Secrets Quadrillion Media LLC

A magnificent example of Widmer's characteristic humor, literary genius, and unparalleled imagination. In the wildly entertaining novel *The Blue Soda Siphon*, the narrator unexpectedly finds himself back in the world of his childhood: Switzerland in the 1940s. He returns to his childhood home to find his parents frantic because their son is missing. Then, in another switch, the young boy that he was back then turns up in the present of the

early 1990s, during the Gulf War, where he meets himself as an older man, and meets his adult self's young daughter. These head-scratching, hilarious time shifts happen when both the adult narrator and his childhood self go to the cinema and see films, the subjects of which echo their own lives. Translated into English for the first time by Donal McLaughlin, this novel, in which the eponymous blue soda siphon bottle is a recurring symbol, is a magnificent example of Urs Widmer's characteristic humor, literary genius, and unparalleled imagination.

Merlin's Magnificent Magic Shop Delta Systems

Uses art and artifacts to examine the world of the Roman Empire from its political and religious structure to its cultural characteristics.

Write Dance Parkstone Press

Seven short stories from the Philippines.

[Getting through in business](#) Paw Prints

An in-depth look at how people lived in the past, from the Cro-Magnon era to the Middle Ages and the Renaissance.

The Witches of Pendle Delta Systems Company Incorporated

This title explores the era of the Aztecs, and uses essential facts and engaging imagery to give the reader an understanding of this period in history. The reader will learn about significant people, events and places, as well as everyday lives and customs, of this ancient civilization.

Schubitrix Oxford University

A gallery of paintings by Spanish-born painter Pablo Picasso (1881-1973) which explores his major periods, including his blue and pink periods, and his work in Cubism.

The Queen of Death DK Children

Witches are dangerous. They can kill you with a look, or a word. They can send their friend the Devil after you in the shape of a dog or a cat. They can make a clay picture of you, then break it . . . and a few weeks later you are dead. Today, of course, most people don't believe in witches. But in 1612 everybody was afraid of them. Young Jennet Device in Lancashire knew a lot about them because she lived with the Witches of Pendle. They were her family. . .

The President's Murderer SAGE Publications

The International Space Station is the most exciting and ambitious space travel project created since man landed on the Moon. Besides the United States and Canada, many other participants are working on this project, including Russia, Japan and the European Space Administration. Readers learn about life and research work on the Space Station and its enormous scientific value to mankind.

Dragon Rock TickTock Books

The President is dead! A man is running in the night. He is afraid and needs to rest. But there are people behind him - people with lights, and dogs, and guns. A man is standing in front of a desk. His boss is very angry, and the man is tired and needs to sleep. But first he must find the other man, and bring him back - dead or alive. Two men: the hunter and the hunted. Which will win and which will lose? Long live the President!

Darkling Little Island Books

First published Macmillan, 1990. Jason's life is getting better and better. He's passed his first-year exams in college, has a girlfriend who loves him, saved enough money to buy a car and likes his mother's boyfriend. However life is disrupted when his si

The Eyes of Montezuma DK Publishing (Dorling Kindersley)

Insects & Spiders Seagull Library of German

Anna is on holiday in Egypt with her mother and Lucretia, her cat. One day they visit the Pyramids, and Lucretia becomes a star in a cat food advertisement. But cats are not usually very good actors, and Lucretia gets bored and disappears into a pyramid. Then Anna's adventure really starts.

Windows to Our Children Konemann

Darkling is ragged and wild, but Jenny can't help falling for him. As soon as her grandfather buys the chestnut colt, she is thrilled. But a racing colt turns out to be a frightening responsibility - especially one as temperamental as Darkling . . .

Lilli the Witch - Magic Homework Oxford University

"McKee's gentle humor and love of irony are in full force in this celebration of individuality and laughter." --Publishers Weekly
 Elmer the elephant is bright-colored patchwork all over. No wonder the other elephants laugh at him! If he were ordinary elephant color, the others might stop laughing. That would make Elmer feel better, wouldn't it? David McKee's comical fable about everyone's favorite patchwork elephant teaches readers to be themselves and celebrates the power of laughter.

For the first time this book provides a comprehensive diagnostic for all different methods in psychotherapy. Because of the individual approaches and structures this could not be realized until now. Experts of seventeen schools-of-thought came together at a round table and drew up guidelines for the daily work of psychotherapists. The result is documented in this book, containing a summary of relevant standard questions; it also includes methodological commentaries for practical implementation. Despite the individual approach of the different types of psychotherapies, this psychotherapeutic diagnostic is applicable for all psychotherapists.

Grammar for communication

When originally published, this book filled a void in child therapy literature. Counselors and therapists, in schools, mental health centers and private practice, embraced this book. It is the largest selling book on the subject in the world. This brand-new 2nd edition includes over 300 pages of methods, materials, and techniques for working with children and adolescents. Also included are session transcripts, case examples and discussions. This edition includes a new introduction by Oaklander's long-time professional colleague and friend Christiane Elsbree and concludes with an in-depth interview with Oaklander by Elsbree.
