**Survivors: The Gathering Darkness #6: The Final Battle** Usborne Publishing

Charlie, like all small snails, lives in a shell. And since this two-in-one protective cover is strapped onto his back, Charlie carries his home with him everywhere. One day, while having a snail race with his friends—as snails like to do—there’s a terrible accident. As Charlie nears the finish line, the misplaced shoe of a little boy running through the garden comes down and breaks his shell. Charlie’s shell—and his home—are completely destroyed. To make matters worse, winter is coming and Charlie has nowhere to go. Charlie’s friends try to help him find a new home, but none seem to fit just right: they are too hard, too sticky, too sharp, or too flimsy. Will someone be able to help Charlie find a new home before winter? Featuring a story of friendship from author and illustrator Doris Lecher, *A New House for Charlie* teaches children about helping others and showing compassion and empathy when hurting another person, even if unintentionally. Appropriate for children ages 3 to 6. Parents and educators will like the lessons throughout the book and children will be able to relate to Charlie as he tries to find a new home. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes

overlooked and to authors whose work might not otherwise find a home.

Bears have more than a passing resemblance to humans. Especially this bear, who takes pleasure in the little things in life, and, of course, the big things as well. He is generous to a fault, and if we are to take his word for it, a rather clever fellow. But, like many of us, even our bear has days when he feels dreadfully alone. Fortunately, he knows exactly what to do about it. Philip Waechter responds to this very human dilemma by creating a wonderful character, drawn with a delicately spare line but informed with great compassion and love.

The story of Robert and Margarete and their children Johannes and Dorothea, who emigrate from Germany to the United States in 1850. After landing in New Orleans and joining a wagon train headed west to Nebraska, the family establishes a farm outside Omaha. The book ends with a switch to modern day with descendants of Robert and Margarete living on the same farm. They make the decision to investigate their roots and visit Germany, reversing the trip their ancestors made.

A hugely endearing, very funny story about kindness, friendship and overcoming fears, from award-winning illustrator Maisie Paradise Shearring. Anna and Otis the snake are great friends and they love having fun together. But Otis knows people are scared of snakes, so he usually just plays at home or in the garden. He is nervous when Anna suggests a new adventure. At first people are afraid, and Otis feels he isn't welcome in the town. But Anna encourages Otis not to give up, and it soon turns out that maybe snakes aren't as scary as people thought! The hairdresser enjoys shampooing a reptile for a change, and at the skate shop Sally has a lot of fun fitting Otis with his own set of awesome wheels. Anna and Otis is full of endless rich details to spot and Maisie's artwork is a treat to pore over.

In veteran children's book author Sally Grindley's rollicking new book for children, familiar fairy tales ("Goldilocks and the Three Bears," "Jack and the Beanstalk," "The Three Billy Goats Gruff," and "Little Red Riding Hood") are presented in an exciting and fresh manner that will delight and entertain young children. Children's excitement will mount as they recognize elements of well-known stories (Someone is eating Mr. Bear's porridge. Someone is sitting in Mrs. Bear's chair. Someone is sleeping in Baby Bear's bed.) throughout the text and are asked to answer the question...Who Is It? Youngsters will happily shout out who each character is and warn those characters about who is coming to get them! Rosalind Beardshaw's bright, bold colors and gentle, friendly depictions will reassure young readers. Featuring well-loved fairy tale characters and a surprise ending, this is the perfect interactive read-aloud story young children will ask for again and again.

All Aboard With Joanna! begins by

inviting young readers into the fantastical world of creating books by showing a black and white sketch of the artist's work table as she faces the blank page. The reader can then follow the interaction between the fictional character, the little pig Joanna, and the artist. A train and its numerous passengers become the setting for this beautifully illustrated narrative. As the story unfolds, Joanna has many requests to make to her creator: from her clothing (that she would prefer to be stripey), to catching up with another train to see who could possibly be inside it. By the end of this delightful story where the author even teases Joanna - drawing a big bad wolf and a huge monster! - Joanna is finally content when she gets the right companion to spend the rest of the trip with.

If you think you know Winnie the Witch, think again! In 'Winnie and the Toof Fairy' you'll find out what Winnie does when she realises she's not the only one with the ability to wave a wand; in 'Winnie's One-Witch Band' she tries to match Wilbur's musical talents; in 'Itchy Witchy' Winnie takes Wilbur (and his fleas) to the pet show; and in 'Winnie Says Cheese' Winnie and Wilbur take some supremely silly snapshots to add to their photo album. Four crazily funny stories featuring everyone's favourite witch, her big black cat, Wilbur, and a zany supporting cast of new characters. Korky Paul's exuberant black line illustrations complement the humour, slapstick, and moments of real drama that run through each story. Pure magic!
