International phenomenon Angie Thomas revisits Garden Heights seventeen years before the events of *The Hate U Give* in this searing and poignant exploration of Black boyhood and manhood. A Printz Honor Book! If there's one thing seventeen-year-old Maverick Carter knows, it's that a real man takes care of his family. As the son of a former gang legend, Mav does that the only way he knows how: dealing for the King Lords.

With this money he can help his mom, who works two jobs while his dad's in prison. Life's not perfect, but with a fly girlfriend and a cousin who always has his back, Mav's got everything under control. Until, that is, Maverick finds out he's a father. Suddenly he has a baby, Seven, who depends on him for everything. But it's not so easy to sling dope, finish school, and raise a child. So when he's offered the chance to go straight, he takes it. In a world where he's expected to amount to nothing, maybe Mav can prove he's different. When King Lord blood runs through your veins, though, you can't just walk away. Loyalty, revenge, and responsibility threaten to tear Mav apart, especially after the brutal murder of a loved one. He'll have to figure out for himself what it really means to be a man.

Discover the critically acclaimed, #1 New York Times bestselling *The Hate U Give* and the highly anticipated *On the Come Up* from Angie Thomas in this two-book collection. FIND YOUR

VOICE. MAKE SOME NOISE. *The Hate U Give* William C. Morris Award Winner · National Book Award Longlist · Michael L. Printz Honor Book · Coretta Scott King Author Honor Book "Absolutely riveting!" —Jason Reynolds "Stunning." —John Green "This story is necessary. This story is important."—Kirkus (starred review) "Heartbreakingly topical."—Publishers Weekly (starred review) Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. On the Come Up Sixteen-year-old Bri wants to be one of the greatest rappers of all time. Or at least win her first battle. As the daughter of an underground hip hop legend who died right before he hit big, Bri's got massive shoes to fill. But it's hard to get your come up when you're labeled a hoodlum at school, and your fridge at home is empty after your mom loses her job. So Bri pours

her anger and frustration into her first song, which goes viral...for all the wrong reasons. Want more of Garden Heights? Catch Maverick and Seven's story in *Concrete Rose*, Angie Thomas's powerful prequel to *The Hate U Give*.

UP Abrams From the acclaimed, controversial singer-songwriter Sinéad O'Connor comes a revelatory memoir of her fraught childhood, musical triumphs, fearless activism, and of the enduring power of song. Blessed with a singular voice and a fiery temperament, Sinéad O'Connor rose to massive fame in the late 1980s and 1990s with a string of gold records. By the time she was twenty, she was world famous—living a rock star life out loud. From her trademark shaved head to her 1992 appearance on Saturday Night Live when she tore up Pope John Paul II's photograph, Sinéad has fascinated and outraged millions. In *Rememberings*, O'Connor recounts her painful tale of growing up in Dublin in a dysfunctional, abusive household. Inspired by a brother's Bob Dylan records, she escaped into music. She relates her

early forays with local Irish bands; we see Sinéad completing her first album while eight months pregnant, hanging with Rastas in the East Village, and soaring to unimaginable popularity with her cover of Prince's "Nothing Compares 2U." Intimate, replete with candid anecdotes and told in a singular form true to her unconventional career, Sinéad's memoir is a remarkable chronicle of an enduring and influential artist.

One of the most time-

consuming tasks in clinical medicine is seeking the opinions of specialist colleagues. There is a pressure not only to make referrals appropriate but also to summarize the case in the language of the specialist. This book explains basic physiologic and pathophysiologic mechanisms of cardiovascular disease in a straightforward manner, gives guidelines as to when referral is appropriate, and, uniquely, explains what the specialist is likely to do. It is ideal for any hospital doctor, generalist, or even senior medical student who may need a cardiology opinion, or for that ma.

History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

Humorous dating advice from two married comedians, former CollegeHumor writers and stars of the Hot Date tv series. Who better to write a very humorous manual about evolving modern relationships than two CollegeHumor veterans and viral-video stars who happen to be a real-life husband-and-wife team? With candor, bite, and charm, HEY, U UP? takes readers on an eight-

chapter journey through the trials of hooking up to the foibles of marriage, and combines the authors' prescriptive advice with the unfolding story of their own relationship. HEY, U UP? tackles all the milestones of relationships today—both glorious and embarrassing—with sections ranging from “How to Ask Someone Out After You’ve Slept with Them” all the way to “Establish Your Family as the Christmas Family by Turning Your Significant Other Against Their Own Parents.” In addition to the laugh-out-loud essays, lists, questionnaires, and even flowcharts further enliven the pages.
