Financial Planning Using

Excel Createspace  
Independent Publishing  
Platform

Do you sometimes ask yourself where your money goes? Experts are always telling us that to get a handle on our spending we must keep a record of our expenses. We'd love to help make it easy for you with our Daily Spending Log Book. Simple, user-friendly and easy to fill out, it includes the following fields:- Date, Description, Quantity, Amount, Payment Method, Comments- Space for log to be checked and confirmed Figure out where you stand with your daily expenses and change the way you think and behave about spending. You'll love our log book even more with these features and benefits: - VERSATILE USE -Whether for business, personal finance bookkeeping, budgeting or money management, it's the perfect tool to experience the overall concept and understand how day-to-day spending fits into the big picture.- USEFUL & CONVENIENT - You can't beat a book like this. It doesn't need batteries, doesn't take you time to log in and you can take it anywhere with you. Get started immediately, without having to wade through and learn a bunch of software options. You can

keep track of your daily expenses from buying a frappe to recording your cab fare. Anywhere, anytime.- IT'S BUILT TO LAST- The sturdy cover is made of tough paperback with strong, secure professional trade binding so the pages won't fall out after a few months of use.- WELL-CRAFTED INTERIOR- We used only thick, white paper to avoid ink bleed-through. The lines are printed, clear, thin and soft gray for easy visibility and less visual distractions when you are reading or writing.- PERFECT SIZE- With its 8.5" x 11" dimensions, almost the same width as A4 but shorter in height, you can squeeze it into a bag with ease. It's the perfect size- easy to carry!- COOL COVERS!- To top it all, we have an array of cover designs for you to choose from. Get inspired by our collection of truly creative book covers. Besides being able to explain how your paycheck flies out the door, you'll also see if you are spending on what's important to you. Once you have figured out what you really want out of life (your long-term financial goals), then you'll be able to make sure more money goes to that, and less to

unimportant things. We stand for quality and aim to provide the best writing experience with our notebooks. Start tracking your daily expenses and keep your budget up to date. Get a copy today!

 The easy way to get a grip

on cost accounting Critical in supporting strategic business decisions and improving profitability, cost accounting is arguably one of the most important functions in the accounting field. For business students, cost accounting is a required course for those seeking an accounting degree and is a popular elective among other business majors. Cost Accounting For Dummies tracks to a typical cost accounting course and provides in-depth explanations and reviews of the essential concepts you'll encounter in your studies: how to define costs as direct materials, direct labor, fixed overhead, variable overhead, or period costs; how to use allocation methodology to assign costs to products and services; how to evaluate the need for capital expenditures; how to design a budget model that forecast changes in costs based on expected activity levels; and much more. Tracks to a typical cost accounting course Includes practical, real-world examples Walks you through homework problems with detailed, easy-to-understand answers If you're currently enrolled in a cost accounting course,

this hands-on, friendly guide gives you everything you need to master this critical aspect of accounting.

date. Get a copy today! *Daily Spending Log Book* "O'Reilly Media, Inc." Renowned Excel experts Bill Jelen (MrExcel) and Tracy Syrstad explain how to build more powerful, reliable, and efficient Excel spreadsheets. Use this guide to automate virtually any routine Excel task: save yourself hours, days, maybe even weeks. Make Excel do things you thought were impossible, discover macro techniques you won't find anywhere else, and create automated reports that are amazingly powerful. Bill Jelen and Tracy Syrstad help you instantly visualize information to make it actionable; capture data from anywhere, and use it anywhere; and automate the best new features in Excel 2019 and Excel in Office 365. You'll find simple, step-by-step instructions, real-world case studies, and 50 workbooks packed with examples and complete, easy-to-adapt solutions. By reading this book, you will: Quickly master Excel macro development Work more efficiently with ranges, cells, and formulas Generate automated reports and quickly adapt them for new requirements Learn to automate pivot tables

to summarize, analyze, explore, and present data Use custom dialog boxes to collect data from others using Excel Improve the reliability and resiliency of your macros Integrate data from the internet, Access databases, and other sources Automatically generate charts, visualizations, sparklines, and Word documents Create powerful solutions with classes, collections, and custom functions Solve sophisticated business analysis problems more rapidly About This Book For everyone who wants to get more done with Microsoft Excel in less time For business and financial professionals, entrepreneurs, students, and others who need to efficiently manage and analyze data [Daily Expense Sheet Template](#) Wiley-Interscience The world's most popular spreadsheet program is now more powerful than ever, but it's also more complex. That's where this Missing Manual comes in. With crystal-clear explanations and hands-on examples, *Excel 2013: The Missing Manual* shows you how to master Excel so you can easily track, analyze, and chart your data. You'll be using

new features like PowerPivot and Flash Fill in no time. The important stuff you need to know: Go from novice to ace. Learn how to analyze your data, from writing your first formula to charting your results. Illustrate trends. Discover the clearest way to present your data using Excel's new Quick Analysis feature. Broaden your analysis. Use pivot tables, slicers, and timelines to examine your data from different perspectives. Import data. Pull data from a variety of sources, including website data feeds and corporate databases. Work from the Web. Launch and manage your workbooks on the road, using the new Excel Web App. Share your worksheets. Store Excel files on SkyDrive and collaborate with colleagues on Facebook, Twitter, and LinkedIn. Master the new data model. Use PowerPivot to work with millions of rows of data. Make calculations. Review financial data, use math and scientific formulas, and perform statistical analyses.

Beginning Excel, First Edition AdvisorPress  
From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a

reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party

**Praise for Ask a Manager**  
 “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you

work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*
