York Times). Years ago, the haunting of the Overlook Hotel nearly broke young Dan Torrance’s sanity, as his paranormal gift known as “the shining” opened a door straight into hell. But when he unexpectedly meets twelve-year-old Abra Stone—who possesses an even more powerful manifestation of the shining—the two find their lives in sudden jeopardy at the hands of the ageless and murderous nomadic tribe known as the True Knot, reigniting Dan’s own demons and summoning him to battle for this young girl’s soul and survival...

When Cherie Alvarez was a child, a moment of shocking violence shattered her world into a thousand bloody pieces. Plagued by nightmares and taunted by schoolyard bullies, the young girl spent years recovering from what law enforcement described as a “sickening and gruesome act of evil.” Now a college student, Cherie has found solace in film, theater, and all the beloved traditions of the Halloween season. But

when she and her friends participate in an immersive, "extreme" haunted attraction, Cherie must once again break the chains of victimhood and face the open wounds of her past. After enduring one man's twisted vision of horror and perversion, Cherie finds herself challenged by a cult-like force determined to destroy her. What follows is a singular night of grueling terror, calculated revenge, and backwoods slaughter. An epistolary thriller, *DEATH RITUALS* gathers the ephemera of a young woman's life--short stories, articles, scripts, photographs, televised reports, and more--to tell a story of chilling depravity and undaunted courage.

The Stranger Revell
An unspeakable crime. A confounding investigation. At a time when the King brand has never been stronger, he has delivered one of his most unsettling and compulsively readable stories. An eleven-year-old boy's violated corpse is found in a town park. Eyewitnesses and fingerprints point unmistakably to one of Flint City's most popular citizens. He is Terry Maitland, Little League coach, English teacher, husband, and father of

two girls. Detective Ralph Anderson, whose son Maitland once coached, orders a quick and very public arrest. Maitland has an alibi, but Anderson and the district attorney soon add DNA evidence to go with the fingerprints and witnesses. Their case seems ironclad. As the investigation expands and horrifying answers begin to emerge, King's propulsive story kicks into high gear, generating strong tension and almost unbearable suspense. Terry Maitland seems like a nice guy, but is he wearing another face? When the answer comes, it will shock you as only Stephen King can.

With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.

The Outsider Simon and Schuster

Over 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on "greasers" like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes

to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award *The Outsider* Open Road Media

When a young Algerian named Meursault kills a man, his subsequent imprisonment and trial are puzzling and absurd. The apparently amoral Meursault—who puts little stock in ideas like love and God—seems to be on trial less for his murderous actions, and more for what the authorities believe is his deficient character.

From Frederick Forsyth, the grand master of international suspense, comes his most intriguing story ever—his own. For more than forty years, Frederick Forsyth has been writing extraordinary real-world novels of intrigue, from the groundbreaking *The Day of the Jackal* to the prescient *The Kill List*. Whether writing about the murky world of arms dealers, the shadowy Nazi underground movement, or the intricacies of worldwide drug cartels, every plot has been chillingly plausible because every detail has been minutely researched. But what most people don't know is that some of his greatest stories of intrigue have been in his own life. He was the RAF's youngest pilot at the age of nineteen, barely escaped the wrath of an arms dealer in Hamburg, got strafed by a MiG during the Nigerian civil war, landed during a bloody coup in Guinea-Bissau (and was accused of helping fund a 1973 coup in Equatorial Guinea). The Stasi arrested him, the Israelis feted him, the IRA

threatened him, and a certain attractive Czech secret police agent—well, her actions were a bit more intimate. And that's just for starters. It is a memoir like no other—and a book of pure delight.

The Outsider Ballantine Books

A New York Times Editors' Choice Book From the critically-acclaimed author of *Shelter*, an unflinching portrayal of a woman trying to come to terms with the ghosts of her past and the tortured realities of a deeply divided America. Elinor Hanson, a forty-something former model, is struggling to reinvent herself as a freelance writer when she receives an unexpected assignment. Her mentor from grad school offers her a chance to write for a prestigious magazine about the Bakken oil boom in North Dakota. Elinor grew up near the Bakken, raised by an overbearing father and a distant Korean mother who met and married when he was stationed overseas. After decades away from home, Elinor returns to a landscape she hardly recognizes, overrun by tens of thousands of newcomers. Surrounded by roughnecks seeking their

fortunes in oil and long-time residents worried about their changing community, Elinor experiences a profound sense of alienation and grief. She rages at the unrelenting male gaze, the locals who still see her as a foreigner, and the memories of her family's estrangement after her mother decided to escape her unhappy marriage, leaving Elinor and her sister behind. The longer she pursues this potentially career-altering assignment, the more her past intertwines with the story she's trying to tell, revealing disturbing new realities that will forever change her and the way she looks at the world. With spare and graceful prose, Jung Yun's *O Beautiful* presents an immersive portrait of a community rife with tensions and competing interests, and one woman's attempts to reconcile her anger with her love of a beautiful, but troubled land.

Death Rituals Simon and Schuster

An unsentimental yet profoundly moving look at one family's experience with mental illness. "A haunting, poignant story of a son's life with, and without, his father. A rare and moving portrait of one of life's major struggles—the devastation created by severe mental illness." —John Oldham, M.D., Director of New York State Psychiatric Institute In 1978, Charles Lachenmeyer was a happily married professor

of sociology who lived in the New York suburbs with his wife and nine-year-old son, Nathaniel. But within a few short years, schizophrenia—a devastating mental illness with no known cure—would cost him everything: his sanity, his career, his family, even the roof over his head. Upon learning of his father's death in 1995, Nathaniel set out to search for the truth behind his father's haunted, solitary existence. Rich in imagery and poignant symbolism, *The Outsider* is a beautifully written memoir of a father's struggle to survive with dignity, and a son's struggle to know the father he lost to schizophrenia long before he finally lost him to death. • Recipient of the Kenneth Johnson Memorial Research Library Book Award • Winner of the 2000 Bell of Hope Award [The OC Headline](#) Tired of the same old thing?
