Keep track of your book club selections and record your latest literary adventures with this reading journal to stay organized for your next meeting! Book clubs are a great way to read new books and discover different genres and new topics that you may not be too familiar with. You can share your thoughts in a social setting and enjoy interesting conversations that might open your eyes to other opinions about the book. But all too often we forget the best details once the book is finished and put back on the shelf.

With The Book Club Journal, you can collect and remember all your important thoughts and feelings so that you can reflect on them for future meetings or rereadings. Made specifically for book club members, this journal has prompts for all the basic book stats, such as the title, author, and who suggested the book, along with book club specific questions like "How does this book compare with the titles we have read previously?" This fun and useful journal also includes reference pages with lists of classic book club must-reads, and room for you to create your very own to-read list.

Simply Stations: Independent Reading, Grades K-4 Independently Published

[In this book, the author] explores an intensely personal yet universal experience: a portrait of a marriage - and a life, in good

times and bad - that will speak to anyone who has ever loved a husband or wife or child. Several days before Christmas 2003, John Gregory Dunne and Joan Didion saw their only daughter, Quintana, fall ill with what seemed at first flu, then pneumonia, then complete septic shock. She was put into an induced coma and placed on life support. Days later - the night before New Year's Eve - the Dunnes were just sitting down to dinner after visiting the hospital when John Gregory Dunne suffered a massive and fatal coronary. In a second, this close, symbiotic partnership of forty years was over. Four weeks later, their daughter pulled through. Two months after that, arriving at LAX, she collapsed and underwent six hours of brain surgery at UCLA Medical Center to relieve a massive hematoma. This ... book is Didion's attempt to make sense of the "weeks and then months that cut loose any fixed idea I ever had about death, about illness ... about marriage and children and memory ... about the shallowness of sanity, about life itself."--Jacket.

Travesía por los límites de la literatura: entre cultura, crítica y la innovación docente más allá de la inteligencia artificial Penguin
Han Minho no se encuentra en su mejor momento. Tiene que lidiar con las numerosas citas a ciegas que le prepara su hermana, sus dos mejores amigos se han mudado fuera de Incheon y, para colmo, el correo electrónico que envió a todo el personal de las aerolíneas en las que trabaja, proponiendo abrir un club de lectura para los empleados, no ha recibido una sola respuesta. Al menos, hasta ahora... Kaya Baudin acaba de instalarse en París, alejada de todo lo que conoce. Dorian Thoresby y Carolina Cabrera no tienen nada en común, pero son amigos desde que se tropezaron en una calle de Queens, en

Nueva York. Los tres trabajan en la misma empresa que Minho. Y los tres, por motivos muy distintos, acabarán respondiendo a su correo electrónico y uniéndose al club de lectura de las Aerolíneas Skywind. Lo que no saben es que ese pequeño gesto cambiará sus vidas para siempre.

TransEvolution Canongate Books

NEW YORK TIMES BESTSELLER "Fully realized, wholly absorbing and almost painfully suspenseful...The journey is mesmerizing." —New York Times A woman receives an unexpected visitor during a deadly snowstorm in this chilling thriller from New York Times bestselling author Heather Gudenkauf. True crime writer Wylie Lark doesn't mind being snowed in at the isolated farmhouse where she's retreated to write her new book. A cozy fire, complete silence. It would be perfect, if not for the fact that decades earlier, at this very house, two people were murdered in cold blood and a girl disappeared without a trace. As the storm worsens, Wylie finds herself trapped inside the house, haunted by the secrets contained within its walls—haunted by secrets of her own. Then she discovers a small child in the snow just outside. After bringing the child inside for warmth and safety, she begins to search for answers. But soon it becomes clear that the farmhouse isn't as isolated as she thought, and someone is willing to do anything to find them. Don't miss Heather's upcoming twisty locked-room thriller, EVERYONE IS WATCHING! And don't miss these other great stories by Heather! The Weight of Silence These Things Hidden Little Mercies Missing Pieces Not a Sound Before She Was Found This is How I Lied
Send Simon and Schuster

In this comic novel of political intrigue, Adam Gorozpe, a

respected businessman in Mexico, has a life so perfect that he might as well be his namesake in the Garden of Eden—but there are snakes in this Eden too. For one thing, Adam's wife Priscila has fallen in love with the brash director of national security—also named Adam—who uses violence against token victims to hide the fact that he's letting drug runners, murderers, and kidnappers go free. Another unlikely snake is the little Boy-God who's started preaching in the street wearing a white tunic and stick-on wings, inspiring Adam's brother-in-law to give up his job writing soap operas to follow this junior deity and implore Adam to do the same. Even Elle, Adam's mistress, thinks the boy is important to their salvation—especially now that it seems the other Adam has put out a contract on Adam Gorozpe. To save his relationship, his marriage, his life, and the soul of his country, perhaps Adam will indeed have to call upon the wrath of the angels to expel all these snakes from his Mexican Eden.

WINNER OF THE COMEDY WOMEN IN PRINT PRIZE 2020

'Simmonds is a copper-bottomed genius... she is as brilliant a writer as Britain has' Jenny Colgan, Mail Online
Cassandra Darke is an art dealer, mean, selfish, solitary by nature, living in Chelsea in a house worth £7 million. She has become a social pariah, but doesn't much care. Between one Christmas and the next, she has sullied the reputation of a West End gallery and has acquired a conviction for fraud, a suspended sentence and a bank balance drained by lawsuits. On the scale of villainy, fraud seems to Cassandra a rather paltry offence - her own crime involving 'no violence, no weapon, no dead body'. But in Cassandra's basement, her young ex-lodger, Nicki, has left a surprise,

something which implies at least violence and probably a body . . .
. Something which forces Cassandra out of her rich enclave and onto the streets. Not those local streets paved with gold and lit with festive glitter, but grimmer, darker places, where she must make the choice between self-sacrifice and running for her life.

The Star Side of Bird Hill ESIC

A modern take on the classic coming-of-age novel, inspired by Anne of Green Gables In the grand tradition of Anne of Green Gables, Bridget Jones's Diary, and The Three Weissmanns of Westport, Andi Teran's captivating debut novel offers a contemporary twist on a beloved classic. Fifteen-year-old orphan Ana Cortez has just blown her last chance with a foster family. It's a group home next—unless she agrees to leave East Los Angeles for a farm trainee program in Northern California. When she first arrives, Ana can't tell a tomato plant from a blackberry bush, and Emmett Garber is skeptical that this slight city girl can be any help on his farm. His sister Abbie, however, thinks Ana might be just what they need. Ana comes to love Garber Farm, and even Emmett has to admit that her hard work is an asset. But when she inadvertently stirs up trouble in town, Ana is afraid she might have ruined her last chance at finding a place to belong.

Beach Read Penguin

In the 20th century, cumulative millions of readers received books by mail from clubs like the Book-of-the-Month Club, the Book Society or Bertelsmann Club. This Element offers an introduction to book clubs as a distribution channel and cultural phenomenon, and shows that book clubs and book commerce are linked inextricably. It argues that a global perspective is necessary to understand the cultural and economic impact of

book clubs in the 20th and into the 21st century. It also explores central reasons for book club membership, condensing them into four succinct categories: convenience, community, concession and, most importantly, curation. This title is also available as Open Access on Cambridge Core.

Esta monografía pretende ofrecer un panorama plural que refleje las tendencias actuales de la didáctica de la Lengua y la Literatura en diferentes etapas educativas. Reconocidos especialistas en la materia profundizan en cuestiones relativas a la educación lingüística y literaria desde perspectivas y planteamientos diversos, pero siempre partiendo del binomio investigación-intervención. La educación lingüística se aborda en sendos capítulos sobre el análisis del discurso en el contexto de las redes sociales, por un lado, y la utilización de la telecolaboración entre pares como metodología innovadora para la enseñanza de español como lengua extranjera (ELE), por otro. En la tercera aportación, tendiendo puentes entre la enseñanza de ELE y la literatura, se plantea el desarrollo de la competencia comunicativa a través de los textos literarios como recurso. Los restantes trabajos se vinculan a la educación literaria de forma más específica. Así, se reivindica la expansión del canon literario y la revisión del mito con la inclusión de interpretaciones desde el feminismo. No obstante, predominan los estudios en torno a la literatura infantil y juvenil. Estos se centran en aspectos como la educación poética desde la perspectiva métrica, el proceso de recepción lectora en las primeras edades y el uso de determinadas estrategias metodológicas para fomentar el hábito lector, como los itinerarios lectores o los laboratorios de libros. En

los tres últimos capítulos se atiende al proceso formativo del alumnado universitario de los grados de Educación Infantil y Primaria, para lo cual se desarrollan propuestas didácticas innovadoras en materia de lectura y escritura.

How to Read a Book Deep Vellum Publishing

A National Bestseller! What does an undocumented immigrant look like? What kind of family must she come from? How could she get into this country? What is the true price she must pay to remain in the United States? JULISSA ARCE knows firsthand that the most common, preconceived answers to those questions are sometimes far too simple-and often just plain wrong. On the surface, Arce's story reads like a how-to manual for achieving the American dream: growing up in an apartment on the outskirts of San Antonio, she worked tirelessly, achieved academic excellence, and landed a coveted job on Wall Street, complete with a six-figure salary. The level of professional and financial success that she achieved was the very definition of the American dream. But in this brave new memoir, Arce digs deep to reveal the physical, financial, and emotional costs of the stunning secret that she, like many other high-achieving, successful individuals in the United States, had been forced to keep not only from her bosses, but even from her closest friends. From the time she was brought to this country by her hardworking parents as a child, Arce-the scholarship winner, the honors college graduate, the young woman who climbed the ladder to become a vice president at Goldman Sachs-had secretly lived as an undocumented immigrant. In this surprising, at times heart-wrenching, but always inspirational personal story of struggle, grief, and ultimate redemption, Arce takes readers deep into the

little-understood world of a generation of undocumented immigrants in the United States today- people who live next door, sit in your classrooms, work in the same office, and may very well be your boss. By opening up about the story of her successes, her heartbreaks, and her long-fought journey to emerge from the shadows and become an American citizen, Arce shows us the true cost of achieving the American dream—from the perspective of a woman who had to scale unseen and unimaginable walls to get there.

Scoundrel Trine Day

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help

make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

My (Underground) American Dream Ediciones Octaedro

THE INSTANT NEW YORK TIMES BESTSELLER FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF PEOPLE WE MEET ON VACATION! "Original, sparkling bright, and layered with feeling."-- Sally Thorne, author of The Hating Game A romance writer who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just upend everything they believe about happily ever afters. Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They're polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will spend the summer writing something happy, and January will pen the next Great American Novel. She'll take him on field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). Everyone will finish a book

and no one will fall in love. Really.

Book Clubs and Book Commerce HarperCollins

Los trabajos que se incluyen en este libro fueron expuestos por sus autores en el VII Curso de Literatura Infantil que, con el mismo título, se celebró en el Vicerrectorado de Extensión Universitaria de la Universidad de Castilla-La Mancha, con sede en el campus de Cuenca, los días 4 y 5 de julio de 1996. El libro ofrece diversos estudios, trabajos y reflexiones tanto sobre el mundo de la animación a la lectura como sobre la creación de hábitos lectores estables en la población infantil y juvenil: la lectura ideal, la selección de libros, la biblioteca como espacio motivador, la animación a la lectura en diversos contextos o la formación de buenos lectores.

10 Ideas clave. Animación a la lectura Harlequin

Descubre la serie de cosy crime más divertida del momento, número uno en ventas y ganadora del Premio Mystery and Mayhem Chanticleer, por una «verdadera sucesora de Agatha Christie» (Espace Culturel) Alicia Finlay decide abandonar su aburrido club de lectura y crear uno nuevo dedicado en exclusiva a su género favorito: las novelas de misterio. Tras un arduo proceso de selección, los siete elegidos del club del crimen —una despistada bibliotecaria, una dueña de tienda de ropa vintage, un paleontólogo, un apuesto doctor especializado en venenos, una rica ama de casa y la propia hermana de Alicia— no quieren perder ni un segundo para zambullirse en sus libros preferidos. Sin embargo, pronto tendrán que enfrentarse a un caso real: uno de ellos será víctima de un intento de asesinato y otro desaparecerá. Nadie mejor que el club del crimen para acometer esta investigación, y no hay ayuda más valiosa que la de sus

detectives de cabecera. De la mano de inolvidables personajes como Hércules Poirot o Miss Marple, estos ávidos lectores se lanzarán a la calle, decididos a encontrar las claves que solo un verdadero amante del suspense podría descifrar. La crítica ha dicho: «Digna sucesora de Agatha Christie. Esta novela podría servir de guion a una película de Woody Allen: [...] puro entretenimiento aliñado de misterio o viceversa, una lectura ligera digna de una bonita tarde invernal con el sello del dulce far niente». Ana Bretón, El Mundo «Pura ficción detectivesca. Larmer es una verdadera sucesora de Agatha Christie. La historia es magnífica, todos los personajes son únicos y aportan muchísimo a la historia. Me lo he pasado muy bien leyéndolo y estoy deseando empezar la siguiente entrega». Espace Culturel «Un verdadero flechazo. Una serie que seguiré muy de cerca». Cultura «C. A. Larmer ha creado una atractiva historia con una investigación vinculada a un episodio de la vida de Agatha Christie, [con] una galería de personajes interesantes [y] dos hermanas cuya dinámica funciona a la perfección [...]. Con espacio para los placeres de la vida, la gastronomía y el amor, esta es una historia que se lee con placer [...]. Una primera entrega cautivadora». Le Littéraire «¡La estoy disfrutando muchísimo! [Es] adictiva [...], la novela perfecta para relajarse, [una historia] que te empuja a volver a zambullirte en la divina Agatha Christie». Librairie Zannini «Leerla es un auténtico placer, [...] recuerda a aquellas queridas novelas policíacas de la infancia». Ma(g)ville «A los amantes del cosy crime y de Agatha Christie: esta novela está hecha para vosotros». Les lectures de Stefa «Pura ficción detectivesca. Larmer es una verdadera sucesora de Agatha Christie. La historia es magnífica, todos los personajes son únicos

yaportan muchísimo a la historia. Me lo he pasado muy bien leyéndolo y estoy deseando empezar la siguiente entrega».

Espace Culturel

Lectores, libros y tertulias. Estudio de dos clubes de lectura en Bogotá HarperCollins

"Si bien Fernando Paternina (personaje de esta historia) se debate entre el carácter comercial y el de género literario del thriller, Muerte en el club de lectura bien puede ser considerada una apuesta con las dosis justas de suspenso para mantener al lector envuelto en las intrigas y la expectativa propia de dicho género. En este segundo libro –el primero llegó en 2017 de la mano de Intermedio Editores, bajo el título El diario azul–, la barranquillera Malena de Windt realiza una hábil actualización de la novela de suspenso, al abordar mediante sus técnicas narrativas algunos fenómenos coyunturales como son los clubes literarios y sus respectivos personajes estelares, los booktubers. No obstante es una novela –y, como tal, se basa en la ficción–, Muerte en el club de lectura transporta al lector a algunos escenarios reales y a situaciones actuales que convocan a cientos de miles de jóvenes lectores en torno a la cultura literaria aun en tiempos de redes sociales y plataformas digitales."

Ana of California Wednesday Books

A Recommended Read from: The Los Angeles Times * Town and Country * The Seattle Times * Publishers Weekly * Lit Hub * Crime Reads * Alma From the author of *The Real Lolita* and editor of *Unspeakable Acts*, the astonishing story of a murderer who conned the people around him—including conservative thinker William F. Buckley—into helping set him free In the 1960s, Edgar Smith, in prison and sentenced to death for the murder of

teenager Victoria Zielinski, struck up a correspondence with William F. Buckley, the founder of National Review. Buckley, who refused to believe that a man who supported the neoconservative movement could have committed such a heinous crime, began to advocate not only for Smith's life to be spared but also for his sentence to be overturned. So begins a bizarre and tragic tale of mid-century America. Sarah Weinman's *Scoundrel* leads us through the twists of fate and fortune that brought Smith to freedom, book deals, fame, and eventually to attempting murder again. In *Smith*, Weinman has uncovered a psychopath who slipped his way into public acclaim and acceptance before crashing down to earth once again. From the people Smith deceived—Buckley, the book editor who published his work, friends from back home, and the women who loved him—to Americans who were willing to buy into his lies, Weinman explores who in our world is accorded innocence, and how the public becomes complicit in the stories we tell one another. *Scoundrel* shows, with clear eyes and sympathy for all those who entered Smith's orbit, how and why he was able to manipulate, obfuscate, and make a mockery of both well-meaning people and the American criminal justice system. It tells a forgotten part of American history at the nexus of justice, prison reform, and civil rights, and exposes how one man's ill-conceived plan to set another man free came at the great expense of Edgar Smith's victims.

Hábitos lectores y animación a la lectura Intermedio Editores S.A.S

OPRAH'S BOOK CLUB PICK A NEW YORK TIMES BESTSELLER "A roadmap on the journey to truth and authenticity... [The Way of

Integrity] is filled with aha moments and practical exercises that can guide us as we seek enlightenment.” -Oprah Winfrey

Bestselling author, life coach, and sociologist Martha Beck explains why “integrity”—needed now more than ever in these tumultuous times—is the key to a meaningful and joyful life As Martha Beck says in her book, “Integrity is the cure for psychological suffering. Period.” In *The Way of Integrity*, Beck presents a four-stage process that anyone can use to find integrity, and with it, a sense of purpose, emotional healing, and a life free of mental suffering. Much of what plagues us—people pleasing, staying in stale relationships, negative habits—all point to what happens when we are out of touch with what truly makes us feel whole. Inspired by *The Divine Comedy*, Beck uses Dante’s classic hero’s journey as a framework to break down the process of attaining personal integrity into small, manageable steps. She shows how to read our internal signals that lead us towards our true path, and to recognize what we actually yearn for versus what our culture sells us. With techniques tested on hundreds of her clients, Beck brings her expertise as a social scientist, life coach and human being to help readers to uncover what integrity looks like in their own lives. She takes us on a spiritual adventure that not only will change the direction of our lives, but also bring us to a place of genuine happiness.

The 5AM Club Minotauro

Arguing that the race to better humankind is about to go to a new dimension as a result of a nanotechnological revolution, this enthralling read purports that the depth of progress and technological development is such that people in the very near future may no longer be fully human. *TransEvolution* discusses

the transition from human to someone—or something—new and different and the increasing trend of implementing prosthetics, organ implants, bionic eyes, hearing aids, and other technological augmentations. Humans are capable of doing things they never imagined would be possible 20 years ago, and the rapid growth of this trend is nowhere near its end. But do the benefits of these advancements come with a price? Is humanity in danger because of this domination of science and technology? Bestselling author Daniel Estulin describes his vision of the future in which he believes the elite will employ their Promethean plans.

The Way of Integrity Cambridge University Press

A REESE'S BOOK CLUB PICK INSTANT NEW YORK TIMES

BESTSELLER “Are you ready for the roller coaster ride that is *The Club*? . . . A beautifully written, densely plotted murder mystery that takes place at a private club off the coast of England. Read about a luxurious, celeb-only island during a weekend of partying and ultimately murder.” —Reese Witherspoon (Reese’s Book Club March ’22 Pick) From the author of *People Like Her* comes a smart and sinister murder mystery set in the secretive world of exclusive celebrity clubs. *Everyone's Dying to Join* . . . The Home Group is a glamorous collection of celebrity members' clubs dotted across the globe, where the rich and famous can party hard and then crash out in its five-star suites, far from the prying eyes of fans and the media. The most spectacular of all is Island Home—a closely-guarded, ultraluxurious resort, just off the English coast—and its three-day launch party is easily the most coveted A-list invite of the decade. But behind the scenes, tensions are at breaking point: the ambitious and expensive project has pushed the Home Group's CEO and his long-suffering

team to their absolute limits. All of them have something to hide—and that's before the beautiful people with their own ugly secrets even set foot on the island. As tempers fray and behavior worsens, as things get more sinister by the hour and the body count piles up, some of Island Home's members will begin to wish they'd never made the guest list. Because at this club, if your name's on the list, you're not getting out.
