**Black, White, and  
The Grey** Simon and  
Schuster  
From Vice President  
Kamala Harris comes a  
picture book with an  
empowering message:  
Superheroes are all  
around us--and if we  
try, we can all be  
heroes too. A #1 New  
York Times bestseller!  
Before Kamala Harris

to be the best that you can be. In this empowering and joyful picture book that speaks directly to kids, Kamala Harris takes readers through her life and shows them that the power to make the world a better place is inside all of us. And with fun and engaging art by Mechal Renee Roe, as well as a guide to being a superhero at the end, this book is sure to have kids taking up the superhero mantle (cape and mask optional). Praise for Superheroes Are Everywhere: "This [book] offers a solid message: a superhero could be anyone, including you." -- Booklist

**Al Franken, Giant of the Senate** Open Road Media  
Adapted for young

readers, Vice President Kamala Harris's empowering memoir about the values and inspirations that guided her life. With her Democratic presidential nomination, her election to the vice presidency, her election to the U.S. Senate, and her position as attorney general of California, Kamala Harris has blazed trails throughout her entire political career. But how did she achieve her goals? What values and influences guided and inspired her along the way? In this young readers edition of Kamala Harris's memoir, we learn about the impact that her family and community had on her life, and see what led her to discover her own

sense of self and purpose. The Truths We Hold traces her journey as she explored the values she holds most dear—those of community, equality, and justice. An inspiring and empowering memoir, this book challenges us to become leaders in our own lives and shows us that with determination and perseverance all dreams are possible.

**Heart Talk** Simon and Schuster  
 “I will lead with integrity and I will tell the truth.” Kamala Harris wants your voice to be heard. I’m Speaking is a collection of empowering words from a trailblazing leader who believes we can reach a better, stronger tomorrow together. She is no

stranger to being the first to take action and break into new leadership roles, and her example, resolve, and strength of character affirm that she will not be the last. This book of quotations is not only a source of her wisdom, but a beacon of compassion, encouragement, and assurance that the future is for everyone. I’m Speaking is a hopeful reminder that unity is not found by following the loudest voice, but by inspiring us all to speak up and speak out until everyone’s voice is heard. - Pore over nearly 150 moving quotes on integrity, leadership, and empathy - Admire Kamala Harris’s power, poise, and limitless aspirations for a better world - Look to a

brighter future and celebrate the first Black, Asian American, female Vice President

**This Is Your Time**  
Delacorte Press  
NEW YORK TIMES  
BESTSELLER • CBC  
KIDS' BOOK CHOICE  
AWARD WINNER Civil  
rights icon Ruby  
Bridges—who, at the  
age of six, was the first  
black child to integrate  
into an all-white  
elementary school in  
New Orleans—inspires  
readers and calls for  
action in this moving  
letter. Her elegant,  
memorable gift book is  
especially uplifting in  
the wake of Kamala  
Harris making US  
history as the first  
female, first Black, and  
first South Asian vice  
president-elect.  
Written as a letter from  
civil rights activist and  
icon Ruby Bridges to  
the reader, This Is Your

Time is both a  
recounting of Ruby's  
experience as a child  
who had to be escorted  
to class by federal  
marshals when she  
was chosen to be one  
of the first black  
students to integrate  
into New Orleans' all-  
white public school  
system and an appeal  
to generations to come  
to effect change. This  
beautifully designed  
volume features  
photographs from the  
1960s and from today,  
as well as stunning  
jacket art from *The  
Problem We All Live  
With*, the 1964 painting  
by Norman Rockwell  
depicting Ruby's walk  
to school. Ruby's  
honest and  
impassioned words,  
imbued with love and  
grace, serve as a  
moving reminder that  
"what can inspire  
tomorrow often lies in

our past." This Is Your Time will electrify people of all ages as the struggle for liberty and justice for all continues and the powerful legacy of Ruby Bridges endures. My Own Words Penguin

"Promise me, Dad," Beau had told his father. "Give me your word that no matter what happens, you're going to be all right." Joe Biden gave him his word. Promise Me, Dad chronicles the year that followed, which would be the most momentous and challenging in Joe Biden's extraordinary life and career. Vice President Biden traveled more than a hundred thousand miles that year, across the world, dealing with crises in Ukraine, Central America, and Iraq. When a call came

from New York, or Capitol Hill, or Kyiv, or Baghdad--"Joe, I need your help"--he responded. For twelve months, while Beau fought for and then lost his life, the vice president balanced the twin imperatives of living up to his responsibilities to his country and his responsibilities to his family. And never far away was the insistent and urgent question of whether he should seek the presidency in 2016. The year brought real triumph and accomplishment, and wrenching pain. But even in the worst times, Biden was able to lean on the strength of his long, deep bonds with his family, on his faith, and on his deepening friendship with the man in the Oval Office, Barack

Obama. Writing with poignancy and immediacy, Joe Biden allows readers to feel the urgency of each moment, to experience the days when he felt unable to move forward as well as the days when he felt like he could not afford to stop. This is a book written not just by the vice president, but by a father, grandfather, friend, and husband. *Promise Me, Dad* is a story of how family and friendships sustain us and how hope, purpose, and action can guide us through the pain of personal loss into the light of a new future."--Provided by publisher.

Truth for Life —  
Volume 1 Simon and Schuster

Discover the incredible story of a young daughter of immigrants

who would grow up to be the first woman, first Black person, and first South Asian American ever elected Vice President of the United States—and in a history-making turn of events, likely to become the Democrats' 2024 Presidential nominee—in this moving picture book biography of Kamala Harris. When Kamala Harris was young, she often accompanied her parents to civil rights marches—so many, in fact, that when her mother asked a frustrated Kamala what she wanted, the young girl responded with: "Freedom!" As Kamala grew from a small girl in Oakland to a senator running for president, it was this long-fostered belief in freedom and justice for

all people that shaped her into the inspiring figure she is today. From fighting for the use of a soccer field in middle school to fighting for the people of her home state in Congress, Senator Harris used her voice to speak up for what she believed in and for those who were otherwise unheard. And now this dedication has led her all the way to being elected Vice President of the United States and a likely 2024 Presidential candidate. Told in Nikki Grimes's stunning verse and featuring gorgeous illustrations by Laura Freeman, this picture book biography brings to life a story that shows all young people that the American dream can belong to all of us if we fight for

one another.  
*We're Speaking*  
 Thomas Dunne Books  
 Winner of the NAACP Image Award for Outstanding Literary Work/Biography. In *Across That Bridge*, Congressman John Lewis draws from his experience as a prominent leader of the Civil Rights Movement to offer timeless wisdom, poignant recollections, and powerful principles for anyone interested in challenging injustices and inspiring real change toward a freer, more peaceful society. The Civil Rights Movement gave rise to the protest culture we know today, and the experiences of leaders like Congressman Lewis, a close confidant to Martin Luther King, Jr., have never been more

relevant. Despite more than forty arrests, physical attacks, and serious injuries, John Lewis has remained a devoted advocate of the discipline and philosophy of nonviolence. Now, in an era in which the protest culture he helped forge has resurfaced as a force for change, Lewis' insights have never been more relevant. In this heartfelt book, Lewis explores the contributions that each generation must make to achieve change.

Ain't I A Woman?

Lorena Jones Books

A story about the trials and triumphs of a Black chef from Queens, New York, and a White media entrepreneur from Staten Island who built a relationship and a restaurant in the Deep

South, hoping to bridge biases and get people talking about race, gender, class, and culture. NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY GARDEN & GUN • “Black, White, and The Grey blew me away.”—David Chang In this dual memoir, Mashama Bailey and John O. Morisano take turns telling how they went from tentative business partners to dear friends while turning a dilapidated formerly segregated Greyhound bus station into The Grey, now one of the most celebrated restaurants in the country. Recounting the trying process of building their restaurant business, they examine their most painful and joyous times, revealing how they came to

understand their differences, recognize their biases, and continuously challenge themselves and each other to be better. Through it all, Bailey and Morisano display the uncommon vulnerability, humor, and humanity that anchor their relationship, showing how two citizens commit to playing their own small part in advancing equality against a backdrop of racism.

**Lies We Are Told,  
the Truth We Must  
Hold**

Simon and Schuster

The inspiring story of Vice President Kamala Harris told in the new Who HQ NOW format for trending topics. On August 22, 2020, Kamala Harris, a senator from California, became the first

African-American and South Asian-American woman to be selected as the vice presidential running mate on a major party's ticket. While her nomination was not unexpected, her rise to national prominence was one filled with unexpected turns and obstacles. After failing her first bar exam to become a lawyer, she tried again and passed. From there, she quickly rose through the legal ranks, serving as district attorney of San Francisco, then California's attorney general, and soon, senator. As a politician, Kamala Harris has been a vocal champion of progressive reforms and women's rights. This exciting story details the defining moments of what led to her nomination and

all the monumental ones since that have shaped her career and the future of America. [Tell Me The Truth About Loss](#) Simon & Schuster Books For Young Readers A year of gospel-saturated daily devotions from renowned Bible teacher Alistair Begg. Start with the gospel each and every day with this one-year devotional by renowned Bible teacher Alistair Begg. We all need to be reminded of the truth that anchors our life and excites and equips us to live for Christ. Reflecting on a short passage each day, Alistair spans the Scriptures to show us the greatness and grace of God, and to thrill our hearts to live as His children. His

clear, faithful exposition and thoughtful application mean that this resource will both engage your mind and stir your heart. Each day includes prompts to apply what you've read, a related Bible text to enjoy, and a plan for reading through the whole of the Scriptures in a year. The hardback cover and ribbon marker make this a wonderful gift. *Superheroes Are Everywhere* Laurence King Publishing From Senator Al Franken - #1 bestselling author and beloved SNL alum -- comes the story of an award-winning comedian who decided to run for office and then discovered why award-winning comedians tend not to

do that. "Flips the classic born-in-a-shack rise to political office tale on its head. I skipped meals to read this book - also unusual - because every page was funny. It made me deliriously happy." -- Louise Erdrich, *The New York Times* This is a book about an unlikely campaign that had an even more improbable ending: the closest outcome in history and an unprecedented eight-month recount saga, which is pretty funny in retrospect. It's a book about what happens when the nation's foremost progressive satirist gets a chance to serve in the United States Senate and, defying the low expectations of the pundit class, actually turns out to be good at it. It's a book about our

deeply polarized, frequently depressing, occasionally inspiring political culture, written from inside the belly of the beast. In this candid personal memoir, the honorable gentleman from Minnesota takes his army of loyal fans along with him from Saturday Night Live to the campaign trail, inside the halls of Congress, and behind the scenes of some of the most dramatic and/or hilarious moments of his new career in politics. Has Al Franken become a true Giant of the Senate? Franken asks readers to decide for themselves. *AMORALMAN* National Geographic Books "A heart-wrenching debut novel about relationships in its many forms--families,

friendships, romance-- and how Lily and Dari, coming from different backgrounds and different worlds, strive to find a connection through their differences as they fight against their own individual pasts"-- *We Still Hold These Truths* Penguin "A must-read" (Eve Rodsky), *We're Speaking* provides inspirational lessons about life, work, and overcoming adversity-- drawn from Kamala Harris's norm-shattering ascent to Vice President of the United States. Kamala Harris is one of our country's most awe-inspiring political figures, dawning on a new age as the first-- but not last--Black and Asian-American female Vice President. Having spent her entire career

smashing glass ceilings and influencing the next generation of young women, Harris has completely redefined what it means to be a woman in politics. In *We're Speaking*, Palepu connects illuminating stories from Harris's unique biography with tactical advice that will teach you to: Own the power of your multitudes Act on and embrace your ambition Develop your unique voice and style Find your North Star to guide your decisions Best of all, *We're Speaking* will leave you feeling empowered to follow in Harris's footsteps -- shattering glass ceilings of your own as you live the life of your dreams! **Leadership** Penguin \*"Rivaling the nonfiction works of

Steve Sheinkin and Daniel James Brown's *The Boys in the Boat*....Even readers who don't appreciate sports will find this story a page-turner." -- School Library Connection, starred review \*"A must for all library collections." -- Booklist, starred review Winner of the 2020 AJL Sydney Taylor Honor! From the New York Times bestselling author of *Strong Inside* comes the remarkable true story of the birth of Olympic basketball at the 1936 Summer Games in Hitler's Germany. Perfect for fans of *The Boys in the Boat* and *Unbroken*. On a scorching hot day in July 1936, thousands of people cheered as the U.S. Olympic teams boarded the S.S. *Manhattan*, bound for Berlin. Among the

athletes were the 14 players representing the first-ever U.S. Olympic basketball team. As thousands of supporters waved American flags on the docks, it was easy to miss the one courageous man holding a BOYCOTT NAZI GERMANY sign. But it was too late for a boycott now; the ship had already left the harbor. 1936 was a turbulent time in world history. Adolf Hitler had gained power in Germany three years earlier. Jewish people and political opponents of the Nazis were the targets of vicious mistreatment, yet were unaware of the horrors that awaited them in the coming years. But the Olympians on board the S.S. *Manhattan* and other international visitors

wouldn't see any signs of trouble in Berlin. Streets were swept, storefronts were painted, and every German citizen greeted them with a smile. Like a movie set, it was all just a facade, meant to distract from the terrible things happening behind the scenes. This is the incredible true story of basketball, from its invention by James Naismith in Springfield, Massachusetts, in 1891, to the sport's Olympic debut in Berlin and the eclectic mix of people, events and propaganda on both sides of the Atlantic that made it all possible. Includes photos throughout, a Who's-Who of the 1936 Olympics, bibliography, and index. Praise for Games of Deception: A 2020 ALA Notable

Children's Book! A 2020 CBC Notable Social Studies Book! "Maraniss does a great job of blending basketball action with the horror of Hitler's Berlin to bring this fascinating, frightening, you-can't-make-this-stuff-up moment in history to life." -Steve Sheinkin, New York Times bestselling author of Bomb and Undefeated "I was blown away by Games of Deception....It's a fascinating, fast-paced, well-reasoned, and well-written account of the hidden-in-plain-sight horrors and atrocities that underpinned sports, politics, and propaganda in the United States and Germany. This is an important read." - Susan Campbell

Bartoletti, Newbery Honor winning author of *Hitler Youth* "A richly reported and stylishly told reminder how, when you scratch at a sports story, the real world often lurks just beneath." --Alexander Wolff, *New York Times* bestselling author of *The Audacity of Hoop: Basketball and the Age of Obama* "An insightful, gripping account of basketball and bias." --Kirkus Reviews "An exciting and overlooked slice of history." --School Library Journal  
Team of Vipers  
 Random House  
 A beautifully illustrated book from Cleo Wade—the artist, poet, and speaker who has been called “the Millennial Oprah” by *New York Magazine*—that offers creative inspiration and

life lessons through poetry, mantras, and affirmations, perfect for fans of the bestseller *Milk & Honey*. True to her hugely popular Instagram account, Cleo Wade brings her moving life lessons to *Heart Talk*, an inspiring, accessible, and spiritual book of wisdom for the new generation. Featuring over one hundred and twenty of Cleo’s original poems, mantras, and affirmations, including fan favorites and never before seen ones, this book is a daily pep talk to keep you feeling empowered and motivated. With relatable, practical, and digestible advice, including “Hearts break. That’s how the magic gets in,” and “Baby, you are the

strongest flower that ever grew, remember that when the weather changes," this is a portable, replenishing pause for your daily life. Keep Heart Talk by your bedside table or in your bag for an empowering boost of spiritual adrenaline that can help you discover and unlock what is blocking you from thriving emotionally and spiritually.

### The Truths We Hold

Christian Focus  
Born out of the experiences of hundreds of thousands of women who Raechel and Amanda have walked alongside as they walk with the Lord, She Reads Truth is the message that will help you understand the place of God's Word in your life.

### **These Truths We**

**Hold** The Good Book Company

'We not only dream, we do. We not only see what has been, we see what can be. We shoot for the moon ... We are bold, fearless, and ambitious. We are undaunted in our belief that we shall overcome; that we will rise up.' - Kamala Harris; Inauguration night address On 20 January 2021, Kamala Harris was sworn in as the Vice President of the United States of America, making her the first person of Indian descent, and the first woman to reach this position. This was hardly surprising, for Kamala - the daughter of a breast-cancer scientist Indian mother and a Stanford University emeritus professor of economics

Jamaican father - has been known to blaze a trail for herself in her chosen fields. Fun 'momala' and aunt at home but hard-nosed, unsparing prosecutor and senator elsewhere, Kamala dons many hats. This biography focuses on the micro-histories that shaped Kamala Harris and celebrates her Asian and Jamaican heritage - with special attention to her India connect - and her barrier-shattering ascent as a woman of colour coming to occupy one of the highest offices in the USA. Chidanand Rajghatta's masterful chronicling of Kamala's life - her rise to candidature, the struggles and triumph in a messy, hard-won election despite coming from a 'non-traditional' background

- delivers an inspirational story of a phenomenal woman. She Reads Truth B&H Publishing Group The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of When: The Scientific Secrets of Perfect Timing Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of To Sell Is Human: The Surprising Truth About Motivating Others). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction-at work, at school, and at

home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

*Across That Bridge*  
Little, Brown Spark  
Finalist, ABA Silver  
Gavel Award for Books  
The New York Times

bestseller that has cemented Elie Mystal's reputation as one of our sharpest and most acerbic legal minds "After reading *Allow Me to Retort*, I want Elie Mystal to explain everything I don't understand—quantum astrophysics, the infield fly rule, why people think Bob Dylan is a good singer . . ." —Michael Harriot, *The Root* *Allow Me to Retort* is an easily digestible argument about what rights we have, what rights Republicans are trying to take away, and how to stop them. Mystal explains how to protect the rights of women and people of color instead of cowering to the absolutism of gun owners and bigots. He explains the legal way to stop everything from police brutality to

political gerrymandering, just by changing a few judges and justices. He strips out all of the fancy jargon conservatives like to hide behind and lays bare the truth of their project to keep America forever tethered to its slaveholding past. Mystal brings his trademark humor, expertise, and rhetorical flair to explain concepts like substantive due process and the right for the LGBTQ community to buy a cake, and to arm readers with the knowledge to defend themselves against conservatives who want everybody to live under the yoke of eighteenth-century white men. The same tactics Mystal uses to

defend the idea of a fair and equal society on MSNBC and CNN are in this book, for anybody who wants to deploy them on social media. You don't need to be a legal scholar to understand your own rights. You don't need to accept the "whites only" theory of equality pushed by conservative judges. You can read this book to understand that the Constitution is trash, but doesn't have to be. *Promises to Keep* Simon & Schuster Lead from the Outside is a necessary guide to harnessing the strengths of being an outsider by Stacey Abrams, one of the most prominent black female politicians in the U.S. Leadership is hard. Convincing others—and often yourself—that you

possess the answers and are capable of world-affecting change requires confidence, insight, and sheer bravado. Stacey Abrams's *Lead from the Outside* is the handbook for outsiders, written with the awareness of the experiences and challenges that hinder anyone who exists beyond the structure of traditional white male power—women, people of color, members of the LGBTQ community, and millennials ready to make a difference. In *Lead from the Outside*, Stacey Abrams argues that knowing your own passion is the key to success, regardless of the scale or target. From launching a company, to starting a day care center for homeless teen moms,

to running a successful political campaign, finding what you want to fight for is as critical as knowing how to turn thought into action. Stacey uses her experience and hard-won insights to break down how ambition, fear, money, and failure function in leadership, while offering personal stories that illuminate practical strategies. Stacey includes exercises to help you hone your skills and realize your aspirations. She discusses candidly what she has learned over the course of her impressive career: that differences in race, gender, and class are surmountable. With direction and dedication, being in the minority actually provides unique and

vital strength, which we can employ to rise to the top and make real change.
