KELLEY REYNOLDS

Natural Wine for the People John Wiley & Sons

Most rational people don't pay \$40 for \$20 items. And yet with wine, it happens all the time. Wine can be an expensive hobby. Founder of the popular site ReverseWineSnob.com, Jon Thorsen is an unapologetic frugal wine consumer. He flips wine snobbery on its head by pushing a \$20 or less mantra. Reverse Wine Snob is designed to help wine drinkers stop wasting money and get the most satisfaction out of their drinking dollars. It reveals Thorsen's Ten Tenets of Reverse Wine Snobbery—ten beliefs that eliminate myths about wine—as well as a unique rating system that includes the cost of the bottle so that there is satisfaction in both taste and price. In Jon's unique system, the more expensive a wine, the better it must taste. Reverse Wine Snob explains: The number one rule all wine drinkers should follow, no matter what the wine snobs say. How to shop for wine at stores like the nation's #1 wine retailer Costco and Trader Joe's. The regions and varieties of wine that give the best value. Why the price of a wine has nothing to do with its taste. Why the distribution system in the US is broken which costs you money and limits your wine choices. Tons of Jon's very favorite wine picks. Jon dapples in every kind of wine from \$10 kitchen sink blends to the \$20 "Saturday Night Splurge," so delicious it's worth twice the price. Reverse Wine Snob brings plain old common sense to the wine industry and encourages wine lovers to explore the world of inexpensive quality wine. Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Delve deeper into the Emmy- and Golden Globe-nominated Hulu series based on Sally Rooney's bestselling novel with this must-have collection of the Normal People scripts, featuring behind-the-scenes photos and an introduction by director Lenny Abrahamson. "You know, I did used to think that I could read your mind at times." "In bed you mean." "Yeah. And afterwards but I dunno maybe that's normal." "It's not." Connell and Marianne grow up in the same small town in the west of Ireland, but the similarities end there. In school, Connell is popular. Marianne is a loner. But when the two strike up a conversation, something life-changing begins. With an introduction by director Lenny Abrahamson and featuring iconic images from the show, Normal People: The Scripts contains the complete screenplays of the acclaimed Emmy- and Golden Globe-nominated television drama that The New York Times called "an unusually thoughtful and moving depiction of young people's emotional lives."

Around the World in Eighty Wines Bentang Pustaka

A compact illustrated guide to the emerging and enormously popular category of natural wine, a style that focuses on minimal intervention, lack of additives, and organic and biodynamic growing methods. Today, wine is more favored and consumed than it's ever been in the United States--and millennials are leading the charge, drinking more wine than any other generation in history. Many have been pulled in by the tractor beam of natural wine--that is, organic or biodynamic wine made with nothing added, and nothing taken away--a movement that has completely rocked the wine industry in recent years. While all of the hippest restaurants and wine bars are touting their natural wine lists, and while more and more consumers are calling for natural wine by name, there is still a lot of confusion about what exactly natural wine is, where to find it, and how to enjoy it. In Natural Wine for the People, James Beard Award-winner Alice Feiring sets the record straight, offering a pithy, accessible guide filled with easy definitions, tips and tricks for sourcing the best wines, whimsical illustrations, a definitive list to the must-know producers and bottlings, and an appendix with the best shops and restaurants specializing in natural wine across the country, making this the must-buy and must-gift wine book of the year.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

AN INSTANT #1 NEW YORK TIMES BESTSELLER Beautiful World, Where Are You is a new novel by

Sally Rooney, the bestselling author of *Normal People* and *Conversations with Friends*. Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

Wine For Dummies Ballantine Books

Imagine the terror and exhilaration of a first sexual experience in a church where you could be caught at any moment. In *Cigarettes & Wine*, this is where we meet an unnamed teenage narrator in a small southern town trying to make sense of their own bisexuality, gender variance, and emerging adulthood. When our narrator leaves the church, we watch their teen years unfold alongside one first love wrestling with his own sexuality and his desire for a relationship with God, and another first love seeking to find herself as she moves away from town. Through the narrator’s eyes, we also encounter a newly arrived neighbor who appears to be an all American boy, but has secrets and pain hidden behind his charming smile and athletic ability, and their oldest friend who is on the verge of romantic, artistic, and sexual transformations of her own. Along the way, these friends confront questions about gender and sexuality, violence and substance abuse, and the intricacies of love and selfhood in the shadow of churches, families, and a small southern town in the 1990’s. Alongside academic and media portrayals that generally only acknowledge binary sexual and gender options, *Cigarettes & Wine* offers an illustration of non-binary sexual and gender experience, and provides a first person view of the ways the people, places, and narratives we encounter shape who we become. While fictional, *Cigarettes & Wine* is loosely grounded in hundreds of formal and informal interviews with LGBTQ people in the south as well as years of research into intersections of sexualities, gender, religion, and health. *Cigarettes & Wine* can be read purely for pleasure or used as supplemental reading in a variety of courses in sexualities, gender, relationships, families, religion, the life course, narratives, the American south, identities, culture, intersectionality, and

arts-based research. “I suspect that many people who have even unrecognized ambivalences about sexual and gender binaries might find in it an illuminating reflection of their own paths. This fast-paced, introspective romp through high school and beyond keeps the pages turning with love, sex, and an understanding grandma.” Dawne Moon, Ph.D., Marquette University, and author of *God, Sex and Politics: Homosexuality and Everyday Theologies* “Cigarettes and Wine is entertaining, thrilling, heartbreaking, while also a bit educational about the often invisible members of the LGBTQ community – bi and pan sexual, trans and gender non-conforming, and polyamorous folks. You won’t want to put it down!” Eric Anthony Grollman, Ph.D., University of Richmond and editor of *Conditionally Accepted* at *Inside Higher Ed* J. E. Sumerau is an assistant professor and director of applied sociology at the University of Tampa. Zir writing and research focuses on the intersections of sexualities, gender, religion, and health in the interpersonal and historical experiences of sexual, gender, and religious minorities.

Wine and the White House Crown

There are few greater pleasures in life than enjoying a wonderful glass of wine. So why does finding and choosing one you like seem so stressful? Now, becoming a happier, more confident wine drinker is easy. The first step is to forget all the useless, needlessly complicated stuff the "experts" have been telling you. In *The New Wine Rules*, acclaimed wine writer Jon Bonné explains everything you need to know in simple, beautifully illustrated, easy-to-digest tidbits. And the news is good! For example: A wine's price rarely reflects its quality. You can drink rosé any time of year. Don't save a great bottle for anything more than a rainy day.

Pada usia ketiga puluh enam, Paul Kalanithi merasa suratan nasibnya berjalan dengan begitu

sempurna. Paul hampir saja menyelesaikan masa pelatihan luar biasa panjangnya sebagai ahli bedah saraf selama sepuluh tahun. Beberapa rumah sakit dan universitas ternama telah menawari posisi penting yang diimpikannya selama ini. Penghargaan nasional pun telah diraihinya. Dan kini, Paul hendak kembali menata ikatan pernikahannya yang merenggang, memenuhi peran sebagai sosok suami yang ia janjikan. Akan tetapi, secara tiba-tiba, kanker mencengkeram paru-parunya, melumpuhkan organ-organ penting dalam tubuhnya. Seluruh masa depan yang direncanakan Paul seketika menguap. Pada satu hari ia adalah seorang dokter yang menangani orang-orang yang sekarat, tetapi pada hari berikutnya, ia adalah pasien yang mencoba bertahan hidup. Apa yang membuat hidup berharga dan bermakna, mengingat semua akan sirna pada akhirnya? Apa yang Anda lakukan saat masa depan tak lagi menuntun pada cita-cita yang diidamkan, melainkan pada masa kini yang tanpa akhir? Apa artinya memiliki anak, merawat kehidupan baru saat kehidupan lain meredup? *When Breath Becomes Air* akan membawa kita bergelut pada pertanyaan-pertanyaan penting tentang hidup dan seberapa layak kita diberi pilihan untuk menjalani kehidupan. The Ceramics Bible Ten Speed Press

There is no other wine that is as versatile, as utterly unique in its range and production methods—and, unfortunately, as misunderstood—as sherry. For centuries, sherry was considered one of the world's great wines, spoken about in the same reverential terms as the finest Bordeaux and Burgundies. But in the last few decades, sherry lost its way—and cheap, cloyingly sweet blends

sullied the reputation of what remains one of Spain's oldest and greatest winemaking traditions. Thankfully, sherry is in the midst of a renaissance. Beloved of sommeliers and bartenders in the craft cocktail community, today sherry is being re-discovered and re-appreciated as an incredible table wine and essential component of many classic cocktails. Sherry is essential reading for wine or spirits professionals looking to incorporate this complex wine into their menu, and for adventurous drink enthusiasts who are on the hunt for something unexpected. With a comprehensive yet accessible overview of the different styles of sherry, how they are made, and the people and places that produce it, *Sherry* demystifies what can be a confusing (and seemingly contradictory) wine. A thorough buyer's guide lists top producers and profiles the very best bodegas and wines. And a whole chapter on sherry-based cocktails illuminates a completely different side of sherry, featuring classic recipes like the Tuxedo and Sherry Cobbler, as well as modern creations from the country's top bartenders (Jim Meehan's East India Negroni, Derek Brown's Kojo Cocktail). More than a dozen recipes for tapas and other delicious foods—best eaten alongside a glass of sherry, of course—round out this wonderfully eclectic, engaging, and inspiring collection.
