LANE PALMER

Ladies of the Links Plus a Short Story Prequel

Harper Collins

“Phil Callaway seasons our lives with joy and laughter drawn from the deep well of living. Splash through this book and see if you’re not refreshed. I

double-dog dare you.”
—Chris Fabry, New York Times bestselling author and host of Chris Fabry Live Laughter is a windshield wiper. It won’t stop the rain, but it will keep you going. Life was funnier when we were five. Grownups tripped on a rake and we laughed for hours. Then came headlines and deadlines. Downturns and

disappointments. Laugh Like a Kid Again is for anyone who wonders amid pressing anxieties—who stole my joy? From the tender to the hilarious, these lighthearted stories will help you smile. You’ll encounter a prodigal dog, an incoming tornado, an unexpected afternoon in prison, and where to go when you have nine

minutes to live. You'll hear whispers of a God who... loves you more than you imagine holds your hand when you're handed more than you can handle does awesome work in the dark Whether you face dark times or just need a good laugh, this "masterpiece of joy" will show you how to leave a lasting legacy, look up, and laugh again. Under Par Springer DE In his debut book, golf writer Jay Revell takes readers for a walk through his personal experiences, recollections, and theories

from a lifetime spent in the sport. Designed to be read in small doses, The Nine Virtues of Golf features an engaging mix of essays, poems, short stories, and other musings, making it the perfect companion for golf trips, beach days, and bedside reading. Through his stories, Revell has built a global following of golfing diehards and cataloged his love affair with the game. In The Nine Virtues of Golf, Revell brings those tales together in an easily digestible read that's

perfectly suited for anyone with a passion for golf.

Fore Vintage

What is it about the game of golf that can cause otherwise normal folks to lose all perspective? More than one person has seen their loved one become consumed with the details of the quality of wood used in clubs, or the type of cleats on their shoes. What is it about the game of golf that can cause otherwise normal folks to lose all perspective? More than one person has seen their loved one become

consumed with the details of the quality of wood used in clubs, the type of cleats on their shoes, the distance between their feet, and the direction of the wind, not to mention statistics, statistics, statistics. Featuring more than 500 facts about the sport that Paul Harvey describes as “a game in which you shout ‘fore,’ shoot six, and write down five.” Readers learn that experts believe shepherds invented the game using their staffs to bat around stones and that 12 percent of all lightning

fatalities happen on the golf course.

Now You Know — The Big Books Bundle Ballantine Books

Since the day several hundred years ago that a Scottish shepherd first struck a rock with a shillelagh, perhaps no single athletic pursuit has brought man more joy and frustration, more fulfillment and utter despair, than the game of golf. It has been said by many that it is a microcosm of life itself—a beautiful game which tests the mind, body, and

spirit. And as a testament to that, there is no shortage of inspired writing on the topic, as golf has long caught the interest and imagination of some of the world's finest and most celebrated writers. In *Great American Golf Stories*, editor Jeff Silverman collects some of the best classic writings, both fact and realistic fiction, that reflect the rich history, tradition, agony, and ecstasy of one of our most enduring and endearing pastimes. With

contributions from F. Scott Fitzgerald, Ring Lardner, Charles E. Van Loan, and many more . . .

Dream On Dundurn

NEW YORK TIMES

BESTSELLER * “One of the best golf books this century.” —Golf Digest

Tom Coyne’s *A Course Called Scotland* is a heartfelt and humorous celebration of his quest to play golf on every links course in Scotland, the birthplace of the game he loves. For much of his adult life, bestselling author Tom Coyne has been chasing a golf ball

around the globe. When he was in college, studying abroad in London, he entered the lottery for a prized tee time in Scotland, grabbing his clubs and jumping the train to St. Andrews as his friends partied in Amsterdam; later, he golfed the entirety of Ireland’s coastline, chased pros through the mini-tours, and attended grueling Qualifying Schools in Australia, Canada, and Latin America. Yet, as he watched the greats compete, he felt

something was missing. Then one day a friend suggested he attempt to play every links course in Scotland and qualify for the greatest championship in golf. The result is *A Course Called Scotland*, “a fast-moving, insightful, often funny travelogue encompassing the width of much of the British Isles” (*GolfWeek*), including St. Andrews, Turnberry, Dornoch, Prestwick, Troon, and Carnoustie. With his signature blend of storytelling, humor, history, and insight,

Coyne weaves together his “witty and charming” (Publishers Weekly) journey to more than 100 legendary courses in Scotland with compelling threads of golf history and insights into the contemporary home of golf. As he journeys Scotland in search of the game’s secrets, he discovers new and old friends, rediscovers the peace and power of the sport, and, most importantly, reaffirms the ultimate connection between the game and the soul. It is “a must-

read” (Golf Advisor) rollicking love letter to Scotland and golf as no one has attempted it before.
My Best Day in Golf Skyhorse
A collection of the best golf writings.
[Fifty Years of American Golf](#) Simon and Schuster
When you're in the mood for top-notch humor writing, only the very best will do. Dive into "The Clicking of Cuthbert" for an array of golf-themed belly laughs. A must-read for Wodehouse buffs, golf fanatics, or anyone who

appreciates Wodehouse's gift for the guffaw-provoking turn of phrase.
The Downhill Lie BBS Publishing Corporation
You can shoot in the 70's! Ben Hogan has long believed that any golfer with average coordination can learn to break 80 if he applies himself intelligently -- and here, with Herbert Warren Wind, and artist Anthony Ravielli, he tells you, step by step, just how to go about it. The greatest golfer of our generation has distilled his experience as teacher,

player, and observer of golf into a series of richly illustrated "visual instructions" that not only can improve your game and lower your score, but also can help you get even more fun out of what many people already think is the most enjoyable game in the world. Each chapter, each tested "fundamental" is explained and demonstrated with amazing detail and clarity. It's as though the master himself were right there at your elbow, giving you a personal lesson with the

same thought and care that has gone into his lifetime of golf. The Modern Fundamentals of Golf is no instant and easy shortcut. There is none. But with Ben Hogan as your pro, you can master these basic movements very quickly. And then you can go on to develop a correct, powerful swing that will repeat. As Ben Hogan says, it's only then that you'll "discover golf for the first time."

Journal of the United States Infantry Association Simon and Schuster

"Golf's Grand Design," prepared as a companion volume to the PBS documentary of the same name, expands upon the information presented in the television program. Co-authored by Bob Cupp, one of America's leading golf course designers, and Ron Whitten, Golf Digest's longtime senior editor on golf architecture, the book features rare sketches and diagrams of golf holes—some never before published—by 34 past and present golf architects, including Alister MacKenzie, Pete Dye, Bill

Coore, Ben Crenshaw, Tom Doak, Gil Hanse, Doug Carrick, Steve Smyers and David McLay Kidd. In each chapter, based upon one of the drawings, Cupp and Whitten explore a different facet of the course depicted and present unique perspectives into the craft and art of golf course architecture. These sketches are the vehicles by which design becomes grass. They are not AutoCAD plottings used to clear permits (full of technicalities practically

indecipherable by everyday folks), but intimate, immediate and sometimes idiosyncratic streams of consciousness that are handed to a bulldozer operator, along with words of instruction, which become reality; the very crux of golf design. These drawings seldom survive; ending up as grocery lists, note pads or even shelf paper. But if one comes back to the designer after the fact - after the hole has been played and proclaimed fun, the drawings become treasures. Written in a

lively conversational format, "Golf's Grand Design" takes readers behind the scenes in the creation of many of America's finest courses, from the modest-budget Bully Pulpit in North Dakota to the mega-budget Shadow Creek in Nevada. The authors retell the discovery of the land that became the groundbreaking Sand Hills Golf Club in Nebraska and relate the extensive process required to complete the environmentally-sensitive Liberty National in New

Jersey. They take readers behind the scenes with Jack Nicklaus at work and at play, analyze what made Donald Ross and A.W. Tillinghast such great architects, offer insights into the little-known design talents of PGA Tour Hall of Famers Tom Kite and Tom Watson and pass along revelations regarding such famous holes as "The Cape" and "The Redan." They conclude with a short discussion of the impact that technology has had on the world of golf. "Golf's

Grand Design" is intended for all who enjoy golf or who, by virtue of these stories, might consider the game. It provides a fresh approach to understanding and appreciating good golf architecture. It will certainly be one of those books with a long shelf life because its content is not trendy but factual. It is the story of American golf and a living description of the creative process of a game that somehow worked its way into our very souls.
The Clicking of Cuthbert

Page Publishing Inc
You'll find Gossip Girl meets Friends with a dab of Desperate Housewives thrown in each book of the Ladies of the Links Series. Life at the country club entails much more than golf. The Lynks at Tryst falls Country Club offers everything to its members. They enjoy three golf courses, swimming pools, tennis, volleyball, and pickle ball courts, a bar and grill, and fine dining. friends, but that might change when her husband's best friend Ty comes to visit. And when a rumor blog posts, drama ensues. Whose blog is it, and where do they find these juicy tidbits? Plus all the background knowledge you need to decipher the lives of the characters in the Ladies of the Links Series. Includes information about the characters, definitions of common golf terms with maps of the facilities, neighborhoods, and courses.
Golf's Grand Design

Skyhorse Publishing Inc. The perfect gift for anybody who has ever swung a club or marveled at the skill of touring professionals on television, *The Greatest Golf Stories Ever Told* is a compulsively readable collection of some of the most entertaining and insightful stories on the subject of golf. Contributions include some well-known works from renowned writers of the genre, such as Dan Jenkins, Herbert Warren Wind, and John Updike, as well as some rare, lesser-

known gems from George Plimpton, Bud Shrake, and the great F. Scott Fitzgerald. The thirty stories in this fascinating collection will lead you from tee to green, avoiding the bunkers while illustrating in vivid detail—through true and fictional tales—all the humor, drama, excitement, and emotion the game of golf is so richly steeped in. *Every Shot Must Have a Purpose* Xlibris Corporation Golfers will love this book. The stories will remind

them of similar personal experiences with the game and their fellow golfers. All readers will relate to this dive into the human experiences that abound in a life of golf. Like a golf course with 18 holes of varying lengths and designs, this book offers 18 stories that can be enjoyed whenever time permits. Each story is connected to a golf experience of the author but the themes are much broader: from politicians to socialites, Augusta National to the Open, race relations to life lessons,

sorrow to ecstasy. The prologue elucidates golf terminology and a comprehensive glossary assists neophytes in understanding this game that so captivates we golfers, whether hackers or pros.

That Reminds Me of a Story Simon and Schuster FORE is a lighthearted look at the golf travels of a group of guys who enjoy the game of golf. They have been going on golf trips for the past thirty years. Along the way there have been lots of laughs and lots of golf.

The stories included in this book are all true, some of them funny and some are of a more sober nature. During the more than thirty years of trips the composition of players has changed, but the core of five golfers has remained the same. Break 100 Now Penguin Columbia Business School professor Mark Broadie's paradigm-shifting approach that uses statistics and golf analytics to transform the game. Mark Broadie is at the forefront of a revolutionary new

approach to the game of golf. What does it take to drop ten strokes from your golf score? What part of Tiger Woods' game makes him a winner? Traditional golf stats can't answer these questions. Broadie, a professor at Columbia Business School, helped the PGA Tour develop its cutting-edge strokes gained putting stat. In this eye-opening new book, Broadie uses analytics from the financial world to uncover the secrets of the game of golf. He crunches mountains of data to show

both professional and amateur golfers how to make better decisions on the course. This eagerly awaited resource is for any player who wants to understand the pros, improve golf skills, and make every shot count. *Great American Golf Stories* Rowman & Littlefield Presenting two books in the popular and exhaustive trivia series. They are a treasure trove of his favourite trivia culled from previous Now You Know books, answering such brain-

teasers as: Why is an evil adversary called a "villain"? Why is football played on a "gridiron" and a leg injury called a "charley horse"? Why is a decorated parade vehicle called a "float"? Why is the rubber around a car wheel called a "tire"? Why are sailors known as "tars"? Why is confetti thrown at a wedding? Liven up your next gathering with the hundreds of interesting facts in these books. Includes Now You Know Big Book of Answers Now You Know Big Book of

The author describes his life and his determination to meet the demands of being a good father, run a

business, and break par in golf within a year.

Slaying the Tiger Rowman & Littlefield

Golf is a Zen sport. If you leave the present moment, you will likely feel the immediate karmic consequences like a hammer hitting your thumb. In *The Mindful Golfer: How to Lower Your Handicap While Raising Your Consciousness*, Stephen Altschuler helps you nail it all right—hard and true and into another level of surrender, satisfaction, and, self-awareness. He uses the

tools of Zen to raise the game several notches on the ladder of consciousness. The book discusses the state of the game, some of its more illustrious players, its glories, and its challenges. The author covers some of his own struggles with golf, and some moments of achievement, if only fleeting. His book is a reflective look at golf today, emphasizing the mental and spiritual elements of the game. Skyhorse Publishing, as well as our Sports

Publishing imprint, is proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. In addition to books on popular team sports, we also publish books for a wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial

arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Celebrities and golf.
Which obsession is bigger in America? Golf is the Great Equalizer. Whether

a construction worker or a CEO, a first-time golfer or an avid one, any golfer can make a hole in one or shank it 25 yards. Even the president of the United States can have an off day . . . or his "best day in golf." My Best Day in Golf features fascinating stories about sports heroes, musicians, politicians, and professional golfers who all describe their passion for the game and the

great experiences playing the best courses in the world. Readers can put themselves in celebrities' "spikes" as they revere each tale with the same passion. Stories, complete with photographs, told by Arnold Palmer, Gary Player, President George Herbert Walker Bush, Justin Timberlake, Bob Hope, Jack Welch, Alice Cooper, Bryant Gumbel, and Celine Dion describe their best days in golf. Find

out why: "The Odd Couple (Jack Lemmon and Walter Matthau) only played together once." Alice Cooper prefers "Psycho" skins to a five-dollar Nassau." Former President Bush plays like it's a 100-yard dash." Dwight D. Eisenhower considered golf "more important than any war." My Best Day in Golf is the perfect gift for the avid golfer. Is there any other kind'
