Outrun the Wind Bloomsbury Publishing USA

You've heard the story before: an orphaned boy, raised by a wise old man, comes to a fuller knowledge of his magic and uses it to fight the great evil threatening his world. But what if that hero were destined to become the new dark lord? The Academy of Chaenbalu has stood against magic for centuries. Hidden from the world, acting from the shadows, it trains its students to detect and retrieve magic artifacts, which it jealously guards from the misuse of others. Because magic is dangerous: something that heals can also harm, and a power that aids one person may destroy another. Of the academy's many students, only the most

skilled can become avatars—warrior thieves, capable of infiltrating the most heavily guarded vaults—and only the most determined can be trusted to resist the lure of magic. More than anything, Annev de Breth wants to become one of them. But Annev carries a secret. Unlike his classmates who were stolen as infants from the capital city, Annev was born in the village of Chaenbalu, was believed to be executed, and then unknowingly raised by his parents' killers. Seventeen years later, he struggles with the burdens of a forbidden magic, a forgotten heritage, and a secret deformity. When Annev is subsequently caught between the warring ideologies of his priestly mentor and the Academy's masters, he must finally decide whether to accept the truth of who he really is ... or embrace the darker truth of what he may one day become.

"In this slow-simmering but rewarding retelling, first-novelist Bunce presents an innovative interpretation of Rumpelstiltskin." —Horn Book Winner of the William C. Morris Award for a Young Adult Debut An ALA Best Book for Young Adults A Smithsonian Notable Book An Oprah's Book Club Kids' Reading List Teen Selection The gold thread promises Charlotte Miller a chance to save her family's beloved woolen mill. It promises a future for her sister, jobs for her townsfolk, security against her grasping uncle—maybe even true love. And Charlotte's mill, her family, her love—what do those matter to a stranger who can spin straw into gold? This is an award-winning and wholly

original retelling of "Rumpelstiltskin." "Set in a rural valley in the late 1700s, this reworking of the 'Rumpelstiltskin' story includes ghosts, witchcraft, elements of Georgian society, and much earlier folk magic in the guise of a novel of manners." —School Library Journal "A Curse Dark as Gold beats the hell out of any fantasy novel I've read this year. Her heroine/narrator is immensely appealing; the atmosphere of a world on the cusp of the Industrial Revolution is completely believable; and the suspense of the story builds so craftily that I started taking notes on just how she does it." —Peter S.
