I Know What You Did Last Summer Little, Brown Books for Young Readers

I Know You Did It Cambridge University Press

It's not fair. I do my homework. I clean my teeth twice a day. Why does everyone want to kill me? It's a dangerous life being the younger brother of the world's worst private detective, but Nick Diamond's survived... so far. He's due a holiday, so he should be happy when an invitation arrives for his brother Tim inviting him to a school reunion on a remote Scottish island and offering to pay him pound]1,000 for the pleasure. But Nick's got a bad feeling and it's not indigestion. And when he meets their fellow guests, the feeling only gets worse - especially when they start dying in ever more bizarre ways Could it be the Diamond Brothers' days are numbered? Flatiron Books

A New York Times bestseller! "Lively and absorbing. . ." — The New York Times Book Review "Engrossing." —Wall Street Journal "Entertaining and well-researched. . ." —Houston Chronicle

Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as *Forget the Alamo* definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery

papered over. *Forget the Alamo* provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

A True Story of Men Against the Sea Open Road Media

April Corrigan's life is turned upside-down when she when she learns that her father has been working secretly undercover for the FBI. When his testimony convicts a notorious drug dealer, the whole family must relocate and enter the Federal Witness Security Program. April's entire way of life changes--not just her name. And when she attempts to communicate with her boyfriend, an agent is killed. With thrills, chills, and a high-speed cross-country chase, master suspense writer Lois Duncan will leave readers breathless!

I Know What You Did Last Supper Little, Brown Books for Young Readers

Two favorite thrillers from #1 New York Times bestselling author Christopher Pike are now available in one bone-chilling collection. When Alison first got the chain letter signed "Your Caretaker," she thought it was a sick joke. But then it became clear that someone, somewhere knows about that awful night when she and six friends committed an unthinkable crime. And now that person is determined to make them pay. One by the one, the chain letter comes to each of them, demanding dangerous, impossible deeds. No one wants to believe that this nightmare is really happening, but then the accidents start. And the deaths. Finding the truth behind the stalker's identity seems to be the only option, but even that might not be enough. The Caretaker has a prodigy who is even more frightening than the first, and this time he wants more than retribution. He's out for blood.

A Novel Simon and Schuster

Out on the road helping Eddie practice for his driving test, Scott, Winks, and Cassie are horrified when Eddie accidentally hits and kills a pedestrian, and the four friends are soon keeping a terrible secret

What You Should Know About Science Scholastic Inc.

Do you have any idea what the people you know are capable of? Bestselling author of *All My Lies Are True*, Dorothy Koomson, asks

how well you can really know your neighbors. Fans of Lisa Jewell and Louise Candlish will rip through the pages of this addictive new thriller. What if all your neighbors' secrets landed in a diary on your doorstep? What if the woman who gave it to you was murdered by one of the people in the diary? What if the police asked if you knew anything? Would you hand over the book of secrets? Or ... would you try to find out what everyone had done? *I Know What You've Done* is the unputdownable thriller from the Queen of the Big Reveal. Readers love Dorothy Koomson: "Koomson just gets better and better" *Woman & Home* "An instantly involving psychological thriller" *Daily Telegraph* "This is devastatingly good" *Heat* "The suspense was on another level" *Black Girls Book Club* "Written with verve and insight" *Stylist* "We just couldn't put it down" *Closer*

Rhino What You Did Last Summer Simon and Schuster

From the moment Rachel's family takes in her orphaned cousin Julia, strange things start to happen. Rachel grows suspicious but soon finds herself alienated from her own life. Julia seems to have enchanted everyone to turn against her, leaving Rachel on her own to try and prove that Julia is a witch. One thing about Julia is certain-she is not who she says she is, and Rachel's family is in grave danger.

Social Networks and the Death of Privacy Simon and Schuster

NAMED FINANCIAL TIMES "TOP 10 BOOKS OF THE YEAR"*

NAMED EVENING STANDARD "BOOK OF THE YEAR"*

NAMED NEW STATESMAN "BEST BOOK OF 2017"*

A warm and intimate memoir by an acclaimed historian that explores the European struggles of the twentieth century through the lives, hopes, and dreams of a single family—his own. Uncovering their remarkable and moving stories, Mark Mazower recounts the sacrifices and silences that marked a generation and their descendants. It was a family which fate drove into the siege of Stalingrad, the Vilna ghetto, occupied Paris, and even into the ranks of the Wehrmacht. His British father was the lucky one, the son of Russian-Jewish emigrants who settled in London after escaping the Bolsheviks, civil war, and revolution. Max, the grandfather, had started out as a socialist and manned the barricades against Tsarist troops, never speaking a word about it afterwards. His wife Frouma came from a family ravaged by the Terror yet making their way in Soviet society despite it all. In the centenary of the Russian Revolution, *What You Did Not Tell* revitalizes the history of a socialism erased from memory--humanistic, impassioned, and broad-ranging in its sympathies. But it is also an exploration of the unexpected happiness that may await history's losers, of the power of friendship and the love of place that made his father at home in an England that no longer exists.

Author of I Know What You Did Last Summer Headline Review

On July 16, 1989, Kaitlyn Arquette was shot to death in

Albuquerque, New Mexico. The police gave up, but her mother would not . . . In this tragic memoir and investigation, Lois Duncan searches for clues to the murder of her youngest child, eighteen-year-old Kaitlyn Arquette. Duncan begins to suspect that the official police investigation of Kaitlyn's murder is inadequate when detectives ignore her daughter's accidental connection to organized crime in Albuquerque. When Duncan loses faith in the system, she reaches out to anyone that can help, including private investigators, journalists, and even a psychic. Written to inspire other families who have lost loved ones to unsolved crimes, *Who Killed My Daughter?* is a powerful testament to the tenacity of a mother's love. A heartbreaking personal account by an Edgar Award-winning author known for such books as *I Know What You Did Last Summer*, this is a true story with "all of the elements of a suspenseful mystery" (School Library Journal). This ebook features an illustrated biography of Lois Duncan including rare images and never-before-seen documents from the author's personal collection.

The Encyclopaedia Britannica Ballantine Books

The new guy at Tracy's school is handsome, intense, and desperately needs her help—but there's something about him that isn't quite right. High school junior Tracy Lloyd is unsure about the new guy in school. Brad Johnson is attractive, smart, and polite, but Tracy can't help but feel he watches her too closely. Then one day Brad confides in Tracy a horrible secret: His little sister Mindy has been kidnapped by his stepfather, and he needs Tracy's help to get her back. But even as Tracy commits to a plan to help her vulnerable new friend, details emerge that suggest nothing is what it seems. *The Twisted Window* is a zigzagging thriller that keeps readers guessing up until the final page. This ebook features an illustrated biography of Lois Duncan including rare images and never-before-seen documents from the author's personal collection.

The Rise and Fall of an American Myth Penguin UK

In 1970s New York, a woman finds professional success and personal disillusionment: "Sparkling . . . Looks back on the heyday of glossy magazine publishing." —Publishers Weekly One of the many Ivy League graduates with literary ambitions who flock to New York City every year, twenty-five-year-old Melissa Fleischer has the great fortune to be hired as the assistant to high-profile magazine editor Austin Bloch. But after she begins her career with the prestigious publication, Mel learns the extravagantly long

lunches her boss often indulges in are actually disguising his affairs with a stream of young women. Mel is left in the distressing position of lying about these never-ending betrayals to Austin's wife, Hillarie, who often calls while he is out of the office. Then, unexpectedly, the New Yorker begins printing Mel's short stories, offering a spectacular start to what she hopes will be a long and fruitful writing career. Unfortunately, the exhilaration of being published by the magazine she reveres most is soon diminished—by both Mel's deeply painful discovery that her own relationship, like Austin's, is far from idyllic, and her continuing complicity in Austin's betrayals. And nothing seems more difficult than the effort it will take to keep her marriage from falling apart in this novel by an author who "writes so brilliantly of the battle of the sexes" (The New York Times Book Review).

What We Did Flatiron Books

Presents the screenplay for the sequel to the popular horror film "I know what you did last summer," in which Julie, the survivor of the previous film, and her new friends face the return of an old danger while on vacation in the Caribbean.

You Did WHAT? Emereo Publishing

From the New York Times and international bestselling author of *Sometimes I Lie* comes a brand new, highly anticipated, dark and twisted thriller: *I Know Who You Are*. Meet Aimee Sinclair: the actress everyone thinks they know but can't remember where from. Except one person. Someone knows Aimee very well. They know who she is and they know what she did. When Aimee comes home and discovers her husband is missing, she doesn't seem to know what to do or how to act. The police think she's hiding something and they're right, she is—but perhaps not what they thought. Aimee has a secret she's never shared, and yet, she suspects that someone knows. As she struggles to keep her career and sanity intact, her past comes back to haunt her in ways more dangerous than she could have ever imagined. In *I Know Who You Are*, Alice Feeney proves that she is a master of brilliantly complicated plots and killer twists that will keep you guessing until the final page.

An Incomplete Compendium of Mostly Interesting Things Little Brown & Company

Hailed as "stunning" (New York Post), "authoritative" (Kirkus Reviews), and "comprehensively researched" (Shelf Awareness), a shocking exposé of the widespread abuses of our personal online data by a leading specialist on Web privacy. Social networks, the defining cultural movement of our time, offer many freedoms. But as we work and shop and date over the Web, we are opening ourselves up to intrusive privacy violations by employers, the police, and aggressive data collection companies that sell our information to any and all takers. Through groundbreaking research, Andrews reveals how routinely colleges reject applicants due to personal information searches, robbers use vacation postings to target homes for break-ins, and lawyers scour our social media for information to use against us in court. And the legal system isn't protecting us—in the thousands of privacy violations brought to trial, judges often rule against the victims. Providing expert advice and leading the charge to secure our rights, Andrews proposes a Social Network Constitution to protect us all. Now is the time to join her and take action—the very future of privacy is at stake. Log on to www.loriandrews.com to sign the Constitution for Web Privacy.

I Know What You've Done W. W. Norton & Company

Fame. Fortune. Screaming girls. The adoration of strangers. I've had it all before, yet nothing could have prepared this Horny Little Devil for his new life in the City of Angels. Sacked as the coach of the Andorra rugby team and on the run from the sister I never knew I had, I decided to head west, vowing to win back my wife and daughter from a risk assessor predicting economic doom for the world. Imagine my shock when I discovered that my old dear, on a nationwide book tour, was already busy charming America out of its collective elasticated pants. With Trevion, a 1991 Gulf War-veteran-turned-celebrity-Svengali, on my side, not to mention my brand new bromance with a gym instructor called Harvey, I was determined to become more famous than even her. But one nose job and one abdominal resculpt later, I no longer knew where reality ended and reality TV began ...
