Secrets and Shadows St. Martin's Griffin
THE MIND-BENDING CULT CLASSIC ABOUT A HOUSE THAT'S LARGER ON THE INSIDE THAN ON THE OUTSIDE • A masterpiece of horror and an astonishingly immersive, maze-like reading experience that redefines the boundaries of a novel. "Simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —Michiko Kakutani, *The New York Times* "Thrillingly alive, sublimely creepy, distressingly scary, breathtakingly intelligent—it renders most other fiction meaningless." —Bret Easton Ellis, bestselling author of *American Psycho* "This demonically brilliant book is impossible to ignore." —Jonathan Lethem, award-winning author of *Motherless Brooklyn* One of *The Atlantic's* Great American Novels of the Past 100 Years Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which

would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth—musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies—the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices, the story remains unchanged. Similarly, the cultural fascination with *House of Leaves* remains as fervent and as imaginative as ever. The novel has gone on to inspire doctorate-level courses and masters theses, cultural phenomena like the online urban legend of "the backrooms," and incredible works of art in entirely unreal mediums from music to video games. Neither Pulitzer Prize-winning

photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of the impossibility of their new home, until the day their two little children wandered off and their voices eerily began to return another story—of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams. [Little Secrets](#) Harper Collins
The start of a very British urban fantasy series: our man is plunged into a world of magick, mystery and one very aggressive giant mole. Consistently top ten in the Urban Fantasy charts, this mix of modern life and ancient magick combines humour and adventure. Features gods, strong female characters and roars along at a fast pace. The bibliography lists nearly 5,000 compositions by 200 composers of jazz and "art" music, indicating where scores or realizations can be

purchased, rented, or borrowed, and which Boston area libraries have them in their collections. *The Shadows Between Us* Two Morrrows Publishing Controversy erupts in Miracle Springs, North Carolina, when the owner of the local bookstore tries to play peacekeeper—but winds up playing detective instead . . . Known for her window displays, Nora Pennington decides to showcase fictional heroines like Roald Dahl’s Matilda and Madeline Miller’s Circe for Halloween. But a family-values group disapproves of the magical themes and wastes no time launching a modern-day witch hunt. Suddenly, former friends and customers are targeting not only Nora and Miracle Books, but a new shopkeeper, Celeste, who’s been selling CBD oil products. Nora and her friends in the Secret, Book, and Scone Society are doing their best to put an end to the strife—but then someone puts an end to a life. Declared an accident, the ruling can’t explain the old book page covered with strange symbols and disturbing drawings left under Nora’s doormat. It’s up to Nora and the Secret, Book, and

Scone Society to sort out the clues before more bodies turn up and the secrets from Celeste’s past come back to haunt them all . . . “Entertaining . . . packed with mystery, romance, and sisterhood.” —Kirkus Reviews *Shadows of the Empire (PC Version)* MIT Press Revised and updated from the original, Christy-award finalist Shadow of Colossus. Enslaved in a World of Money and Power, Tessa Dares to be Free. Raised as courtesan to wealthy and powerful men, Tessa of Delos serves at the whim of her current patron, the politician Glaucus. After ten years with him, Tessa has abandoned all desire for freedom or love, choosing instead to lock her heart away. But when Glaucus meets a violent death in his own home, Tessa grasps at a fragile hope. Only she knows of his death. If she can keep it a secret long enough, she can escape. Tessa throws herself on the mercy of the Greek god Helios, but finds instead unlikely allies in Nikos, a Greek slave, and Simeon, Glaucus’s Jewish head servant. As Simeon introduces her to a God unlike any she has ever known and Nikos begins to stir feelings she had

thought long dead, Tessa fights to keep her heart protected. As an assassination plot comes to light, Tessa must battle for her own freedom—and for those to whom she has begun to open her heart—as forces collide that shatter the island’s peace. “. . . Readers will find much to enjoy here: fine writing, suspense, mystery, faith, love, and a new look at an old story.” —Publishers Weekly (for *Garden of Madness*) *Between Ink and Shadows* Harper Collins From Daredevil to Dracula, from Batman to Brother Voodoo, from Howard the Duck to Stewart the Rat, *Secrets in the Shadows: The Art & Life of Gene Colan* is the ultimate retrospective on one of comics’ all-time unique artists. Featuring rare childhood drawings, photos, recently-discovered wartime illustrations, and original art and sketches from throughout his nearly 60-year career, this book offers new insight on the inspirations, challenges and successes that shaped Gene ‘the Dean’ Colan. Among the highlights are: A comprehensive overview of Gene’s glory days at Marvel Comics! Marv Wolfman, Don McGregor and other favorite writers

share plot/script samples and anecdotes of their Colan collaborations! Tom Palmer, Steve Leialoha and other noted artists show how they approached the daunting task of inking Colan's famously nuanced penciled pages! A #1 New York Times bestseller, *The Thirteenth Tale* is part contemporary, part historical with mysterious threads about family secrets and the magic of books and storytelling weaving the

two together. All children mythologize their birth . . . So begins the prologue of reclusive author Vida Winter's collection of stories, which are as famous for the mystery of the missing thirteenth tale as they are for the delight and enchantment of the twelve that do exist. The enigmatic Winter has spent six decades creating various outlandish histories for herself. Now old and ailing, she at last wants to tell the truth about her extraordinary past. She summons biographer Margaret Lea, a young woman who is struck by a very curious parallel between Winter's life and her own. As Vida exposes the history she meant to bury for good, Margaret is mesmerized. It is a tale of gothic strangeness, of a remote estate, feral children, a governess, a ghost, and a devastating fire. In this love letter to reading, Diane Setterfield will keep you guessing, make you wonder, move you to tears and laughter and, in the end, deposit you breathless yet satisfied back upon the shore of your everyday world.

In this original, wide-ranging, and endlessly thought-provoking work of popular nonfiction, a leading science writer uncovers the pervasive presence of shadows in our world. For Plato, shadows were the symbol of our limitations. For Galileo, they knocked the Earth from the center of the cosmos. They are a source of fear and a symbol of ignorance, and they loom large in art and design, mythology and folklore, physics and metaphysics, and architecture and urban planning. From shadows puppets and the psychology of shadows to the role of shadows in astronomy and the influence of shadows on the architectural profiles of our cities, Roberto Casati awakens our

fascination in this tour-de-force of investigation and imagination.
