Marionettes HarperCollins Children's Books

From the bestselling author of *The Boy Who Drew Monsters* and *The Stolen Child* comes a modern take on the Orpheus and Eurydice Myth—A suspenseful tale of romance and enchantment in the Old City of Québec, Kay Harper falls in love with a puppet in the window of the Quatre Mains, a toy shop that is never open. She is spending her summer working as an acrobat with the cirque while her husband, Theo, is translating a biography of the pioneering photographer Eadweard Muybridge. Late one night, Kay fears someone is following her home. Surprised to see that the lights of the toy shop are on and the door is open, she takes shelter inside. The next morning Theo wakes up to discover his wife is missing. Under police suspicion and frantic at her disappearance, he obsessively searches the streets of the Old City. Meanwhile, Kay has been transformed into a puppet, and is now a prisoner of the back room of the Quatre Mains, trapped with an odd assemblage of puppets from all over the world who can only come alive between the hours of midnight and dawn. The only way she can return to the human world is if Theo can find her and recognize her in her new form. So begins the dual odyssey of Keith Donohue's *The Motion of Puppets*: of a husband determined to find his wife, and of a woman trapped in a magical world where her life is not her own.

Nobody Rides the Unicorn Courier Corporation

From riches to rags, Milena is growing up in the city of Prague at the turn of the twentieth century. Her parents' once prosperous theatre lies in disrepair and her life seems to be in ruins, and has been since that fateful night her father died in a tragic accident and Milena's beautiful, talented Mother went missing. No trace of her has been found. But Milena has never lost hope that she will come back. The day she meets the flamboyant Puppet Master and his menacing protégés, the twins Zdenko and Zdenka, under the shadow of Prague's famous Astronomical Clock in the Old Town square is, coincidentally, the date of her mother's birthday. And it's the day Milena's grandmother chooses to reveal to her the

story of her ancestors... and of her legacy. Or perhaps it's not such a coincidence. Joanne Owen's debut novel skilfully mingles the legends of Bohemia in a story rich in the traditions of circus, theatre and magic, all set in a city waiting to lay bare a myriad of secrets. Longlisted for the Branford Boase Award 2009 and the Carnegie Medal.

Making Simple Marionettes Watkins Media Limited

Winner of The National Art Library Award! Helen Ward's tale of *The Tin Forest* follows an old man who tidies the rubbish in a junkyard and dreams of a better place. With faith, ingenuity and hard work, he transforms it into a wonderland in this poetic modern fable.

Anyone can make a Marionette, and the instructions are easy to follow. The craft of Marionette making is a centuries-old tradition. Marionettes are depicted in art dating back to the Middle Ages. They are often used in theater, and they are also popular as toys. Marionette making is a great way to combine art and craftsmanship. There are many different types of Marionettes, and each one is unique. Some Marionettes are made out of wood, while others are made out of plastic. Some Marionettes are simple, while others are more complex. The instructions for Marionette making are easy to follow. Anyone can make a Marionette, and the craft is suitable

for both children and adults.

[Simple Puppets from Everyday Materials](#) North Vancouver, B.C. : Charlemagne Press

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. *Pinocchio, The Tale of a Puppet* is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.

The Complete Book of Puppetry Candlewick Press

MARIONETTE MAKING Marionettes are made from various materials, including wire, cloth, and felt. The puppet's head, body, and limbs are all attached to a single skeletal frame. The puppeteer controls the puppet's movements by manipulating the wires and strings that connect the puppet's body to its head. There are many ways to make a Marionette. You can make a simple puppet using just a few pieces of wire and cloth or create a more complex puppet with multiple strings and joints. Whether you want to make a simple toy for your child or a performer for your puppet show, Marionette making is the perfect way to get started. As the weather cools down and the leaves change color, families get ready for the holiday season. One tradition that many families enjoy is making marionettes. Marionette making is a fun and easy for the whole family to get involved. Marionettes are made from various materials, but wood, PVC pipe, and cloth are the most popular. There are many different types of marionettes, and they can be used for various purposes. Some people use marionettes to teach children about the history of the world or to

teach them about the different cultures around the world. If you are interested in making your marionette, there are a few things that you need to know: You must choose the materials you want to use. You will need to assemble the puppet. You will need to create the characters and story lines for the puppet. If you are interested in learning more about marionette making, there are several resources that you can use. If you want to create your characters, you can find instructions on how to do this online. You can find instructions online or ask your local puppet shop for help. Whatever you decide to do this holiday season, enjoy the fun and easy process of making your marionette.

Marionette Making Made Easy Copper Beach Books

The puppet creates delight and fear. It may evoke the innocent play of childhood, or become a tool of ritual magic, able to negotiate with ghosts and gods. Puppets can be creepy things, secretive, inanimate while also full of spirit, alive with gesture and voice. In this eloquent book, Kenneth Gross contemplates the fascination of these unsettling objects—objects that are also actors and images of life. The poetry of the puppet is central here, whether in its blunt grotesquery or symbolic simplicity, and always in its talent for metamorphosis. On a meditative journey to seek the idiosyncratic shapes of puppets on stage, Gross looks at

the anarchic Punch and Judy show, the sacred shadow theater of Bali, and experimental theaters in Europe and the United States, where puppets enact everything from Baroque opera and Shakespearean tragedy to Beckettian farce. Throughout, he interweaves accounts of the myriad faces of the puppet in literature—Collodi's cruel, wooden Pinocchio, puppetlike characters in Kafka and Dickens, Rilke's puppet-angels, the dark puppeteering of Philip Roth's Micky Sabbath—as well as in the work of artists Joseph Cornell and Paul Klee. The puppet emerges here as a hungry creature, seducer and destroyer, demon and clown. It is a test of our experience of things, of the human and inhuman. A book about reseeing what we know, or what we think we know, Puppet evokes the startling power of puppets as mirrors of the uncanny in life and art.

Balloons Over Broadway Picador

Describes how to make and operate many types of puppets--from sock and shadow puppets to marionettes--and how to create puppet theaters.

Marionette Sourcebook Crowood

Turn an empty cereal box into a friendly hippopotamus, a paper plate into a dancing dandelion, a sock into a snake, a glove into an entire family. Each of the more than twenty types of puppet in this colorful cast of characters can be made with materials easily found around the house. Use toilet-paper rolls and paper-towel tubes, empty cardboard juice cans and juice boxes, wooden spoons and thread spools, old socks and fabric scraps, paper bags, Popsicle sticks, egg cartons, drinking straws, construction paper, yarn, magazines, and much more. Make hand puppets, finger puppets, marionettes, jumping puppets, papier-mache puppets and other fun friends. Decorate a puppet stage and put on a show. Easy-to-follow instructions, helpful tips, and imaginative suggestions encourage kids to explore their creativity. Any type of creature can be made: a wiggly caterpillar or ferocious dragon, silly two-faced tube heads, jiggling gymnasts, a wacky carrot critter or banana buddy--the possibilities are endless. The perfect activity for a rainy day, a leisurely weekend, or any time, puppet-making offers hours of laughter and plenty of fun--and it's a great way to recycle, too! Sterling/Tamos 80 pages (all in color), 8 1/2 x 10.

[Puppet Planet](#) Home Farm Books

Beloved storyteller and creator Ashley Bryan reveals the vibrant spirit of found objects in this magnificent treasury of poetry and puppets. *Little Cranberry Island*. It's a small island, with fewer than a hundred inhabitants, but it's got more than its share of

treasures—including the magnificent Ashley Bryan himself, a world-renowned storyteller and author of such classics as *All Night*, *All Day* and *Beautiful Blackbird*. Daily, for decades, Ashley has walked up and down the beach, stopping to pick up sea glass, weathered bones, a tangle of fishing net, an empty bottle, a doorknob. Treasure. And then, with glue and thread and paint and a sprinkling of African folklore, Ashley breathes new life into these materials. Others might consider it beach junk, but Ashley sees worlds of possibilities. Ashley Bryan's two-foot-tall hand puppets swell with personality and beauty, and in this majestic collection they make their literary debut, each with a poem that tells of their creation and further enlivens their spirit.
