ALEJANDRO NAVARRO

Red Badge of Courage Forgotten Books
 A New York Times Notable Book of 2020
 How do we read William Faulkner in the
 twenty-first century? asks Michael Gorra,
 in this reconsideration of Faulkner's life
 and legacy. William Faulkner, one of
 America's most iconic writers, is an author
 who defies easy interpretation. Born in
 1897 in Mississippi, Faulkner wrote such
 classic novels as *Absolom, Absolom!* and
The Sound and The Fury, creating in
 Yoknapatawpha county one of the most
 memorable gallery of characters ever
 assembled in American literature. Yet, as
 acclaimed literary critic Michael Gorra
 explains, Faulkner has sustained justified
 criticism for his failures of racial

nuance—his ventriloquism of black
 characters and his rendering of race
 relations in a largely unreconstructed
 South—demanding that we reevaluate the
 Nobel laureate's life and legacy in the
 twenty-first century, as we reexamine the
 junctures of race and literature in works
 that once rested firmly in the American
 canon. Interweaving biography, literary
 criticism, and rich travelogue, *The Saddest
 Words* argues that even despite these
 contradictions—and perhaps because of
 them—William Faulkner still needs to be
 read, and even more, remains central to
 understanding the contradictions inherent
 in the American experience itself. Evoking
 Faulkner's biography and his literary
 characters, Gorra illuminates what
 Faulkner maintained was “the South's
 curse and its separate destiny,” a class
 and racial system built on slavery that was

devastated during the Civil War and was
 reimagined thereafter through the South's
 revanchism. Driven by currents of
 violence, a “Lost Cause” romanticism not
 only defined Faulkner's twentieth century
 but now even our own age. Through
 Gorra's critical lens, Faulkner's mythic
 Yoknapatawpha County comes alive as his
 imagined land finds itself entwined in
 America's history, the characters wrestling
 with the ghosts of a past that refuses to
 stay buried, stuck in an unending cycle
 between those two saddest words, “was”
 and “again.” Upending previous critical
 traditions, *The Saddest Words* returns
 Faulkner to his sociopolitical context,
 revealing the civil war within him and
 proving that “the real war lies not only in
 the physical combat, but also in the war
 after the war, the war over its memory
 and meaning.” Filled with vignettes of Civil

War battles and generals, vivid scenes from Gorra's travels through the South—including Faulkner's Oxford, Mississippi—and commentaries on Faulkner's fiction, *The Saddest Words* is a mesmerizing work of literary thought that recontextualizes Faulkner in light of the most plangent cultural issues facing America today.

Literature Circle Role Sheets (eBook)

Christopher-Gordon Publishers

A comprehensive military textbook for our times, our wars

Battle Lines Delacorte Press

What do we know about literature circles now that we didn't understand eight or ten years ago? What new resources and procedures can help teachers organize their classroom book clubs better? What are the most common pitfalls in implementing student-led discussion groups? And getting beyond the basics, what do mature or advanced literature circles look like? In this thoroughly revised and expanded guide, you will find new strategies, structures, tools, and stories that show you how to launch and manage literature circles effectively. Advanced variations are explored and include alternatives to role sheets and flexible new guidelines for their use. The second edition includes: four different models for preparing students for literature circles using response logs, sticky notes, and newly designed role sheets; dozens of variations on the basic version of student-led bookclubs; new models and procedures for primary, intermediate, and high school grades; new materials for assessing and grading literature circles; an inventory of common management problems and solutions; new scheduling patterns for group meetings and reading time; ideas for using literature circles with nonfiction texts across the curriculum; research on literature circles, including correlation with increased achievement on standardized tests; an explanation of how literature circles match with the national standards for literacy education. With detailed examples provided by twenty practicing teachers, Harvey Daniels offers practical and concrete suggestions for each aspect of book club management and proven solutions for problems that arise.

Literature Circle Role Sheets JHU Press

Based on years of exhaustive and meticulous research, David C. Keehn's study provides the first comprehensive analysis of the Knights of the Golden Circle, a secret southern society that

initially sought to establish a slave-holding empire in the "Golden Circle" region of Mexico, the Caribbean, and Central America. Keehn reveals the origins, rituals, structure, and complex history of this mysterious group, including its later involvement in the secession movement. Members supported southern governors in precipitating disunion, filled the ranks of the nascent Confederate Army, and organized rearguard actions during the Civil War. The Knights of the Golden Circle emerged around 1858 when a secret society formed by a Cincinnati businessman merged with the pro-expansionist Order of the Lone Star, which already had 15,000 members. The following year, the Knights began publishing their own newspaper and established their headquarters in Washington, D. C. In 1860, during their first attempt to create the Golden Circle, several thousand Knights assembled in southern Texas to "colonize" northern Mexico. Due to insufficient resources and organizational shortfalls, however, that filibuster failed. Later, the Knights shifted their focus and began pushing for disunion, spearheading pro-secession rallies, and intimidating Unionists in the South. They appointed regional military commanders from the ranks of the South's major political and military figures, including men such as Elkanah Greer of Texas, Paul J. Semmes of Georgia, Robert C. Tyler of Maryland, and Virginus D. Groner of Virginia. Followers also established allies with the South's rabidly pro-secession "fire-eaters," which included individuals such as Barnwell Rhett, Louis Wigfall, Henry Wise, and William Yancey. According to Keehn, the Knights likely carried out a variety of other clandestine actions before the Civil War, including attempts by insurgents to take over federal forts in Virginia and North Carolina, the activation of pro-southern militia around Washington, D. C. and a planned assassination of Abraham Lincoln as he passed through Baltimore in early 1861 on the way to his inauguration. Once the fighting began, the Knights helped build the emerging Confederate Army and assisted with the pro-Confederate Copperhead movement in northern states. With the war all but lost, various Knights supported one of their members, John Wilkes Booth, in his plot to abduct and assassinate President Lincoln. Keehn's fast-paced, engaging narrative demonstrates that the Knights proved more substantial than historians have traditionally assumed and provides a new perspective on southern secession and the outbreak of the Civil War.

A History of American Civil War Literature Martingale

The #1 bestselling chapter book series of all time celebrates 25 years with new covers and a new, easy-to-use numbering system! Cannon fire! That's what Jack and Annie hear when the Magic Tree House whisks them back to the time of the American Civil War. Magic Tree House: Adventures with Jack and Annie, perfect for readers who are just beginning chapter books Merlin Missions: More challenging adventures for the experienced reader Super Edition: A longer and more dangerous adventure Fact Trackers: Nonfiction companions to your favorite Magic Tree House adventures

Rethinking Social Studies and History Education Routledge

This book is the first omnibus history of the literature of the American Civil War, the deadliest conflict in U.S. history. *A History of American Civil War Literature* examines the way in which the war has been remembered and rewritten over time in prose, poems, and other narratives. This History incorporates new directions in Civil War historiography and cultural studies while giving equal attention to writings from both northern and southern states. It redresses the traditional neglect of southern literary cultures by moving between the North and the South, thus finding a balance between Union and Confederate texts. Written by leading scholars in the field, this book works to redefine the boundaries of American Civil War literature while posing a fundamental question: why does this 150-year-old conflict continue to capture the American imagination?

The Circle Unbroken University of Pennsylvania Press

These ready-to-use, reproducible role sheets make literature circle discussions exciting, informative, fun and easy to manage. Literature circles accommodate a wide variety of reading levels and allow for differentiated instruction. In addition to promoting reading, writing and listening skills, literature circles encourage cooperation and courtesy, allow for individual assessment and motivate students to read! Updated list of books for text sets and end-of-book projects suggestions included. Descriptions of how to get started, troubleshoot problems and assess have been expanded.

The Night Inspector Taylor & Francis
Children's book icon Joseph Bruchac tells the fascinating story of a Seneca (Iroquois) Civil War officer Ely S. Parker (1828–1895) is one of the most unique but little-known figures in US history. A member of the Seneca (Iroquois) Nation, Parker was an attorney, engineer, and tribal diplomat. Raised on a reservation but schooled at a Catholic institution, he learned English at a young age and became an interpreter for his people. During the American Civil War, he was commissioned as a lieutenant colonel and was the primary draftsman of the terms of the Confederate surrender at Appomattox. He eventually became President Grant's Commissioner of Indian Affairs, the first Native American to hold that post. Award-winning children's book author and Native American scholar Joseph Bruchac provides an expertly researched, intimate look at a man who achieved great success in two worlds yet was caught between them. Includes archival photos, maps, endnotes, bibliography, and timeline.

At Night We Walk in Circles Penguin
Remembrances of the Civil War and society's aftermath, along with general references to notions of loss and redemption, form the thematic focus of the poems in Lee Circle.

Civil War on Sunday Ballantine Books
Regarded by many critics as Edmund Wilson's greatest book, *Patriotic Gore* brilliantly portrays the vast political, spiritual, and material crisis of the Civil War as reflected in the lives and writings of some thirty representative Americans. Literature Circles and Response W. W. Norton & Company
Explores the lives of children during the Civil War, including those who joined armies, others who stayed home, and the large numbers made homeless because of the conflict.

Knights of the Golden Circle DigiCat
The Civil War has officially ended and Frances Mary Kelly's true love, Johnny, is back from the war. But to Frances's dismay, Johnny is hesitant to marry her. Attempting to ease her aching heart, Frances accepts an offer to go to New York City and escort a group of orphans out West to new homes. Along the way, she must deal with a flood of painful memories and a threatening stranger. Will Frances be able to complete her mission... and return home to find out what her future will be?

Poetry and Allegiance in the English Civil Wars Lorenz Educational Press
Lillie Ravenel is a teenage girl from Louisiana, brought to the north by her loyalist father at the outbreak of the

American Civil War. She is pursued by two contrasting suitors. Captain Edward Colburne is a virtuous New Englander whose bland goodness makes him seem a perfect match for the uninspiring Miss Ravenel. Her second suitor, Colonel John Carter is a native Virginian, but loyal to the Union. Opposite to Colburne likes to drink and gamble, but he is a man of honor and an admirable military officer. Friendship with these men of the North brings the change in her belief, eventually converting her to the cause of the Union. She returns to New Orleans only to find herself shunned by her old circle of friends for having too many associations with the enemy. Civil War battles that Lillie's suitors go through are described as a bloody and inglorious hell.

Teaching Historical Fiction with Ready-Made Literature Circles for Secondary Readers DigiCat

"From Manassas to Appomattox: Memoirs of the Civil War in America" is the memoir of General James Longstreet, one of the leading Confederate generals during the American Civil War. Longstreet in his memoirs refuted most of the criticism of his war record during the Civil War.

Socratic Seminars and Literature Circles Liveright Publishing

A breathtaking, suspenseful story of one man's obsessive search to find the truth of another man's downfall, from the author of *The King Is Always Above the People*, which was longlisted for the 2017 National Book Award for Fiction. Nelson's life is not turning out the way he hoped. His girlfriend is sleeping with another man, his brother has left their South American country, leaving Nelson to care for their widowed mother, and his acting career can't seem to get off the ground. That is, until he lands a starring role in a touring revival of *The Idiot* President, a legendary play by Nelson's hero, Henry Nunez, leader of the storied guerrilla theater troupe Diciembre. And that's when the real trouble begins. The tour takes Nelson out of the shelter of the city and across a landscape he's never seen, which still bears the scars of the civil war. With each performance, Nelson grows closer to his fellow actors, becoming hopelessly entangled in their complicated lives, until, during one memorable performance, a long-buried betrayal surfaces to force the troupe into chaos. Nelson's fate is slowly revealed through the investigation of the narrator, a young man obsessed with Nelson's story—and perhaps closer to it than he lets on. In sharp, vivid, and beautiful prose, Alarcón delivers a compulsively readable narrative and a provocative meditation on fate, identity,

and the large consequences that can result from even our smallest choices.

Chasing an Iron Horse Casemate
DigiCat Publishing presents to you this special edition of "Four Years in Rebel Capitals" (An Inside View of Life in the Southern Confederacy from Birth to Death) by T. C. De Leon. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Children of the Civil War Vintage
Excerpt from *Enemies in the Rear; Or a Golden Circle Squared: A Story of Southeastern Pennsylvania in the Time of Our Civil War* The ocean, when acted upon by a strong wind, rolls its waters in mighty waves, and these in turn produce smaller waves in the inlets and retired coves where the wind itself may be felt but little, if at all. So during the war the agitation and conflict were not all confined to the army and navy, the capital and the great cities. Remote districts and obscure country places also felt the great movements and were stirred, though of course in a smaller degree. And that in such localities many thrilling episodes occurred we can readily believe if we will but remember that in those days there were enrolling officers, drafts, and Knights of the Golden Circle. About the Publisher

Four Years in Rebel Capitals Teaching and Learning Company

This comprehensive step-by-step guide provides practical guidance to implement literature circles in any social studies or language arts classroom. This book

provides a how-to guide for a novice or veteran teacher or library media specialist who is interested in implementing literature circles with high interest texts.

After an introduction that covers the research findings on literature circles and supplies a framework for implementation of literature circles in the classroom and library, *Teaching Historical Fiction with Ready-Made Literature Circles for Secondary Readers* presents 14 selected historical fiction titles for grades 7 through 12 that lend themselves perfectly to

interdisciplinary teaching. Each selection is accompanied by bibliographic information, an annotation, vocabulary words, discussion questions, and guided reading questions, as well as lessons for before, during, and after reading. The titles included cover many historical time periods and topics that can easily align with state and national standards. Just as importantly, these are texts that a history teacher or literature instructor would find beneficial to use with students.
