The story

takes place in 1960 as a young African American child makes her way to school past yelling mobs. During this time white and black parents are evacuating their children from schools and keeping them from attending class. *Through My Eyes* by Ruby Bridges - Goodreads *Through My Eyes* provides an unflinchingly honest look at the role of today's young Christians in the gay debate: what they really think, how they perceive the church, and what they wish other Christians knew. Over two dozen young Christians agreed to share their private feelings, struggles, and experiences on camera.
