Mr. Popper and his family have penguins in the fridge and an ice rink in the basement in this hilarious Newbery Honor book that inspired the hit movie! How many penguins in the house is too many? Mr. Popper is a humble house painter living in Stillwater who dreams of faraway places like the South Pole. When an explorer responds to his letter by sending him a penguin named Captain Cook, Mr. Popper and his family's lives change forever. Soon one penguin becomes twelve, and the Poppers must set out on their own adventure to preserve their home. First published in 1938, Mr. Popper's Penguins is a classic tale that has enchanted young readers for generations. This ebook features an illustrated biography of Richard and Florence Atwater including rare photos from the authors' estate.

*Mr. Popper's Penguins* Harper Collins

A micro-preemie fights for survival in this extraordinary and gorgeously told memoir by her parents, both award-winning journalists. Juniper French was born four months early, at 23 weeks' gestation. She weighed 1 pound, 4 ounces, and her twiggy body was the length of a Barbie doll. Her head was smaller than a tennis ball, her skin was nearly translucent, and through her chest you could see her flickering heart. Babies like Juniper, born at the edge of viability, trigger the question: Which is the greater act of love -- to save her, or to let her go? Kelley and Thomas French chose to fight for Juniper's life, and this is their incredible tale. In one exquisite memoir, the authors explore the border between what is possible and what is right. They marvel at the science that conceived and sustained their daughter and the love that made the difference. They probe the bond between a mother

and a baby, between a husband and a wife. They trace the journey of their family from its fragile beginning to the miraculous survival of their now thriving daughter.

**Indestructibles: Old MacDonald Had a Farm** Workman Publishing

Presents illustrations of where food comes from, eating places, etiquette, and equipment, and people eating meals, thinking about food, and performing food tricks.

*Indestructibles: Baby, Let's Eat!*

Workman Publishing

Don't miss one of America's top 100 most-loved novels, selected by PBS's The Great American Read. This beloved book by E. B. White, author of *Stuart Little* and *The Trumpet of the Swan*, is a classic of children's literature that is "just about perfect." Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig. Humble. Radiant. These are the words in *Charlotte's Web*, high up in Zuckerman's barn. *Charlotte's spiderweb* tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's *Stuart Little* and Laura Ingalls Wilder's *Little House* series, among many other books. Whether enjoyed in the classroom or for homeschooling or independent reading, *Charlotte's Web* is a proven favorite.

*I Will Not Eat You* Knopf Books for Young Readers

The sky is blue—and so are blueberries!

Tomatoes are red, just like ladybugs and stop signs! Flowers and giraffes are yellow—school buses, too! See all the colors in a book that’s indestructible! Indestructibles is the trusted series for easing little ones into story time. Beloved by babies and their parents, Indestructibles are built for the way babies “read” (i.e., with their hands and mouths) and are: Rip Proof—made of ultra-durable tight-woven material Waterproof—can be chewed on, drooled on, and washed! Emergent Literacy Tool—bright pictures and few or no words encourage dialogic reading Portable—lightweight books can go anywhere, perfect for the diaper bag and for travel Safe for Baby—meets ASTM safety standards

#### Let's Eat! Running Press Adult

Widely considered the leading book involving nutrition and feeding infants and children, this revised edition offers practical advice that takes into account the most recent research into such topics as: emotional, cultural, and genetic aspects of eating; proper diet during pregnancy; breast-feeding versus; bottle-feeding; introducing solid food to an infant's diet; feeding the preschooler; and avoiding mealtime battles. An appendix looks at a wide range of disorders including allergies, asthma, and hyperactivity, and how to teach a child who is reluctant to eat. The author also discusses the benefits and drawbacks of giving young children vitamins.

#### *Dishing Up the Dirt* Workman Publishing

Some things about babies, happily, will never change. They still arrive warm, cuddly, soft, and smelling impossibly sweet. But how moms and dads care for their brand-new bundles of baby joy has changed—and now, so has the new-baby bible. Announcing the completely

revised third edition of *What to Expect the First Year*. With over 10.5 million copies in print, *First Year* is the world’s best-selling, best-loved guide to the instructions that babies don’t come with, but should. And now, it’s better than ever. Every parent’s must-have/go-to is completely updated. Keeping the trademark month-by-month format that allows parents to take the potentially overwhelming first year one step at a time, *First Year* is easier-to-read, faster-to-flip-through, and new-family-friendlier than ever—packed with even more practical tips, realistic advice, and relatable, accessible information than before. Illustrations are new, too. Among the changes: Baby care fundamentals—crib and sleep safety, feeding, vitamin supplements—are revised to reflect the most recent guidelines. Breastfeeding gets more coverage, too, from getting started to keeping it going. Hot-button topics and trends are tackled: attachment parenting, sleep training, early potty learning (elimination communication), baby-led weaning, and green parenting (from cloth diapers to non-toxic furniture). An all-new chapter on buying for baby helps parents navigate through today’s dizzying gamut of baby products, nursery items, and gear. Also new: tips on preparing homemade baby food, the latest recommendations on starting solids, research on the impact of screen time (TVs, tablets, apps, computers), and “For Parents” boxes that focus on mom’s and dad’s needs. Throughout, topics are organized more intuitively than ever, for the best user experience possible.

**Let's Get Pizza** Simon and Schuster  
Hug, kiss, nuzzle, snuggle, bounce, rock: There are so many ways to show your love to baby! Share the love on each

spread with simple text prompts and adorable illustrations of baby animals and their families, from cats to bears to bunnies. With over two million copies in print, *Indestructibles* are the books built for the way babies read. They are 100 percent baby-proof, chew-proof, rip-proof, and drool-proof. Printed on a unique nontoxic, paperlike material that holds up to anything babies can throw at it—gumming, spilling, dragging across the floor—*Indestructibles* are the little books that could. They're indestructible. And if they get dirty, just throw them in the dishwasher.

*Indestructibles: This Little Piggy*  
Workman Publishing

A baby sister must wait to grow up before doing big sister things, such as ballet dancing and eating spicy Korean food.

*Indestructibles: Love You, Baby* Penguin  
Every day at two o'clock, Antonio and his family eat together at the big wooden table that Papa made. Antonio's mother is happy when everyone is there, talking, eating, sharing. Then each day for a week someone is missing from the table, and Antonio goes looking ...

*Let's Eat!* Workman Publishing Company  
Bear meets sandwich, adventure ensues. . . . An irresistible treat for fans of Jon Klassen, Peter Brown, and Mo Willems. By now I think you know what happened to your sandwich. But you may not know how it happened. So let me tell you. It all started with the bear . . . So begins Julia Sarcone-Roach's delicious tale of a bear, lost in the city, who happens upon an unattended sandwich in the park. The bear's journey from forest to city and back home again is full of happy accidents, funny encounters, and sensory delights. The story is so engrossing, it's not until the very end that we begin to suspect this is a TALL

tale. The wonderfully told story, spectacular illustrations, and surprise ending make this Julia Sarcone-Roach's best book to date. You'll want to share it with your friends (and keep a close eye on your lunch). Praise for *The Bear Ate Your Sandwich*: \*\*\*Winner of an Ezra Jack Keats New Writer Honor Award!\*\*\* "This story is mischief-making at its finest. And just like a good sandwich, it's hard to resist." - Book Page "Charming" — The Wall Street Journal "While the bear storyline is entertaining in itself, the ending twist will equally delight kids who love to spot untruths, and a second reading for hints as to the narrator's credibility may well be in order." — The Bulletin of the Center for Children's Books, Starred review

It's the little series that could:

*Indestructibles* are innovative books built for the way babies read. Printed on a unique, nontoxic, paperlike material that holds up to anything babies throw at them, *Indestructibles* are rip proof, chew proof, drool proof and gum proof.

They're 100% baby safe—and they're washable. When a book gets dirty, just throw it in the dishwasher or washing machine, and voilà, the book is back and ready for more. Featuring the second set of titles by Kate Merritt, whose distinctive and colorful collage illustrations are as adorable to parents

as they are to babies, here is a new *Indestructibles* that is a joy to read aloud. *Baby Night-Night* makes the bedtime ritual—putting on pajamas, reading a story, and the good-night kiss—a special time for parents and children. Simple, engaging text encourages language development, and each spread is filled with sweet details. *Born to Eat* Workman Publishing Company

“A must-read . . . Takes you inside a child’s gut and shows you how to give kids the best immune start early in life.” —William Sears, MD, coauthor of *The Baby Book* Like the culture-changing *Last Child in the Woods*, here is the first parenting book to apply the latest cutting-edge scientific research about the human microbiome to the way we raise our children. In the two hundred years since we discovered that microbes cause infectious diseases, we’ve battled to keep them at bay. But a recent explosion of scientific knowledge has led to undeniable evidence that early exposure to these organisms is beneficial to a child’s well-being. Our modern lifestyle, with its emphasis on hyper-cleanliness, is taking a toll on children’s lifelong health. In this engaging and important book, microbiologists Brett Finlay and Marie-Claire Arrieta explain how the trillions of microbes that live in and on our bodies influence childhood development; why an imbalance of those microbes can lead to obesity, diabetes, and asthma, among other chronic conditions; and what parents can do—from conception on—to positively affect their own behaviors and those of their children. They describe how natural childbirth, breastfeeding, and solid foods influence children’s microbiota. They also offer practical advice on matters such as whether to

sterilize food implements for babies, the use of antibiotics, the safety of vaccines, and why having pets is a good idea. Forward-thinking and revelatory, *Let Them Eat Dirt* is an essential book in helping us to nurture stronger, more resilient, happy, and healthy kids.

**Indestructibles: Taste the Fruit! (High Color High Contrast)** Ballantine Books

“Trillin is our funniest food writer. He writes with charm, freedom, and a rare respect for language.” —New York magazine In this delightful and delicious book, Calvin Trillin, guided by an insatiable appetite, embarks on a hilarious odyssey in search of “something decent to eat.” Across time zones and cultures, and often with his wife, Alice, at his side, Trillin shares his triumphs in the art of culinary discovery, including Dungeness crabs in California, barbecued mutton in Kentucky, potato latkes in London, blaff d’oursins in Martinique, and a \$33 picnic on a no-frills flight to Miami. His eating companions include Fats Goldberg, the New York pizza baron and reformed blimp; William Edgett Smith, the man with the Naughahyde palate; and his six-year-old daughter, Sarah, who refuses to enter a Chinese restaurant unless she is carrying a bagel (“just in case”). And though Alice “has a weird predilection for limiting our family to three meals a day,” on the road she proves to be a serious eater—despite “seemingly uncontrollable attacks of moderation.” Alice, *Let Eat* amply demonstrates why *The New Republic* called Calvin Trillin “a classic American humorist.” “One of the most brilliant humorists of our times . . . Trillin is guaranteed good reading.” —*Charleston Post and Courier* “Read Trillin and laugh out loud.” —*Time* *Let’s Eat!* Bloomsbury Publishing USA

Count with farm animals in a book that's indestructible. Find the numbers and say the rhyme—all the way up way up to ten! Count the animals—one, two, three! See how many ponies neigh and how many puppies play! Indestructibles is the trusted series for easing little ones into story time. Beloved by babies and their parents, Indestructibles are built for the way babies "read" (i.e., with their hands and mouths) and are: Rip Proof—made of ultra-durable tight-woven material Waterproof—can be chewed on, drooled on, and washed!
