#### **Essential Dickinson** Penguin

From the introduction by Joyce Carol Oates: Between them, our great visionary poets of the American nineteenth century, Emily Dickinson and Walt Whitman, have come to represent the extreme, idiosyncratic poles of the American psyche.... Dickinson never shied away from the great subjects of human suffering, loss, death, even madness, but her perspective was intensely private; like Rainer Maria Rilke and Gerard Manley Hopkins, she is the great poet of inwardness, of the indefinable region of the soul in which we are, in a sense, all alone.

A classic in the Bukowski poetry canon, *Love Is a Dog from Hell* is a raw, lyrical, exploration of the exigencies, heartbreaks, and limits of love. A book that captures the Dirty Old Man of American letters at his fiercest and most vulnerable, on a subject that hits home with all of us. Charles Bukowski was a man of intense emotions, someone an editor once called a "passionate madman." Alternating between tough and gentle, sensitive and gritty, Bukowski lays bare the myriad facets of love—its selfishness and its narcissism, its randomness, its mystery and its misery, and, ultimately, its true joyfulness, endurance, and redemptive power. "there is a loneliness in this world so great that you can see it in the slow movement of the hands of a clock."

*A Shepherd to Fools* is the second of Drew Mendelson's trilogy of Vietnam War novels that began with *Song Ba To* and will conclude with *Poke the Dragon*. *Shepherd*: It is the ragged end of the Vietnam war. With the debacle of a failing South Vietnamese invasion of Northern Laos as background, *A Shepherd to Fools* tells the harrowing tale of a covert Hatchet Team of US soldiers and Montagnard mercenaries. They are ordered to find and capture or kill a band of American deserters, called Longshadows, before the world learns of their paralyzing rebellion. An earlier attempt to capture them failed disastrously, the facts of it buried. Captain Hugh Englander commands the Hatchet Team. He is a humorless bastard, sneering and discourteous to every regular army soldier. He cares little for the welfare of his own men and nothing for the lives of the deserters. The conflict between him and Captain David Weisman, the artillery officer assigned to the mission for artillery support, threatens to tear the team apart. Deep in the Laotian jungle, the team is caught in a final, horrific battle facing an enemy armed with Sarin nerve gas, the "worst of the worst" of the war's clandestine weapons.

How to read a poem. A lot of books want to teach you just that. How is this one different? Think of it less as an instructional book and more as an invitation. For the reader new to poetry, this guide will open your senses to the combined craft and magic

*As I Walked Out One Evening* Copper Canyon Press

This lively introduction to figurative language explains a broad range of concepts, including metaphor, metonymy, simile, and blending, and develops new tools for analyzing them. It coherently grounds the linguistic understanding of these concepts in basic cognitive mechanisms such as categorization, frames, mental spaces, and viewpoint; and it fits them into a consistent framework which is applied to cross-linguistic data and also to figurative structures in gesture and the visual arts. Comprehensive and practical, the book includes analyses of figurative uses of both word meanings and linguistic constructions. • Provides definitions of major concepts • Offers in-depth analyses of examples, exploring multiple levels of complexity • Surveys figurative structures in different discourse genres • Helps students to connect figurative usage with the conceptual underpinnings of language • Goes beyond English to explore cross-linguistic and cross-modal data

A New York Times Bestseller and National Book Award Winner Jacqueline Woodson, the acclaimed author of *Red at the Bone*, tells the moving story of her childhood in mesmerizing verse. Raised in South Carolina and New York, Woodson always felt

halfway home in each place. In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. A National Book Award Winner A Newbery Honor Book A Coretta Scott King Award Winner Praise for Jacqueline Woodson: Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery."—The New York Times Book Review
