NEW YORK TIMES  
BESTSELLER • “A fascinating look at how consumers perceive logos, ads, commercials, brands, and products.”—Time How much do we know about why we buy? What truly influences our decisions in today’s message-cluttered world? In *Buyology*, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can “cool” brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? *Buyology* is a fascinating and shocking journey into the mind of today’s consumer that will

captivate anyone who’s been seduced—or turned off—by marketers’ relentless attempts to win our loyalty, our money, and our minds.

*Itty-Bitty Toys* Clarkson Potter

The recent discovery of crochet and knitting has exploded into a hot trend, and it’s steadily growing into a do-it-yourself fashion phenomenon.

Doris Chan responds to the call for handcrafted, fashion-forward designs with a collection of fresh and funky crochet attire. *AMAZING CROCHETED LACE* paves the way for design-conscious hipsters - and anyone who appreciates the beauty of vintage lace - to sport a unique crochet item. As fashion trends continue to cycle back in time to offer modern-day twists on traditional favourites, Chan’s vintage lace-inspired crochet designs are nothing less than fashion genius. Chan melds her unique knowledge of both crochet and vintage lace to create striking designs. *AMAZING CROCHET LACE* promises to inspire anyone who loves an original, exquisite look to pick up their crochet hooks and boast their skills with a stylish outfit. *Crewel Intentions* Meteor

## Books

8 knitting patterns and 10 musings that celebrate the knitter. This book includes knitted colorwork patterns using common knitting terms and abbreviations for the design elements. The words: knit, purl and yarn are some of the words used in these sport- and worsted-weight patterns which include a cowl, hat, pillow, sweater, skirt, tote bag, lanyard and poncho. All colorwork patterns are charted and patterns have multiple sizes and variations. This is the pattern book for a lover of all things knitting. A little kitschy, a little colorful but always fun!

Who knew you could actually knit without needles? Put down those complicated knitting projects that take forever to finish. *Knitting Without Needles* brings cool home, gifts, and clothing accessories--cowls, totes, rugs, poufs, scarves, and more--within arm's reach. An all-in-one resource for a new kind of craft, this book shows you how to loop yarn with your fingers or your forearms with thirty patterns that are simple to follow and produce stylish results. Best of all, many of them

knit up fast—in less than an hour! Even if you've never picked up knitting needles, you can easily master the techniques to make fun knits with kids and for kids (a princess crown, baby booties) and even last-minute gifts (a statement necklace for your fashionista friend). With stunning photography, plenty of step-by-step photos, and a detailed resource section, *Knitting Without Needles* is your go-to for a new way to knit.

*Wonder of the World*  
Hachette UK

A guide to all things needlepoint with over 200 needlepoint stitch diagrams and insight from a nationally recognized teacher and needlepoint writer.

*Crochet Ponchos* Currency  
Keeping to a theme started in *Crewel Twists*, this book continues the concept of using non-traditional techniques and materials in crewel or Jacobean embroidery. It showcases four large projects, each with an accompanying small project similar in technique, and shows needle workers how to be creative with threads, alternative stitches and beads. Traditional techniques are explained but are extended with the

use of bead embroidery, needle lace techniques, and stitches not normally used in crewel work. Many new needle lace and bead embroidery techniques are incorporated, and the book also explores weaving techniques used to create textures like twill and lace weaves, as well as patterns similar to tartan and houndstooth check. Every project is clearly explained with step-by-step instructions and lots of photographs, and the completed embroideries are once again displayed in ways that are both decorative and functional in the home. Templates of the original designs complete this magnificent source for creative embroidery.

Learn to crochet 20 different, adorable pairs of baby shoes quickly and easily. Looking for a unique baby gift? Here are twenty gorgeous shoes, booties, and pumps to crochet in a range of colors and styles, for both boys and girls. Choose from red strawberry-style shoes with flowery toes, smiley car shoes, Christmas booties, and even shoes shaped like frogs! Each pair of shoes requires relatively small quantities

of yarn and can be crocheted quickly, easily, and on the go using the clear instructions provided. Each project is accompanied by lists of the materials and equipment required and inspiring photographs. As all babies are different, sizes and age suggestions are given for each project, from birth to twelve months, but general advice is also given at the beginning of the book on how to increase or decrease the size of the projects.
