Study Guide for Use with Modern
Advanced Accounting Prentice Hall
Fundamentals of Advanced Accounting,
7th edition, is ideal for those schools
wanting to cover 12 chapters in their
advanced accounting course. This concise
text allows students to think critically
about accounting, just as they will do
preparing for the CPA exam. The text
continues to show the development of
financial reporting as a product of intense

and considered debate that continues today and will into the future.

Modern Advanced Accounting in Canada continues to deliver the content and pedagogy that made it the best selling advanced financial accounting text in Canada. With the addition of new co-author Darrell Herauf complementing Murray Hilton's expertise, the fourth edition will maintain its reputation as the most current, technically accurate, and concise advanced accounting text in Canada. This text also covers topics usually taught in advanced accounting courses. They include complete and comprehensive coverage of business combinations, the preparation of consolidated financial statements, the consolidation of joint ventures and foreign subsidiaries, and

pushdown accounting. Consolidation coverage continues to emphasize the direct (non-working paper) approach accompanied by a "building block" development of the consolidation basics.

Advanced Accounting McGraw-Hill Companies

The emphasis of this text is on financial accounting concepts and their application both in business and non-business organizations. It provides coverage of partnerships, affiliated companies and topics such as international accounting standards and business segments.

Caitlin Rosenthal explores quantitative management practices on West Indian and

Southern plantations, showing how planter-capitalists built sophisticated organizations and used complex accounting tools. By demonstrating that business innovation can be a byproduct of bondage Rosenthal further erodes the false boundary between capitalism and slavery.
