Preface: Competitive sessional and  
semester exams are a window to

evaluate the aptitude of students  
towards achieving higher academic  
goals at different levels. Universities and  
institutes of learning and repute provide  
for students to be admitted in M.  
Pharmacy based on GPAT score. Along  
with this GPAT score is considered  
essential for awarding fellowships to  
pursue further education in reputed  
universities, Central research institutes  
and institutes of national importance.  
The authors have compiled this book  
with a specific orientation towards  
Pharmaceutics specially designed with  
MCQ questions for the guidance of  
candidates as per the recent syllabus.  
The authors are quite hopeful that this  
edition will not only serve the need for  
sessional and semester exams but will  
greatly help serve the need for GPAT and  
other competitive examinations held for  
recruitment purposes. Our modest aim in  
writing this book is to produce a test  
pattern guide for Pharmacy students  
appearing in exams at different levels.
