Leonard Corporation
This little book
transcends
geographical, social,
and economic
boundaries to search
the heart and soul of

the blues, looking for
rules to live by, hope
for the downtrodden,
cautionary tales for the
good times, and truths
that "hurt so good".
Sometimes, you just
gotta be blue. But, as
this book goes to show,
that's okay--because
you're never alone.

A brilliantly written and groundbreaking book about Dylan's music - now the recipient of the Nobel Prize for Literature 2016 - and its musical, political and cultural roots in early 20th-century America Growing up in Greenwich Village in the 1960s Sean Wilentz discovered the music of Bob Dylan as a young teenager. Almost half a century later, now a distinguished professor of American history, he revisits Dylan's work with the critical skills of a scholar and the passion of a fan. Drawing partly on his work as the current historian-in-residence on Dylan's official website, Sean Wilentz provides a unique blend of biography, memoir and analysis in

a book which, much like its subject, shifts gears and changes shape as the occasion demands.

Hailed by many as the world's greatest

harmonica player, John Popper has redefined the instrument. As the lead singer and principal songwriter of Blues Traveler, Popper has performed for more than 30 million people over 2,000 live dates and composed such radio staples as "Hook," "But Anyway," and "Run-Around," the longest-charting single in Billboard history. He has appeared with Eric Clapton and B. B. King at the White House, welcomed the Hungarian ambassador to the stage, and inducted Carlos Santana into the Rock and Roll Hall of Fame. In *Suck and Blow*, Popper shares a candid, spirited account of his life and career. A straight-F student at Princeton High School, Popper's life changed with one

serendipitous harmonica solo that captured the attention of his mercurial band teacher (the same teacher whose life was later fictionalized in the Academy Award-winning film *Whiplash*). After befriending three fellow musicians with whom he would form Blues Traveler, Popper's academic career nearly ended in twelfth grade, until a meeting with the Dean of the New School for Social Research in which Popper pulled out his trusty harp and played his way into college. Popper and Blues Traveler soon became enmeshed in the lower Manhattan music scene of the late 1980s, eventually becoming the house band at the fabled Wetlands Preserve and embarking on a

journey that would one day land the group at Madison Square Garden on New Year's Eve. Along the way, Popper and his cohorts commanded the attention of fans and bands alike, through inspired performances and riotous debauchery. Popper's unique perspective on the music business began under the tutelage of Blues Traveler's mentor and manager Bill Graham. After the rock impresario's untimely passing, Popper applied many of Graham's lessons to the formation of the H.O.R.D.E. tour, which John co-owned and hosted over eight years, welcoming such artists as Neil Young, the Allman Brothers Band, Phish, Dave Matthews Band, Ziggy

Marley, and his longtime friends the Spin Doctors. Popper also shares a forthright assessment of his longstanding battle with obesity. Plagued by weight problems since childhood, a motorcycle accident a few years into his career confined him to a wheelchair for two years while his weight ballooned to 436 pounds. Angioplasty, gastric bypass surgery, and a tattoo on his chest that reads "I Want to Be Brave" when viewed in the mirror are products of Popper's struggle, compounded by codependency issues and the untimely death of founding Blues Traveler bassist Bobby Sheehan. Popper's personal identity is entwined with his political passions. A

staunch supporter of gun rights, he has performed at the National Republican Convention, yet he also maintains liberal positions on social issues. He will reconcile these views and share his encounters with the Bush family, the Clintons, the Gores, and other politicians. The iconoclastic, self-described Johnny Appleharp also dishes on cutting contests, Twitter trolls, party fouls, and prostitutes. In *Suck and Blow*, John Popper does it all with his signature honesty, humility, and humor.

Get Chugging: How to Play Rhythm Harmonica Mel Bay Publications
Experience music history with this memoir by one of the last of the genuine old school Blues and R&B legends, the Grammy-winning dynamic showman Bobby Rush. This memoir charts the

extraordinary rise to fame of living blues legend, Bobby Rush. Born Emmett Ellis, Jr. in Homer, Louisiana, he adopted the stage name Bobby Rush out of respect for his father, a pastor. As a teenager, Rush acquired his first real guitar and started playing in juke joints in Little Rock, Arkansas, donning a fake mustache to trick club owners into thinking he was old enough to gain entry. He led his first band in Arkansas between Little Rock and Pine Bluff in the 1950s. It was there he first had Elmore James play in his band. Rush later relocated to Chicago to pursue his musical career and started to work with Earl Hooker, Luther Allison, and Freddie King, and sat in with

many of his musical heroes, such as Howlin' Wolf, Muddy Waters, Jimmy Reed and Little Walter. Rush eventually began leading his own band in the 1960s, crafting his own distinct style of funky blues, and recording a succession of singles for various labels. It wasn't until the early 1970s that Rush finally scored a hit with "Chicken Heads." More recordings followed, including an album which went on to be listed in the Top 10 blues albums of the 1970s by Rolling Stone and a handful of regional jukebox favorites including "Sue" and "I Ain't Studdin' Ya." And Rush's career shows no signs of slowing down now. The man once beloved for performing

in local jukejoints is now headlining major music/blues festivals, clubs, and theaters across the U.S. and as far as Japan and Australia. At age eighty-six, he is still on the road for over 200 days a year. His lifelong hectic tour schedule has earned him the affectionate title "King of the Chitlin' Circuit," from Rolling Stone. In 2007, he earned the distinction of being the first blues artist to play at the Great Wall of China. His renowned stage act features his famed shake dancers, who personify his funky blues and his ribald sense of humor. He was featured in Martin Scorsese's The Blues docuseries on PBS, a documentary film called Take Me to the River, performed with

Dan Aykroyd on The Tonight Show Starring Jimmy Fallon, and most recently had a cameo in the Golden Globe nominated Netflix film, Dolemite Is My Name, starring Eddie Murphy. He was recently given the highest Blues Music Award honor of B.B. King Entertainer of the Year. His songs have also been featured in TV shows and films including HBO's Ballers and major motion pictures like Black Snake Moan, starring Samuel L. Jackson. Considered by many to be the greatest bluesman currently performing, this book will give readers unparalleled access into the man, the myth, the legend: Bobby Rush.

How good of a

musician you become is predicated on how much practice you do and the quality of that practice. In all likelihood, you don't have access to a harmonica teacher (a rare breed), so it's up to you to identify what will help you grow as a player and how to best spend your valuable practice time. In *Daily Studies for Diatonic Harmonica*, author David Barrett (the world's most published author of harmonica lesson material) provides recommendations on how to set up your practice room, structure your practice time, what to work on to improve your playing, and how to prepare you for performance. The *Daily Exercises* portion of this book provides

essential exercises for the diatonic harmonica—movement patterns, scales, tongue block technique drills, an exercise to help you memorize the chords of the 12 Bar Blues, your harmonica's note layout, and how to choose a note to match over a given chord, at any time, in any range of the harmonica. This book and accompanying recording is an essential text for all students of the diatonic harmonica. You'll need a C Major Diatonic Harmonica for this method. Includes access to online audio. *Fun with the Harmonica* David Harp's Instant Blues Harmonica This book/CD set aims to teach you the basics - rhythm and

breathing; tunes will come later. This revolutionary approach has helped thousands of new harmonica players; now it's YOUR turn! Chugging is all about sound textures - rich train sounds, gruff blues and spiraling country dance beats. the whole method is aural - just put on the CD and follow the instructions - the book expands the music and puts it on paper for you.

 Journeyman's Road
 offers a bold new vision
 of where the blues
 have been in the
 course of the twentieth
 century and what they
 have become at the
 dawn of the new
 millennium: a world
 music rippling with
 postmodern
 contradictions. Author
 Adam Gussow brings a
 unique perspective to
 this exploration. Not
 just an award-winning
 scholar and memoirist,
 he is an accomplished
 blues harmonica
 player, a Handy award
 nominee, and veteran
 of the international
 club and festival
 circuit. With this

unusual depth of
 experience, Gussow
 skillfully places blues
 literature in dialogue
 with the music that
 provokes it, vibrantly
 articulating a vital
 American tradition. At
 the heart of Gussow's
 story is his own
 unlikely yet remarkable
 streetside partnership
 with Harlem bluesman
 Sterling Mr. Satan
 Magee, a musical
 collaboration marked
 not just by a series of
 polarities--black and
 white, Mississippi and
 Princeton, hard-won
 mastery and youthful
 apprenticeship--but by
 creative energies that
 pushed beyond
 apparent differences to
 forge new dialogues
 and new sounds.
 Undercutting familiar
 myths about the down-
 home sources of blues
 authenticity, Gussow
 celebrates New York's

mongrel blues scene: the artists, the jam sessions, the venues, the street performers, and the eccentrics. At once elegiac and forward-looking, Journeyman's Road offers a collective portrait of the New York subculture struggling with the legacy of 9/11 and healing itself with the blues.
