*The Best French Short Stories of ... and the Yearbook of the French Short Story*  
 Vols. for 1871-76, 1913-14 include an extra number, The Christmas bookseller, separately paged and not included in the consecutive numbering of the regular series.  
 Palmer's Index to "The Times" Newspaper  
 The Nag Hammadi Story is not a history of research in the usual sense of a Forschungsbericht,

which would report on the massive amount of scholarship that has been devoted to the content of the Nag Hammadi Codices for more than a half-century. Rather it is a socio-historical narration of just what went on during the thirty-two years from their discovery late in 1945, via their initial trafficking, and then the attempts to monopolize them, until finally, through the intervention of UNESCO, the whole collection of thirteen Codices was published in facsimiles and in English translation, both completed late in 1977.

*Gentleman's Magazine*

Includes articles of worldwide anthropological interest.

*The United States Catalog*

A world list of books in the English language.

**Finding List of Books & Pamphlets: Embracing belles-lettres (poetry, drama, romance, literary history and criticism, essays, oratory, humor, satire, etc.) together with language, bibliography and general reference books**
