[Percussive Notes](#) Alfred Music Publishing

This book introduces music education majors to basic instrumental pedagogy for the instruments and ensembles most commonly found in the elementary and

secondary curricula. This text focuses on the core competencies required for teacher certification in instrumental music. The first section of the book focuses on essential issues for a successful instrumental program: objectives, assessment and evaluation, motivation, administrative tasks, and recruiting and scheduling (including block scheduling). The second section devotes a chapter to each wind instrument plus percussion and strings, and includes troubleshooting checklists for each instrument. The third section focuses on rehearsal techniques from the first day through high

school.

[The Moeller Book](#) Alfred Music

George Lawrence Stone's Accents and Rebounds, the follow-up to the classic Stick Control, builds on the basics with accent routines and more advanced rhythms to improve the player's finesse and control. This book includes sections on accented eighths, dotted notes, and triplets, as well as rebound control and more. If you are a fan of Stick Control, then this method supplies the perfect next step for your practice routine. This updated edition adds Joe Morello's legendary arrow notation to help students incorporate the motions of the Moeller technique.
