*The Misbegotten* Forever  
When secrets tear love apart, can the truth mend it?—from *The Globe* and Mail-bestselling author Marissa Stapley. When secrets tear love apart, can the truth mend it? Mae Summers and Gabe Broadbent grew up together in the idyllic Summers' Inn, perched at the edge the St. Lawrence River. Mae was orphaned at the age of six and Gabe needed

protection from his alcoholic father, so both were raised under one roof by Mae's grandparents, Lily and George. A childhood friendship quickly developed into a first love—a love that was suddenly broken by Gabe's unexpected departure. Mae grew up and got over her heartbreak, and started a life for herself in New York City. After more than a decade, Mae and Gabe find themselves pulled back to Alexandria Bay by separate forces. Hoping to find solace within the Summers' Inn, Mae instead finds her grandparents in the midst of

decline and their past unravelling around her. A lifetime of secrets that implicate Gabe and Mae's family reveal a version of the past that will forever change Mae's future. From the bestselling author of *Mating for Life* comes a poignant generational story about family and secrets. With honesty and heart, Marissa Stapley reminds us of the redemptive power of love and forgiveness, and that, ultimately, family is a choice.

In Holland 1633, a woman's ambition has no place. Judith is a painter, dodging the law and whispers of murder to try to become the first woman admitted to the Haarlem painters guild. Maria is a Catholic in a country where the faith is

banned, hoping to absolve her sins by recovering a lost saint's relic. Both women's destinies will be shaped by their ambitions, running counter to the city's most powerful men, whose own plans spell disaster. A vivid portrait of a remarkable artist, *A Light of Her Own* is a richly-woven story of grit against the backdrop of Rembrandt and an uncompromising religion. Story behind the story . . . The trail of Judith Leyster's career was so faint that only years after her death in 1660, collectors began attributing her few surviving paintings to other artists. She signed her work with only a beautiful, stylized monogram. Credit went to Frans Hals, Jan Miense Molenaer, and others. She would remain lost to history until 1893.

Awarded the CWA Diamond Dagger – the highest honor in British crime writing The third Matthew Shardlake Tudor Mystery by C. J. Sansom, the bestselling author of Winter in Madrid and Dominion C. J. Sansom has garnered a wider audience and increased critical praise with each new novel published. His first book in the Matthew Shardlake series, Dissolution, was selected by P. D. James in The Wall Street Journal as one of her top five all-time favorite books. Now in Sovereign, Shardlake faces the most terrifying

threat in the age of Tudor England: imprisonment in the Tower of London. Shardlake and his loyal assistant, Jack Barak, find themselves embroiled in royal intrigue when a plot against King Henry VIII is uncovered in York and a dangerous conspirator they've been charged with transporting to London is connected to the death of a local glazer. The Poisoned Pilgrim Williams & Whiting The brilliant retelling of the Wars of the Roses continues with Trinity, the second gripping novel in the new series from historical fiction master, Conn Iggulden. 1454: King Henry VI has remained all but exiled in Windsor Castle, struck down by his illness for over a year, his eyes vacant, his mind a blank. His fiercely loyal wife and Queen, Margaret of Anjou, safeguards her husband's interests,

hoping that her son Edward will one day know the love of his father. Richard Duke of York, Protector of the Realm, extends his influence throughout the kingdom with each month that Henry slumbers. The Earls of Salisbury and Warwick make up a formidable trinity with Richard, and together they seek to break the support of those who would raise their colours in the name of Henry and his Queen. But when the King unexpectedly recovers his senses and returns to London to reclaim his throne, the balance of power is once again thrown into turmoil. The clash of the Houses of Lancaster and York will surely mean a war to tear England apart . . . "Pope Joan has all the elements one wants in a historical drama—love, sex, violence, duplicity, and long-buried secrets. Cross has written an engaging book."—Los Angeles Times Book Review  
In this international bestseller and basis for the 2009 movie of the same name, Donna Woolfolk Cross brings the Dark

Ages to life in all their brutal splendor and shares the dramatic story of a woman whose strength of vision led her to defy the social restrictions of her day. For a thousand years her existence has been denied. She is the legend that will not die—Pope Joan, the ninth-century woman who disguised herself as a man and rose to become the only female ever to sit on the throne of St. Peter. Now in this riveting novel, Cross paints a sweeping portrait of an unforgettable heroine who struggles against restrictions her soul cannot accept. Brilliant and talented, young Joan rebels against medieval social strictures forbidding women to learn. When her brother is brutally killed during a Viking attack, Joan takes up his cloak—and his identity—and enters the monastery of

Fulda. As Brother John Anglicus, Joan distinguishes herself as a great scholar and healer. Eventually, she is drawn to Rome, where she becomes enmeshed in a dangerous web of love, passion, and politics. Triumphant over appalling odds, she finally attains the highest office in Christendom—wielding a power greater than any woman before or since. But such power always comes at a price . . . “Brings the savage ninth century vividly to life in all its alien richness. An enthralling, scholarly historical novel.”—Rebecca Fraser, author of *The Brontës*

**The Shadow Sister** Amazon Crossing  
I am Your Judge, the latest Pia Kirchhoff

and Oliver von Bodenstern novel from internationally bestselling author Nele Neuhaus, is tightly plotted, and delivers surprise twists at every turn with a story that is ripped from the headlines. Police Detective Pia Kirchhoff is about to leave on her long-delayed honeymoon when she receives a phone call from police headquarters: An elderly woman has been shot and killed while walking her dog. Neither her grieving daughter nor any of her acquaintances have an explanation for the horrifying murder. Ingeborg Rohleher was well-liked and a generous, loving woman. A short while later, another murder is committed and the modus operandi is eerily similar — a woman is executed by a precisely aimed bullet to the head that smashes through her kitchen window while she is baking

cookies . . . and in both cases the same weapon fired the shot from a distance only a trained sniper could manage. Two more murders follow in short order. None of the victims had enemies and no one knows why they were singled out. As fear of the Taunus Sniper grows among the local residents, the pressure rises on Detective Kirchhoff. She and her partner, Oliver von Bodenstern, search feverishly for a suspect who appears to murder at will, but soon realize that “The Judge,” as the sniper calls himself, seems to have a mission—a mission that has not reached its conclusion yet. As the investigation progresses, the police officers uncover a human tragedy that will shake them to the core.
