HAILIE RANDY

Grammaire et littérature Penguin UK

A SUNDAY TIMES BOOK OF THE YEAR A TELEGRAPH BOOK OF THE YEAR 'A tour de force of scholarship, analysis and narration . . . Lloyd is well on the way to writing a definitive history of the First World War' Lawrence James, The Times 'This well-researched, well-written and cogently argued new analysis . . . will undoubtedly now take its rightful place as the standard account of this vital theatre of the conflict' Andrew Roberts, author of Churchill: Walking with Destiny _____ In the annals of military history, the Western Front stands as an enduring symbol of the folly and futility of war. However, as bestselling military historian Nick Lloyd reveals in this highly-praised history - the first of an epic trilogy -- the story is not one of pointlessness and stupidity, but rather a heroic triumph against the odds. With a cast of hundreds and a huge canvas of places and events, Lloyd tells the whole tale, revealing what happened in France and Belgium between August 1914 and November 1918 from the perspective of all the main combatants - including French, British, Belgian, US and, most importantly, German forces. Lloyd examines the most decisive campaigns of the Great War and explains the unprecedented innovation, adaptation and tactical development that have been too long obscured by legends of mud, blood and futility, drawing upon the latest scholarship on the war, wrongly overlooked first-person accounts, and archival material from every angle. Conveying the visceral assault of the battlefield with vivid detail, Lloyd ultimately redefines our understanding of a crucial theatre in this monumental tragedy. _____ 'Excellent on detail . . . Lloyd's book will be cherished by military history buffs' Max Hastings, Sunday Times 'It is the best modern single-volume history of war on the Western Front and is likely to remain the standard account for some time' Jonathan Boff, The Spectator
Dictionnaire de grammaire et de littérature ... Saint-Paul
These fascinating letters capture the most traumatic experience

of Ezra Pound's life, when he was incarcerated at the end of World War II and indicted for treason. Omar Pound and Robert Spoo have collected and edited the unpublished correspondence between the poet and his wife, combining it with military and FBI documents, previously unknown photographs, and an extensive, insightful introduction, to create the definitive work on this period of Pound's life. During his incarceration in a U.S. Army detention camp outside Pisa, Pound was allowed to write only to his wife, so these letters afford a unique look at a painful yet highly productive period, when Pound wrote his acclaimed *Pisan Cantos* and worked on his translations of Confucius. Readers will discover many fresh insights into the sources and contexts of the *Cantos* and the circumstances of their composition. Here, too, are many moving passages testifying to Pound's partnership with Dorothy and her courageous efforts to help him; her experiences no less than his come to life in this volume. But perhaps the most moving are the harsh conditions Pound found himself in: at one point, in the Pisan camp, he was confined for three weeks in an open air cage, until the sixty year old poet suffered a breakdown and was moved to a tent in the medical compound. The editors connect the anxious lyricism of the *Pisan Cantos* to these dramatic experiences, as the poet alternated "between savage indignation and suave serenity." The book also covers Pound's return to the United States and his confinement in a federal mental institution there. With more than 150 previously unpublished letters and documents, all authoritatively annotated, *Ezra and Dorothy Pound: Letters in Captivity, 1945-1946*, offers a rare glimpse into the life and work of one of our century's greatest literary figures.

This French medieval text is now published in its entirety, accompanied by an introduction and extensive synopses in English. Philippe de Mezieres (1327-1405) was a French soldier,

publicist and statesman who travelled widely through much of the Christian world and served a number of rulers, particularly the King of Cyprus and Charles V and VI of France. Throughout his life Philippe de Mezieres was obsessed by the ideal that the West must reform itself in the light of the Christian view of the good life and he urged all Christian rulers to join together in a final crusade to liberate the Holy Land and the eastern Christian empires. This is the underlying theme of *Le Songe du Vieil Pelerin*, Philippe de Mezieres' major work. It is divided into three parts: the first is a wide-ranging survey of the Christian world, the second an examination of the state of France and the third a study of the duties and requirements of authority. The style is highly allegorical but contains much personal observation and historical fact.

Grammaire et littérature OUP Oxford

'A glossary of colloquial Anglo-Indian words and phrases, and of kindred terms, etymological, historical, geographical and discursive.' Hobson-Jobson is a unique work of maverick scholarship. Compiled in 1886 by two India enthusiasts, it documents the words and phrases that entered English from Arabic, Persian, Indian, and Chinese sources - and vice versa. Described by Salman Rushdie as 'the legendary dictionary of British India' it shows how words of Indian origin were absorbed into the English language and records not only the vocabulary but the culture of the Raj. Illustrative quotations from a wide range of travel texts, histories, memoirs, and novels create a canon of English writing about India. The definitions frequently slip into anecdote, reminiscence, and digression, and they offer intriguing insights into Victorian attitudes to India and its people and customs. With its delight in language, etymology, and puns,

Hobson-Jobson has fascinated generations of writers from Rudyard Kipling to Tom Stoppard and Amitav Ghosh. This selected edition retains the range and idiosyncrasy of the original, and includes fascinating information on the glossary's creation and its significance for the English language. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further

study, and much more.
