**Pussypedia** Simon and Schuster  
Winner of the Bernard J. Brommel Award  
for Biography & Memoir Best Graphic  
Novels of the Year-Forbes Jewish Book  
Award Finalist Finalist for the  
Chautauqua Prize For Persepolis and  
Logicomix fans, a New Yorker  
cartoonist's page-turning graphic  
biography of the fascinating Hannah  
Arendt, the most prominent philosopher

of the twentieth century. One of the  
greatest philosophers of the twentieth  
century and a hero of political thought,  
the largely unsung and often  
misunderstood Hannah Arendt is best  
known for her landmark 1951 book on  
openness in political life, *The Origins of  
Totalitarianism*, which, with its powerful  
and timely lessons for today, has  
become newly relevant. She led an  
extraordinary life. This was a woman  
who endured Nazi persecution firsthand,  
survived harrowing "escapes" from  
country to country in Europe, and

befriended such luminaries as Walter Benjamin and Mary McCarthy, in a world inhabited by everyone from Marc Chagall and Marlene Dietrich to Albert Einstein and Sigmund Freud. A woman who finally had to give up her unique genius for philosophy, and her love of a very compromised man - the philosopher and Nazi-sympathizer Martin Heidegger - for what she called "love of the world." Compassionate and enlightening, playful and page-turning, New Yorker cartoonist Ken Krimstein's *The Three Escapes of Hannah Arendt* is a strikingly illustrated portrait of a complex, controversial, deeply flawed, and irrefutably courageous woman whose intelligence and "virulent truth telling" led her to breathtaking insights into the human condition, and whose experience

continues to shine a light on how to live as an individual and a public citizen in troubled times.

**Pussy Power 2** Bloomsbury Publishing  
*Petals* is about the central mystery of women's body - the full flower of her vulva. The collection presents a series of forty-eight exquisitely photographed sepia-toned pictures of vulvas. This soft cover edition has all the content of the original hard cover book, with an updated forward by Carol Pharo.

"Terribly Intimate Portraits" by Noel Coward. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet

undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Pussy Random House

Women occupy a privileged place in horror film. Horror is a space of entertainment and excitement, of terror and dread, and one that relishes the complexities that arise when boundaries – of taste, of bodies, of reason – are blurred and dismantled. It is also a site of expression and exploration that leverages the narrative and aesthetic horrors of the reproductive, the maternal and the sexual to expose the

underpinnings of the social, political and philosophical othering of women. This book offers an in-depth analysis of women in horror films through an exploration of ‘gynaehorror’: films concerned with all aspects of female reproductive horror, from reproductive and sexual organs, to virginity, pregnancy, birth, motherhood and finally to menopause. Some of the themes explored include: the intersection of horror, monstrosity and sexual difference; the relationships between normative female (hetero)sexuality and the twin figures of the chaste virgin and the voracious vagina dentata; embodiment and subjectivity in horror films about pregnancy and abortion; reproductive technologies, monstrosity and ‘mad science’; the discursive

construction and interrogation of monstrous motherhood; and the relationships between menopause, menstruation, hagsploitation and 'abject barren' bodies in horror. The book not only offers a feminist interrogation of gynaeohorror, but also a counter-reading of the gynaeohorrific, that both accounts for and opens up new spaces of productive, radical and subversive monstrosity within a mode of representation and expression that has often been accused of being misogynistic. It therefore makes a unique contribution to the study of women in horror film specifically, while also providing new insights in the broader area of popular culture, gender and film philosophy.

*She-ology* Hay House, Inc

"Required reading for every woman who longs to step into her power and live with pleasure and purpose." — Kris Carr, New York Times best-selling author

Author, educator, and School of Womanly Arts founder Regena Thomashauer has been working with women for the past 25 years, and what began as just a few women in her living room has since grown into a global movement with thousands of graduates worldwide. In her New York Times bestseller *Pussy: A Reclamation*, she reveals what no one taught you about the source of your feminine power and how to use it. This power is the part of a woman that she has been taught to ignore, push down, and despise. Indeed, the word that most viscerally sums it up is "arguably the most powerful

pejorative word in the English language." Like any expletive used effectively, the title of this book is meant to be a wake-up call. It is a reclamation, in a world that desperately requires the feminine. Readers learn the secret ingredient every woman is missing; how to crack the confidence code; why sex appeal is an inside job; what's ahead on the next frontier of feminism—and how they can help make it happen; and much more. By turns earthy and erudite, passionately argued and laugh-out-loud funny, *Pussy* delivers the tools and practices a woman requires to do and be whatever she wants in this life. It's a call for her to tune in, turn on, and not drop out—but live more richly, fully, and lusciously than she ever thought she could.

### The Pussy Trap 3 TeNeues

In the midst of Occupy, Barbara Andersen begins spamming people indiscriminately with ukulele covers of sentimental songs. A series of inappropriate intimacies ensued, including an erotically charged correspondence and then collaboration with an extraordinarily gifted and troubled musician living in Germany. Power of Pussy Independently Published From Pete Souza, the #1 New York Times bestselling author of *Obama: An Intimate Portrait*, comes a potent commentary on the Presidency -- and our country. As Chief Official White House Photographer, Pete Souza spent more time alongside President Barack Obama than almost anyone else. His years photographing the President gave

him an intimate behind-the-scenes view of the unique gravity of the Office of the Presidency -- and the tremendous responsibility that comes with it. Now, as a concerned citizen observing the Trump administration, he is standing up and speaking out. Shade is a portrait in Presidential contrasts, telling the tale of the Obama and Trump administrations through a series of visual juxtapositions. Here, more than one hundred of Souza's unforgettable images of President Obama deliver new power and meaning when framed by the tweets, news headlines, and quotes that defined the first 500 days of the Trump White House. What began with Souza's Instagram posts soon after President Trump's inauguration in January 2017 has become a potent commentary on the

state of the Presidency, and our country. Some call this "throwing shade." Souza calls it telling the truth. In Shade, Souza's photographs are more than a rejoinder to the chaos, abuses of power, and destructive policies that now define our nation's highest office. They are a reminder of a President we could believe in, and a courageous defense of American values.

**Why Men Love Bitches** Harper Collins  
An inner city stripper befriends a high level executive in one of the world's largest companies and begins using a combination of intelligence, hustles she learned on the street and pornographic sex, to rise through the ranks, only to realize she is unhappy and there is still something missing. Along the way we meet perverted white men,

backstabbers, haters, judgmental media, the unmotivated brother who isn't about anything, and a woman inspired for change. The author is quoted as saying, "I wanted to write about sex and its impact in the marketplace. The subject matter is over the top for entertainment purposes, but very much based in reality. When sex is used as a weapon things can spin out of control, and I wanted to touch on that insanity that even takes place in corporate America. In insane times, what appeared to once be insane, is now just a day at the office. This is an entertaining read and you won't be disappointed in this book."

*Prince* Nick Karras

Both more and less than a band, Pussy Riot is continually misunderstood by the Western media. This book sets the

record straight. After their scandalous performance of an anti-Putin protest song in Moscow's Cathedral of Christ the Savior and the imprisonment of two of its members, the punk feminist art collective known as Pussy Riot became an international phenomenon. But, what, exactly, is Pussy Riot, and what are they trying to achieve? The award-winning author Eliot Borenstein explores the movement's explosive history and takes you beyond the hype.

The Gift Clash Books

Text in English, French & German.

"Pussy Power 2" again presents intimate and refreshingly natural portraits of young women. These models know they belong to the fairer sex. That's impossible to overlook. And they uninhibitedly display what they're so

powerfully proud of: their pussies! But it's hard to say which they enjoy more: their lustful self-presentation or the desirous gazes directed toward their vulvas. Why do young women do this? Because it's fun! "Pussy Power" is the cat's meow!

The Pussy Detective Harmony

The Instant USA Today Bestseller! A BuzzFeed Best Romance of 2021! One of Marie Claire's most anticipated romances of 2021! One of Cosmopolitan's most anticipated fall books of 2021! "Dunmore is my new find in historical romance. Her A League of Extraordinary Women series is extraordinary."—Julia Quinn, #1 New York Times bestselling author "This series balances friendship, politics, history, and romance in just the right

mix."—U.S. Representative Katie Porter  
Going toe-to-toe with a brooding Scotsman is rather bold for a respectable suffragist, but when he happens to be one's unexpected husband, what else is an unwilling bride to do? London banking heiress Hattie Greenfield wanted just three things in life: 1. Acclaim as an artist. 2. A noble cause. 3. Marriage to a young lord who puts the gentle in gentleman. Why then does this Oxford scholar find herself at the altar with the darkly attractive financier Lucian Blackstone, whose murky past and ruthless business practices strike fear in the hearts of Britain's peerage? Trust Hattie to take an invigorating little adventure too far. Now she's stuck with a churlish Scot who just might be the end of her ambitions.... When the

daughter of his business rival all but falls into his lap, Lucian sees opportunity. As a self-made man, he has vast wealth but holds little power, and Hattie might be the key to finally setting long-harbored political plans in motion. Driven by an old desire for revenge, he has no room for his new wife's apprehensions or romantic notions, bewitching as he finds her. But a sudden journey to Scotland paints everything in a different light. Hattie slowly sees the real Lucian and realizes she could win everything--as long as she is prepared to lose her heart.

### **Naked Girls Club - English Edition**

Goliath Verlag GmbH

Abrão's work has been described by The Outline as "an existential funhouse of familiar thoughts" that "publicly grapples with pillars of its own existence within

the influencer economy." Alongside The Outline, her work has been featured in publications such as The Atlantic, Dazed, The Harvard Crimson, and The Face, among others. In response to Abrão's work, Dazed Magazine wrote, "Gabi debunks the myth that wellness is the preserve of the privileged, and in doing so hands it back to the masses," and Notes on Shapeshifting is a reminder that we are agents of the change that we seek. Gabi Abrão's Notes on Shapeshifting is an ode to existing in physical form, fully aware of the changing energy that flows through every aspect of it. As Abrão writes, "tapping into the ether body to take a break from the demands of the earth body, / making peace with ephemerality, / lightness, / shapeshifting". Throughout

this collection, you are invited to travel through various states; pure infatuation to heartbreak, confidence to defeat, from a skepticism for living to a full-on trust in it. And *Notes on Shapeshifting* yearns to soothe and arouse along the way.

Washington Post • NPR • The New Yorker • San Francisco Chronicle • The Economist • The Atlantic • Newsday • Salon • St. Louis Post-Dispatch • The Guardian • Esquire (UK) • GQ (UK) After three acclaimed novels, Gary Shteyngart turns to memoir in a candid, witty, deeply poignant account of his life so far. Shteyngart shares his American immigrant experience, moving back and forth through time and memory with self-deprecating humor, moving insights, and literary bravado. The result is a resonant story of family and belonging that feels epic and intimate and distinctly his own. Born Igor Shteyngart in Leningrad during the twilight of the Soviet Union, the curious, diminutive, asthmatic boy grew up with a persistent sense of yearning—for food, for

acceptance, for words—desires that would follow him into adulthood. At five, Igor wrote his first novel, *Lenin and His Magical Goose*, and his grandmother paid him a slice of cheese for every page. In the late 1970s, world events changed Igor's life. Jimmy Carter and Leonid Brezhnev made a deal: exchange grain for the safe passage of Soviet Jews to America—a country Igor viewed as the enemy. Along the way, Igor became Gary so that he would suffer one or two fewer beatings from other kids. Coming to the United States from the Soviet Union was equivalent to stumbling off a monochromatic cliff and landing in a pool of pure Technicolor. Shteyngart's loving but mismatched parents dreamed that he would become a lawyer or at least a "conscientious toiler" on Wall

Street, something their distracted son was simply not cut out to do. Fusing English and Russian, his mother created the term *Failurchka*—Little Failure—which she applied to her son. With love. Mostly. As a result, Shteyngart operated on a theory that he would fail at everything he tried. At being a writer, at being a boyfriend, and, most important, at being a worthwhile human being. Swinging between a Soviet home life and American aspirations, Shteyngart found himself living in two contradictory worlds, all the while wishing that he could find a real home in one. And somebody to love him. And somebody to lend him sixty-nine cents for a McDonald's hamburger. Provocative, hilarious, and inventive, *Little Failure* reveals a deeper vein of

emotion in Gary Shteyngart's prose. It is a memoir of an immigrant family coming to America, as told by a lifelong misfit who forged from his imagination an essential literary voice and, against all odds, a place in the world. Praise for *Little Failure* "Hilarious and moving . . . The army of readers who love Gary Shteyngart is about to get bigger."—The New York Times Book Review "A memoir for the ages . . . brilliant and unflinching."—Mary Karr "Dazzling . . . a rich, nuanced memoir . . . It's an immigrant story, a coming-of-age story, a becoming-a-writer story, and a becoming-a-mensch story, and in all these ways it is, unambivalently, a success."—Meg Wolitzer, NPR "Literary gold . . . bruisingly funny."—Vogue "A giant success."—Entertainment Weekly

Quirkyalone Goliath Books

Welcome to *The Little Book of Pussy*, a petite little kitten that puts those up-close-and-personal pictures in proper perspective. Through 100 years of photos, we trace the exhibitionistic pleasure with which models present their feminine pulchritude.

I Love Jesus, But I Want to Die House of Anansi

Down There Press authors have been answering that question for twenty-five years! From Joani Blank's *Good Vibrations "RM"* bringing to light the sexual potential of "personal massagers", to Jack Morin's still the-only-one-of-its-kind *Anal Pleasure & Health*, to Susie Bright's genre-launching *Herotica "RM"*, San Francisco's oldest publisher of award-winning sex-positive books has

been breaking boundaries to delight and entertain its readers. Founded in 1975, Down There Press is the nation's first independent publisher devoted exclusively to publishing sexual health books. Founder and Publisher Emerita Joani Blank, then working as a sex educator and counselor, started writing her own books about sexuality at her clients' and other therapists' behest. The press currently has a list of eighteen sexual self-awareness titles, including innovative and practical non-fiction with non-judgmental techniques for strengthening sexual communication. Down There Press also publishes lively literary and photographic erotica.

**Strictly Bondage** Little, Brown

"This expanded edition is brought up to date in the light of the most recent

developments in contemporary art. A new chapter considers globalization in the visual arts and the complex issues it raises, focusing on the many major international exhibitions since 1990 that have become an important arena for women artists from around the world."--  
BOOK JACKET.

Time Is the Thing a Body Moves Through  
Edition Reuss Germany

Bert Verwelius' new book shows natural feminine beauty in all of its facets, whether nude or clothed, in colour or in black and white. Thanks to many workshops with famous and lesser-known photographers all over the world, Verwelius has continued to develop his style over the last 10 years, becoming a master at using a variety of light sources in his work. In his photoshoots, Verwelius

handles every detail himself: planning, casting the models, set decoration, and providing perfect lighting. Afterwards, he develops the photos and processes them himself--skills he also learned from renowned photographers. His goal is to be one of the best photographic artists in the world. 'Simple Beauty' is Verwelius' second book, his first being 'Pussy Riot', his portrait of the punk rock band. Photographic artist Bert Verwe lius was born in 1953 in the Netherlands. He is self-taught, but was already taking pictures at fourteen. At 15, he already had a darkroom for developing his own photos. Today, his primary job is being the CEO of a construction company for developing and building properties.

**SELLING POINTS:** \* A new volume of powerful images from Pussy Riot

**This Book is Broken** Xlibris Corporation  
 The newest, most updated book on Prince available today—now updated with information about the afterlife of his work following his untimely death. Famously reticent and perennially controversial, Prince was one of the few music superstars who remained, largely, an enigma—even up to his premature death on April 21, 2016. A fixture of the pop canon, Prince is widely held to be the greatest musician of his generation and will undoubtedly remain an inspiring and singular talent. This revised and updated second edition of this meticulously researched biography is the most comprehensive work on Prince yet

published. Unlike other Prince books, this one eschews speculation into the artist's highly guarded private life and instead focuses deep and sustained attention exactly where it should be: on his work. Acclaimed British novelist and critic Matt Thorne draws on years of research and dozens of interviews with Prince's intimate associates (many of whom have never spoken on record before) to examine every phase of the musician's 35-year career, including nearly every song—released and unreleased—that Prince has recorded. Originally released in the UK in 2012, this revised and updated second US edition of Prince includes updated content regarding work released and made available after the artist's death.. This astonishingly rich, almost encyclopedic biography is a

must-have for any serious fan of Prince. **Eye Candy Girls - English Edition**  
Bloomsbury Publishing  
Written by the creators of the popular website, this rigorously fact-checked, accessible, and fully illustrated guide is essential for anyone with a pussy. If the clitoris and penis are the same size on average, why is the word “small” in the definition of clitoris but strangely missing from the definition of penis? Sex probably doesn't cause yeast infections? But racism probably does cause BV? Why is masturbating so awesome? How hairy are butt cracks . . . generally? Why is labiaplasty on a global astronomical rise? Does egg freezing really work? Should I stick an egg-shaped rock up there or nah? There is still a shocking lack of accurate, accessible information

about pussies and many esteemed medical sources seem to contradict each other. Pussypedia solves that with extensive reviews of peer-reviewed science that address old myths, confusing inconsistencies, and the influence of gender narratives on scientific research--always in simple, joyful language. Through over 30 chapters, Pussypedia not only gives the reader information, but teaches them how to read science, how to consider information in its context, and how to accept what we don't know rather than search for conclusions. It also weaves in personal anecdotes from the authors and their friends--sometimes funny,

sometimes sad, often cringe-worthy, and always extremely personal--to do away with shame and encourage curiosity, exploration, and agency. A gift for your shy niece, your angsty teenager, your confused boyfriend, or yourself. Our generation's *Our Bodies, Ourselves*, with a healthy dose of fun.

*The Little Book of Butts* Penguin

A particularly seductive photo book featuring the most beautiful models who reveal unrestrained everything they have in over 300 pages. Be prepared for thrill in relaxation - or, to put it bluntly: Watch out, uninhibited hyper-excitement!
