Simon and Schuster  
Willi Kraus, the celebrated WWI and detective, returns in this prequel story about how he became the most famous Jewish Detective in Germany in the days of the Weimar Republic In Paul Grossman's Children of Wrath Willi Kraus tackles the case of the Kinderfresser, the vicious Child-Eater of Berlin. Turning the clock back two years from The Sleepwalkers, the story starts out in the fall of 1929, the last days of prosperity. Berlin is deep in the throes of a giddy rush to forget its troubled past. But the same day the stock market crashes in New York, the dark underside of the German capital flushes to the surface in the form of a burlap sack spewed by floodwaters from the city sewer system. When Willi is called to investigate and discovers the sack is full of children's bones with teeth marks on them--and a bible with a single phrase circled in red: children of wrath--he fears he's run into "something darker than he's ever known."

Feiwel & Friends  
Der Lausbub Ludwig Thoma hält sein bayerisches Heimatdorf schwer in Atem: Mit seinen Streichen treibt er hochnäsige Preußen, seinen Lehrer Falkenberg alias Kindlein sowie nörgelnde Verwandte wie die Tante Frieda schier zur Verzweiflung. Herrlich zu lesen, voller Ironie, streckenweise durchaus boshaft und natürlich mit einer tüchtigen Prise bayerischen Lokalkolorits! Ludwig Thoma, 1867 in Oberammergau als Sohn eines Försters geboren, war zunächst als Rechtsanwalt tätig. Um die Jahrhundertwende wurde er Redakteur beim "Simplicissimus" und lebte ab 1907 bis zu seinem Tod 1921 als freier Schriftsteller am Tegernsee. Durch seine Romane, Theaterstücke und Erzählungen ist er weit über Bayern hinaus bekannt geworden.

**The Ludwig Conspiracy** Houghton Mifflin Harcourt INTERNATIONAL BESTSELLER In this utterly charming debut—perfect for fans of Cecelia Ahern's P.S., I Love You and Allison Winn Scotch's Time of My Life—one woman sets out to complete her old list of childhood goals, and finds that her lifelong dreams lead her down a path she never expects. 1. Go to Paris 2. Have a baby, maybe two 3. Fall in love Brett Bohlinger seems to have it all: a plum job, a spacious loft, an irresistibly handsome boyfriend. All in all, a charmed life. That is, until her beloved mother passes away, leaving behind a will with one big stipulation: In order to receive her inheritance, Brett must first complete the life list of goals she'd written when she was a naïve girl of fourteen. Grief-stricken, Brett can barely make sense of her mother's decision—her childhood dreams don't resemble her ambitions at age thirty-four in the slightest. Some seem impossible. How can she possibly have a relationship with a father who died seven years ago? Other goals (Be an awesome teacher!) would require her to reinvent her entire future. As Brett reluctantly embarks on a perplexing journey in search of her adolescent dreams, one thing becomes clear. Sometimes life's sweetest gifts can be found in the most unexpected places. #### Red Queen

Titan Books  
This book presents, or rather "re-presents", the intricacies of a developing economy in the light of recent theoretical developments in economics while also providing a fresh perspective on the perceived inadequacies of the discipline in addressing the discontents of the contemporary global economic order. The book argues that there is scope for economics to be a more humane discipline and more relevant to contemporary economic problems by embracing new ideas, including those from other disciplines. It attempts to show how economic concepts and theories can be contextualised to help better understand real-life

economic phenomena; how to rethink the ways in which the market economy can address the moral issues of human wellbeing and social justice; and, overall, how the study of economics and public discourses on economic issues can be made more engaging as well as more relevant to the problems of developing countries. Based on public lectures given by the author in Dhaka, and using illustrations from Bangladesh, India and other countries, the book offers an authoritative understanding of diverse economic realities by taking a fresh look at the familiar. Comprehensive and accessible, the book will be of interest to students and researchers of economics, development economics and policy, sociology and business studies as well as to journalists, public intellectuals and policymakers in developing countries.

The Meaning of Liff has sold hundreds of thousands of copies since it was first published in 1983, and remains a much-loved humour classic. This edition has been revised and updated, and includes The Deeper Meaning of Liff, giving fresh appeal to Douglas Adams and John Lloyd's entertaining and witty dictionary. In life, there are hundreds of familiar experiences, feelings and objects for which no words exist, yet hundreds of strange words are idly loafing around on signposts, pointing at places. The Meaning of Liff connects the two. BERRIWILLOCK (n.) - An unknown workmate who writes 'All the best' on your leaving card. ELY (n.) - The first, tiniest inkling that something, somewhere has gone terribly wrong. GRIMBISTER (n.) - Large body of cars on a motorway all travelling at exactly the speed limit because one of them is a police car. KETTERING (n.) - The marks left on your bottom or thighs after sunbathing on a wickerwork chair. OCKLE (n.) - An electrical switch which appears to be off in both

positions. WOKING (ptcpl.vb.) - Standing in the kitchen wondering what you came in here for.

Commissaire Dupin is back in The Fleur de Sel Murders, this Brittany mystery from international bestselling author Jean-Luc Bannalec. The old salt farmers have always said that the violet scent of the Fleur de Sel at harvest time on the salt marshes of the Guérande Peninsula has been known to cause hallucinations. Commissaire Dupin also starts to believe this when he's attacked out of the blue in the salt works. He had actually been looking forward to escaping his endless paperwork and taking a trip to the “white country” between the raging Atlantic Ocean and idyllic rivers. But when he starts snooping around mysterious barrels on behalf of Lilou Breval, a journalist friend, he finds himself unexpectedly under attack. The offender remains a mystery, and a short time later, Breval disappears without a trace. It is thanks to his secretary Nolwenn and the ambition of the prefect that Dupin is assigned to the case. But he won't be working alone because Sylvaine Rose is the investigator responsible for the department—and she lives up to her name... What's going on in the salt works? Dupin and Rose search feverishly for clues and stumble upon false alibis, massive conflicts of interest, personal feuds—and ancient Breton legends.
