werewolf Adam and the ruler of the Tri-Cities vampires. In coyote form, Mercy escapes—only to find herself without money, without clothing, and alone in the heart of Europe... Unable to contact Adam and the rest of the pack, Mercy has allies to find and enemies to fight, and she needs to figure out which is which. Ancient powers stir, and Mercy must be her agile best to

avoid causing a war between vampires and werewolves, and between werewolves and werewolves. And in the heart of the ancient city of Prague, old ghosts rise...

The Way I Used to Be Vintage Canada
A Comprehensive Guide to Corporate Prayer God commands his people to pray together and answers graciously when they do. The Bible specifically calls on church leaders to guide this essential form of corporate worship, but it can be challenging to pray boldly and confidently in front of others. This practical, step-by-step guide was created to help pastors and church leaders pray thoughtfully and biblically in public. Through seven guiding principles, Pat Quinn illustrates how to lead prayers of adoration, confession, and supplication

to God, and covers the history of public prayer in Scripture. He also includes elegant, reverent, gospel-centered examples from the Latin Liturgy, John Calvin, the Puritans, John Wesley, and others, as well as many examples of his own congregational prayers. Pastors and church leaders will learn to glorify God more passionately, effectively intercede for the church and the world, and find joy—not fear—in praying publicly.

A form-bending and endlessly inventive collection of short stories - from the MAN BOOKER PRIZE-SHORTLISTED and WOMEN'S PRIZE-WINNING author of *How to be both* and the critically acclaimed Seasonal quartet 'A glorious collection that celebrates and subverts the short

story form' Independent 'Hurrah for Ali Smith. The best short-story writers make it look as easy as making a cup of tea. Ali Smith is one of these... A bold and brilliant collection of stories by a writer unafraid to give it to us as it is' The Times A middle-aged woman conducts a poignant conversation with her gauche fourteen-year-old self. An innocent supermarket shopper finds in her trolley a foul-mouthed, insulting and beautiful child. Challenging the boundaries between fiction and reality, we see a narrator, 'Ali', as she drinks tea, phones a friend and muses on the relationship between the short story and a nymph. Innovative, sophisticated and intelligent, *The First Person and Other Stories* effortlessly appeals to our hearts, heads and funny bones in equal measure. One-

of-a-kind Ali Smith and the short story are made for each other.

Roland Smith, the master of middle-grade adventure, returns with a new novel full of high-speed chases, secret identities, and a dangerous underground world. What waits Beneath? Pat O'Toole has always idolized his older brother, Coop. He's even helped Coop with some of his crazier plans -- such as risking his life to help his big brother dig a tunnel underneath their neighborhood in the suburbs of Washington, DC. Coop is . . . different. He doesn't talk on the phone, doesn't use email, and doesn't have friends. He's never really cared for

anything but the thrill of being underground and Pat. So it's no surprise to anyone -- even Pat -- that after a huge fight with their parents, Coop runs away. Exactly one year later, Pat receives a package containing a digital voice recorder and a cryptic message from his brother. He follows the clues to New York City, and soon discovers that Coop has joined the Community, a self-sufficient society living beneath the streets. Now it's up to Pat to find his brother -- and bring him home.

A classic and heartbreaking tale of one man's fight to protect nature, and a treasured way of life, against the forces of greed. In a corner of the Big Cypress Swamp, to the north of the Florida

Everglades, lives Charlie Jumper, and eighty-six-year-old Seminole man. Unlike the younger American Indians who have adopted white civilization, Charlie and his wife cling to the old ways, hunting and fishing in the great swamp and farming a tiny plot of higher ground. Charlie has been diligently teaching his grandson, Timmy, about the swamp and its creatures. But their simple existence is suddenly threatened when a large tract of swamp is bought by a corporation, and Charlie is told that he will have to leave. From his youth, Charlie remembers the slaughter of egrets and alligators by the white man and the logging of the giant cypress. Rather than surrender the land that is his life to this final indignity, Charlie decides to fight back. It is an uneven

contest. First come the great machines that silt up the streams; then the workmen inadvertently poison the marsh; and, attempting to sabotage the construction equipment, Charlie's best friend is killed. Realizing that there can be no compromise with the white man who destroys all he touches, Charlie leaves his family and feels into the swamp, seeking the lost island known in the Seminole legends as Forever Island.

Master of the Titanic Crossway
From the astonishingly talented writer of *The Accidental* and *Hotel World* comes Ali Smith's brilliant retelling of Ovid's gender-bending myth of Iphis and Ianthe, as seen through the eyes of two Scottish sisters. *Girl Meets Boy* is about girls and boys, girls and girls, love and transformation, and the absurdity of

consumerism, as well as a story of reversals and revelations that is as sharply witty as it is lyrical. Funny, fresh, poetic, and political, *Girl Meets Boy* is a myth of metamorphosis for a world made in Madison Avenues image, and the funniest addition to the *Myths* series from Canongate since Margaret Atwoods *The Penelopiad*.

44 SCOTLAND STREET - Book 4 The residents and neighbors of 44 Scotland Street and the city of Edinburgh come to vivid life in these gently satirical, wonderfully perceptive serial novels, featuring six-year-old Bertie, a remarkably precocious boy—just ask his mother. There is never a quiet moment on 44 Scotland Street. In *The World According to Bertie*, Pat deals with the reappearance of Bruce, which has her heart skipping—and not in a pleasant way. Angus Lordie's dog Cyril has been taken away by the authorities, accused of being a serial biter. Unexpectedly, Domenica has offered to help free him. As usual, Big Lou is still looking for love, and handing out coffee and advice to the always contemplative Matthew. And

Bertie, the beleaguered Italian-speaking six year old prodigy, now has a little brother, Ulysses, who Bertie hopes will help distract his pushy mother Irene. Beautifully observed, cleverly detailed, *The World According to Bertie* is classic McCall Smith and a treat for his avid fans as well as his first time readers.

The Famine Immigrants: April 1849-

September 1849 That Patchwork Place

From the acclaimed, award-winning author—when a dinner-party guest named Miles locks himself in an upstairs

room and refuses to come out, he sets off a media frenzy. He also sets in motion a mesmerizing puzzle of a novel, one that harnesses acrobatic verbal playfulness to a truly affecting story. Miles communicates only by cryptic notes slipped under the door. We see him through the eyes of four people who barely know him, ranging from a precocious child to a confused elderly woman. But while the characters' wit and wordplay soar, their story remains profoundly grounded. As it probes our paradoxical need for both separation and true connection, *There but for the* balances cleverness with compassion, the surreal with the deeply, movingly real, in a way that only Ali Smith can.

fascinating fear of flying book from a commercial airline pilot and author of the popular website askthepilot.com. For millions of people, travel by air is a confounding, uncomfortable, and even frightening experience. When you go behind the scenes, however, you can see that the grand theater of air travel is actually fascinating. From the intricate design of airport architecture to the logistics of inflight service, here is everything you need to know about flying. Commercial airlines like to hide the truth from customers and do nothing to comfort nervous fliers. And what's scarier than the unknown? In this aviation book, pilot Patrick Smith breaks down that barrier and tells you everything you need to know about flying, including: How planes fly, and a

revealing look at the men and women who fly them Straight talk on turbulence, pilot training, and safety The real story on delays, congestion, and the dysfunction of the modern airport The myths and misconceptions of cabin air and cockpit automation Terrorism in perspective, and a provocative look at security Airfare, seating woes, and the pitfalls of airline customer service The true colors and cultures of the airlines we love to hate Cockpit Confidential is a thoughtful, funny, and at times deeply personal look into the strange and misunderstood world of commercial flying. If you liked other books about airplanes for adults, including Soar by Tom Bunn or Skyfaring, you'll find reassurance, humor, and guidance in Cockpit Confidential. "Anyone remotely

afraid of flying should read this book, as should anyone who appreciates good writing and great information." —The New York Times, on ASK THE PILOT
