Dreaming Way

Lenormand Lo Scarabeo
More than thirty years

ago, U.S. Games Systems published the The Golden Dawn Tarot, revealing for the first time many truths and secrets of the Hermetic Order of the Golden Dawn, and its interpretation of the tarot. Dr. Robert Wang has faithfully rendered in authentic detail each card of The Golden Dawn Tarot deck based upon the esoteric notebooks of MacGregor Mathers. The card designs follow the symbolic framework of the Inner Tradition formulated by Mathers. Dr. Israel Regardie, the

leading author/scholar in the occult field, skillfully guided the creation of The Golden Dawn Tarot, the last great secret teachings of the Order. The deck is now a classic, its symbols and references familiar to tarot experts everywhere. The Big Book of Angel Tarot Booksurge Publishing
Oracle decks have long been embraced as a tool for divination, self-reflection and creative inspiration. This Deck and Guidebook embraces all of these uses, while being

centered on contemporary, feminist interpretations of myths. On each card, there is a message to help gain more clarity and perspective. Inclusive and diverse, the women portrayed offer their wisdom on the power of archetypes as a gift to others as they navigate their own lives. *Goddess on Earth: ORACLE* is a 45-card deck structured around the five elements; EARTH, WATER, AIR, FIRE and SPIRIT. The 144 page, soft covered, 6"x 6.5" Guidebook is a beautifully

designed gem. The in-depth book offers readers deeper knowledge about the attributes of the myths, the perspectives of the women portrayed, and a specific action to reflect upon; an invaluable resource of wisdom. The cards are 3.5" x 5", printed on heavyweight 400gsm stock with rounded gold foiled edges, and a soft laminate varnish. The cards and book are packaged together in a deluxe, foil-stamped, magnetic closure box. *Goddess on Earth Oracle*

Hay House, Inc
A full-color guide to fortune-telling with the Lenormand oracle • Explores the meanings of the 36 Lenormand cards and their playing card insets to help build a resourceful, interpretative vocabulary • Provides instructions for many spreads, starting with 3 or 5 cards and building to the Grand Tableau spread, which uses all 36 cards • 416 pages and full-color throughout • Reveals the origins of the Lenormand oracle from both coffee-ground

symbols and playing card cartomancy More than 200 years old, the 36 Lenormand cards are an oracle combining standard playing cards with images from the everyday world, such as key, book, animals, and flowers. Their simple, predictive, and non-esoteric nature opens the realm of fortune-telling to all, offering a traditional cartomantic divination where card combinations fuse together to give clear answers. In this complete guide to Lenormand card reading, Caitlín Matthews

explains the multiple meanings for each card, providing keywords so the reader can quickly build an interpretive vocabulary for Lenormand fortune-telling. She details how to lay spreads, starting with 3 or 5 cards and building to the Grand Tableau spread, which uses all 36 cards. She explores the significance of the playing card pips and suits on each card and how cards combine to create a variety of meanings. Matthews enables readers to learn the Lenormand card keywords so they

can both read for themselves and express their interpretations to clients. Providing real case histories for readers to interpret, she also includes self-tests and practice exercises with answers to check at the end of the book. In addition to her comprehensive practical introduction to the Lenormand oracle, Matthews delves deeply into the history of cartomancy to reveal the mythic blueprint that underlies this simple deck, the key to which lies

not in their imagery but in their connection to playing cards.

"Get this book, learn the system, do cool readings."
- David Numen "Julian's work is the best of the bunch in these genres. I have scoured book stores. I only learn from his books and ideas." - John Cesta
My latest ebook which teaches the fundamentals of cartomancy is now ready for release. It's similar to my other books in that it's aimed at

complete beginners as well as people who've started learning this particular reading discipline but then given up for one reason or another. Like my other books I use a no nonsense approach with lots of memory tips, insights, reviews and exercises over ninety pages to help you get up to speed as quickly as possible and the whole experience is extremely 'hands on'. In fact part of the process involves scribbling on the cards a lot to make sure the basics are implanted

in your mind as you go. I'm really hoping that this new book gets some of you on the road to giving proper and interesting readings with cards instead of just thinking about it. There's a lot more information hidden in those fifty-two bits of paper than you probably realise! REVIEWS "I got this yesterday and have started the study and have to say it's quite brilliant. I've read cards of one form or another for 20 years after learning initially from the Joe Riding course but for

various reasons I was looking for something to help me sharpen my skills - and this more than does the trick. For anyone who might feel that they'd rather this was on tarot I think it's worth pointing out that when I started doing readings many moons ago a number of clients would tell me of this mystical sounding old man who read from "ordinary cards." It was clear that the impression given to these women was that reading ordinary cards was somehow more skillful and impressive

than tarot cards (I guess the pictures on the cards might make it obvious to some astute clients that there are highly visible cues on the cards). Playing card readings rock - and playing cards predate tarot and are thus, in my book, purer and more mysterious than tarot." - David Numen "I purchased this ebook. What a great system. Always in the easily understood clear writing format you'd expect from Julian. This is of a quality you would expect to find in a book store. I have in

the past purchased Julian's James Bond Cold Reading book and his Palm Reading book. For me this is one of the best. I find I am more in tune with numbers than the others. I always have a deck of cards and certainly the places I frequent there are cards as well. The fact that you can use a few cards, a few more to create a simple or more complex reading is terrific. Make it as long or short as you'd like. Julian's audio book (available for free from his site) is also top notch! Lots of

valuable audio files to use while driving or sitting in a Doctor's office. Certainly worth the asking price. If you have any of Julian's other offerings you know what I mean. If you don't have any of Julian's other offerings don't hesitate. His metaphors and memory links make sense and they work." - John Cesta

When life seems to be full of doubt and uncertainty we tend to look for a source of inspiration: what will happen in the future? What about my health, the children? What will happen if I make this decision and not that one?

This is how the traditional tarot is often used, to satisfy a longing to know about the past and future. The Osho Zen Tarot focuses instead on gaining an understanding of the here and now. It is a system based on the wisdom of Zen, a wisdom that says events in the outer world simply reflect in the outer world simply reflect our own thoughts and feelings, even though we ourselves might be unclear about what those thoughts and feelings are. So it helps us to turn our attention away from

outside events so we can find a new clarity of understanding in our innermost hearts. The conditions and states of mind portrayed by the contemporary images on the cards are all shown as being essentially transitional and transformative. The text in the accompanying book helps to interpret and understand the images in the simple, straightforward and down to earth language of Zen. *The Essential Lenormand* Llewellyn Worldwide Discover the buried
