Goodword Books

A highly respected Sufi saint and scholar of the 10th century, Ibn al-Husayn al-Sulami compiled this book as a guide to enlightened behavior for the spiritual aspirant. In its pages, he records the teachings of renowned spiritual masters (available for the first time in English translation) as well as tales and quotations from the Koran and Hadith. The teachings reveal the true meaning of compassion, love, friendship, generosity, and hospitality, as well as the right actions associated with these virtues. According to the Sufis, Futuwwah is a code of honorable behavior that follows

the example of the prophets, saints, and sages. By adhering to its precepts, the student learns detachment from the ego. The Way of Sufi Chivalry addresses the reader directly, providing the aspirant of today with living guidance on the path of perfection and the way of Sufism.

Due to popular demand for the first edition, Mark Batty Publisher proudly announces a reissue of this title in paperback. Because the book sets the record straight about how colonial powers suppressed the rich cultural and artistic histories of Afrikan alphabets, this title should appeal to individual readers as

well as schools and universities. Both entertaining and anecdotal, Afrikan Alphabets presents a wealth of highly graphical, attractive and inspiring illustrations. Writing systems across the Afrikan continent and the Diaspora are analyzed and illustrated; syllabaries, paintings, pictographs, ideographs and symbols are compared and contrasted. This colourful, extensively illustrated and informative visual journey will be of interest to everyone seeking inspiration from, or more information about, Afrikan culture and art.

 Throughout his life, Abu Bakr as-Siddiq (the Truthful) provided a role model to all those around him. Wishing only to earn the pleasure of Allah and His Messenger, he donated all his possessions in the way of Allah and was unswerving in his support of the blessed Prophet. This book presents his extraordinary life alongside with the Prophet Muhammad, peace be upon him. The other companions admitted that no one could outdo Abu Bak in exemplifying the true faith. His uprightness and sincerity earned him the honor of being the first Caliph of the Muslim world. He

served the people with the greatest humility, dying almost penniless at the age of sixty-three. This book brings to life the remarkable character of Abu Bakr from his birth onwards through the early years of Islam.

The Crisis of Muslim History CreateSpace

This book is about Abu Bakr, the first Caliph to rule the world of Islam after the Prophet Muhammad. More important than his achievements as a state leader was his close companionship with Prophet Muhammad, a relationship that earned him the name al Siddiq. He was the only Companion who was privileged to ride alongside the Prophet Muhammad in his great migration to Madina, a turning point

in the history of Islam. This book analyzes his exemplary life, his relationship with the Prophet, and his unique role in the birth period of Islam.

*Prophet Muhammad*

Darussalam

This book is about Aisha bint Abu Bakr, who was the beloved wife of the noble Prophet, the daughter of the blessed Prophet's best friend, Abu Bakr and the Mother of the Believers. She is one of the best examples for Muslims to look to for inspiration and her story sheds light on the life of the early Muslims and the Messenger of Allah. Prepared for young readers, the book delivers a life of love, dedication, and struggle. Devoted to the beloved Prophet

and to Islam, Aisha spent her life in the service of Allah. She was the best example of helping the poor and needy and giving charity. Together with the noble Prophet, she lived a simple life, fasting and praying constantly and often going without herself. She learned everything from the blessed Prophet and spent her time improving herself religiously. The Messenger of Allah chose to be with her during his final illness, preferring her company to that of anyone else. She looked after him devotedly and after his death, she dutifully spent her time teaching others about Islam to ensure it was practiced correctly. Aisha ensured that many of Allah's

Messenger's teachings were passed on so that we can benefit from them today. Her invaluable legacy will be a source of inspiration for Muslims until the end of time.

"Umar bin Khattab is one of the great

Companions of the Prophet and second Caliph of Islam. He was so firm in his practice of Islam that he usually could sense what was right or wrong before the Prophet had informed others of it. He used to say to his friends: if a mule stumbles near the Euphrates River, I fear being questioned by Allah as to why I had not paved the road for it. This book sheds light on the life and struggle of the greatest example of a just ruler. We should follow his footsteps to maintain justice in every walk of our life." -- Back of book.

Uthman ibn Affan was described by the beloved Prophet as the most generous, the most magnanimous,

Planet Omar: Epic Hero Flop Simon and Schuster

This is a new story of Islam. It is the story of the movement which was launched by Muhammad, the Messenger of God, in A.D. 610 in Makkah, and was consummated with the support of his cousin, collaborator and vicegerent, Ali ibn Abi Talib, in A.D. 632 in Medina. It covers a period of ninety years from A.D. 570 when he was born in Makkah, to A.D. 661 when his

successor, Ali ibn Abi Talib, was assassinated in Kufa. Countless histories of Islam have been written in the past and will be written in the future. The spectacular advance of Islam in the missionary field in our own times; the renaissance of the Muslim nations after many centuries of slumber; the obtrusion of oil as a new factor in world politics in this century; but above all and most recently, the success of the Islamic Revolution in Iran, all are acting, both in the east and in the west, as catalysts of a new interest in Islam. The Revolution in Iran, has, in fact, triggered a world-wide explosion of interest in Islam, and many new books are being written on the subject - both by Muslims and non-

Muslims...

*Atlas Al-sīrah Al-Nabawīyah* Goodword Books

In a comprehensive study of early Islamic history, Wilferd Madelung examines the conflict which developed after Muhammad's death for the leadership of the Muslim community. He pursues the history of this conflict through the reign of the four 'Rightly Guided' caliphs to its climax in the first inter-Muslim war. The outcome of the war, which marked the demise of the reign of the Early Companions, resulted in the lasting schism between Sunnite and Shi'ite Islam. Contrary to recent scholarly trends, the author brings out Ali's early claim to legitimate succession, which gained support

from the Shi'a, and offers a convincing reinterpretation of early Islamic history. This book will make a major contribution to the debate over succession. Wilferd Madelung's book *The Succession to Muhammad* has been awarded the Best Book of the Year prize by the Islamic Republic of Iran for the year 1997.

*Letters of Hadrat Abu Bakr Siddiq (R. A. A.)*

Age of Bliss

"My eyes have never seen anything better than you. No woman has ever given birth to anyone as beautiful as you. You were created free from all flaws. As if you were created exactly as you wished.

- Hassan Ibn Thabit (RA) Allah has never sent a Prophet except that Prophet had a beautiful face and a

beautiful voice. In the case of the Prophet Muhammad (PBUH) as Ali (RA) said, "I've never seen anything like him, before him or after him". However, as stunning as the Prophet Muhammad (PBUH) appearance was, his character was even more strikingly beautiful. Do you ever wonder what it would be like to be in the presence of Prophet Muhammad صلى الله عليه وسلم, as his companions were? What would it be like to see him, to host him in your home, pray behind him, and have him as a teacher and friend? Through 30 beautifully detailed chapters with narrations from companions, take a journey from only knowing about him to knowing him and

loving him and feel what it was like to be a companion of his in this life and strive to be companions of his in the next.

Abu Bakr As Siddiq - The First Caliph of Islam

"The works of Islamic mysticism are a crucial genre of Islamic piety, and the lives of the awliya (friends of God) have been and continue to be a crucial way in which the theoretical insights of Sufism are embodied and communicated to a wider audience. Traditionally, these genres would be deciphered by a living Sufi master. Here John Renard acts as our Sufi guide, transporting us to the marvelous world of Islamic piety."—Omid Safi,
