*My Friend Hitler and Other
Plays of Yukio Mishima*

Thomas Dunne Books
A rediscovered classic,
originally published in
1938 -- and now an
international bestseller.

Address Unknown When it
first appeared in Story
magazine in 1938,

Address Unknown became
an immediate social
phenomenon and literary
sensation. Published in
book form a year later
and banned in Nazi
Germany, it garnered high
praise in the United States
and much of Europe. A
series of fictional letters
between a Jewish art
dealer living in San
Francisco and his former
business partner, who has
returned to Germany,
Address Unknown is a
haunting tale of enormous
and enduring impact.

Dracula Vs. Hitler

Columbia University Press
Defying Hitler was written
in 1939 and focuses on
the year 1933, when, as
Hitler assumed power, its
author was a 25-year-old
German law student, in
training to join the
German courts as a junior
administrator. His book
tries to answer two

questions people have
been asking since the end
of World War II: "How
were the Nazis possible?"
and "Why did no one stop
them?" Sebastian
Haffner's vivid first-person
account, written in real
time and only much later
discovered by his son,
makes the rise of the
Nazis psychologically
comprehensible. "An
astonishing memoir... [a]
masterpiece." — Gabriel
Schoenfeld, The New York
Times Book Review "A
short, stabbing, brilliant
book... It is important,
first, as evidence of what
one intelligent German
knew in the 1930s about
the unspeakable nature of
Nazism, at a time when
the overwhelming
majority of his
countrymen claim to have
know nothing at all. And,
second, for its rare
capacity to reawaken
anger about those who
made the Nazis possible."
— Max Hastings, The
Sunday Telegraph
"Defying Hitler
communicates one of the
most profound and
absolute feelings of exile
that any writer has gotten
between covers." —
Charles Taylor, Salon
"Sebastian Haffner was
Germany's political
conscience, but it is only
now that we can read how
he experienced the Nazi

terror himself — that is a
memoir of frightening
relevance today." —
Heinrich Jaenicke, Stern
"The prophetic insights of
a fairly young man... help
us understand the plight,
as Haffner refers to it, of
the non-Nazi German." —
The Denver Post
"Sebastian Haffner's
Defying Hitler is a most
brilliant and imaginative
book — one of the most
important books we have
ever published." — Lord
Weidenfeld

Partners Inkshares
Featuring choice
selections from the core
anthologies The Columbia
Anthology of Modern
Japanese Literature: From
Restoration to
Occupation, 1868-1945,
and The Columbia
Anthology of Modern
Japanese Literature: From
1945 to the Present, this
collection offers a concise
yet remarkably rich
introduction to the fiction,
poetry, drama, and essays
of Japan's modern
encounter with the West.
Spanning a period of
exceptional invention and
transition, this volume is
not only a critical
companion to courses on
Japanese literary and
intellectual development
but also an essential
reference for scholarship
on Japanese history,

culture, and interactions with the East and West. The first half covers the three major styles of literary expression that informed Japanese writing and performance in the late nineteenth and early twentieth centuries: classical Japanese fiction and drama, Chinese poetry, and Western literary representation and cultural critique. Their juxtaposition brilliantly captures the social, intellectual, and political challenges shaping Japan during this period, particularly the rise of nationalism, the complex interaction between traditional and modern forces, and the encroachment of Western ideas and writing. The second half conveys the changes that have transformed Japan since the end of the Pacific War, such as the heady transition from poverty to prosperity, the friction between conflicting ideologies and political beliefs, and the growing influence of popular culture on the country's artistic and intellectual traditions. Featuring sensitive translations of works by Nagai Kafu, Natsume Soseki, Oe Kenzaburo, Kawabata Yasunari, Mishima Yukio, and many others, this

anthology relates an essential portrait of Japan's dynamic modernization.

The Book Thief

Sourcebooks, Inc. A groundbreaking and challenging examination of the social, cognitive, neurological, and biological roots of psychopathy, cruelty, and evil Borderline personality disorder, autism, narcissism, psychosis: All of these syndromes have one thing in common--lack of empathy. In some cases, this absence can be dangerous, but in others it can simply mean a different way of seeing the world. In *The Science of Evil* Simon Baron-Cohen, an award-winning British researcher who has investigated psychology and autism for decades, develops a new brain-based theory of human cruelty. A true psychologist, however, he examines social and environmental factors that can erode empathy, including neglect and abuse. Based largely on Baron-Cohen's own research, *The Science of Evil* will change the way we understand and treat human cruelty.

"Moving . . . a plot that surprises and devastates."—New York Times Book Review "A masterful epic."—People magazine "Mesmerizing . . . The Women in the Castle stands tall among the literature that reveals new truths about one of history's most tragic eras."—USA Today Three women, haunted by the past and the secrets they hold Set at the end of World War II, in a crumbling Bavarian castle that once played host to all of German high society, a powerful and propulsive story of three widows whose lives and fates become intertwined—an affecting, shocking, and ultimately redemptive novel from the author of the New York Times Notable Book *The Hazards of Good Breeding*. Amid the ashes of Nazi Germany's defeat, Marianne von Lingenfels returns to the once-grand castle of her husband's ancestors, an imposing stone fortress now fallen into ruin following years of war. The widow of a resister murdered in the failed July 20, 1944, plot to assassinate Adolf Hitler, Marianne plans to

uphold the promise she made to her husband's brave conspirators: to find and protect their wives, her fellow resistance widows. First Marianne rescues six-year-old Martin, the son of her dearest childhood friend, from a Nazi reeducation home. Together, they make their way across the smoldering wreckage of their homeland to Berlin, where Martin's mother, the beautiful and naive Benita, has fallen into the hands of occupying Red Army soldiers. Then she locates Ania, another resister's wife, and her two boys, now refugees languishing in one of the many camps that house the millions displaced by the war. As Marianne assembles this makeshift family from the ruins of her husband's resistance movement, she is certain their shared pain and circumstances will hold them together. But she quickly discovers that the black-and-white, highly principled world of her privileged past has become infinitely more complicated, filled with secrets and dark passions that threaten to tear them apart. Eventually, all three women must come to terms with the choices that have defined their lives before, during, and

after the war—each with their own unique share of challenges. Written with the devastating emotional power of *The Nightingale*, *Sarah's Key*, and *The Light Between Oceans*, Jessica Shattuck's evocative and utterly enthralling novel offers a fresh perspective on one of the most tumultuous periods in history. Combining piercing social insight and vivid historical atmosphere, *The Women in the Castle* is a dramatic yet nuanced portrait of war and its repercussions that explores what it means to survive, love, and, ultimately, to forgive in the wake of unimaginable hardship.

The Young Hitler I

Knew Plunkett Lake Press Organized chronologically, these poems provide an engaging portrait of an artist's life.

Breeze Through Bamboo HarperCollins

The internationally bestselling novel, inspiring the major film *Jojo Rabbit* now nominated for 6 Academy Awards, including Best Picture and Best Adapted Screenplay An extraordinary, strikingly original novel that reveals a world of truth and lies both personal and political, *Caging Skies* is told through the eyes of

Johannes Betzler, avid member of the Hitler Youth during World War II. Filled with admiration for the Fu'hrer and Nazi ideals, he is shocked to discover his parents are hiding a Jewish girl named Elsa behind a false wall in their home in Vienna. After he's disfigured in a raid, Johannes focuses more and more on his connection with the girl behind the wall. His initial horror and revulsion turn to interest—and then obsession. After his parents disappear, Johannes is the only one aware of Elsa's existence in the house, and he alone is responsible for her fate. Drawing strength from his daydreams about Hitler, Johannes plans for the end of the war and what it might mean for him and Elsa. The inspiration for the major film *Jojo Rabbit*, directed by Taika Waititi, *Caging Skies*, sold in twenty-two countries, is a work of rare power; a stylistic and storytelling triumph. Startling, blackly comic, and written in Christine Leunens's gorgeous, muscular prose, this novel, her US debut, is singular and unforgettable.

Account Rendered: A Dossier on my Former Self Columbia University Press *Account Rendered* was

first published in Germany in 1963 as *Fazit: Kein Rechtfertigungsversuch* or *Account Rendered: No attempt at justification*. Maschmann wrote to Hannah Arendt that her intent in writing this memoir was to help her former Nazi colleagues think about their actions, and to help others “better understand” why people like her had been drawn to Hitler. Written as a letter to an unnamed Jewish girl, this memoir details the trajectory of a socially-conscious, well-educated, middle-class girl as she joins the Hitler Youth, supervises the eviction of Polish farmers from their land and works in the high echelons of Nazi press and propaganda. Maschmann was arrested in 1945, at the age of 33, completed mandatory de-Nazification and became a freelance journalist. This eBook edition includes a new introduction explaining how the Publishers identified Maschmann’s high school Jewish friend, Marianne Schweitzer Burkenroad, born in 1918 and now living in California. In an afterword, she recounts for the first time her friendship with Maschmann and her reactions to *Account*

Rendered. Listen here to a conversation about this eBook on WAMC.

“[*Account Rendered* is an] important document of its time [...] I have the impression that you are totally sincere, otherwise I wouldn’t have written back to you.” —

letter from Hannah Arendt to Melita Maschmann “[A] soul-searching record in which [Melita Maschmann] attempts to state and understand her guilt as a Nazi... her account here is intelligent and convincing.” —Kirkus Reviews “There weren’t a lot of books by former Nazis in the Sixties. I found in [*Account Rendered*] someone who had been overtaken by history, was struggling to make sense of what no longer made sense, and to understand why it had once done so. In other books, the Jews were an abstraction. For Maschmann, the Jews were neighbors and friends, which complicated the process of dehumanization that she participated in. The memoir seemed believable and honest in ways that other testimonies from the defeated did not.” — Arthur Samuelson, former Editor-in-Chief, Schocken Books “Melita

Maschmann’s candid [book], sub-titled ‘No attempt at justification,’ is a valuable study of the political seduction of youthful zeal” — *Der Spiegel*

The Women in the Castle
Crown

Marsha Forchuk Skrypuch (author of *Making Bombs for Hitler* and *Stolen Girl*) delivers a gripping story about the bonds of friendship forged in the perils of war. In the grip of World War II, Maria has realized that her Nazi-occupied Ukrainian town is no longer safe. Though she and her family might survive, her friend Nathan, who is Jewish, is in grave danger. So Maria and Nathan flee -- into the heart of Hitler’s Reich in Austria. There, they hope to hide in plain sight by blending in with other foreign workers. But their plans are disrupted when they are separated, sent to work in different towns. With no way to communicate with Nathan, how can Maria keep him safe? And will they be able to escape Hitler’s web of destruction?

Hitler Plunkett Lake Press
“Every historical fiction novel should strive to be this compelling, well-researched and just flat-out good.” — Associated

Press For fans of *The Nightingale* and *The Handmaid's Tale*, *Cradles of the Reich* uncovers a topic rarely explored in fiction: the Lebensborn project, a Nazi breeding program to create a so-called master race. Through thorough research and with deep empathy, this chilling historical novel goes inside one of the Lebensborn Society maternity homes that existed in several countries during World War II, where thousands of "racially fit" babies were bred and taken from their mothers to be raised as part of the new Germany. At the Heim Hochland maternity home in Bavaria, three women's lives coverage as they find themselves there under very different circumstances. Gundi is a pregnant university student from Berlin. An Aryan beauty, she's secretly a member of a resistance group. Hilde, only eighteen, is a true believer in the cause and is thrilled to carry a Nazi official's child. And Irma, a 44-year-old nurse, is desperate to build a new life for herself after personal devastation. Despite their opposing beliefs, all three have everything to lose as they

begin to realize they are trapped within Hitler's terrifying scheme to build a Nazi-Aryan nation. A cautionary tale for modern times told in stunning detail, *Cradles of the Reich* uncovers a little-known Nazi atrocity but also carries an uplifting reminder of the power of women to set aside differences and work together in solidarity in the face of oppression. "Skillfully researched and told with great care and insight, here is a World War II story whose lessons should not—must not—be forgotten." — Susan Meissner, bestselling author of *The Nature of Fragile Things*
Shores Beyond Shores
 Knopf Books for Young Readers
 Britain, as the most powerful of the European victors of World War One, had a unique responsibility to maintain the peace in the aftermath of the Treaty of Versailles. The outbreak of a second, even more catastrophic war in 1939 has therefore always raised painful questions about Britain's failure to deal with Nazism. Could some other course of action have destroyed Hitler when he was still weak? In this highly disturbing new book, Ian

Kershaw examines this crucial issue. He concentrates on the figure of Lord Londonderry - grandee, patriot, cousin of Churchill and the government minister responsible for the RAF at a crucial point in its existence. Londonderry's reaction to the rise of Hitler-to pursue friendship with the Nazis at all costs-raises fundamental questions about Britain's role in the 1930s and whether in practice there was ever any possibility of preventing Hitler's leading Europe once again into war.

Caging Skies Harry N. Abrams

Hating the Japanese was simple before she met Sogoji. Pearl Harbor was bombed on Hazel Anderson's birthday and she's been on the lookout for enemies ever since. She scours the skies above Mount Hood with her binoculars, hoping to make some crucial observation, or uncover the hideout of enemy spies. But what she discovers instead is a 15-year-old orphan, hiding out, trying to avoid being sent to an internment camp. Sogoji was born in America. He's eager to help Hazel with the war effort. Is this lonely boy really the enemy? In this

thought-provoking story of patriotism, loyalty, and belonging, Hazel must decide what it means to be a true American, and a true friend.

"Escape... escape...
escape... by God!" was
his constant exhortation.
"Never mind hunger
pains, discomfort, or any
other agony. Let escape
become your passion,
your one and only
obsession until you finally
reach home." Shot down
over Berlin in 1941,
Richard Pape's saga of
captivity is a story of
courage unmatched in the
annals of escape. Four
escapes took him across
the breadth of German-
occupied Europe; to
Poland and
Czechoslovakia; to Austria
and Hungary. Aggressive
and impetuous, his
adventures sweep the
reader along on a torrent
of excitement.

Hitler, My Neighbor Knopf
Books for Young Readers
An eminent historian
recounts the Nazi rise to
power from his unique
perspective as a young
Jewish boy in Munich,
living with Adolf Hitler as
his neighbor. Edgar
Feuchtwanger came from

a prominent German-
Jewish family--the only
son of a respected editor
and the nephew of a best-
selling author, Lion
Feuchtwanger. He was a
carefree five-year-old,
pampered by his parents
and his nanny, when Adolf
Hitler, the leader of the
Nazi Party, moved into the
building opposite theirs in
Munich. In 1933 the joy of
this untroubled life was
shattered. Hitler had been
named Chancellor.
Edgar's parents, stripped
of their rights as citizens,
tried to protect him from
increasingly degrading
realities. In class, his
teacher had him draw
swastikas, and his
schoolmates joined the
Hitler Youth. Watching
events unfold from his
window, Edgar bore
witness to the Night of the
Long Knives, the
Anschluss, and
Kristallnacht. Jews were
arrested; his father was
imprisoned at Dachau. In
1939 Edgar was sent on
his own to England, where
he would make a new life,
a career, have a family,
and strive to forget the
nightmare of his past--a
past that came rushing
back when he decided, at
the age of eighty-eight, to
tell the story of his buried
childhood and his
infamous neighbor.

Cradles of the Reich

Frontline Books

August Kubizek met Adolf Hitler in 1904 while they were both competing for standing room at the opera. Their mutual passion for music created a strong bond, and over the next four years they became close friends.

Kubizek describes a reticent young man, painfully shy, yet capable of bursting into hysterical fits of anger if anyone disagreed with him. The two boys would often talk for hours on end; Hitler found Kubizek to be a very good listener, a worthy confidant to his hopes and dreams. In 1908 Kubizek moved to Vienna and shared a room with Hitler at 29

Stumpergasse. During this time, Hitler tried to get into art school, but he was unsuccessful. With his money fast running out, he found himself sinking to the lower depths of the city: an unkind world of isolation and constant unappeasable hunger. Hitler moved out of the flat in November, without leaving a forwarding address; Kubizek did not

meet his friend again until 1938. *The Young Hitler I Knew* tells the story of an extraordinary friendship, and gives fascinating insight into Hitler's character during these formative years. This is the first edition to be published in English since 1955 and it corrects many changes made for reasons of political correctness. It also includes important sections which were excised from the original English translation.

From the Country of

Eight Islands Columbia University Press

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Politics and the English Language*, the second in the Orwell's

Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's *Politics and the English Language* is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can - and must - be rediscovered with every age.' — Irish Times

Hitler Was My Friend

Random House

In this powerful expose about Hitler's secret funding, James Pool tells the full story of the financial calculation, exploitation, and greed at the core of the Third Reich--including startling revelations about those who provided Hitler with money and the moral support he needed. The current furor over Nazi money held in Swiss banks makes this book extremely timely. photos. Print reviews.
