Manu always embraced his role as a strong, protective man, until one day his world is turned upside down. In quick succession, his girlfriend walks out on him, and he's passed over for a position at work in the

name of gender parity. In an effort to regain his bearings, he clings to a family of seven troubled children, determined to rescue them from their social misfortunes. Thus begins a long descent into the heart of his fears... Dead Dead Demon's Dededede Destruction, Vol. 1 Stone Bridge Press
The original adventures of London Donovan and his shadowy boss, "the Centenarian of the Carpathians," in this

action-packed spin-off from the best-selling Carthago. These five individual, but interlinked, stories see Donovan and billionaire Feiersinger combating all manner of malicious myths and monsters from the Californian Bigfoot and deadly African dinosaurs, to Arctic sea creatures and giant Canadian wolves. Whether driven by a taste for adventure, a passion for scientific curiosity, or simply by

pure obsession, join our unrelenting heroes as they chase and encounter creatures that are as mythical as they are deadly.

A powerful dystopian vision of a world where money reigns supreme, from a World Fantasy Award-winning author. "An extraordinary novel that stands with the best of dystopian fiction, with dashes of *The Handmaid's Tale*." -- Cory Doctorow
The penalty for Dani Cumali's murder:

\$84,000. Theo works in the Criminal Audit Office. He assesses each crime that crosses his desk and makes sure the correct debt to society is paid in full. These days, there's no need to go to prison -- provided that you can afford to pay the penalty for the crime you've committed. If you're rich enough, you can get away with murder. But Dani's murder is different. When Theo finds her lifeless body, and a hired killer standing over her and calmly calling the police to confess, he can't let

her death become just an entry on a balance sheet. Someone is responsible. And Theo is going to find them and make them pay. Perfect for fans of *1984* and *Never Let Me Go*, Claire North's moving and unnerving new novel will resonate with readers around the world.

Anime's influence can be found in every corner of American media, from

film and television to games and graphic arts. And Fred Patten is largely responsible. He was reading manga and watching anime before most of the current generation of fans was born. In fact, it was his active participation in fan clubs and his prolific magazine writing that helped create a market and build American anime fandom into the vibrant community it is today. Watching Anime, Reading Manga gathers together a quarter-century of Patten's lucid

observations on the business of anime, fandom, artists, Japanese society and the most influential titles. Illustrated with original fanzine covers and archival photos. Foreword by Carl Macek (Robotech). Fred Patten lives in Los Angeles. "Watching Anime, Reading Manga is a worthwhile addition to your library; it makes good bathroom browsing, cover-to-cover reading, and a worthwhile reference for writing or researching anime and manga, not to mention a

window into the history of fandom in the United States." -- SF Site
Animal Castle #2 Europe Comics
 Lin and Rose have gone their separate ways, so Jonas Crow is left alone with his hearse and Jed, his pet vulture. Winter has set in and there's plenty of work to do—plenty of bodies to bury. When a childhood friend, Sid, looks him up and offers him a dangerous job, Jonas eventually agrees to it. Time, however, changes all things, loyalties included. Sid

may not be trustworthy, but he was right about one thing—Jonas is the only undertaker in the Old West crazy enough to go after a corpse in Apache territory.

 After witnessing the deaths of animals she knew as friends for seemingly nothing, Miss B. becomes a conflicted cat. Things are further complicated when questions are raised about the state of the farm, bringing down severe retaliation by

President Silvio's hounds. Miss B. has to ask herself what's worse: doing something that could cost a life or do nothing at all? For fans of the bestselling *Stray Dogs* and the Eisner Award winning *Beasts of Burden* comes an animal fable at once familiar and surprising! You may think you know the story but set aside your assumptions, this animal uprising is unlike any you have read!

 Trapped on a planet millions of light years

away from Earth, five scientists must survive sub-zero temperatures and horrific alien creatures as they make their way across the dead, frozen landscape to their base in this action-packed graphic novel. It is the age of space exploration, and five scientists travel 80 million light years from home to study the planet of Siberia, the location of Earth's 56th colony. Completely covered with dense snow and steep mountains, Siberia's poles reach temperatures of -300° F with icy winds of

close to 200 mph. After their shuttle crashes, the surviving scientists must walk across hundreds of miles of frozen wasteland to find the terrain basecamp. Between the biting cold, devastating snow storms, and horrific alien creatures, their chances of survival are close to absolute zero. In *Siberia 56*, author Christophe Bec imagines a hostile and fascinating world that harkens to the very best of the science fiction and horror genres. Superbly illustrated by Alexis Sentenac, this

stunning work offers a chilling tale of survival in the vast recesses of a dying planet.

For the first time since the publication of his internationally bestselling novel, *Gomorra*, Roberto Saviano shares his early-life experience with the violence of the Neapolitan Mafia and how exposing them irrevocably changed his life. Italian journalist Roberto Saviano was twenty-six years old when he published his first

book, Gomorrah, to international acclaim. The book, which has gone on to sell 10 million copies worldwide, was a detailed exposé of the Neapolitan mafia, the Camorra, whose organized crime tactics have permeated all matters of industry in Naples: government, infrastructure, high fashion, and drugs. Over fifteen years after Gomorrah's release, Saviano's life has been under constant threat from would be assassins who forced him to leave his native Italy and to live

under constant police protection. For the first time since then, Saviano shares his deepest thoughts and experiences of early life in Naples, witnessing the power and violence of Camorra firsthand, his current existence living under guard, all the while continuing to call attention to the deeply rooted crime and corruption that plagues his home. Collaborating with award-winning cartoonist Asaf Hanuka (The Realist, The Divine), both writer and artist

examine a life behind armed guard whose best recourse against oppression is through old fashioned pen and paper. One Piece, Vol. 100 Tunué "Los Angeles is not all sunshine, surfing, and red carpets. Behind the facade, the City of Angels is an illicit, morally ambiguous world of fading dreams. GRAND is a revenge-seeking cop clinging to the good man he was. LEONARD is an addict who wants his family back. RIP is a haunted thug embroiled in underground fighting.

And WENDALL is the criminal corruptor pulling all of their strings. In the seedy L.A. underworld, lives intersect like freeway overpasses. When Wendall's poker game is robbed, these three lowlifes attempt to stay one step ahead of each other, because redemption or destruction is their only ticket out."-- Provided by publisher.

The year is 1849, and the future state of California is under the control of former soldiers from the

Mexican-American War. Their leader, General Gomez, is busy buying up the locals' land for pennies on the dollar, so that he and his cronies can maximize their profits from the coming gold rush. But he and his men are dogged by a series of masked, would-be avengers all calling themselves Zorro. They are an almost laughable annoyance, simple peasants living out the fantasy of a local legend. Until one man shows up and starts picking off Gomez's men one by one,

as stealthy as a fox. He brandishes a sword which he uses to carve the letter Z into his victims' cheeks... Could this be the true Zorro?

The epic autobiography of a manga master
Acclaimed for his visionary short-story collections *The Push Man and Other Stories*, *Abandon the Old in Tokyo*, and *Good-Bye*--originally created nearly forty years ago, but just as resonant now as ever--the legendary Japanese cartoonist Yoshihiro Tatsumi has come to be recognized in North America as a precursor of today's graphic novel movement. *A Drifting Life* is his monumental

memoir eleven years in the making, beginning with his experiences as a child in Osaka, growing up as part of a country burdened by the shadows of World War II. Spanning fifteen years from August 1945 to June 1960, Tatsumi's stand-in protagonist, Hiroshi, faces his father's financial burdens and his parents' failing marriage, his jealous brother's deteriorating health, and the innumerable pitfalls that await him in the competitive manga market of mid-twentieth-

century Japan. He dreams of following in the considerable footsteps of his idol, the manga artist Osamu Tezuka (Astro Boy, Apollo's Song, Ode to Kirihito, Buddha)--with whom Tatsumi eventually became a peer and, at times, a stylistic rival. As with his short-story collection, *A Drifting Life* is designed by Adrian Tomine.

The Black Jack series is told in short stories. Volume 12 will contain 14 stories, each running

approximately 20 pages in length. This eleventh volume includes the following stories: Wildcat Boy: Black Jack is called out to the jungles of Indonesia to help an old friend with some unique research. Renowned Paris based Professor Dr. Triuifeaux has stumbled upon a rare case of a modern day wolf-boy. However, in this case the boy believes he is a wildcat. White Lion: While preparing to have a nice homecooked meal, Black Jack and his assistant Pinoko are interrupted by

a wrapping on their front door. Awaiting to enter and speak with the doctor are two men, an odd couple of sorts, with a request for the doc's services. The director of the local zoo and a representative from Angola are desperate to have a recently transplanted animal treated immediately.

National Geographic Books

A small exploratory vessel crashes onto an unknown ocean planet after its crew is seized by a sudden madness. After escaping their sinking ship, the five survivors are helped to the surface by giant squid-like creatures

who guide them to what appears to be the planet's only island. To their surprise, they are greeted on the shore by primitive humans, who prove to be welcoming despite their cannibalistic rituals. But their fixed smiles and total docility suggest that something more sinister is going on. Are the castaways doomed to join them in submitting to the will of the mysterious Great One?

It's stinking hot, and the crowd is beginning to lose

interest in the last few gladiators still fighting for survival in the arena. Only the Emperor Claudius is still riveted, determined to stick it out until the death rattle of the last fighter announces the end of the day's frivolities. Life is just as ferocious outside the arena. Everyone wants the power; everyone is willing to kill to get it... For Agrippina, Claudius' second wife, her dear husband has served his purpose. Now that he has acknowledged her son, Nero, as his heir, it's high time he disappeared.

But Agrippina has time against her: there's talk of Claudius wanting to renounce her in favor of the woman he loves, Lolia Paulina. Needless to say, it doesn't end well for poor Lolia...
